**Christmas Tree Chipping at Brannon Gearhart Park**

The Parks Department is accepting Christmas trees for chipping at Brannon Gearhart Park. Trees CANNOT be dropped off at Dakota Lodge. Brannon Gearhart Park is located just east of Valley Parkway between Mahonia and Buckthorn. Simply drop off your tree in the designated area anytime between now and Jan. 20. Be sure to remove any non-coniferous items such as metallic materials and tinsel before bringing your trees because many materials can damage the chipping equipment. The mulch will be applied at the base of trees and shrubs in parks and greenbelts.

## Thank You

By KCRMA Executive Director Chris Pacetti

Happy New Year to the people of our Ken-Caryl Ranch Community! I am very excited for what this next year will bring to the Ranch. As usual we have many challenges ahead as we work to balance the many and varied expectations of our membership. In my last column, I thanked all of the wonderful volunteers without whom the Ranch would most certainly not be the great community it is today. This time I would like to thank our staff, both of the Master Association and the Metropolitan District.

It is important to know that these two groups work as one team to provide dedicated service to the community. I have never heard anyone state when asked to perform a task that "it is not my job; you need to call someone else." They just jump in and get it done. I have the privilege of working with District Manager Melissa Daruna and her team (too many to name them all, but it is great to work with them. I can't believe that Parks Director Pat Malloy and I have worked together for almost 40 years now!). Together they manage the activities of the District from Parks Maintenance to Recreation Programs.

In my role as the Executive Director of the Master Association, it is this staff that I work with most closely. Our Open Space team of Rangers, Gary Norton, Matt Oven, and Peter Marozas, are expertly led by longtime Open Space Manager Sean Warren and do an outstanding job managing and maintaining our many acres of open space - thank you, guys. Our Equestrian Center team is led by Manager Sierra Pokorn. She is assisted by two of the most dedicated stable hands, Rogelio Ramon and Juan Sanchez, along with the

riding school ladies, Stacey Holtum and Eliana Prezkuta, and together they work to meet the many varied needs of our equestrians.

In the office it is Assistant Executive Director/Communications Director Victoria DeSair who keeps us running so smoothly along with Finance Manager Anne Husted, Community Standards Administrator Jenny Bernal, and our "help out anywhere needed with a smile" Assistant Kristen Peterka. It is this great group that I am lucky to work with every day. Thank you, all. I look forward to another exciting year with all of you in 2019.

◆ **Feedback Needed**

## Community Meetings: Pool Revenue Sources

The Metro District will be hosting two community meetings to gain feedback and share ideas on pool revenue sources for the 2019 season. At their December meeting, the Metropolitan District Board decided not to charge daily-use fees for the pools but did ask the staff and community to come up with ideas to offset the cost of operating the pools by \$55,000. This can be achieved through generating more revenue or cost savings or both. These meetings will provide an opportunity to share feedback and thoughts on how the community would like to proceed. If you cannot make these meetings, please still send your feedback or ideas in via email to [MelissaD@kcranch.org](mailto:MelissaD@kcranch.org).

**Looking Ahead in 2019**

By Community Standards Administrator  
Jenny Bernal

The Master Association rules cover many things, from parking to fence building and even include new-construction guidelines. The rules for Home Improvements and Covenants are developed by the Architectural Committee then submitted to the Board of Directors for consideration. The Board can then vote to adopt the new rule or rules. Rules change for various reasons. One example is a rule for satellite dishes that was implemented when the technology required a large-scale installation. The rule is no longer appropriate, and the rules and guidelines need to reflect current equipment needs and restrictions. It becomes necessary for the Association to review the rules and make sure they're right for the community, enforceable with the resources available, and remain grounded in the Master Declaration.

In 2019 the Master Association Architectural Committee will be reviewing our rules. Among other things, the Committee will be looking at clarity, effectiveness, enforceability, and, of course, legality, throughout our current rules document. As we look at rules throughout the year, in addition to utilizing the Master Declaration, by-laws, supplemental documents, and resident feedback, we will be employing a guide shared by the Community Associations Institute, which provides a checklist of basic questions to ask that will help us deliver rules and guidelines that are most effective for our community. We'll be asking: Does the rule make sense? Is this the least restrictive way to approach the issue? Is the rule still needed?

