Welcoming Fall in Ken-Caryl Ranch

By KCRMD District Manager Melissa Daruna

Fall in Colorado is a special season.

Growing up in the Midwest, I only knew fall as the dreary season when days got shorter and you said goodbye to the sun until the following spring. Here, however, fall is full of beautiful weather and plenty of fun activities. Here are a few great opportunities to welcome fall in Ken-Caryl Ranch:

- **Take a Hike!** – Each year I am so impressed with the fall colors in our open space. You are also bound to see more wildlife out and about and these crisp mornings are great for trail runs or rides.
- **Shake It for a Good Cause** – October is Breast Cancer Awareness Month, and we are hosting a Party in Pink Zumbathon Charity event on Saturday, Oct. 21. Join us for two hours of Zumba! All proceeds go to the Zumba global research grant for breast cancer prevention. Registration details are online in the KC Fitness section.
- **Swing, Slide and Climb** – Have you taken the family to all the new playgrounds yet? Over the last year we replaced the playgrounds at Heirloom Park, Saddlewood Park, and Dakota Lodge and added a playground at the Community Center. Grab your bikes and make a day of it!

- **Family Fright Night and the Haunted Trail** – Join us on Friday, Oct. 27 from 4-8:30 p.m. for Halloween fun for the whole family! Family Fright Night festivities include crafts and games at the Dakota Lodge. The not-so-spooky Haunted Trail at Bradford Park teaches us about wildlife that live in our open space and ends with treats at the fire pit! Take the free shuttle between locations!
- **Gobble Wobble 5K** – Burn those calories before the big turkey day and help support our local open space on Saturday, Nov. 12! More details and registration information will be up on the website soon!

Temporary Trail Closures in Massey Draw Canyon

Due to heavy maintenance work and dangerous conditions, the canyon section of Massey Draw Trail will be closed Monday-Thursday from 7 a.m. to 5 p.m. through the end of October. Please use Cougar and Lost Canyon Trails to access the southern parts of the Foothills Open Space. Outside of these days and times, trail conditions may be unstable and users should proceed with caution. Questions? Contact trails@kcranch.org.

Rule Clarification for Bagsters

By Community Standards Administrator Jenny Bernal

The Ken-Caryl Ranch Master Association wants residents to be able to make improvements on their homes. Your hard work helps keep Ken-Caryl Ranch a beautiful place to live, work and play.

We understand and appreciate that dumpsters, port-o-potties and storage pods are necessary articles for large construction or home improvement projects. Typically, these articles are part of a planned project, have timelines assigned to them and are often gone as soon as the project is done. We ask that careful consideration is made in the placement of these articles. They should never be placed in front of or on anyone else's property or the open space. Your driveway or in front of your property are acceptable locations. If you live on a narrow street or tight cul-de-sac, please use even more consideration when deciding on placement, your driveway is the most appropriate location. These are just a few things to consider when planning a big project.

Bagsters by Waste Management are a great way to manage debris from smaller home improvement projects. The actual bags can be purchased at some of the larger retailers and home improvement stores for around \$40. The idea is to fill it up, have Waste Management pick it up and dispose of it, and have it gone! Pick up for a Bagster is done with a special truck equipped to lift and move the bag. The cost for pick up is \$120 for one bag and \$95 for each additional bag. There is no set pick up schedule with the Bagsters, and they have specific placement requirements. Be sure to check out the website at www.thebagster.com for more information before you buy.

Waste Connections is the trash collector for Ken-Caryl Ranch, and they do NOT pick up the Bagsters. You must contact Waste Management for Bagster pick up.

This summer I fielded many calls from neighbors concerned about Bagsters left in place for an extended period of time. The concerns sited were regarding property values, attracting vermin, collecting rainwater and generally being an unattractive mess in their neighborhood. All are valid concerns leading the Architectural Committee to review this issue and determine a course of action and enforcement level.

