Youth Leadership Committee Organizing Toy Drive

Be the reason someone smiles this Christmas and hop on down to the toy drive. 24,000 kids in Jefferson County will be living in poverty this holiday season. The Action Center of Jefferson County and the TRAILS Youth Committee are partnering together to support the children in need through the Santa Shop. The Santa Shop is a unique program in Jefferson County for struggling parents and guardians to come "shop" for new toys for their children. Toy donation boxes are located at the Community Center, Ranch House and Dakota Lodge. All donated toys must be new. The Action Center is especially in need of toys for older children ages 8 -12. Please see page 13 for more details.

This is the time of year that things begin to slow down a bit as we wrap up another busy one. Hope you were able to attend and enjoyed our fall events including the BrewHa, a new event that was well received (thank you, Victoria), and a couple of community favorites, Family Fright Night and the Gobble Wobble 5K & Fun Run. The District staff will be presenting one more

opportunity to gather with friends and neighbors on Dec. 3 at the Ranch House for the annual Holiday Happenings. This year the event will be back at full strength as the Ranch House remodeling is complete. If you have not had a chance to see the changes this might be a good opportunity. Thank you to our coworkers at the District for all of their work to make these events so much fun for the community.

We continue to receive requests to provide trash and recycling totes. If you are interested, please send an email to kencarylco@wasteconnections.com and explain that you would like to sign up for the totes (you can get both or just one for either trash or recycling) then provide your name, address and phone number.

One more reminder to sign up to receive our weekly e-News email newsletter. It's a great supplement to the paper and has timely information that residents should find helpful. You can sign up at www.kencarylco.org or by sending an email to victoriad@kcranch.org.

Trash and Recycling Information

Waste Connections is the trash and recycling service provider for Ken-Caryl Ranch. Service is included as part of the Ken-Caryl Ranch Master Association monthly dues. Waste Connections can be reached at 303-288-2100 or www.wcdenver.com.

Trash and Recycling Totes: Residents have the option of using their own trash and recycling containers/bags or using 96-gallon totes provided at no charge by Waste Connections. The totes have wheels and are 42 inches tall, the top measures 30x34 inches, and the bottom is 24x24 inches. To order totes, send an email to kencarylco@wasteconnections.com, say that you want to sign up for totes, and provide your name, address, email address, and phone number. You can request both trash and recycling totes, just a trash tote, or just a recycling tote.

Holiday Trash Delays: Waste Connections observes the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day, unless they fall on a weekend. If your normal pickup day falls on or after a holiday, your collection schedule will run one day late that week.

Auto-Dial Service: Waste Connections offers an auto-dial service called Call Fire to notify customers of any changes in trash pickup days. You can sign up to receive a phone call online at www.wcdenver.com/contact/. Complete the required information, click on Residential Trash Service, then in the comment section say you are a Ken-Caryl resident seeking to sign up for the Call Fire service.

Here's what Brian's clients are saying...

"Brian and Stacy are more than outstanding Realtors. They are people who genuinely care about their clients. When our daughter decided to enlist in the Army and needed to sell her condo in Ft. Lupton, none of us knew the whirlwind of activity we'd be facing to make that happen. Brian worked on the listing while Stacy worked with Ashlie to get the property ready and before we knew it, there were multiple offers and the place was under contract! Since our daughter was now 'Property of the US Army' and unavailable to do the paperwork, the thought of handling this transaction for her from Wisconsin was overwhelming. But not to fear! Brian, Stacy, and their amazing representative at Land Title had a plan and it was carried out without us once getting overwhelmed. To say that we are happy with their service would be an understatement. It is with our sincere appreciation for the outstanding job they did that we give them our highest recommendation."

Thank You to the Community

By Architectural Administrator Julie Kearful

As I drive from neighborhood to neighborhood throughout Ken-Caryl Ranch, I am reminded of how fortunate we are to have such a great place to live. In and around metropolitan Denver there are plenty of places to settle and raise your families, but it is often hard to find the kind of community feeling that exists on Ken-Caryl Ranch. Some of this is built into our geographical terrain and some of it is how all of you maintain and take care of your properties. There are over 4,000 homes on Ken-Caryl Ranch, the vast majority of which receive lots of love. At this time of year I look forward to the wonderful and creative outdoor décor that will soon spread the holiday spirit through our streets.

I guess this is nothing more than a huge thank you to all of you whose values and caring show on the outside of your homes and properties. During the year, enhancements were made in all of our neighborhoods, both in the Valley and on the Plains. It gives me pleasure to see all the various projects that look so attractive and keep our property values high.