Does it address a current problem? Is it acceptable to residents? Is compliance relatively easy? Is compliance possible? Does the rule create new problems? Is the rule getting the results we want? Is the rule enforceable? Is the rule legal?

After much discussion, the Committee is close to presenting its recommendations for Parking Rules. Soon the Committee will review the fencing guidelines. The intent behind these internal reviews is to proactively highlight opportunities for efficiency and to set a reasonable expectation for more consistent regulation of improvements and enforcement of covenants.

If you have any questions about Covenants or Home Improvements, please contact me at [jennyb@kcranch.org](mailto:jennyb@kcranch.org).

**Snow Removal on Streets is Provided by Jefferson County**

Residents often have questions regarding snow removal on Ken-Caryl Ranch. Snow removal for most roadways within Ken-Caryl Ranch is provided by the Jefferson County Road and Bridge Department. If you have questions or comments about snow removal, you can reach Jefferson County Road and Bridge at 303-271-5200.

The Ken-Caryl Ranch Metropolitan District Parks Department is only responsible for snow removal on Ranch-owned property. The first priority for snow removal by the Parks Department is clearing snow from Ranch buildings for access and safety. Crews will be dispatched to shovel, apply sand and ice melt, and to plow snow to maintain safe access to all Ranch-owned/operated facilities while the facilities are open. Snow removal activities may cease after all facilities are closed for the day and resume prior to the next business day's scheduled opening. Second priority will be given to designated sidewalks and paved trails for snowfalls greater than three inches.

thermo-regulate even when wet. An extra layer like a windshell can trap extra heat while sedentary, block the wind, and can be easily packed away while on the move. The fine balance of exertion and your body's attempt to maintain a certain core temperature can burn a lot of calories. Bring plenty of water and high-energy food on your winter outings. As we all know, the sun sets early in the winter months, so if you leave in the afternoon for your outing, give yourself plenty of time to return before dark.

**Winter essentials:**

- Dress in layers. Lightweight, thermo-regulating base layers made of wool or synthetic fibers. Include a hat and gloves.
- Wind and water resistant shell.
- Plenty of high calorie food and water.
- Survival kit with a fire starter, space blanket, whistle, compass, first aid supplies, and a source of light to navigate if you find yourself out in the dark.
- Don't count on a cell phone for help. You could be out of service or your battery could run out.

**Be aware of trail closures for muddy conditions:**

Lower Cougar, Colorow, and the Bluebird Trail may be closed periodically throughout the season due to muddy conditions. Information can be found at <https://ken-carylranh.org/open-space/trails/> or <https://www.facebook.com/kencarylranh>.

**Pets should be leashed and under the owner's control at all times:**

Even though it is hard to keep your pet leashed while using poles or when you decide to go to the local sledding area, open space use rule No. 4 regarding leash regulations still applies. Coyotes and other predators may be more likely to approach pets that are loose and away from their owners when their normal food supplies are scarce. A dog off leash may be inclined to chase deer and other wildlife. Wildlife can use up scarce energy reserves trying to flee from a loose pet. Harassment of wildlife is also a fineable offence under Colorado state law and can lead to an expensive citation. Other trail users will appreciate an under-control pet while they are navigating snowy terrain.

With proper preparation and adherence to a few simple guidelines, winter is a good time to get out and enjoy the trail system. If you have any questions

regarding trail conditions or any open space matters, give the Ranger staff a call at 303-979-1876, ext.170.

## Preparing for Winter in the Open Space

By Open Space Ranger Gary Norton

A change in the weather during warmer months can be a minor inconvenience, while being caught off guard in the winter has the potential for severe consequences. Checking the forecast before going out can better prepare you for these conditions. Always let someone know where you will be going, and your estimated time of arrival back home.

Hiking, biking, snowshoeing, or skiing up steep foothill trails can be exhausting and cause you to work up a sweat even in frigid conditions. Dressing in layers can prevent overheating and allow you to better adapt to changing conditions.

