Jan. 15 is Last Day to Drop Off Christmas Trees at Brannon Gearhart Park

The Parks Department is accepting Christmas trees for chipping again this year at Brannon Gearhart Park. Please note that trees CANNOT be dropped off at Dakota Lodge. Brannon Gearhart Park is located just east of Valley Parkway between Mahonia and Buckthorn. Simply drop off your tree in the designated area anytime between now and Jan. 15. Be sure to remove any non-coniferous items such as metallic materials and tinsel before bringing your trees because many materials can damage the chipping equipment. The mulch will be applied at the base of trees and shrubs in parks and greenbelts.

2017 brings some rare changes to the Master Association staff as two long-time employees have or will soon be retiring. Rita Saunders has retired after more than 13 years of service to the community. Most recently, Rita was our Community Standards Administrator following several years as the Administrative Assistant. And at about the same time you are reading this article Julie Kearful will also be retired. Julie has served the community in many roles dating back to 1981 when she was a

hostess/facilities administrator, then after more than five years working downtown she returned as our Architectural/Covenant Administrator. Most recently she has worked on a limited basis as our Architectural Administrator. I would like to say thank you one more time, and along with the rest of the staff and many volunteers that had the opportunity to work with them, wish them happiness in their post Ken-Caryl Ranch lives.

So, what happens next? I am pleased to introduce Jenny Bernal who began work on Jan. 3 as our new Community Standards Administrator. In this position, she will be coordinating both Architectural and Covenant services for the Association. Jenny comes to the Master Association with a strong background in customer service and has already embraced her new role. Victoria will be publishing a piece in the next issue of the paper introducing Jenny in greater detail, but I would like to invite you all to introduce yourselves to Jenny next time you are in the Ranch House. Jenny can be reached at jennyb@kcranch.org or 303-979-1876, ext. 113. I am hopeful that she will join her predecessors and enjoy a long relationship with Ken-Caryl Ranch.

◆ **Board Meeting Summaries**

Joint Study Session

On Jan. 3, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session and discussed the following items:

- The Boards reviewed the draft agreement in which the Master Association would provide cash flow funding to the Metropolitan District to replace the Community Center Tennis

Courts 1 and 2. The Boards plan to adopt the agreement at their respective Board meeting in January.

- Several residents addressed the Boards regarding the findings of the Dakota Lodge focus group and expressed varying opinions about the use of the facility. The Boards plan to take action pertaining to the focus group's findings and the use of Dakota Lodge at their respective January business meetings.

Proposed C-470 and Alameda Rezoning

Jefferson County received applications to rezone two parcels of land in unincorporated Jefferson County. The two rezoning cases are the:

- Northwest corner of C-470 and Alameda, near the Dinosaur Ridge Visitor's Center – Case No. 16-108156RZ. Please note, the application for the northwest corner does not include the Dinosaur Ridge Visitor Center property.
- Southeast corner of C-470 and Alameda, closer to the Solterra Development – Case No. 16-108148RZ

All of the detailed information in the case files can be found on the Planning and Zoning website at <http://jeffco.us/planning-and-zoning/> by searching for the case numbers above.

Both properties are currently zoned Corridor District – Medium Scale Retail (CD-RM). This zoning allows a variety of commercial and light industrial uses such as light manufacturing; research and development; business and professional office; medical and dental offices, clinics, emergency facilities and hospitals; laboratories; banks; retail shopping facilities; convenience service establishments; specialty goods and services; state licensed daycare; adult daycare; restaurants; medical supply and drug store; grocery store; department store and indoor and outdoor recreational facilities.

The purpose of the rezoning applications is to rezone from CD-RM to Planned Development to continue to allow all CD-RM uses and add motor vehicle sales (including leasing, and rental), hotels, motels, gas stations and stand-alone parking as permitted uses.

There is a Board of County Commissioners Public Hearing for both applications on Tuesday, Jan. 17 at 8 a.m. at the Jefferson County Administration and Courts Building, 100 Jefferson County Parkway.

A Fond Farewell

By Architectural Administrator Julie Kearful

As I write my last words to you, I treasure so very many wonderful memories of being here at the Ranch House and working to help make Ken-Caryl Ranch a great place to live. In the early years our motto was, "Live, work and play on Ken-Caryl Ranch." I have done all of those things for 35 years and loved the journey. I feel fortunate and grateful to call such a naturally beautiful and vibrant community my home.