I would also like you all to take a moment to remember the dedication of members of the Architectural Committee who give, free of charge, much time and energy for the good of all of us. They take their responsibilities very seriously as they strive for aesthetic quality in each item on their agenda. The committee members live on Ken-Caryl Ranch and continue week after week to do their part to keep the standards high. I extend a huge thank you to each of them.

Joint Study Session

On Nov. 1, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session at the Ranch House and discussed the following items:

- Staff Reports to the Boards: Comments on the golf course rezoning application are due to Jefferson County by Nov. 14; a request to film in the Bradford open space was approved; all the December Board meetings will be held on Dec. 6; the Boards were informed of parking conflicts at the Dakota Lodge and staff efforts to remedy; Family Fright Night and the Haunted Trail were a success again this year; the Gobble Wobble is Saturday, Nov. 12; the Veterans Day Celebration is also Saturday, Nov. 12; Holiday Happenings is Saturday, Dec. 3.
- A representative from the Manor House presented the concept of gating the Manor House Road, providing security while allowing access to the open space for the community. A written summary of the proposal will be drafted and presented to the Master Association Board for review.
- The Boards discussed the offer to provide opportunities to residents to play golf at the Meadows Golf Course at Foothills resident rates with the Master Association and/or Metropolitan District picking up the difference similar to how the use of the Ridge facility is working now. Funding will be considered as part of the Master Association budget discussion.
- The 2017 budgets, in particular the Metropolitan Capital and the Master Association One-Time Projects, were discussed.
- Staff updated the Boards on the status of the Bond Projects; all are in the punch-list phase.
- A resident addressed the Boards regarding interpretation of the 2012 KC 2020 Survey results. The resident also inquired about the status of the Dakota Lodge Task Force.
- A resident addressed the Boards on the lack of trash containers at Dakota Lodge Park. Staff has ordered bear-proof trash containers that will be installed as soon as they arrive.
- A resident expressed concern about the use of irrigation water in particular as it relates to the possible new fields at Bradford Intermediate. He encouraged the Board to consider other projects to spend Plains Metro District lawsuit dollars on.
- A resident expressed support for a new survey, opposed the idea of a gate on the Manor House Road and noted that volleyball did not receive any support in the 2012 survey.

Plains Metropolitan District Hearing

On Nov. 3, a hearing was conducted in Jefferson County District Court as requested by the Ken-Caryl Ranch Metropolitan District (KCRMD) in the matter of the Plains Metropolitan District. KCRMD had requested the hearing in an effort to compel the Plains Metropolitan District to construct recreational facilities for the Ken-Caryl Ranch community pursuant to its 1985 Service Plan. Following a day of testimony from both sides, Jefferson County District Court Judge Tamara Russell will review the evidence presented at the hearing and issue a ruling on the matter. There is no specific timetable when Judge Russell's ruling will be made. If you have any questions about the Plains Metro District lawsuit, contact Darrell Windes at darrellw@kcranch.org or 303-979-1876, ext. 114.

◆ Ranger Field Notes

and manicured like those found on Christmas tree lots around town, but the fresh pine scent still invokes the holiday spirit.

For the annual tree sale, the Rangers will harvest small-diameter trees in the open space to improve wildlife habitat and overall forest health. The removal of the small trees reduces overcrowding and eliminates ladder fuels that can carry fire into a forest canopy. Trees that don't find a home are chipped and made into mulch. If you have any questions about the Christmas tree sale contact the Ranger Staff at 303-979-1876, ext. 170. The Ranger Staff hopes to see you on sale day.

Residents picked out more than 260 trees at last year's Ken-Caryl Ranch Open Space Christmas Tree Sale.

**Christmas Tree Sale
Dec. 3**

By Open Space Ranger Gary Norton
The annual Christmas Tree Sale will be held at the Dakota Lodge on Saturday, Dec. 3 from 8-10 a.m. A limited number of trees cut from forest management areas will be available to the public, on a first come, first served basis. Rangers are requesting donations in exchange for the trees and the donations will be used to offset expenses in the open space program.

Mainly Douglas Firs and some Ponderosa Pines will be cut two weeks before the sale, so they will be very fresh and fragrant. These trees are not bushy

"The Utes and Colorow" is the topic of the most recent video production of the Ken-Caryl Ranch Historical Society. It describes the life and culture of the Ute tribe in Colorado and, specifically, the presence and influence of the Ute chief, Colorow, who inhabited the Ken-Caryl Ranch region. The 9-minute video includes many vintage photographs of the Utes from the Denver Public Library's Western History Collection.