The heat produced from exertion can be deceiving; if an extended stop is necessary due to an emergency or from exhaustion, the body can quickly become chilled and can lead to medical emergencies like hypothermia. Avoid wearing cotton clothing. Cotton takes a long time to dry and could lead to continual cooling of your core temperature. Synthetic or wool base layers wick moisture away from your body, dry quickly, and have the ability to

#### ◆ Foothills

### Foothills/KCR Ridge Rec Center Agreement Discontinued in 2019

The Ken-Caryl Ranch Metropolitan District Board has made the decision to discontinue the Intergovernmental Agreement (IGA) with Foothills Park & Recreation District that previously allowed residents of Ken-Caryl Ranch to use the Foothills Ridge Recreation Center at Foothills resident rates.

Residents of KCR will still be able to use Foothills facilities as they are all open to the public but will now pay non-resident fees for Foothills facilities. Since 2014, the Metro District has been supplementing the differential between the resident and non-resident rates. The decision to discontinue the IGA and supplemental funding was made in light of the District's financial situation and the failure of Mill Levy Ballot Issue 6G in November. Discontinuing the IGA with Foothills will save Ken-Caryl Ranch Metropolitan District approximately \$7,000 per year.

The Ridge Recreation Center, which is located at 6613 South Ward St. just north of the boundary of KCR, is owned and operated by Foothills, a local park and recreation provider. Residents of KCR do not pay property taxes to help support the facilities owned and managed by Foothills.

## Master Association Dues Increasing \$1 in 2019

The Ken-Caryl Ranch Master Association Board adopted the 2019 budget on Wednesday, Nov. 7 and ratified it on Tuesday, Nov. 27. The budget includes a \$1 monthly dues increase, making the 2019 monthly dues \$53 per month for residential properties, \$41 per month per apartment unit, and \$37 per month per acre for commercial properties. The increase goes into effect Jan. 1, 2019.

The \$1 increase generates approximately \$60,000 in additional revenue. These funds will offset the increased costs of service; for example, the Master Association's cost for the trash/recycling program is increasing by \$31,000 and insurance costs are increasing by \$6,000. The 2019 budget is available at [www.ken-caryl-ranch.org](http://www.ken-caryl-ranch.org) under the Administration tab, then Budgets & Reports. If you have any questions, contact Chris Pacetti at [chrisp@kcranch.org](mailto:chrisp@kcranch.org) or 303-979-1876, ext. 116.

## KCR Volunteer Patroller Program – Open Registration

Ken-Caryl Ranch Park Rangers started the Volunteer Patroller Program in 2012 with three volunteers. It has since grown to 26 volunteers in 2018 with over 400 hours volunteered on the trails! Registration for the 2019 Volunteer Patroller Program is currently open and runs through Feb. 28.

The Volunteer Patrollers serve as an extension of the Ken-Caryl Ranch Master Association's Park Ranger Staff. Volunteer Patrollers provide rules education, trail use guidelines, and open space information. Volunteer Patrollers strive to achieve and maintain a positive relationship with different user groups and present a professional image. To be accepted into the program, you must be a Ken-Caryl Ranch Master Association member in good standing and submit a signed application and letter of commitment. A short phone interview and a two to three-hour training in the month of March will complete the process. A date and time of the training will be determined by number of applications received.

Basic requirements are to perform at least two trail patrols per month either hiking or biking mainly from May through September, but one can also patrol outside of these months, too. Must be 25 years of age or older, attend trainings, and be willing to make routine contacts checking residency and providing basic rules education.

Patrollers will receive all related training and will be supplied with an open space patrol vest, volunteer ID, first aid kit, and a packet with brochures, patrol log, and quick reference sheet. If you are interested and would like more information, please contact Matt Öven at [matto@kcranch.org](mailto:matto@kcranch.org) or 720-512-3521. You may download the application and letter of commitment from our website at [ken-carylranh.org](http://ken-carylranh.org). The deadline for all signed applications is Feb. 28 by 5 p.m. Completed forms may be dropped off at the Ranch House or Ranger Office or emailed to [matto@kcranch.org](mailto:matto@kcranch.org).

Volunteer Patrollers help educate in the open space.