Certainly much of the success of Ken-Caryl Ranch is due to the Master Declaration of Covenants, Conditions and Restrictions, which has proven to be a well-written document that has served us admirably since the creation of Ken-Caryl Ranch as a planned community in the mid-1970s. In my opinion, the creators of this "master dec" did a super job of laying our groundwork with foresight and flexibility.

There are a huge number of residents who I have met and worked with throughout the years as Ken-Caryl Ranch attracts many good families who appreciate our way of life (although some appreciate all the rules except the one they have broken). I have truly enjoyed working with folks to reach agreeable solutions and "fixing things." Thank you for the friendships and kindnesses that have helped to make my job a pleasure.

The Ranch House staff has become extended family in the true sense of the word. No matter what the industry or type

of work environment, the attitude within comes from the top. Chris Pacetti is the best of the best. Whatever the situation, he is able to address it with professional excellence, integrity and empathy. In addition, his work ethic is unmatched as you know.

Working with the Architectural and Covenant Committees has been a joy! These dedicated residents are volunteering their time and expertise because they, too, love Ken-Caryl Ranch and want to do their part in giving back to the community. Thanks to each of you – I will miss you.

As I head into retirement, I look forward to whatever comes next but know that my car will automatically drive itself to the Ranch House until I am able to re-program it. Thanks to all who have made my work here a great ride!

Jan. 27 Deadline for Master Association Board Applications

Please give some thought to serving your community by becoming a member of the Ken-Caryl Ranch Master Association Board of Directors, the decision-making, policy-setting leaders of this community.

There are two seats on the MA Board that will be on the ballot for the Board of Directors election in March 2017. The MA Board meets in the evening on the first and third Tuesdays of each month. Board members are expected to attend other meetings on an as-needed basis. The affairs of the Master Association are managed by the five-member Board of Directors along with a professional staff. Serving three-year staggered terms, a portion of the Board is elected each year.

For those of you who are interested in running for an MA Board position, applications are available at the Ranch House and online at www.ken-carylranh.org under the Administration tab then Master Association Board. Applications are due by Jan. 27. The MA will introduce the declared candidates to the community in this publication and at www.ken-carylranh.org in February. Election information will be announced in late January.

Being Prepared for Winter in the Open Space

By Open Space Ranger Gary Norton

A change in the weather during warmer months can be a minor inconvenience, while being caught off guard in the winter has the potential for severe consequences. Always let someone know where you will be going and your estimated time of arrival back home. Checking the forecast before going out can better prepare you for these conditions. Hiking, snowshoeing or skiing up steep foothill trails can be exhausting and cause you to work up a sweat even in frigid conditions. Dressing in layers can prevent overheating and allow you to better adapt to changing conditions.

The heat produced from exertion can be deceiving. If an extended stop is necessary due to an emergency or from exhaustion, the body can quickly become chilled and can lead to medical emergencies like hypothermia. Avoid wearing cotton clothing. Cotton takes a long time to dry and could lead to continual cooling of your core temperature. Synthetic or wool base layers are a better choice while doing winter activities. Wool base layers are a good choice during the winter because they have the ability to thermo-regulate even when wet. By using finer wool fibers like Merino wool, wool garments are less itchy and perform better than the wool of old.

An extra layer like a wind shell can trap extra heat while sedentary, block the wind and can be easily packed away while on the move. The fine balance of exertion and your body's attempt to maintain a certain core temperature can burn a lot of calories. Bring plenty of water and high energy food on your winter outings. As we

all know, the sun sets early in the winter months, so if you leave in the afternoon for your outing give yourself plenty of time to return before dark.

Winter Essentials

- Dress in layers. Lightweight, thermo-regulating base layers made of wool or synthetic fibers. Include a hat and gloves.
- Wind and water resistant shell
- Plenty of high-calorie food and water
- Survival kit with a fire starter, space blanket, whistle, compass, first aid supplies and a source of light to navigate if you find yourself out in the dark
- Don't count on a cell phone for help. You could be out of service or your battery could run out.