While most homeowners have their Bagsters picked up when the project is done or within a reasonable amount of time, others have been left for several weeks and in some cases months. **Please note that in a regular meeting on Sept. 14, the Ken-Caryl Ranch Master Association Architectural Committee came to a unanimous decision to consider Bagsters to be an Unsightly Article. If you must use a Bagster for a project, please have it picked up within 10 days of set up.**

Master Association Board

The following is a summary of items from the Sept. 19 business meeting of the Ken-Caryl Ranch Master Association Board:

- The Board discussed the proposed Docmann Trail, and several residents spoke in favor of the trail. Board members asked questions regarding their concerns related to the trail. The Board will vote on Docmann at the Oct. 10 Board meeting at 6:30 p.m. at the Ranch House.
- Barry Wiebe with the Avout Racing Team discussed insurance requirements for the team to use the open space.
- The Board discussed the 2018 Budget. The Board suggested staff and both Boards review the Reorganization Agreement between the Metropolitan District and the Master Association to see if there is anything the Master Association should or could take over from the Metropolitan District. A draft budget will be presented at the Oct. 10 Board meeting.
- The Board discussed security camera options for Bradford Park. The Board supports trying a camera, and the North Ranch Board will pay for half the cost.
- The Master Association's insurance broker will present costs for insurance policy renewals to the Board at the Oct. 10 meeting.
- A motion passed ratifying the decision to use AGE as our contractor for the Brannon Gearhart Trail/Drainage Project.

- A motion passed authorizing an expenditure of \$18,179 to replace and relocate the Ranch House boiler from the pool pump room to the basement of the Ranch House. Funding source Reserves \$13,000 and Special Project Fund undesignated line item, total available \$32,733.
- Due to scheduling conflicts and holidays, the Board changed the meeting dates for the remainder of 2017. The 2017 meeting dates are now Oct. 10, Nov. 14 and Dec. 12.

Metropolitan District Board

On Sept. 26, the Ken-Caryl Ranch Metropolitan District held a Regular Meeting of the Board of Directors and discussed the following items and took the following actions:

- The Board discussed a new sign at the Community Center. The Board asked for more information and plan to add it to the 2018 budget.

MA Board to Vote on Proposed Docmann Trail at Oct. 10 Meeting

The Master Association Board will vote on the alignment of the proposed Docmann Trail at its Oct. 10 meeting at 6:30 p.m. at the Ranch House.

Funding will be considered as part of the 2018 Master Association Budget. Approval of the alignment does not guarantee any definitive construction date. What is under consideration is whether the proposed trail adequately addresses the Trails Master Plan already accepted by the community and if biological and other concerns have been mitigated.

The Open Space Committee feels that this trail alignment preserves significant intact portions of habitat while allowing recreation in this part of the open space. The Open Space Committee agrees that this alignment strikes the right balance of recreation and conservation. Further, the alignment for the switchback sections on the western boundary stays away from the most sensitive riparian areas, and another one-sixth of the alignment uses an existing right-of-way corridor already cut by Xcel energy.

You can read more about the specific trail considerations and recommendations, as well as see a map of the proposed trail alignment, at www.ken-caryl-ranch.org under the Open Space tab, then Plans & Studies. Comments can be addressed to the Master Association Board or to trails@kcranch.org.

Bradford Auction Oct. 20

Proceeds from this year's annual Bradford Auction will support Bradford's experience-based learning model. Knowing expeditionary learning will have accrued expenses, the PTA's goal is to offset these future costs, ultimately making the new hands-on curriculum affordable for all Bradford students.

This year's school auction is being held on Friday, Oct. 20 from 7 to 11:30 p.m. at Wedgewood Ken-Caryl. To celebrate the school's pursuit of ambitions and dreams, the PTA is hosting a roaring '20s event called The Great Gatsby Soiree. Exclusive to ticket holders, there will be many ways to donate at this event: bid on classroom creations, teacher attractions, bashes and live auction items. The soiree will feature a Speakeasy room filled with wine, booze and beer pulls as well as a chance to win restaurant gift cards. The evening will conclude with a two-hour live concert with the 6 Million Dollar Band.

Tickets are available now and can be reserved on the Handbid App. Tickets cost \$85 per guest or \$150 per couple, and include the concert, a complimentary happy hour, heavy appetizers and exclusive bidding.

1. Download Handbid App on iPhone or Android. If you have it downloaded from last year, skip to step 3.
2. Select get started, enter your info and five-digit pin sent by text.
3. Search for Bradford Great Gatsby Soiree and follow steps to reserve tickets.

Tickets are non-refundable and you will not be billed until the evening of the Oct. 20 soiree. For more information on the auction and the Bradford PTA, visit www.bradfordpta.com and the Bradford K-8 PTA Facebook page.

Hope for Homeless Veterans Clothing Drive

Submitted by Christian Holmes

Kids are back in school! Time to clean out those closets! On any given night, there are an estimated 713 homeless veterans on the streets/shelters in the seven Denver metro area counties. In an effort to end this veteran homelessness, Christian Holmes, a local Eagle Scout candidate and resident of Ken-Caryl Ranch (parents are Carolann and Stephen Holmes), is partnering with Denver's Department of Veterans Affairs in the Hope for Homeless Veterans Clothing Drive.