## Talent Takes Center Stage

By Elea Plotkin, Ken-Caryl Resident

Piano and voice students of Ken-Caryl music teacher Elea Plotkin performed a wonderful selection of classical, jazz, and contemporary repertoire at the annual Winter Recital, held in the Sanctuary at the Abiding Hope Lutheran Church on Sunday, Dec. 9. Students did an outstanding job of performing their pieces in the program, and audience members clearly enjoyed the artistry of the show. Each played and sang with exceptional beauty and expression, which contributed to an especially lovely recital. Students as young as five played and sang Christmas Carols at the piano, and older pianists played classical pieces by Chopin, Debussy, and Bach. Vocalists sang festive holiday duets, Elton John hits, and Broadway favorites. Pieces were memorized, polished, and performed with poise and confidence, demonstrating the hard work and practice that was done by everyone in preparation for the program. Overall, it was a special day of achievement for the young musicians, celebrated with punch and cookies, family, and friends at the reception following the program.

For private piano and voice lessons, contact the Elea Plotkin Music Studio & Total Talent Development at 303-972-1984. For additional information, visit [EleaPlotkin.com](http://EleaPlotkin.com).

## Ken-Caryl Ranch House Becoming a Local Arts Center

By Leslie Miller, Ken-Caryl Resident

Most Ken-Caryl residents know the Ranch House as the place for tennis, special events, and all kinds of kids' activities. But they might not be aware that the Ranch House is also becoming a center for ongoing fine-art classes and workshops.

Award-winning artist Chuck Danford's intermediate/advanced watercolor class has been running for 10 years on Monday and Wednesday mornings, with many of the same students continuing to learn and grow year after year. Some of his long-time students have gotten so good that their paintings have been submitted and accepted into local watercolor competitions...and have even won awards.

We asked Chuck the secret of his class' ongoing success. "I truly enjoy sharing my experience and love of painting with every person in each class," he said. "The Ranch House is an outstanding facility—the setup of the space and the lighting make it perfect for students. I feel very fortunate to have created a following of wonderful artists, both residents and non-residents, with much of the credit going to the excellent KCR Recreation Center staff."

This past September, an ongoing acrylic landscape class, taught by fine artist Leslie Miller, was added to the roster on Thursday mornings. Some of Leslie's students have just picked up a brush for the first time in their lives.

"It's fantastic watching people learn to mix colors, master brush strokes, and realize that they can make art," Leslie said. "Most beginners believe they have no talent, but you really can't know that until you try. Having ongoing six-week sessions allows students to slowly master the necessary skills, find their own style, and allow their talent to emerge."

This coming Feb. 8, the Ranch House is pleased to present Introduction to Pastels. This one-day workshop is designed to gauge interest for a potential weekly pastel class. Also taught by Leslie, she claims pastel is "her first love" and that there's a misconception that it is hard to learn. She is prepared to boldly debunk this assumption in the upcoming workshop.

The one thing all the classes have in common is that no sketching is required. Both instructors prepare a sketch in advance for the students to use, eliminating a common problem for people who would like to learn how to paint but can't sketch to save their lives. Students can also work on their own projects as well, with feedback from their teachers.

## Take Steps to Lower Risk of Wildfire Damage

By Daniel Hatlestad, Ken-Caryl Firewise Committee

The 2018 wildfire season has seen the loss of thousands of homes and hundreds of lives. You can reduce the risks to your home and family by preparing for wildfire, as all of Ken-Caryl lies within the Wildland Urban Interface (WUI). You can't fight back a wildfire that is encroaching on your home. However, you can take steps to protect it and evacuate when necessary. Learn how you can help protect your home and family from a wildfire. Keep you and your family safe and know how and when to evacuate.

### Before a Wildfire

Secure your property for a wildfire. One of the first steps you can take to defend against a wildfire is limiting the fuel sources around your home or business.

#### Within 30 Feet From Your Home

- Clear combustible materials such as dried leaves and pine needles.
- Cut down any tree limbs that are 15 feet or closer to the ground. This will help prevent the fire from spreading into your property's tree line.
- Remove any vines or vegetation that are on the side of your house or business.
- Place any flammable lawn furniture in storage when not in use.
- Opt for non-flammable decor, such as gravel as opposed to wood chips.

