Crime Prevention Safety Tips

According to the Jeffco Sheriff's Office, crimes like vehicle trespasses (someone breaking into your car), Identity Theft (especially fraudulent unemployment claims) and vehicle thefts increase, while crimes like burglary and theft (shoplifting) have gone down.

So, what can you do to lessen your chances of becoming the victim of a crime? Remember that three factors must be present for a crime to occur: desire, ability and opportunity. Out of these three, the one factor you can have significant impact on is the last one, opportunity. Anything you can do to take away their opportunity and prevent or deter them will lessen your chance of becoming their next victim.

For a comprehensive list of crime prevention safety tips provided by the Jeffco Sheriff's Office, please visit our website by clicking on the button below.
