New Open Space ID Bracelets for 2016; Blue Bracelets No Longer Valid

Most trails on Ken-Caryl Ranch are private and on open space land owned and managed by the Ken-Caryl Ranch Master Association. Park Rangers are directed to contact trail users on the private trails to determine residency. If you wear an Open Space ID Bracelet, the Park Rangers will not need to stop you as long as you are obeying all of the posted rules. The blue ID Bracelets are no longer valid. To obtain a new green ID Bracelet, go to the Recreation Office at the Ranch House at 7676 South Continental Divide Road or the Community Center at 1 Club Drive. Bracelets are issued two per household and now can be temporarily transferred to house guests! You will need to sign a simple registration form and provide proof of residency. See the Open Space ID article on page 5 for details.

Ken-Caryl Ranch Communications

By Communications Director Victoria DeSair

In addition to the newspaper, there are several other ways the Ken-Caryl Ranch Master Association and Metropolitan District communicate with residents. The Ken-Caryl Ranch e-News is our weekly email newsletter that is sent out every Monday to anyone who subscribes. The e-News is a great information source and supplement to the newspaper. It includes important reminders and updates on stories or events that sometimes aren't in the newspaper due to timing. We also send trash delay information to the subscriber list. We currently have almost 2,100 subscribers. If you are not receiving the e-News, you can sign up at www.ken-carylranh.org or send me an email at victoriad@kcranch.org.

The Ken-Caryl Ranch website, www.ken-carylranh.org, is another great resource for residents. You can sign up for classes, find out about amenities, download forms, check out the event calendar, understand the covenants, research policies, learn about the open space, read about our history, see archives of the newspaper, log into your homeowner account, pay your dues and so much more.

Are you on Facebook? Make sure to "Like" the Ken-Caryl Ranch Facebook page at www.facebook.com/ken-carylranh. We post reminders about events, photos, quick news updates and other great information.

I hope you are happy with the communications you receive from Ken-Caryl Ranch. Feel free to contact me with feedback at victoriad@kcranch.org or 303-979-1876, ext. 122. Happy New Year!

It's been a full year since the redesign of the Life at Ken-Caryl newspaper. A great deal of thought and research went into the redesign process, and I really hope you are enjoying the newspaper and finding it helpful.

As editor of the newspaper, I'm always looking for feedback, whether it's positive or negative. I want to continuously improve the newspaper and make sure it is a useful tool for residents. Also, if you have an idea for a story, please feel free to submit it to me. Residents are also welcome to be guest columnists, so if you are interested in writing a story, let me know. I can be reached at victoriad@kcranch.org or 303-979-1876, ext. 122.

New Year, New Improvements

By Architectural Administrator Julie Kearful

Happy New Year to all! With the holidays past and a new year beginning, folks may be thinking ahead to spring and summer when outdoor living adds fresh space and activities to our daily lives. Warmer weather is a time when enhancements to our property become a reality. Now is a time for planning projects, so be sure to submit any/all exterior changes for architectural review. The process is pretty simple – forms can be found on our website to be completed and returned. Oh, and be sure to remove all holiday decorations by Feb. 1. As always, help is available at the Ranch House by calling 303-979-1876.

Dakota Lodge Phasing Modifications

The Dakota Lodge drawing to the right reflects a revised approach to the phasing of the Dakota Lodge construction efforts. Adolfsen & Peterson Construction proposed this revised phasing in order to minimize the operational impact of the renovation and expansion work.

The outlined area is phase 1 and includes the multi-purpose room addition and the construction of the new core functions of the original building – the restrooms and mechanical spaces. Including the restrooms in phase 1 of the schedule will provide new, functioning restrooms to the staff and youth programs that operate in Dakota Lodge. When phase 1 is complete (anticipated in early April), the multi-purpose room will provide ample space for the youth programs and staff while phase 2 work is underway.

Had this phasing not been re-evaluated, port-o-potties would have been brought to the site for staff and children’s use during the winter months. This would have had a negative impact on everyone, and could pose a challenge for the youth program staff. Making an early modification to the phasing will avoid having port-o-potties on site and minimize the impact to building operations.

If you have any questions regarding the bond improvement projects, please email bondprojects@kcranch.org.

The concrete foundation has been laid for the addition at Dakota Lodge.

Master Association Board

The following is a summary of items from the Dec. 15 business meeting of the Ken-Caryl Ranch Master Association Board:

- The Board discussed the future of neighborhood signs. The survey did not provide clear direction regarding the signs, and options will be discussed further at future meetings.
- The Board provided input to staff for 2016 goals.
- A motion was approved appointing committee members for 2016.
- A motion was tabled regarding the establishment of a committee for Parks/Playgrounds/Landscaping/Signage.
- A motion was approved adopting plans to modify the landscape and install a new playground at Heirloom Park. The Board authorized the expenditure of \$51,000 from MA Reserves to go toward the \$95,000 cost of the playground equipment and an additional \$10,300 for a Made in the Shade slide funded from the 2016 Bond project contingency line item.
- A motion was approved adopting the Community Master Plan.
- A motion was approved establishing Tony Boone Trails as a relationship vendor for 2016.

