Veterans Monument Brick Purchase & Placement Update

Thank you to all residents who purchased a brick in honor of a loved one with past or present military service to be part of our community's Veterans Monument.

Production delays were due to the temporary closure of Missouri-based Fundraiser Brick Company, the factory responsible for crafting these bricks, as a result of COVID-19. We are happy to report that the factory has reopened and bricks are expected to be placed in time for the July 4th holiday!

Thank you for your patience and understanding regarding brick production delays due to the pandemic. Please be sure to stop by the Veterans Monument this upcoming holiday to honor those who have honored our country with their service!
