Ken-Caryl Ranch e-News

May 18, 2020

The Ken-Caryl Ranch e-News is emailed to subscribers every Monday (Tuesday if Monday is a holiday). To submit an item for the e-News, contact Allison Hefner at allisonh@kcranch.org or 303-979-1876, ext. 108.

Pool Cues: Pool Construction Update and Resident Survey

The pool contractor is anticipating a July completion. There have been schedule delays related to the weather, COVID-19 and ongoing structural and construction issues with the mechanical and lifeguard/first aid room. There have also been some cost overruns due to unanticipated structural issues related to the current building as well as challenging winter conditions. Staff is working hard to cut costs in other areas so the budget impact is smaller. Good news is that the pool and the building addition will be solidly built so that many future generations can enjoy it for years to come.

Please be advised that per the current Safer-at-Home order, pools cannot open. This order is scheduled to expire on May 26; however, it is uncertain whether that order will be extended, amended or lifted.

In an effort to understand the community's needs and develop a possible reopening strategy, we ask that you take a few moments to fill out a community survey, accessible by clicking on the button below.

The deadline for your response to this survey to be considered is **May 21 at noon**. Please only take the survey one time per person/household. Thank you.

KCR Celebrates Memorial Day

This year, Ken-Caryl will be virtually celebrating Memorial Day by honoring those who have served our country and have passed away, in a variety of ways, across our social media platforms and in *Life at Ken-Caryl*.

Thanks to all of our residents who contributed to our "Wordle", describing what Memorial Day means to them with a singular word!

There's still time to submit photos of your loved ones to be published in *Life at Ken-Caryl*! Email submissions to brenna@kcranch.org by tomorrow morning at 9 a.m. Be sure to include a brief description of the service member with your photo.

A big thank you to Colorado Credit Union for their generous donation of a Memorial Day wreath for the Veterans Monument.

Seasons of Ken-Caryl Photo Contest

Calling all resident photographers! Due to the popularity of our Earth Day photo contest, we are hosting several photo contests throughout the rest of the year to capture the "Seasons of Ken-Caryl"!

Next up, submit a photo depicting summertime in Ken-Caryl! Submissions from last year will also be accepted. Simply email your photo with a caption to allisonh@kcranch.org by or before Wednesday, May 27 at 5 p.m. to be entered to win! The winner will be announced on Monday, June 1.

The winning photo will be featured as the Ken-Caryl Ranch Facebook cover photo through August and will grace the cover of the June 10 issue of *Life at Ken-Caryl*!

Personal Training for Fitness and Tennis Now Available!

We are once again excited to "serve" the Ken-Caryl community! Ken-Caryl Ranch is now offering fitness opportunities for personal training and tennis. Staff are booking private personal training tennis lessons this week. These sessions will take place at the indoor courts with groups being limited to four people, with the exception of members residing in the same household.

Protocols for the safety and well-being of all will be sent to patrons and are available on our website.

Please contact Devin Van Treek at devinv@kcranch.org or 720-296-0058 for more information and to book a tennis personal fitness session.

Contact Janet Robbins at janetr@kcranch.org to learn more about personal training sessions.

More information can be found by clicking on the buttons below.

Purple Ash Trail Improvements

The Ken-Caryl Ranch Open Space Committee will review planned improvements to the Purple Ash Trail at their monthly meeting on May 27. The current trail plan is a combination of crusher fine and concrete surfaces. The plan is to replace two, 50' sections of crusher fine tread on either side of the stream crossing with colored concrete. These areas are prone to wash out during storms when the stream rises and floods the trail. The hardened trail surface will hold up much better during these storm events.

Funds for the project will come from the KCRMA 2020 Annual Plan under the One-Time Projects budget for Soft Surface to Hard Surface Trail Conversions. There are several locations in open space where these conversions have occurred and staff believes it is a good option for addressing reoccurring maintenance problems with sections of soft surface trails that were either built on too steep a slope or experience concentrated storm flows.

If you have questions, contact Open Space Manager Sean Warren at 303-979-1876, ext. 463 or at seanw@kcranch.org. For more information, click on the button below.