Joint Study Session

On Jan. 5, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session at the Ranch House and discussed the following items:

- Lisa Lorman of Vanir Construction, our Owner’s Representative, presented an update on the status of the Bond Projects.
- The Boards discussed drones and directed staff to present language to modify rules to prohibit the flying of drones from or over any Association or District property.
- Staff presented a report on the status of three unused water taps. One, in the North Ranch, has been disconnected. Staff was directed to investigate the potential for tap fee credits for the disconnected tap. Can they be transferred or even sold? The still connected taps will remain as is for the time being.
- The Boards discussed the financial challenges that the District faces with operational costs and the options for addressing them. They intend to continue this discussion later in 2016.

Please Keep Your Dog on a Leash – Here’s Why

By Open Space Ranger Peter Marozas

Human and Dog-to-Dog Interaction

A great deal of dog owners seem to be under the false assumption that there is nothing wrong with allowing their dogs to run off leash in on-leash areas because their dogs are “well trained” and won’t harm anyone. These dog owners always say, “It’s ok. He’s friendly,” as if this makes their uncontrolled dog approaching someone acceptable.

Having an unleashed dog rush unwanted and uninvited into someone’s personal space or into another dog’s space is a stressful event. Dog owners who walk their dogs where off-leash dogs are prohibited do so for a reason. The owner knows that their dogs aren’t good at playing off leash with other dogs. No dog owner can accurately predict 100 percent of the time how his/her dog will react when greeting another dog.

Off-leash dogs in leashed areas are a danger to other dogs, people and wildlife as well. Most on-leash areas are multi-use, frequented by cyclists, hikers, joggers, equestrians and small children, all of whom are in danger when dogs run uncontrolled. Off-leash dogs are also a danger to themselves. Off-leash dog owners are putting them at risk for running into nearby streets, being hit by cars, being bitten by wildlife or getting lost.

Leash Law (Courtesy of Jefferson County Animal Control)

Dogs allowed to roam the streets are not only a nuisance and dangerous to the public, but are in constant danger from cars, irate people and even other dogs. For these reasons, all dogs must be on a leash or confined on the owner’s premises at all times. Dogs in violation of the leash law may be detained by a citizen, turned over to Animal Control, and impounded at the Foothills Animal Shelter. Impoundment and board fees must be paid by the owner before the dog can be released. Failure to claim an impounded dog does not relieve the owner of liability for payment of all fees.

Penalties (Courtesy of Jefferson County Animal Control)

In addition to impoundment fees, owners can be issued a summons for a violation of county regulation. Each violation of a regulation constitutes a separate offense. The maximum penalty for a Class II petty offense is \$1,000. Fine schedules provide for increased fines for subsequent violations during any three-year period. These laws and penalties are enforced throughout Ken-Caryl.

Dogs That Roam Free, Defecate Wherever They May Be

Dog owners that allow their dogs to run off leash are not always monitoring or watching where their dog(s) go potty. This allows dogs to defecate out in the open space, alongside trails or even right smack dab in the middle of the trail. Dog feces that is not picked up, bagged and

disposed of has detrimental consequences to public health and the environment. This does not mean you pick the feces up, bag it and leave it alongside the trail. Too many times I have been working/hiking on our trails and notice people who will do all of the hard work of picking up the feces only to leave the bag at a trailhead or alongside the trail. It needs to be carried out and placed into a trash receptacle that the Rangers have provided in high-use areas. Below are facts about dog feces:

The Facts About Dog Poop (Courtesy of Jefferson County Animal Control)

- **Dog Poop Doesn’t Biodegrade Like Wild Animal Poop.** Because we feed our dogs food that’s different from the food wild animals eat, dog waste does not biodegrade quickly like wild animal waste. And due to the large number of pets in suburban neighborhoods and local parks, this hardy dog waste accumulates.
- **Dog Poop Contains Harmful Bacteria, Parasites.** Dog waste can contain harmful organisms like E. coli, Giardia, Salmonella, roundworms, hookworms and Cryptosporidium. These can be passed on to you or your pet and may cause health problems.
- **Dog Waste Pollutes Groundwater, Water Bodies.** Bacteria in dog waste can harm water quality in creeks and rivers and alter the ecosystems of these stream corridors. Humans who come in contact with creek water can also face health hazards.
- **County Ordinances Require Cleanup.** Jefferson County ordinances make “failure to clean up dog feces in public places” a petty offense with a fine of at least \$30.
- **Dogs Chasing Deer in the Wintertime** You may think it is okay for your pet to chase deer in the wintertime because it is harder for them to get to the animal, which in fact is completely the opposite. “Keep in mind during winter, deer expend large amounts of energy to stay alive - they can lose 30 percent or more of their body weight during the cold months.

When big game animals are forced to run they become exhausted and use up valuable calories they need to stay alive. In addition, many female deer are pregnant and need to conserve energy. Pet owners can be fined up to \$275 for allowing their animals to chase wildlife. Dogs observed chasing wildlife can be shot by law enforcement officers.” (“Dogs Chasing Wildlife” article, Colorado Parks & Wildlife)

Please keep your dog(s) on a leash! If you witness a loose dog chasing wildlife you should call the local Parks & Wildlife Officer, local Animal Control or Ken-Caryl Ranch Park Rangers. So, the take-home message is, if you are tempted to take your dog off leash in an on-leash area, don’t. Stop and consider the effect of your behavior on others who are using the area as well as wildlife.