Homeless Veterans are in need of gently used coats, boots and jeans to get ready for winter in Colorado. Men's clothing is needed the most, but about 6 percent of homeless veterans are women so women's articles are also welcome.

DROPOFF SITES: Items are being accepted in collection boxes at the Ken-Caryl Community Center and the Ken-Caryl Ranch House until Oct. 11. Items will then be distributed to Homeless Veterans at the annual Homeless Veterans Stand Down to be held at the Colorado Army National Guard Armory in Denver on Nov. 2. There, homeless veterans will be provided with hot meals, haircuts, clothing and medical attention. Last year 517 homeless veterans attended. Your generous contributions will directly help in ending homelessness, one veteran at a time!

These veterans have served us! Let's say "thank you" by serving them!

Family Flu Clinic at the Community Center

The Colorado Flu Shot Company is offering the four-strain (Quadrivalent), preservative-free flu vaccine for ages 6 months to adult at the Community Center, 1 Club Drive, on Sundays, Oct. 8, 15, 22 and 29 from 1-4 p.m. The vaccine is \$40, payable with cash, check, MasterCard or Visa.

The Quadrivalent has two strains of Influenza A and two strains of Influenza B. This provides better coverage, especially for children.

Children are most at risk for secondary infections and complications from the flu (pneumonia, bronchitis, strep throat, ear infections, etc.). The flu virus results in more childhood hospitalizations than any other vaccine-preventable disease.

Other individuals at higher risk include anyone with asthma, heart disease, kidney disease, a compromised immune system, newborns and pregnant women. School-age children/students are also the most common source of spreading the virus. The virus can live on surfaces such as desks, keyboards, door handles and telephones for three days. Annually, 36,000 deaths occur in the United States from influenza. The protection from the influenza vaccine lasts approximately one year.

Parental consent is required for individuals under 18 years. Vaccinations will be provided by a Pediatric RN.

The Colorado Flu Shot Company also provides other vaccinations, including those for international travel (yellow fever, typhoid, meningococcal, polio). A travel appointment is necessary. For additional information on vaccines, please call the Colorado Flu Shot Company at 303-913-0971 or email coloradoflushotcompany@att.net. See www.coloradoflushotcompany.com for more information.

Submitted by Karen Groves, League of Women Voters
The public is welcome to attend an Oct. 5 panel discussion on local efforts toward sustainable communities. Hosted by the League of Women Voters Jeffco, it will focus on renewable energy with comments from panelists on what's been accomplished, what's in progress and why it's important.
The meeting will be held from 7 to 9 p.m. at the Golden Community Center,

1470 10th St. in Golden. After review by League members and if time permits, questions will be answered.
League Sustainability Committee member Pat Mesec said the committee began asking communities nine years ago what their plans were to work toward a sustainable community.
"Now we have gone back and asked the same question with the hope that some initiatives and accomplishments will be shared at this meeting," she said.
The League of Women Voters is nonpartisan and never supports or opposes candidates or political parties. For more information, visit www.lwvjeffco.org, call 303-268-0032 or email info@lwvjeffco.org.

A Home is Where Our Hearts Are at This Year's Big Event

Ken-Caryl Home Tour Returns Oct. 14 to Literally Open Doors for Many in Our Community

Submitted by Lauren Apple, Stepping Stone Support Center

Every issue on the pages of "Life At Ken-Caryl" we read news about our neighbors, events and opportunities to support each other. When was the last time you gave or received help from a Ken-Caryl neighbor? Maybe it was last winter when you were stuck in the snow, maybe last weekend with help in the yard, lending or borrowing a tool, or maybe just an egg or cup of sugar. While we live in our own spaces, our neighbors contribute in so many ways to our lives here.

It is in that spirit that we invite you to experience the 2017 Ken-Caryl Home Tour. The Home Tour has been one of the most popular events in our community and returns after a couple years off. On Oct. 14 you'll not only be inspired by beautiful design and décor in the Valley and North Ranch, but you'll also be supporting a project that will allow our friends and family members to experience the independence and cooperation of living in a community that fits a lifestyle.

