Parks Department and Open Space Rangers Resuming Essential Operations

In addition to sunny skies, you may notice that more of our Parks Department and Open Space Ranger team members will be out and about this week.

Beginning today, Monday, April 6, turf mowing, maintenance, modified patrols and other essential duties will resume in Ken-Caryl Ranch. Our team will be conducting operations in accordance with social distancing guidelines in an effort to keep our employees and residents safe.

We respectfully request that residents maintain a distance of 6 feet when passing our team members while they are at work.

Waste Connections: Trash Pick-up Safety Reminder

To protect the safety of our Waste Connections drivers, the following changes to our trash service are currently in place:

- All large cardboard must be cut and placed inside a recycling container, trash container or garbage bag. No boxes can be set on the curb.
- Household trash will be limited to one filled can (either your personal trash can, or the 96-gallon tote provided by Waste Connections) plus up to three additional bags of trash. (You can leave out one filled can and three bags on the side.) If you have yard waste it must be either in your trash can or in the three extra bags.
- Recycling service will be normal, and they will pick up any recycling inside your regular containers. No extra boxes will be picked up from the curb.
- No bulk items may be placed out, such as mattresses, furniture, etc. This will ensure efficient operations and will protect the safety of the drivers.
- Communities with dumpsters will continue to receive the same service. Please be sure all items are placed inside the dumpster, not beside it.
- Small recycling bins may still be used for broken down cardboard and other recyclables.

Thank you for helping keep drivers safe. This is a temporary change and Waste Connections will return to regular pick-up after the crisis.

If you have any questions, please contact Kristen Peterka at kristenp@kcranch.org, or leave a message at 303-979-1876, ext. 109.

Meet Your MD Board Candidates!

Pool Cues: Construction Update

Pool construction delays have resulted due to the current COVID-19 pandemic and inclement weather experienced earlier in the year. The project's contractor has been working with an abundance of caution to ensure the health and safety of his crew as well as Ken-Caryl residents, which has resulted in a smaller workforce. The contractor expects pool completion sometime in June.

While construction continues on the Ranch House pool, the Metro District and Master Association are working together to develop a plan for the community's other pools. The COVID-19 pandemic has created, and will continue to create, challenges in getting the aquatic facilities ready for summer use, however, we will do our best under these dynamic circumstances to provide you updates as they are available across our social media platforms, in the e-News and in future editions of *Life at Ken-Caryl*.

Leash Law Reminder

Now more than ever, it's important to leash dogs for the safety of others, especially in regard to adhering to current social distancing guidelines.

In accordance with Jefferson County's Leash Law, all dogs must be on a leash, or confined on the owner's premises at all times. Unleashed dogs are a danger to other dogs, people and wildlife. Off-leash dogs are also a danger to themselves with running into nearby streets, being hit by cars, being bitten by wildlife, or getting lost.

For more information, visit our website by clicking on the button below.