New Mandatory Registration Process with FAA for Small Unmanned Aircraft Systems

The Federal Aviation Administration (FAA) announced a streamlined and user-friendly web-based aircraft registration process for owners of small unmanned aircraft weighing more than 0.55 pounds and less than 55 pounds. This includes most drones and remote-controlled aircraft. Owners must register these aircraft if they are to be flown outdoors for hobby or recreation. You can see the FAA press release below for details:

Unmanned Aircraft Registration System Takes Flight

The Federal Aviation Administration's new web-based registration system for small Unmanned Aircraft Systems (UAS) is now active. Hobbyists and recreational users who fly UAS, which include remote-controlled aircraft, may register at www.faa.gov/uas/registration.

Owners must register small UAS weighing more than 0.55 pounds and less than 55 pounds if they are to be flown outdoors for hobby or recreation. Transportation Secretary Anthony Foxx and FAA Deputy Administrator Mike Whitaker announced the rule requiring registration earlier this month.

Aircraft operated by the current owner before Dec. 21, 2015, must be registered no later than Feb. 19, 2016. For all others, registration is required prior to the first outdoor flight. Owners must provide their complete name, physical address, mailing address (if different), and a valid email address to register.

Federal law requires a \$5 registration fee that will be collected at the time of registration via credit card. To encourage speedy compliance, the FAA is making the process free for the first 30 days. (The registration website will initially charge the owner's credit card \$5, but a refund credit will appear shortly afterward.)

After completing registration, owners will receive a personal registration number. If a person owns more than one small UAS, each aircraft must be marked with that number. Any method may be used to mark the UAS, as long as the number is legible. Registrants may put the number in the battery compartment if it is easily accessible.

The FAA will immediately email a certificate containing the holder's name, registration number, and the dates of issuance and expiration. The operator must keep either a printed or electronic version of this certificate on hand for inspection as proof of registration. Registration must be renewed every three years. If assistance is needed with registration, email UAShelp@faa.gov.

KCR Open Space ID Bracelets for 2016-2018

It's a well-known fact among readers of this paper that the best trails on Ken-Caryl Ranch are private and on land owned and managed by the Ken-Caryl Ranch Master Association. Park Rangers are directed to contact trail users on the private trails to determine residency in order to protect this valuable asset. The fact is that the Park Rangers have no way of knowing whether the people they see on the trails are indeed authorized to be there unless they stop every individual and determine their residency status or the user displays a proper ID Bracelet.

If you are wearing the bracelet while using the trails and a Park Ranger approaches, he/she will recognize the highly visible ID Bracelet and, as long as you are obeying all of the posted rules, you will pass unencumbered by the inquiries of a Park Ranger.

The proper areas to display the bracelets are listed below:

- HIKER/RUNNER – On wrist, waist, backpack strap or on a dog leash handle.
- BIKER – The handlebars near the stem is best.
- EQUESTRIAN – Saddle strap in front of the leg.

Remember, Park Rangers normally only see a "frontal" view of an oncoming trail user, and the more one can see the bracelet the better.

New for 2016-18 Years is a Day-Glow Green Bracelet!

To obtain your own green ID Bracelet (if you have a BLUE bracelet it is no longer valid past Dec. 31, 2015) go to the Recreation Office at the Ranch House at 7676 South Continental Divide Road or the Community Center at 1 Club Drive beginning Jan. 2, 2016. You will need to sign a simple registration form and provide one item below to show proof of residency:

1. A valid Colorado Driver License with current KCR address.
2. A valid Colorado I.D. with current KCR address.
3. A valid property tax statement with the applicant's name for the current KCR address.
4. A valid warranty deed with the applicant's name for the current KCR address.
5. A valid lease/rental agreement with the applicant's name for the current KCR address.

There is no cost. Bracelets are issued only **two per household and now can be temporarily transferred to house guests!** It is not mandatory to have an ID Bracelet when using Ken-Caryl Ranch Open Space, but if you don't have an ID Bracelet, be prepared to stop and answer questions from a Park Ranger. If you have any questions, please contact the Park Rangers at 303-979-1876, ext. 170.

Input Sought for Proposed Trail Use Guidelines

Have you ever wondered what proper trail etiquette is when passing someone on the trails or whether it is appropriate to use a trail when it's muddy? The Ken-Caryl Ranch Open Space and Parks Use Rules do not address these issues so the Ken-Caryl Ranch Open Space Committee has drafted Trail Use Guidelines to help establish proper behavior when using trails. Residents are encouraged to take a look at the proposed guidelines, which are shown on this page, and provide feedback before a final draft of the guidelines is presented to the Master Association Board. It's important to point out that these guidelines are not enforceable rules but rather an educational tool to help protect open space visitors and resources. Please send your comments to the Ken-Caryl Ranch Open Space Committee c/o Open Space Manager Sean Warren at seanw@kcranch.org.