All profits from this year's Home Tour will benefit Stepping Stone Communities, a nonprofit that will literally open doors for Adults with Developmental Disabilities. Stepping Stone Communities is a development project and extension of Stepping Stone Support Center, a service agency in Littleton, Colorado for adults with intellectual or developmental disabilities. Launched in 2013 by Ken-Caryl native Bryn Galisewski, Stepping Stone Support Center offers prevocational day programs for adults with developmental disabilities in Littleton. Stepping Stone gives these individuals a chance to put that potential into action by providing work opportunities and job simulations to empower participants to live more independent lives.

"I've learned so much here. I make coffee in our café, I count money, and I help people who have never been here before... (now) I want to live out on my own but ... I sometimes need help with certain things," said Jaime, one of the center's first participants.

True independence can only be achieved with both work/life skills and access to a safe and affordable living environment. It's with the living environment in mind that Stepping Stone is aspiring to develop a residential solution for adults with intellectual and developmental disabilities.

"I want my own apartment like my sister has, with some neighbors who are my friends," Steph shared when asked about living on her own.

Isn't that what we love about living here? We have our own space, our own homes but when in need, we know there's help right next door or nearby. We invite you to be a part of this amazing event and help make the dream of living independently a reality for those in our community.

The Ken-Caryl Home Tour is Oct. 14 from 10 am.-4 pm. Tickets are available for purchase online at Steppingstonecommunities.org. We would like to thank our Platinum Sponsors for making this event possible.

Stephanie and Jamie are both residents of Ken-Caryl Valley who attend Stepping Stone Support Center.

HAWK CONSTRUCTION INC.

REMODELING IN THE KEN-CARYL COMMUNITY FOR 25 YEARS

"We hired Hawk to complete a remodel of the first floor of our 1979 suburban home, and could not have been more pleased with the result. Throughout the process, Dave Hawk and his entire team were the consummate professionals, keeping the schedule on schedule and on budget. The quality of workmanship is obvious, but it is the quality of their people and the excellent working relationship we built with them, that really makes Hawk stand out above the crowd."

Molly Reinker Weds Phillip Morgan

Molly Elizabeth Reinker and Phillip David James Morgan were married on Sept. 9 at a Nuptial Mass celebrated by Msgr. Ken Leone at the Cathedral Basilica of the Immaculate Conception in Denver. The bride is the daughter of Mr. and Mrs. Myron Reinker of Ken-Caryl Ranch, and the groom is the son of Mr. and Mrs. David Morgan of Stevenage, England.

The bride was escorted down the aisle by her father as the choir sang O God beyond All Praising, with Dr. Joseph Galema at the organ. Music was also provided by friends of the bride on strings, harp and flute. A reception followed the ceremony with dinner and dancing to the music of the Diamond Empire Band. The bride also serenaded the groom with a violin performance of Salut d'Amour and joined her string quartet, the Aviva Quartet, in a rendition of Libertango by Piazzolla.

Molly holds bachelor's and master's degrees in Violin Performance from Vanderbilt University and the University of Denver. She will receive the Master of Philosophy Degree in Music Studies from the University of Cambridge in England on Oct. 21. Phillip received his bachelor's and master's degrees in Law from the University of Cambridge and the University of Oxford and is currently completing his Ph.D. in Law from University College London. He is also a Lieutenant in the Royal Naval Reserves.

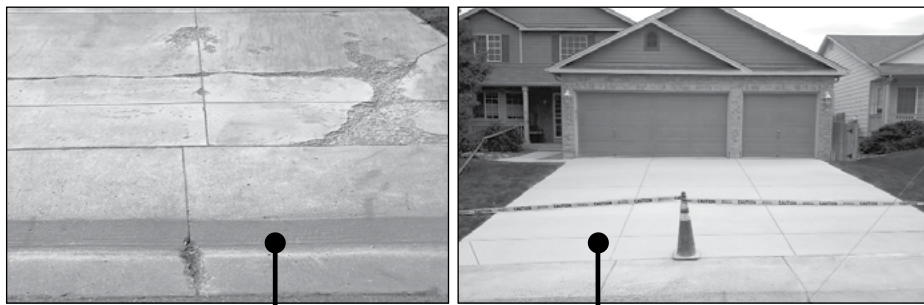

Following their honeymoon in northern California, the couple will reside in York, England, where the groom is a senior lecturer (associate professor) of Law at the University of York and the bride will teach Suzuki violin.

Dear Editor:

I am writing with regards to the decision on e-bikes for the Valley trails. As we watch the evolution of outdoor sports across the country, it is evident that e-bikes are here to stay on many levels. Colorado has recruited the largest manufacturer of e-bikes in Europe, Haibike, because of Colorado's progressive stance on e-bikes.

