History in the (Video) Making!

To commemorate the 50th anniversary of the transition from being a privately-owned cattle ranch to becoming corporation-owned by Johns-Manville, the Ken-Caryl Ranch Historical Society has produced a video featuring our community development from 1971 to the present time. It includes many new colorful pictures and old newspaper clippings showing these changes from cattle pastures to homes and businesses. This video is available for viewing on our website by clicking on the button below.