Share the Trail, the KCR Way

Look out for other trail users

Be Courteous

Respect your open space

Proposed Trail Use Guidelines

KCR trails are a unique resource in our community allowing all members to enjoy a recreational lifestyle in a natural and scenic environment. Please respect your neighbors and open space by following these guidelines. These guidelines are intended to support current Ken-Caryl Ranch Open Space Rules and Regulations, not replace them.

Look out for other trail users

- Be aware of your surroundings and other trail users.
- Look up the trail, call-out, and gain the attention of others in advance with a vocal warning or bell.
- Free one ear from headphones and ear buds so you can hear others.
- Most trail conflicts occur on blind turns, switch-backs, and other poor visibility areas. Be extra aware in these areas and anticipate other users around corners.

Be Courteous

- All users yield to and pass equestrians with care. Slow to walking speed (be prepared to stop if needed) and wait for clear instructions from the rider.
- Cyclists yield to hikers and runners. Establish verbal communication or eye contact, slow down (be prepared to stop if needed), and pass only after the other user has had a chance to safely move aside.
- Be particularly courteous when overtaking from behind, as people may not hear your approach and be startled. Establish communication. Do not simply shout "on your left" and expect others to immediately move to the right.
- All users, do not block the trail when others are attempting to pass. Move aside when it is safe to do so.
- Dogs are required to be on leashes and under control at all times.

Respect your open space

- Obey all signs and trail closures.
- Cyclists, do not skid or slide around turns. This damages the trail.
- Non-members cannot be given "permission" to use our trails. KCR trails are private property for the use of members and ID-bracelet-carrying houseguests only.
- Avoid muddy trails. Ruts and hoof-prints damage the trail and must be repaired.
- If you leave tracks, turn back: If you're leaving tracks, then the trail is too wet. Please turn around and come back when conditions are drier. Horses are particularly damaging to wet trails.
- Wait 48: It's a good rule of thumb to wait 48 hours after any significant rainfall or after snow has melted.
- In winter, trails are generally more solid in the morning and get sloppier in the afternoon.
- If you find yourself in mud unexpectedly, just go through it. Do not go off-trail to avoid the mud. This widens the trail, kills plants and increases erosion.

The Parks Department is accepting Christmas trees for chipping again this year, but trees need to be dropped off at Brannon Gearhart Park instead of the Equestrian Center due to construction at Dakota Lodge. Brannon Gearhart Park is located just east of Valley Parkway between Mahonia and Buckthorn. Simply drop off

your tree in the designated area anytime between now and Jan. 17. Be sure to remove any non-coniferous items such as metallic materials and tinsel before bringing your trees because many materials can damage the chipping equipment. The mulch will be applied at the base of trees and shrubs in parks and greenbelts.

A Key to Understanding China

"After over a century of decline, occupation, civil war, state repression and socialist revolution," how has China managed to "catapult itself into an era of stunning dynamism and economic growth?" The Jeffco League of Women Voters Non-Fiction Book Club will study Orville Schell's and John Delury's influential "Wealth and Power: China's Long March to the 21st Century" at its January and February book club meetings.

The authors help us understand China through their unique approach: Studying the evolution of Chinese thought through 11 writers and leaders from the 1790s to now. Meetings on this book will be held Jan. 20, 23 and Feb. 17, 20. Learn more about this important topic through the insights in this stunning book. Call Lynne at 303-985-5128 for meeting locations and more information.

Ken-Caryl Ranch Preschool Registration for 2016-17 School Year

The Ken-Caryl Ranch Preschool is a play-based program for 3-5 year olds that strives to create a space of continual learning and growth to meet the needs of all children, families and staff who are a part of our center. Public registration for the 2016-17 school year begins Monday, Jan. 25.

The Ken-Caryl Ranch Preschool offers several schedule options to fit your needs. In addition to continuing our Preschool options at the Community Center, we will have a NEW classroom located at the Ranch House starting in the 2016-2017 school year. The Ranch House will offer half-day preschool with morning (9 a.m.-noon) or afternoon (1 p.m.-4 p.m.) sessions.

At the Community Center, our Little Learners program is from 9 a.m.-noon and our Explorers Program is from 9 a.m.-3 p.m. The Community Center also has an extended care option. Families who choose to enroll in extended care will have the ability to add the hours of 7 a.m.-9 a.m. and/or 3 p.m.-5 p.m. on any day their child is enrolled in preschool. The extended care option is also available on a drop-in basis if space is available.

Our program strives to promote learning in a fun, hands-on environment that focuses on peer socialization, self-regulation, and respect for all people and living things. Children develop social skills through creative expression, dramatic play, sensory activities, art, stories and much more. All children will spend their days engaged in both work and play, further developing basic social-emotional and academic skill sets.

Developmentally-appropriate curriculum will help create confident and inquisitive learners, as nurturing staff provides a fun and caring place for your child to develop and grow. Our Pre-K curriculum will have a stronger emphasis on early literacy, math and science concepts, as we help prepare kiddos for their exciting journey into kindergarten.

Please see www.ken-caryl-ranch.org for tuition information, registration forms and other details. For more information, please contact Kailey Bucher, Recreation Coordinator for Early Childhood Programs, at kaileyb@kcranch.org.

