Ken-Caryl Ranch e-News

June 8, 2020

The Ken-Caryl Ranch e-News is emailed to subscribers every Monday (Tuesday if Monday is a holiday). To submit an item for the e-News, contact Allison Hefner at allisonh@kcranch.org or 303-979-1876, ext. 108.

COVID-19 UPDATES

Prevention & Preparation

Safer-at-Home Updates

We have received direction from the State and CDC for the opening of aquatic facilities, parks, playgrounds as well as tennis and fitness facilities.

The District is working toward preparing the Community Center Pool for opening, followed by the Ranch House Pool. There is a great deal of work to do to train staff and prepare the facility, so the Community Center opening date is anticipated sometime later in June. Construction on the Ranch House Pool will likely not be completed until July.

Additionally, guidance has been received regarding the opening of parks and playgrounds. The new State Order includes the reopening of playgrounds for up to 10 people at a time, so playgrounds will include signage indicating as such. Users are strongly encouraged to bring hand sanitizer and wipes for their own personal use of the playground.

The State Order also includes the relaxation of restriction for use of parks. Outdoor facilities such as tennis courts, basketball courts and fields may be used by up to 25 people at a time per court/field. All permits for use take precedence over drop-in use. Please email info@kcranch.org to obtain your field use permit.

More information on these reopenings as well as the reopening of our Fitness Center and tennis courts have been posted to our website and is accessible by clicking on the link below.

In the meantime, as we work to re-open facilities, parks and pools, we encourage all residents to visit our online portal to ensure your account is up-to-date, or set up your account if you don't already have one. Please click on the link below to update or create an account.

Spring Storm Causes Damage to Ranch House Tennis Courts

Over the past weekend, a significant storm caused a great deal of damage to the Ranch House tennis courts. A portion of the courts are CLOSED until we can clear the rest of the trees and assess the full extent of the damage. Crews were out on Saturday evening to take down two trees that could have caused additional damage. Please DO NOT enter the area that has been closed off with caution tape.

More information is available on our website. Updates and information will be posted to our social media platforms and our website as they become available.

Waste Connections Branch and Debris Pick-up

WASTE CONNECTIONS INC.
Connect with the Future®

Waste Connections drivers will do their best to pick up branches from the storm during trash pick-up this week.

Branches must be placed in a trash can, in a trash bag, or tied and bundled in lengths not to exceed four feet, less than one foot in diameter and weighing less than 40 pounds. Drivers cannot pick up loose branches – they will be left on the curb if they are not in a container or bundled.

Commercial Vehicle Rule to Remain

The Master Association Architectural Committee held a regular meeting on May 28. At the meeting, the committee voted to keep the commercial vehicle rule as is. The current rule states:

"Any automobile, truck, or other vehicle which displays lettering or advertising, carries equipment for a business, or is equipped for performing services, shall be kept at all times in an enclosed garage or at an offsite facility."

Earlier this year, the committee proposed a change to the rule allowing commercial vehicles to be parked in driveways. Many residents expressed concerns about the proposed rule change. After further discussion, the committee feels it is best for the community for the current rule to remain at this time. Staff will work to ensure there is more consistent enforcement of the rule. If you have any questions or concerns, contact Victoria DeSair at victoriad@kcranch.org.

Summer Special Event Cancellations

Due to COVID-19, the Metro District has made the difficult decision to cancel this year's 4th of July celebration and Flick 'n Float event, scheduled on July 18, in order to promote public safety and slow the spread of the corona virus.

We apologize for any inconvenience and are hopeful we can host these events next summer!

Trail Etiquette; Be Especially Cautious When Encountering Equestrians

There have been reports recently from equestrians of other trail users not yielding or approaching too quickly or passing at too high a speed. Trail users need to be cautious around horses because even the best trained horse can act unpredictably if startled and injure the rider or other trail users. Please follow these guidelines below when encountering equestrians on the trails:

Bicyclists yield to equestrians, runners and hikers. Keep your bike under control and at a safe speed. Runners and hikers yield to equestrians.

Questions? Contact Open Space Manager Sean Warren at seanw@kcranch.org. For more information, please check out the June 10 issue of *Life at Ken-Caryl*.

We're Hiring!

The Master Association is looking to hire a Seasonal Maintenance Technician to assist with restoring and seeding unoccupied prairie dog sites and other open space projects as needed.

Ideal candidate should have working knowledge of hand tools. Seasonal Maintenance Technicians will be subject to hot and cold working conditions outdoors and physically strenuous work.

For more information, or to apply for this position, visit our website by clicking on the button below.