Winter Trail Etiquette

- As the snow melts, muddy sections develop on parts of the trails. Trail users should try to navigate through muddy sections not around them. Circumventing muddy sections leads to widened trail segments and a greater area of disturbance to the open space. When the trails are snow packed, try to stay on the trail and avoid cutting switchbacks. Using the trails during the early morning hours when the ground is frozen is a good alternative for those who aren't into getting muddy.
- Pets should be leashed and under the owner's control at all times. Even though it is hard to keep your pet leashed while using poles or when you decide to go to the local sledding area, the open space use rule No. 4 regarding leash regulations still applies. Coyotes and other predators may be more likely to approach pets that are loose and away from their owners when their normal food supplies are scarce. A dog off leash may be inclined to chase deer and other wildlife. Wildlife can use up scarce energy reserves trying to flee from a loose pet. Harassment of wildlife is also a fineable offense under Colorado state law and can lead to expensive citation. Other trail users will appreciate an under control pet while they are navigating snowy terrain.

With proper preparation and adherence to a few simple guidelines, winter is a good time to get out and enjoy the trail system. If you have any questions regarding trail conditions or any open space matters, give the Ranger Staff a call at 303-979-1876, ext.170.

Jan. 17 Deadline to Submit Trail Name

Construction is now complete for the Lower Question Mark Peak Loop Trail (LQMPL) in the southern section of the Foothills Open Space. The trail forms a 1.7-mile-long loop south of the upper reaches of Massey Draw and High Meadow Trail. The upper section of Cougar Trail (currently under construction) will connect LQMPL to the Valley Open Space intersecting Bluebird Trail and the Cougar trailhead at Valley Parkway. LQMPL can also be accessed from Massey Draw and Shaffer Trails.

Now that the trail has been in use for the past five months and open space visitors have had a chance to experience the new trail, the Ken-Caryl Ranch Open Space Committee would like Association members to help in creating the official moniker for this newest addition to the trail system. The new name could take a cue

from the world of plants and animals like Golden Eagle Trail or Big Bluestem Trail. It can also come from geographical features like Ridge Trail or Summit Trail, or it can be experiential like Grand View Trail. You may also use proper nouns as long as they refer to historical figures (like Shaffer Trail), place names (Beacon Hill Trail) or events (Fourth of July Trail). Please, do not include names of businesses or companies or names intended to be a memorial to departed loved ones.

Send in your nominations for the new trail name to seanw@kcranch.org, or snail mail to KCRMA, Attn: New Trail Name, 7676 South Continental Divide Road, Littleton CO, 80127. Please send in your nominations by Jan. 17. The committee will pick the best name, and with final approval of the Ken-Caryl Ranch Master Association Board of Directors the name change will be made and full bragging rights will be bestowed upon the person providing the winning name.

As a trusted Real Estate Advisor for 33 years, I serve my clients' needs before, during and after the sale.

Here are a few predictions for the Denver home market in 2017:

- Slower sales pace and less price appreciation than 2016.
- Home mortgage interest rates will increase.

How does this affect Ken-Caryl? We are fortunate to live in a "high demand" area and Buyer interest will remain strong. Homes under \$500,000 will continue to sell quickly and probably have multiple offers. Please contact me with any questions or concerns.

Ken-Caryl Musicians Perform at Winter Recital

Submitted by Elea Plotkin, Ken-Caryl Resident
 Ken-Caryl piano and voice students of North Ranch music teacher Elea Plotkin performed in her annual Winter Recital at Genesis Presbyterian Church in Littleton on Sunday, Dec. 11. All 24 talented musicians did an outstanding job presenting a lively and diverse program of classical favorites, Broadway show tunes, contemporary jazz and traditional holiday carols to an appreciative audience

of family and friends. A festive holiday reception followed the recital.
 The program opened with a beautiful vocal performance of "The Star-Spangled Banner" by Avery Neagle, Bradford sixth-grader and daughter of Jennifer and Denny Neagle. Elizabeth Smits, Bradford fourth-grader and daughter of Jan and Kate Smits, expressively performed the piano piece "Consolation" by Bergmuller. Pianist Ellen Jensen, Falcon Bluffs seventh-grader and daughter of Laurie Almer and Mark Jensen, performed a Chopin "Mazurka" with compelling artistry. Kiara Keller, Deer Creek eighth-grader and daughter of Ann Hovenen and

Patrick Keller, performed Bach's piano piece "Minuet in G" with elegance and musicality.
 Of special note was the outstanding piano and vocal performance of the pop song "1000 Years" by Bradford Intermediate fifth-grader Emelie Rosenberg, daughter of Molly and Mike Rosenberg. Joe Urbanich, Falcon Bluffs sixth-grader and son of Connie and Eric Urbanich, performed a spirited rendition of the jazz piano piece "Move It" by composer Bill Boyd.
 For information about private lessons, contact the Elea Plotkin Music Studio and Total Talent Development at 303-972-1984.