#### Preparing Your Home

Prepare your home or business for a wildfire. If possible, use Class A roofing material. This includes tile, slate, or asphalt. You can also use Class B pressure-treated shingles or shakes. Make sure that you have smoke alarms near every bedroom

or office and in each zone of your house or business. Test smoke alarms monthly and change their batteries annually.

Outside your home, make sure you have enough garden hose available to reach any part of your property. Designate water sources and make sure that the fire department can access them if they need to. Firefighters will use any available water supply to refill their trucks while working at your house.

Create an emergency escape plan and practice it with your family. Discuss this evacuation route with everyone in your family and your employees. Ensure family members who live nearby know the route and have means of transportation. Also, stay informed by signing up for emergency text or alert messages from Jefferson County Code Red. Finally, don't forget to create and load your 72-hour emergency evacuation kit.

#### During a Wildfire

Prepare to evacuate. Listen to emergency channels, monitor social media from official channels, and know the status of the fire. Put emergency supplies and must-have items in the car so you can evacuate quickly. Evacuate immediately if told to do so or if you feel threatened and need additional time to safely evacuate. If you have time, there are steps you can take to help protect your property when you evacuate. These steps include:

- Moving furniture to the center of rooms and taking down drapes and curtains

to prevent combustion.

- Closing all windows and doors to prevent drafts and reduce heat.
- Shutting off natural gas from its source.
- Turning on all lights in your property so that firefighters can more easily see it through smoke.

#### Evacuate Safely

Remain calm while evacuating. If you're driving, roll up your windows and close the air vents. The smoke from the fire can get into your car, irritate your eyes, and cause breathing problems. Also, turn your headlights on and keep your doors unlocked. In the event that something

happens to you while driving, locked doors can slow your rescue.

#### After a Wildfire

Return only when it is safe. Do not go back to your property until officials declare it safe to do so. Watch out for ash pits and hot spots. Even after a fire is extinguished, small fires can flare up without warning. Check your house and surrounding property for hot spots and extinguish them immediately. Also, be on the lookout for ash pits. These are holes filled with hot ashes left by burned trees. Mark ash pits to help prevent others from falling into them and injuring themselves.

#### Document the Damage

Take photos and video and make a written list documenting your damaged property. Contact your insurance company immediately to report the damage.

Wildfires are some of the most destructive forces of nature. There isn't much that can be done to deter a wildfire's path. Fortunately, there are ways to help mitigate property damage and keep your family, friends, and neighbors safe. By following the information in this article, you can help increase your chances of prevailing through a wildfire.

**LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED** from any Ken-Caryl resident in good standing or from any elected official or political candidate. Letters should be concise — no letters over 350 words—and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary due to holidays. Deadline dates can be found at [www.ken-carylranh.org](http://www.ken-carylranh.org).

The preferred method for submitting letters to the editor is by email to Victoria DeSair at [victoriad@kcranch.org](mailto:victoriad@kcranch.org), but they may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO

80127. A response will be sent via email when a letter or article is received. If you do not receive a response, call 303-979-1876, ext. 122, to confirm receipt.

We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the author's name and "Ken-Caryl Resident" or applicable government office will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. More than one letter per resident may be published in a single issue of the paper provided that the letters are not about the same subject. Letters will be printed on a space available basis and may be edited. Editor retains right to appropriateness and content.

Letters will be published with plain text; use of all caps, italics, bold or excessive exclamation points will not be allowed.

Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, Life at Ken-Caryl or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

**Dear Editor:**

I was pleased that MA Executive Director Chris Pacetti was recognized by his peers with the Lifetime Achievement Award from the Community Associations Institute (Life at Ken-Caryl, Dec. 26, 2018). I was fortunate to work directly with Chris as the chairman of the Historical Committee and had a front row seat to see and experience the dedication and hard work of Chris and the staff to make Ken-Caryl the great place it is to live. The MA and MD Boards get all the press and attention, but it's Chris and the staff that get things done quietly and efficiently.

Sadly, I've noticed the almost subtle and hidden words in Life at Ken-Caryl that Chris would be retiring at the end of 2019. His leaving will have impact, but he will leave an enduring legacy of community support that we all would do well to emulate.

Well-deserved, Chris (and staff), and thank you for your exemplary service to our community.

Ken-Caryl Resident