Open Houses for WestConnect Planning and Environmental Linkages Study

The Colorado Department of Transportation and the WestConnect Coalition are conducting a Planning and Environmental Linkages study to evaluate and develop short-term and long-term transportation alternatives, and to identify proposed improvements along C-470 between Kipling Street and Interstate 70 and along the US 6/CO 93 corridor between Golden and Boulder. The study will evaluate options to reduce congestion, improve operational performance and safety, and address future transportation needs.

Public input and involvement is essential during this planning effort, and CDOT and Coalition agencies have developed several opportunities for community members to learn about the study and provide feedback. Members of the public are invited to attend the meeting most convenient for them to discuss the study with project team members.

Trick-Or-Treaters on Willowleaf Drive “Vote” for President

Willowleaf Drive residents Pat Giarritano and Janina Kozacka put together a Halloween tradition every election year for the neighborhood kids. As kids come up to trick or treat, each kid can “vote” for the presidential candidate of his or her choice.

It started in 2006 and has continued for each presidential and gubernatorial election since. There’s a mock voting booth, ballot box and official-looking ballots. Pat and Janina let the kids vote with no help from their parents. Some comments by trick or treaters this year were: A father told his son after seeing his vote, “We need to talk.” A young boy said, “This is weird. I have enough homework.”

The results of the “election” are posted the following day with a lawn sign. The kids usually accurately predict the winner, but not in 2012 or this year.

This year’s results were:

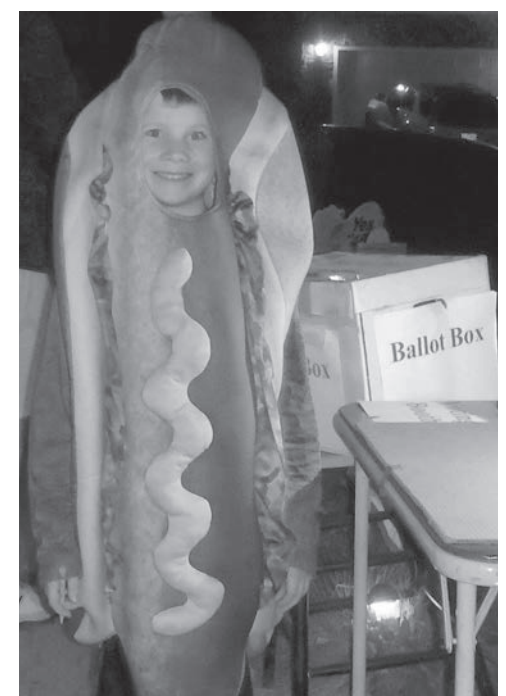

- Clinton: 42
- Trump: 38
- Johnson: 2
- Romney: 1
- Mom: 1
- Grandma: 1
- Neither: 2

The Halloween polling place on Willowleaf Drive.

A total of 87 kids, including these five FBI agents, voted in the mock election.

Even a hotdog got in on the voting action!

• Committees

Get Involved in the Community by Joining a Committee; Applications Due Nov. 22

Committees help the Ken-Caryl Ranch Master Association Board and staff manage the affairs of the Master Association. The Master Association is now accepting applications for new committee members for 2017 for the following committees: Architectural, Community Planning, Covenant Control, Election, Historical Society, Open Space, and Parks Advisory.

All prospective new committee members must apply for committee membership using the Committee Application, which is available at www.ken-carylranh.org under Administration then Committees & Task Forces. Additional information about each committee is also available at this site. If you wish to apply for membership to multiple committees, please submit a separate form for each committee.

The deadline to apply is Tuesday, Nov. 22 at 5 p.m. Forms should be submitted to Victoria DeSair at victoriad@kcranch.org, dropped off or mailed to the Ranch House, or faxed to 303-972-1272.

The creation and job description of each committee is approved by Board resolution, with the exception of the Architectural Committee, which is a standing committee established through the Master Declaration. Some committees are limited in number of members while others are open to many volunteer members. Each committee has a Board member representative who attends the meetings and reports committee news to the Board and a staff member liaison who ensures that meeting minutes are produced and available for Board review.

Family Fright Night and Haunted Trail Photos

Thank you to everyone who came out for the Family Fright Night and Haunted Trail event on Oct. 28 at Dakota Lodge and Bradford Park. Thanks to generous support of sponsors, the event was free again this year! There were games, costume contests, crafts, a not-so-spooky educational hike, hot chocolate, cider and s'mores.