I have just had the best experience with Colorado Classic Windows. Mr. Lewis was thoughtful and honest throughout the entire process. His knowledge and ability was invaluable and at the same time we never felt pressured or cornered in the wrong direction. Installation was top notch with his team paying extreme attention to detail and executing the installation in a timely manner. We couldn't be happier with our new windows and CCW. We have already recommended them to a couple of friends and will be using CCW with other projects in the future.

Bradford Becoming K-8 School in 2016-17

By Communications Director Victoria DeSair

In early December, the Jefferson County Board of Education approved a proposal to transition Bradford Elementary to a kindergarten through eighth-grade school. Currently, Bradford Elementary is separated into two campuses. Bradford Primary, located at 1 White Oak, houses kindergarten through third grade, and Bradford Intermediate, located at 2 Woodruff, has fourth through sixth grade.

Bradford will offer seventh grade starting with the 2016-17 school year, and eighth grade will be added in the 2017-18 school year. Bradford Primary will continue to have K-3, and seventh and eighth grade will be at the Intermediate School, at least for the foreseeable future. The grade levels may switch campuses depending on enrollment numbers for future years. Currently, there are a few empty classrooms at the Intermediate School, so no additional space will be needed for the seventh and eighth graders.

Bradford K-8 will be the home school for all students residing in the Bradford boundary area. The option to open enroll at any school will be exactly the same as in the past, and students in the Chatfield area may attend schools with the same priority as previous years.

Starting with the 2017-18 school year, Bradford students who prefer to attend Deer Creek Middle School will need to apply through the choice enrollment process. Busing to Deer Creek will still be offered through the 2018-19 school year.

According to program information submitted to the Jeffco School Board, there are no additional facilities costs for implementation of the K-8 program. Minimal start-up costs have been identified through a budget modeling process organized with the budget department and school administration. These start-up costs will be covered by funds from additional enrollment, carry-forward funds from Bradford Primary, PTA and community partnerships. It is projected that no additional funds will be needed for the first year.

Bradford K-8 will offer an expeditionary/experiential learning model that is based on the belief that students learn more by experiencing the world. Part of the expeditionary/experiential learning model focuses on making kids more responsible

in the community by teaming up students to work on projects with various local agencies such as Waterton Canyon and the Water District. This learning model will enhance and be incorporated into the current Jeffco curriculum.

According to Bradford Primary Principal Gene Lewis and Bradford Intermediate Principal Sam Palamara, Bradford began exploring the K-8 option in 2003, but the change didn't begin to materialize until earlier in 2015. Both principals constructed a K-8 framework for the community to review and provide input. Strong community support was evident at community meetings and in survey results. The Bradford K-8 proposal was also discussed with and supported by area principals, achievement directors and district leadership.

The Bradford K-8 configuration is the first step in developing a more consistent, systemic plan for all the schools in the Chatfield articulation area. Currently, some area elementary schools are K-5 and some are K-6. Falcon Bluffs Middle School is 6-8, and Deer Creek Middle School is 7-8 for their core program and 6-8 for their

STEM (Science Technology Engineering Math) program. Area principals and Jeffco administrators are discussing the idea of making the Chatfield articulation area elementary schools K-5 and both middle schools 6-8. Bradford will encompass both elementary and middle school. These plans are still in discussion, and community input will be sought in the future.

For more information, contact Bradford Primary at 303-982-3480 or Bradford Intermediate at 303-982-4882.

Chase Neagle Wins Jefferson County Music Contest

Chase Neagle, Bradford Intermediate fifth-grader and son of Jennifer and Denny Neagle and father Pearse Unlauf, was awarded first place in his division for his original piano composition titled "Fly Away With Me" in the 2015 Jefferson County PTA Reflections Contest.

His piece will move on to compete against other district winners at the state level this year. He performed his piece at the Elea Plotkin Winter Recital on Dec. 13 at Genesis Presbyterian Church, for more than 100 people. Chase studies piano and voice with Ken-Caryl teacher Elea Plotkin and sings and acts with KidStage.

Chase Neagle with Jeffco Superintendent Dan McMinimee and Jeffco PTA President Angela Geier at Red Rocks Community College for the PTA Reflections Awards ceremony.

Spruce Tree Stolen Near North Ranch Entrance

Someone cut down a spruce tree near the entrance to the North Ranch. This tree was planted last season and cost around \$300. If you have any information about this incident, please contact Darrell Windes at 303-979-1876, ext. 114, or darrellw@kcranch.org.

Christmas Morning at the Manor House

Ken-Caryl Ranch resident Tom Ryan captured this beautiful photo of the Manor House early on Christmas morning. The Manor House is privately owned and is used as an event center.

Regarding the history of the Manor House, on Oct. 17, 1914, John Charles Shaffer purchased the first 2,660 acres of what would become Ken-Caryl Ranch for \$100,000. He and his wife, Virginia Conser Shaffer, named it Ken-Caryl after their sons, Kent and Carroll.

