### Wristbands at the Pools

Thank you to residents that shared feedback regarding the Metropolitan District's new wristband policy at our pools. We are utilizing Tyvek (synthetic paper-like) wristbands this season to ensure community members and guests are paying for admission to the pool. The bathrooms at two of the three pools are outside the check-in areas, and the wristbands help Guest Service staff to visually monitor paid patrons. We have purchased the wristbands for the entirety of the summer and plan to continue the policy through this summer. We will be collecting feedback from community members throughout the summer and debriefing at the end of the season to determine the best course of action for next summer. Please note that all pool activities require a wristband including lap swim and water aerobics. Check in at the Community Center main desk to receive your wristband for lap swim and water aerobics. If you have any questions, please contact Amy Lear at [amyl@kcranch.org](mailto:amyl@kcranch.org).

### New History Video Highlights Texas Oilman Who Owned Ken-Caryl Ranch

Ever wonder why a wealthy Texas oilman who was the owner of the Hartsel Ranch, the largest in Colorado, was interested in Ken-Caryl Ranch? Who was this guy? The Ken-Caryl Historical Society has released a new video on the adventurous life of Arthur "Cap" McDannald, owner from 1949 until his death in 1963. His family continued ownership until 1971. The video includes the memories of his grandchildren who in the 1950s would travel from Houston to spend their entire summers at the ranch. Check out this informative video below.