We would like to thank title event sponsor Dr. Susan Kutis with Blue Sage Dental! Also, thank you to sponsor Mike Schmisek with Farmers Insurance as well as Chatfield Botanic Gardens and Murdoch's for item donations. Also, thank you to the Ken-Caryl Community Network, and all the volunteers and residents for their support!

Dear Editor:

The MD Board meeting on Oct. 25 was very productive. One controversial issue concerned the preservation of tennis courts and a plea not to convert courts for other uses such as pickleball. Ironically, I was a bystander at another meeting with pickleball advocates. Having listened to both sides I feel tennis folks have the most compelling case. Potentially, the only reasonable location for pickleball courts would be the far reaches of Community Park near Kipling, and hopefully they would be accompanied by some nice surrounding trees/foliage to improve aesthetics and muffle noise.

But what about providing funding for pickleball or other areas of need? (*Restoring the natural look and feel of our parks with replacement trees and shrubs would be appreciated.*)

There is a questionable MA Board budget item of \$125,000 for 2017 with a total estimated cost of \$350,000 distributed over the next three years. There seems to be a drainage and soil movement situation. Individual homeowners have generally paid for their own terrain settling problems, which are common throughout KCR. Why should the MA pay for this? To blame prairie dog activity in the area between the North Ranch and the Manor House as somewhat responsible for the soil movement near homes seems like a stretch. Even so, it doesn't seem to be a MA community responsibility. MA cutting down weeds as a cause seems equally questionable. If you buy a house at the top of a slope adjacent to open space it seems reasonable to expect: 1. water will flow downhill, 2. soil may move, and 3. wildlife, especially existing wildlife, will propagate.

It is open space; maybe it is best to leave it alone, change the Prairie Dog Policy and stop relocating them because it probably wasn't necessary in the first place. Hiring an engineer to provide guidance to individual homeowners seems reasonable, but correcting the problem appears to be an individual homeowner responsibility. If the MA accepts responsibility it could set a precedent for other homes adjacent to open space, and that could become an expensive issue for future Boards. More transparency on this issue would be nice.

Dear Editor:

I am writing this on Wednesday, Oct. 26, the day following a very interesting KCR District Board meeting where just about every seat in the meeting room was occupied.

The first part of the meeting was devoted to resident comments and some key issues including tennis court issues. The final part dealt with the budget. The meeting started at 6 p.m. and ended after 11 p.m. when only three non-Board residents remained to witness the detailed effort and scrutiny that the District Board Members put forth in evaluating their budget. It didn't end there; after this meeting there was a closed Executive Meeting. This District Board manages our tax dollars and not our MA dues. There were many controversial issues in

the community over the past three years, most of which in my opinion were due to decisions made by the other Board, KCR Master Association Board or more commonly known as the MA Board. The members of our District Board deserve a great deal of gratitude for what they do, how they manage their budget and the way meetings are conducted. So, a sincere Thank You is extended to you, our elected District Board members, for volunteering your time and how you manage this challenging task.

There is only one budget suggestion and it involves a relatively small dollar amount. The \$5,000 budgeted for flowers, which are high-maintenance items, could be switched to funding the more needed trees and shrubs, which are zero funded. The Veterans' Memorial is one of the few places where flowers are really necessary.

Lastly, I hear that there were some isolated community concerns about staffing levels, staff responsibilities, salaries and other related costs. This area of the budget was persistently scrutinized in depth and time. After observing the efforts of the MD Board with this particular part of the budget I will feel very comfortable with their final decision.

Dear Editor:

We are writing in support of the Metropolitan District Board converting Community Center Tennis Courts 1 & 2 to Pickleball Courts. Pickleball is indeed a fast growing sport, one that our community has embraced by the number of offerings it has had and continues to have for pickleball lessons. As a result of these many offerings, more and more of us Ken-Caryl residents, including former and present tennis players, are learning to play and seek courts in our own neighborhood where we can practice, play and compete, just as tennis players do.

Objections to the conversion seem a bit premature since it has yet to be determined if this type of programming is desired by enough to make it permanent. Plus, the funding to repair/replace these two tennis courts is not available at this time. As such, the courts will go unused. The MD Board has offered a win/win solution.

Therefore, we strongly encourage the MD Board to proceed with this conversion and determine if after one year pickleball is a viable and popular use of the courts. Currently, pickleball players have no option to play in our own neighborhood (other than through lessons), whereas tennis players can play at the Community Center, North Ranch and the Ranch House. Let's make use of these two courts to meet the growing needs of those interested in a sport other than tennis.