The Denver Times reported that "Mr. Shaffer gave instructions for the drawing of plans for a summer home modeled on the colonial style, to cost approximately \$100,000. This building will be situated on the highest portion of the estate and is prophesied to become the nucleus of a colony of summer retreats for millionaires."

When it was built, the Manor House included 8,000 square feet of living area, with 20 rooms and six baths. The living room was 80 feet long, with fireplaces at the western and eastern ends. Sunrooms at either end of the house completed the floor plan. The veranda was deep and cool, with columns two stories high.

Ken-Caryl Ranch Becomes a Firewise Community

Ken-Caryl Ranch is taking action to reduce our wildfire risk and improve safety. We are happy to announce that we've received recognition status as a Firewise Community. There are more than 1,200 recognized Firewise communities across the nation taking action and ownership in preparing and protecting their homes against the threat of wildfire.

Using a five-step process, communities develop an action plan that guides their residential risk reduction activities, while engaging and encouraging their neighbors to become active participants in building a safer place to live.

Ken-Caryl Ranch has adopted a Forest Stewardship Plan to manage the wildfire hazards and forest health needs of the open space areas. There is also a Community Wildfire Mitigation Plan that helps identify measures that recognize wildfire threats, enhance safety for residents and improve community awareness.

Attendees at the Ken-Caryl Ranch Spring Fling in May were able to interact with Ken-Caryl Ranch Open Space Rangers, West Metro Fire Rescue firefighters, and Colorado State Forest Service staff and ask questions specific to their homes and neighborhoods. Residents learned about wildfires in Colorado and around Ken-Caryl Ranch, and how to reduce this threat to their homes through vegetation and architectural management.

To reduce natural fuels, Ken-Caryl Ranch homeowners who border open space areas can mow up to four feet in width along their property lines. On Jan. 19, the Master Association Board will be discussing a recommendation to increase the mowing area to 10 feet. Contact the KCR Park Rangers for more information. These adjacent homeowners who want to determine what they can do to address wildfire hazards on their own properties can contact the Colorado State Forest Service for an assessment and report. The Colorado State Forest Service District Office in Golden can also provide additional free information concerning wildfire mitigation issues and actions. The office can be reached at 303-279-9757. If you have any other questions, you can contact the KCR Park Rangers at 303-979-1876, ext. 170.

Assistant Recreation Coordinator – Early Childhood Programs

Starting Salary: \$31,500 Annually
Time Commitment: Full-Time, Monday through Friday

Under the general guidance and supervision of the Recreation Coordinator – Early Childhood Programs, the Assistant Recreation Coordinator – Early Childhood is responsible for ensuring facilitation of the day-to-day operations of the District's Preschool and Early Childhood Enrichment Programs, including state-licensed child care, summer camps, and enrichment classes.

The Assistant Recreation Coordinator's primary duty is to assist in coordinating and facilitating the daily operations of District Preschool Program at the Ranch House; to develop and implement quality care routines and curriculum content; to assist in the development of community activities and special events; and to exercise independent judgment in carrying out the District's Preschool and Youth Programs. You can see a full job description at www.ken-carylranh.org under the Administration tab then Employment Opportunities.

To apply, please email a resume and cover letter to Kailey Bucher at kaileyb@kcranch.org. Due to high application volume, we will not be accepting phone calls in regards to this position. The position will close Jan. 27.

Ken-Caryl Talent Performs at Winter Recital

Submitted by Elea Plotkin, North Ranch

Ken-Caryl piano and voice students of North Ranch music teacher Elea Plotkin performed in her annual Winter Recital at Genesis Presbyterian Church in Littleton on Sunday, Dec. 13. The talented musicians presented a lively and diverse program of classical favorites, Broadway show tunes, contemporary jazz, and traditional holiday carols to an appreciative audience of family and friends.

Highlights included pianist Amanda Howery, daughter of Rob and Christina Howery, whose lovely performance of "Canon in D" by Pachelbel, provided a festive air to the holiday event. Allison Falco, eighth-grader at Summit Ridge Middle School and daughter of Shonna and Jason Falco, performed a piano arrangement of "Clocks" by Coldplay, showcasing her smooth touch. Sarah Falco, fifth-grader at Red Rocks Elementary, opened the program with a beautiful performance of "Minuet in G" by Bach.

Of special note was the outstanding piano and vocal performance of "The Sound of Music" by Bradford Intermediate

fourth-grader Emelie Rosenberg, daughter of Molly and Mike Rosenberg, and seventh-grader Luca Maffoni, son of Mike and Carrie Maffoni, who performed the U-2 song "Every Breaking Wave." Lauren and Logan Daigler, daughter and son of Mike and Christine Daigler, respectively played the pieces "My Heart Will Go On" and "Scherzo" by Haydn, with expression and outstanding technique. Bradford fourth-grader Joe Urbanich gave a spirited piano performance of "We Three Kings of Orient Are."

Teacher Elea Plotkin holds a Bachelor of Arts in Music Education from the University of Washington School of Music and is a certified music teacher for grades kindergarten through 12 in Colorado. She has more than 20 years of expertise in teaching piano, accompanying and coaching singers. A composer and a performer, Elea has recordings that are featured online and on radio. For information about private lessons, contact the Elea Plotkin Music Studio and Total Talent Development at 303-972-1984.