Ken-Caryl Ranch Preschool 2017-18 Registration Starts Jan. 23

The Ken-Caryl Ranch Preschool is a play-based program for 3-5 year olds that strives to create a space of continual learning and growth to meet the needs of all children, families and staff. Public registration for the 2017-18 school year begins Monday, Jan. 23.

The Ken-Caryl Ranch Preschool offers several schedule options to fit your needs. There are now classrooms at both the Community Center and the Ranch House. Both sites offer a half-day (9 a.m. - 12 p.m.) program and a full-day (9 a.m. - 3 p.m.) program. The Community Center also has an extended-care option.

The program strives to promote learning in a fun, hands-on environment that focuses on peer socialization, self-regulation, and respect for all people and living things. Children develop social skills through creative expression, dramatic play, sensory activities, art, stories and much more. All children will spend their days engaged in both work and play, further developing basic social-emotional and academic skill sets.

Developmentally-appropriate curriculum will help create confident and inquisitive learners, as nurturing staff provides a fun and caring place for your child to develop and grow. The Pre-K curriculum will have a stronger emphasis on early literacy, math and science concepts, as the teachers help prepare kiddos for their exciting journey into kindergarten.

Please see www.ken-caryl-ranch.org (Programs & Activities tab, then Youth Programs) for tuition information, registration forms and other details. For more information, please contact Kailey Geppert, Recreation Supervisor for Youth Programs, at kaileyyg@kcranch.org.

Dramatic play is encouraged in the Ken-Caryl Ranch Preschool.

CodeRED Emergency Notifications

In Jefferson County, the CodeRED system (sometimes called "Reverse 911") allows the county to call citizens to warn them of danger. With it, the county can simultaneously call multiple phones within a designated area to warn residents of flood, fire, tornadoes, chemical spills or dangerous suspects. Within moments, calls reach the affected community to deliver warnings and critical safety instructions.

If you receive a CodeRED call, the voice on the line will let you know it's a message from the Sheriff's Office. Also, your caller ID should display our agency's name and a call-back number. The CodeRED system works with all phones that have a TDD line (for the hearing impaired). If you have a telephone zapper used to block out telemarketers, or if your phone is blocked to unknown callers, you will not receive CodeRED calls.

The CodeRED system calls numbers from two databases. One is the county's 911 database, with all listed and unlisted landlines. If you have a landline, it is automatically included in this database.

The second is a database of mobile phone and VoIP numbers whose owners have opted in to receive the calls. If you don't have a traditional landline phone, or would like to receive a cell phone call in addition to the call on your landline phone, please register for this free service at <http://jeffco.us/sheriff/emergencies/code-red/>.

BRIAN LEE

Here's what Brian's clients are saying...

"Brian and Stacy are more than outstanding Realtors. They are people who genuinely care about their clients. When our daughter decided to enlist in the Army and needed to sell her condo in Ft. Lupton, none of us knew the whirlwind of activity we'd be facing to make that happen. Brian worked on the listing while Stacy worked with Ashlie to get the property ready and before we knew it, there were multiple offers and the place was under contract! Since our daughter was now 'Property of the US Army' and unavailable to do the paperwork, the thought of handling this transaction for her from Wisconsin was overwhelming. But not to fear! Brian, Stacy, and their amazing representative at Land Title had a plan and it was carried out without us once getting overwhelmed. To say that we are happy with their service would be an understatement. It is with our sincere appreciation for the outstanding job they did that we give them our highest recommendation."

Children of Ken-Caryl Provide Holiday Entertainment for the Elderly

Submitted by Janet Ali, Ken-Caryl Resident

Twenty-five piano students of Red Rocks Piano Studio and teacher Janet Ali performed piano solos, duets and duos for the residents of Brookdale Senior Living on Dec. 10. The theme of the recital was Old English Carols, with most students performing a modern-day version of such carols, but providing a speech to the audience about the styles and customs of old English carols.