Dear Editor:

The Oct. 31, 2016 KCR e-News article regarding tennis courts 1 & 2 at the Community Center indicated that "No decision has been made." to "temporarily" convert them for pickleball.

The Community Center Campus priority list (Feb. 16, 2015) had "replace existing

tennis courts with post-tension slab courts" as a high priority. "Add pickleball courts" was a low priority with the remark "few requests for such in 2012 Community Survey."

Replacing the Community Center outdoor tennis courts was an important part of the Bond Project. It still needs to be a high priority item for our community. 1 & 2 need to be rebuilt as soon as possible to complete the full scope of the bond project as intended and voted for by the community.

KCR Tennis was No. 2 out of 140 facilities in the Denver Metro area for tennis league participation in 2015 with 1,134 league participants. Participation was up 11.6 percent from 2014.

Melissa Daruna (District Manager) provided the following estimates for courts 1 & 2:
Repair/resurface for tennis - \$23,870
Repair/resurface for pickleball - \$33,450
Replace with post-tension courts - \$117,133

The Oct. 31, 2016 e-News article stated "The Board has discussed a short-term repair and temporary conversion of these courts to pickleball courts in order to test this type of programming in the community." \$33,450 is a lot of money to be spent to test out a type of programming. There must be a more cost-effective option to gage community interest.

It is not a good use of funds to do a short-term repair/resurface of the courts for either tennis or pickleball and then still need to fund post-tension tennis courts. The repairs would come from the 2017 repair/maintenance budget. These funds should be used in a more productive manner.

There are numerous public pickleball court options for the community.
Ridge Rec Center – 6 indoor
Lilley Gulch Rec Center – 3 indoor
Coronado Park – 2 outdoor (bring your own net)

Cornerstone Park – 6 outdoor
The facts are clear on how the board should proceed – REBUILD courts 1 & 2.

Dear Editor:

The KCRMD 2017 Proposed Budget was presented to the Board of Directors on Oct. 15, 2016, with a public hearing on Oct. 25, 2016. I was one of three people who stayed for the discussion of the budget. It is available online on the KCR website.

The budget is scheduled to be adopted by the Board on Dec. 6, 2016. Residents are able to make comments on it before then. In an effort to help others be more informed, I want to highlight some of the details from the 94-page budget.

Approximately 58 percent of the District's revenues come from property and specific ownership taxes. 37 percent come from recreation fees. Projected revenues for 2017 are \$5,177,081 and proposed expenditures are \$5,049,697 with a balance of \$127,384 of which \$100,000 will go to the Capital Reserve Fund.

The voter approved \$7.9 million bond was the first long-term debt for the District since its inception in 1988 and accomplished important capital improvements in 2016.

The Conservation Trust (lottery) funds and local grants were used in 2016 to leverage bond project funding throughout the community. Jeffco Grants helped pay for Community Center playground, tennis pavilion, splash pad and tennis restroom. Proposed 2017 budget expenditures are \$15,000 for Cathy Johnson Trail Improvements, \$32,500 Community Center Splash Pad enhancements and \$24,000 Dakota Lodge park improvements leaving a fund balance of \$66,823.

One question I often hear is "How profitable is the tennis program?" Here are the facts from the budget.

Tennis revenue is the No. 2 recreation program (Youth Programs is No. 1) and generates 10 percent of total revenue. It

has been profitable in 24 of the last 25 years (averaging \$59,700 per year). Tennis lessons and indoor (winter) court fees account for 75 percent of revenue, with Junior Interclub and league fees contributing 10 percent each.

2015 net tennis program actual amount was \$66,824 (revenue less direct expenses).

2016 estimated amount is \$49,494

2017 projected amount is \$58,449

A major change proposed for 2017 is the incorporation of both Youth Services and Tennis back into the general fund as required by governmental accounting guidelines as separate programs.

Dear Editor:

The Ken-Caryl Home Tour committee is looking for new leadership and committee members for the next Home Tour. The current committee has hosted three home tours in the past six years, generating \$28,310 for charity. We have had tremendous support from both residents and our local business community. The Home Tour runs like a well-oiled machine at this point, and we are ready to pass the reins to the next group who would like to put their own signature on this highly successful event. While we have focused on "home improvement and renovation" as our theme, the new committee would be free to redefine the theme, beneficiary of proceeds, and/or all the other particulars. The current committee is happy to act as mentors and volunteers in order to provide a smooth transition, if so desired. Please contact hometourken-caryl@gmail.com if you are interested in volunteering or would like more detailed information about the Ken-Caryl Home Tour.