Next Art Guild Meeting to Feature Artist and Photographer Jessie Alice Smith

Jessie Alice Smith has always been surrounded by artists, having a mother who is an accomplished artist, a father who is extremely musical, and siblings who are all very creative in their own special ways. Jessie will be the featured artist at the Ken-Caryl Art Guild meeting on Thursday, Jan. 14 at 7 p.m. at Rox Bar and Grill.

At first, she was a musician, but after studying music for several years she realized that it was a beloved hobby. She then turned to Fine Arts. Her first college drawing class hooked her. It was love at first sight, giving her the focus to realize that creating arts was not only natural and immensely satisfying, but she was drawn to its meticulous nature and the discipline that is needed to be an artist in training. The process instilled a strong sense of pride that has stayed with Jessie even today.

Jessie was fortunate enough to spend some time working in Antarctica. During this time, she was able to capture a portion of the vast beauty through her amazing photography. In this presentation, Jessie will share highlights of that experience and some of the milestones in her artistic journey!

Please come join us at Rox Bar and Grill at 7 p.m. on Jan. 14 and be inspired!

Littleton Symphony Orchestra

The Littleton Symphony Orchestra continues their 32nd season with THE FOUR ELEMENTS: WIND, on Friday, Feb. 12 7:30 p.m. at Littleton United Methodist Church, 5894 S. Datura St. in Littleton. The next concert in our series THE FOUR ELEMENTS will explore the power and beauty of Wind, featuring Jason Shafer, principal clarinet for the Colorado Symphony, performing Mozart's Clarinet Concerto, one of his most celebrated pieces. Then brace yourself for a series of musical storms by Rossini, Berlioz, Beethoven, Strauss and Sousa, ending with a gentle breeze by Paul Linke. Individual concert tickets are \$18 for adults, \$15 for seniors and FREE for youth 21 and under. They may be purchased ahead online at www.littletonsymphony.org or at Gorsett Violin Shop, 8100 S. Quebec Street, B206 in Centennial. Tickets are also available at the door on concert night (cash/checks/credit cards accepted). For discounted group tickets (10+) or for more information, call 303-933-6824 or email info@littletonsymphony.org.

Return Your Proxy Form for a Chance to Win a Free Month of Dues

Each property owner on Ken-Caryl Ranch should have received a proxy slip either in the mail or via email in mid-December. The proxies serve to establish quorum (simple majority) at the Annual Meeting on March 1. Residents need to sign and return their proxy slip because 2,467 signed proxies are needed to hold the Annual Meeting. You can scan and email the form to annettec@kcranch.org, fax it to 303-972-1272, drop it off at the Ranch House or mail it to KCRMA, 7676 S. Continental Divide Road, Littleton, CO 80127. A copy of the proxy form is available at the Ranch House or for download at www.ken-caryl-ranch.org under the News section. The Master Association will be having a drawing for one free month of dues. To be entered into the drawing, just return your proxy prior to the Annual Meeting on March 1.

Volunteers Needed for Court Appointed Special Advocates

Court Appointed Special Advocates of Jefferson and Gilpin Counties (CASA Jeffco/Gilpin) is steadily growing; however, there continues to be a strong need for dedicated community members to become a voice for abused or neglected children in court.

With over 200 committed and compassionate CASA volunteers, CASA Jeffco/Gilpin is only able to provide support to fewer than 35 percent of the cases in court for abused or neglected children. CASA Jeffco/Gilpin needs your help and support to ensure that every child in our community has a safe, permanent home. You can make a difference in the life of a child by becoming a CASA volunteer. CASA volunteers are caring adults who are appointed by a judge. They provide the courts with objective information and recommendations to help ensure that a child abuse victim's best interests are served.

Previous experience is not necessary, just compassion for children and the desire to make a difference in our community. It's that time of the year that we begin to reflect, set new goals,

try new things and give back. The next CASA of Jeffco/Gilpin volunteer training is scheduled to begin Monday, Jan. 25. The training course includes approximately 40 hours training. All in-person sessions will be held at the Jefferson County Courthouse, 100 Jefferson County Parkway, Golden, CO 80401.

For more information, please contact Tiffany Schlag at 303-271-6537 or tiffanyschlag@casajeffcogilpin.com.

● **MA Board**

Jan. 29 Deadline to Turn in Application for Master Association Board

Please give some thought to serving your community by becoming a member of the Ken-Caryl Ranch Master Association Board of Directors, the decision-making, policy-setting leaders of this community.

There is one seat on the MA Board that will be on the ballot for the Board of Directors election in March 2016. The MA Board meets in the evening on the first and third Tuesdays of each month. Board members are expected to attend other meetings on an as-needed basis. The affairs of the Master Association are managed by the five-member Board of Directors along with a professional staff. Serving three-year staggered terms, a

portion of the Board is elected each year.

For those of you who are interested in running for an MA Board position, applications are available at the Ranch House and online at www.ken-carylranh.org under the Administration tab then Master Association Board. Applications are due by Jan. 29. The MA will introduce the declared candidates to the community in this publication and at www.ken-carylranh.org in February. Residents will receive a postcard in the mail in mid-February with instructions on how to vote electronically. The election closes March 1 at 5 p.m., and the winner will be announced soon after.