It was a pleasure to hear these articulate young students provide the history of the English carols. Most amazing was Kenneth Fleenor, only 5 years old, who spoke his paragraph-long speech by memory with the composure of a college professor!

Five students, Nathan Bennion, Thomas Degraw, Rory Devin, Claire McCollough and Julianne McCollough, performed some of the oldest existing English carols, as transcribed and arranged by their teacher, Janet Ali. It was a joy to all to hear these carols and to become more familiar with the old customs that have evolved into our current day celebration of Christmas.

Piano duos and a sing-along were also a large part of this concert. Nine duo teams performed, all of whom are winners that will play at the United States International

Students of Janet Ali and the Red Rocks Piano Studio performed at Brookdale Senior Living.

Duo Piano Competition at the Broadmoor Hotel in Colorado Springs in early January. The winners were: Kenneth Fleenor and Thomas DeGraw, Kyla Gardner and Lizzie McGarry, Sonya and Nathan Bennion, Fletcher and Gage Buhl, Maria Ali and Meghan Brammeier, Harrison Payne and Luke Smith, Rory Devin and Claire McCollough, and Alex Miceli and Maxwell Kempe. Congratulations!

Notable in this concert were Julianne McCollough's heavenly performance of "What Child is This?" on harp, and Maria Ali's latest original composition titled "Invert" in five movements. The recital ended with a jolly sing-along led by Emma Decker on the piano and Claire and Julianne McCollough on vocals. It was a wonderful, joyous time thanks to all of the hard work of all of these industrious young people!

◆ Giving Back

Join Brookdale Littleton in Support of God's Littlest Angels Haitian Orphanage

Haiti has suffered these past several years with an earthquake and most recently Hurricane Matthew. Brookdale Littleton has teamed up with an organization here in Colorado that takes donated items and delivers them to their orphanage in Haiti. God's Littlest Angels is a Haitian orphanage located in the mountains above Petionville, close to the village of Fermathe. The majority of the children brought to the orphanage are between the ages of newborn and seven years old.

Brookdale is hoping to help the kids at this orphanage by collecting items throughout the year.

There is a collection basket at Brookdale, 8271 S. Continental Divide Road, for donations. Some of the most-needed items are:

- Baby Shampoo
- Baby Powder
- Baby Formula
- Soy Formula
- Toothpaste
- Toothbrushes
- Diapers
- Baby Wipes
- Kool Aid
- Lotion
- Books
- Toilet Paper
- Stuffed Animals
- Clorox Wipes

Feel free to call or stop by for a complete list of donations needed or to get an update on the adorable children from the orphanage, Marie and Claudette, that Brookdale Littleton will be sponsoring. Call 303-948-0900 and ask for Jennifer, Angela or Marcia. You can find out more about God's Littlest Angels orphanage at www.glahaiti.org.

Snow Removal on Streets is Provided by Jefferson County

It's that time of year again...snow, snow and more snow! Residents often have questions regarding snow removal on Ken-Caryl Ranch. Snow removal for most roadways within Ken-Caryl Ranch is provided by the Jefferson County Road and Bridge Department. If you have questions or comments about snow removal, you can reach Jefferson County Road and Bridge at 303-271-5200.

The Ken-Caryl Ranch Metropolitan District Parks Department is only responsible for snow removal on

Ranch-owned property. The first priority for snow removal by the Parks Department is clearing snow from Ranch buildings for access and safety. Crews will be dispatched to shovel, apply sand and ice melt, and to plow snow to maintain safe access to all Ranch-owned/operated facilities while the facilities are open. Snow removal activities may cease after all facilities are closed for the day and resume prior to the next business day's scheduled opening. Second priority will be given to designated sidewalks and paved trails for snowfalls greater than three inches.

Call for Supplies!

Are you getting ready to clean out your closets this spring? The Youth Programs are looking for your fabric scraps! This spring, Ken-Caryl Ranch Metropolitan District's Youth Programs will be working on a giant collaborative art project that involves a bunch of fabric or thick ribbon. All donations can be dropped off at the Youth Office at the Community Center or the Ranch House. If you have any questions, contact Kailey Geppert at kaileyg@kcranch.org.