These are not just an evolution of mountain bikes, these are also cargo commuter bikes much like the one I own to transport my daughter to/from the grocery store.

Am I to tell her that our bike is now illegal? The once fun ride that we would take together, according to you, now must be done in a car. This is not the ethic I wish to impart to my child. A car is better than a bike.

I believe your process of "throwing the baby out with the bathwater" limits your potential to learn and grow. Class 1 e-bikes go no faster up or downhill than a stronger normal mountain biker on a regular bike.

It is not a motorcycle, it is a bike that allows a lot more people to engage in the outdoors. The emerging demographic in Colorado in the next 10 years is 50-60 year olds. This is the demographic that will also embrace this tech. This tech will also be harder to spot in the coming years as many companies now incorporate the battery in the bike frame.

There is NO WAY to tell it's an e-bike unless you inspect closely. The picture you have in the paper is already becoming obsolete tech.

Even Jefferson County is doing a comprehensive study on their impacts with the intention of incorporating these e-bikes. If this is a neighboring county and they are moving forward, what is our reluctance? What's the point of having a trail system if you limit its usage?

I for one hope the Board is open to learning more about these bikes and how to share best practice on the trails for enjoyment for all.

Dear Editor:

Last Opportunity to Preserve Pristine Wilderness.

Eight years ago, the Trails Master Plan was approved by the Master Association Board, even though the majority of residents attending the relevant Board meetings opposed the plan. Since then, about eight miles of new trails have been carved out of the mountainsides west of the Valley, the scars visible as one enters the Valley.

At the Sept. 19 Board meeting, a review was held of the proposed three-mile Docmann Trail, to be constructed in the last remaining pristine habitat at the extreme south of the Valley. The cost of this trail is estimated to be \$88,000. Even more concerning than the cost is the environmental review, available on www.ken-carylranh.org. This review highlights the disturbance which will be caused by human intrusion to nesting raptors, a number of which are known to be in the single digits in Colorado, and the destruction of wildlife which will be caused by dogs. This latter is the most concerning, because once a bird's nest has been destroyed by a dog, the bird will never come back.

At the Sept. 19 meeting, the Board, with the exception of Mr. Figge, dismissed these concerns, and left the impression with this resident that at their next meeting on Oct. 10, construction approval will be just a formality.

With great clarity, Mr. Figge asked his fellow Board members the following question: "As we are eight years into this project and have increased trails by 50 percent, at a cost of over half a million dollars, and new trails will require incremental maintenance and Ranger costs, isn't it time to take a time out?" Thank you,

Mr. Figge, for being the voice of reason.

It is now up to us to show our desire to preserve the last remaining couple of square miles in our Valley so that in its native state, it can remain home to Golden Eagles, Great Horned Owls, Ovenbirds, and other wildlife with which we have the privilege of being surrounded in this wonderful rural environment.

Please share your concerns with the Board and attend the Oct. 10 meeting.

Philip G. Varley
Ken-Caryl Resident

Dear Editor:

The Ken-Caryl Airport.

If you have been following the saga of the fence previously proposed on Ken-Caryl/Jeffco Open Space in the North Hogback, new information has come to light. Mr. Sawyer, the owner of 99 North Ranch Road (not in Ken-Caryl), has put a 1/3 mile fence up on one side of the driveway easement, disregarding a notice sent to him by Jefferson County that a permit process, including public comment, would be required.

It has now come to light that Mr. Sawyer intends to use the driveway easement as a landing strip for his private aircraft, according to a letter sent by his attorney to Jefferson County, and obtained through an open records request to the county. Mr. Sawyer has graciously offered to remove the fence if the county settles and allows him to use the area where we walk, hike and bike to land his private airplane.

Enough is enough. Our Metro District and Master Association have told me repeatedly that they believed Mr. Sawyer would be a good neighbor and steward of the land, so they gave the proverbial inch - but Mr. Sawyer's hidden agenda is now obvious - this is a land grab. It is

time for both the Metro District, Master Association and Jefferson County to wake up, stop cooperating, compromising and capitulating on a fence, and to oppose all actions by Mr. Sawyer in our public open space. Thanks to our previous petition we got attention and action with Jefferson County.

Please see stopthefence.com for full information on what you can do and to sign a new petition asking Jefferson County to remove the ugly new fence in our open space, and let them know that you oppose aircraft landing on land leased by Ken-Caryl homeowners and owned by Jeffco.