Don't Forget to Sign Up if You Want Optional Trash and Recycling Totes

Residents now have the option of continuing to use their own trash and recycling containers (either trash cans or bags) or of using 96-gallon totes provided at no charge by Waste Connections. The totes have wheels and are 42 inches tall, the top measures 30x34 inches, and the bottom is 24x24 inches. Trash and recycling service will be weekly as it is now.

If you prefer to use the totes, send an email to kencarylco@wasteconnections.com or call the Ranch House at 303-979-1876. In the email or phone message, say

that you want to sign up for totes and provide your name, address, email address and phone number. You can request both trash and recycling totes, just a trash tote, or just a recycling tote. Waste Connections will deliver totes to your home sometime in January. If you want to continue using your own containers, you do not need to do anything. Your service will continue as is. If you decide that you would like to use the tote system at a later date, you can sign up at that time.

Residents now have the option of using 96-gallon trash and recycling totes provided by Waste Connections.

KCR Water and Sanitation District Board Approves Water & Sewer Rate Increases for 2016

Submitted by Lindsey Gibbons, Water & Sanitation District

Because of increases in costs of providing water and sanitary sewer service, including increases by Denver Water for wholesale water service and the City of Littleton for sewage treatment service, your rates for water and sanitary sewer service will increase effective Jan. 1, 2016.

Water Rate Increase for 2016

The Ken-Caryl Ranch Water and Sanitation District purchases its water from Denver Water. In 2016, Denver Water is expected to increase the Water District's water cost by 3.3 percent, plus additional fees being instituted by Denver Water will result in an increase in charges to the Water District by Denver Water of approximately 4 percent. As a result, the Water District increased its water rate effective Jan. 1, 2016, by 2 percent to help offset Denver Water's expected rate increase in 2016. The 2016 minimum residential bi-monthly water charge will be \$52.86 for the first 10,000 gallons; that's an increase of \$1.04 on your minimum bi-monthly water bill.

The Water District has a four-tiered rate structure, so any water usage above 10,000 gallons is priced to recover additional costs of providing service and to encourage customers to use water more efficiently.

Please visit the Water District's website (kencarylwater.org) to see the tiered water rate structure for usage above the 10,000 gallons allowed in the minimum bi-monthly charge.

Sanitary Sewer Increase in 2016

The Water District has a contract with the City of Littleton to treat the sanitary sewage from the District. The City of Littleton will increase sanitary sewer treatment costs by 2 percent in 2016. The Water District will pass-through the 2 percent increase to its customers. Residential customers will see their bi-monthly sewer bill increase by \$1.10 effective Jan. 1, 2016. The present bi-monthly sanitary sewer charge is \$54.81, which will increase to \$55.91.

Water and Sewer fees collected by the Water District cover the cost of purchasing water and paying for sewer treatment. The fees collected are also used to pay for the operation and maintenance expenses associated with the Water District's own water distribution system and sanitary sewer collection system including repairs, capital improvements and administration. The Water District does not receive any tax revenue from its customers and solely operates from water and sewer fees.

Bills received on and after Jan. 1, 2016, will reflect the new rates.

• Letters to the Editor

Dear Editor:

To the person who insulted my guest last night: I was horrified last night at my daughter's going away party when one of my invited guests said he was confronted by a lady who approached him in front of my home in Deer Creek, Ken-Caryl Valley. My guest was trying to locate our address. She told my guest that he looked suspicious being in our neighborhood and notified him that she had his license plate number. Yes, you guessed it—my guest was a 17-year-old black youth! Is this really who we are?

Mark Guthrie, Deer Creek

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official. Letters should be concise — no letters over 350 words— and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary. Deadline dates can be found at www.kencarylrancho.org.

The preferred method for submitting letters to the editor is by email to Victoria DeSair at victoriad@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO 80127. We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the resident's name and subdivision will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. Letters will be printed on a space available basis and may be edited. The editor retains right to appropriateness and content. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, Life at Ken-Caryl or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Classifieds

LIFE AT KEN-CARYL CLASSIFIED ADVERTISING is provided as a service to residents and businesses. All ads will be reviewed by the editor. Any person placing an ad deemed unsuitable or which may not be in the best interest of residents will be contacted and money refunded. Classified ads may be made in person and placed with the receptionist at the Ranch during business hours, 7:30 a.m. - 5:30 p.m., Monday through Friday or they can be mailed, with payment, to:
7676 So. Continental Divide Road
Littleton, CO 80127.

The deadline for placement of classified advertising is the close of business (5:30 p.m.) on the Monday prior to the following issue (10 days later). Cost is \$.25 per word for residents; \$.75 per word for non-residents. Payment for ALL classified advertisements MUST be made in full for the duration of the ad at placement. No changes to classified ads will be made. No refunds will be made for cancellations. No custom services are available for classifieds. A maximum of 80 words will be accepted. If mailing your ad, please proof it CAREFULLY; provide contact name, address, phone number and desired ad category. Please call 303-979-1876 with questions or for clarification.
