As we approach the end of 2015, I think it is appropriate to reflect on the significant events that have taken place this year on Ken-Caryl Ranch. The year 2015 will go down in history as one of the history-making events in the community. This year marks the beginning of a number of multi-million dollar improvements to the community.

Since the planned development of Ken-Caryl Ranch was first started 40 years ago back in 1975, 2015 marks the first year major improvements to facilities and infrastructure were initiated to update and refurbish many of the amenities within Ken-Caryl Ranch. In May of 2014, voters of the Metropolitan District authorized the issuance of \$7.9 million in tax-exempt, general obligation bonds to finance the improvements over a 10-year payback period. The bonds, which were sold in September of 2014, are being used to finance improvements to the Ranch House, the Community Center and Dakota

Lodge as well as landscaping and park improvements throughout Ken-Caryl Ranch.

Construction has now begun on all three projects by Adolfsen & Peterson Construction (A&P), the contractor hired as project construction manager by the District. You may have noticed A&P's construction trailers on each of the three sites as you visit or pass by each of the facilities. All of the construction is occurring in occupied facilities, which are continuing to be used for ongoing operations. As much as possible during the construction, the goal of A&P, the Boards of Directors of both the District and the Master Association, and staff has been to continue to offer ongoing, regular services as much as possible.

Of course, any construction provides challenges and inconveniences. I would like to thank the residents of Ken-Caryl Ranch for their patience and understanding as we go through the construction process this winter and spring to make improvements to our lives in the place we call Ken-Caryl Ranch. All bond finance improvements to the facilities and building sites are planned to be completed by next summer. You can see the latest building and site plans for all of the projects on the Ken-Caryl Ranch website at www.ken-caryl-ranch.org.

In other news, the Metropolitan District Board of Directors on Dec. 8 approved the 2016 District Budget. There was no property tax increase in 2016 and, as a result of the growth in property values on Ken-Caryl Ranch in 2015, the tax mill levy for the bond repayment will decrease in 2016 from 6.18 mills to 5.44 mills. The 2016 approved Ken-Caryl Ranch Metropolitan District Budget is available on our website and also at our administrative offices at the Ranch House.

No Trash Service Delay Week of Christmas and New Year's

Christmas Day and New Year's Day both fall on a Friday this year, so there will not be a trash and recycling service delay for Ken-Caryl Ranch. Waste Connections offers an auto-dial service to notify customers of any delays or changes in trash pickup days. If you are interested in being notified through this service, you can sign up online at www.wcdenver.com/contact/. Complete the required information, click on Residential Trash Service, then in the comment section at the bottom of the page explain that you are a Ken-Caryl resident seeking to sign up for the Call Fire service.

● **Waste Connections**

Composting Service Option in 2016

As part of the Trash and Recycling Service Survey in October, residents were asked if they would be interested in a composting service. About 20 percent of respondents indicated they would be willing to pay extra for composting. Therefore, we will offer composting as an option later in the first quarter of 2016. We will provide an opportunity to sign up for this service in the first quarter of next year. Please do not try to sign up for the service until we announce the sign-up information in the first quarter. We will need at least 500 residents to sign up in order for this program to be established. The cost will be \$10-\$11 per household depending on the number of households that sign up. Details regarding the service option will be announced next year.

Bond Project Construction Progress

Bond project construction is moving along at all three facilities. Drywall is being installed at the Ranch House in the north end of the lobby and A/V room area to create a multi-purpose event space. Demolition is underway on the lower level of the Community Center. The new bathrooms inside Dakota Lodge have been framed, and excavation work for the addition is in progress. Be sure to sign up for the Ken-Caryl Ranch e-News to receive regular updates on the bond projects. You can sign up at www.ken-carylranh.org.

◆ Covenant Clips

Yes, Virginia, There Are Rules

By Community Standards Administrator Rita Saunders

...and most of our residents follow them most of the time!

I always appreciate when I receive an inquiry asking if something is allowed under our rules, and am happy to respond or to present alternatives, if possible. It is so much better to forestall a problem than have to correct it down the road. Don't ever hesitate to call, email or stop by if I can provide answers or clarification.

To bring some perspective to the covenant process, I would like to share some information and data. Briefly, addressing violations is designed as a three-stage process, and I will use some statistics from the first 11 months of this year to illustrate it. Bear in mind that we have many owners who have never received a violation letter, and some others who receive several each year. Since the beginning of 2015 we have observed 822 covenant violations, sending out a first letter to each of those properties. That first letter is designed to advise of the violation in a less formal manner, provide details about the rule and communicate a deadline for compliance.

If the deadline passes without the violation being cured, a second letter is sent. That letter is required to advise of the potential consequences should the issue not be resolved, and it provides another deadline. We mailed 311 of these letters this year, so greater than 60 percent of the residents cured a violation with just one notice. For those violations still not cured by the second deadline, the third letter mailed is a Hearing Notice, which advises of the meeting date that also serves as the third deadline. 151 Hearing Notices were sent this year, which is less than half the number of second letters.

At the Hearing, the Covenant Committee establishes a final deadline date for those violations that were not corrected by the date of the meeting. A "decision letter" is sent to those owners to communicate the outcome of the Hearing. Thankfully, there were only 37 violations that actually progressed to a Hearing this year. No fines or liens are initiated unless that final deadline passes without resolution.

As this year winds to a close, I would like to thank the many people who worked cooperatively to uphold the appearance of our community. There has been some great communication to clarify issues, convey plans of action and report completed work. I sincerely hope for even better, more productive interactions in 2016!

Please keep in mind that rules are dynamic in nature, with periodic changes, deletions or additions. Ken-Caryl Ranch documents are available at the Ranch House, on our website, by calling me at 303-979-1876, ext. 113, or emailing ritas@kcranch.org.

Joint Study Session

On Dec. 1, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session at the Ranch House and discussed the following items:

- Lisa Lorman of Vanir Construction, our Owner's Representative, presented an update on the status of the Bond Projects.
- The chairman of the Community Planning Committee reviewed the updated draft of the Community Master Plan with the Boards. Both Boards plan to adopt the Community Plan at their December business meetings.
- Staff presented plans for Heirloom Park and both Boards are scheduled to approve the plans and authorize project implementation at their December business meetings.
- The Boards discussed their 2016 Budgets.
- The Boards discussed the Reorganization Agreement in particular as it relates to cost sharing for services to the community.
- A resident sent in a letter requesting the addition of a bench along Valley Parkway. Staff will ask the Ken-Caryl Ranch Foundation to fund the bench.

Metro District Board

On Dec. 8, the Ken-Caryl Ranch Metropolitan District held a Regular Meeting of the Board of Directors and discussed the following items and took the following actions:

- The Board received an update on the construction of the Veterans Monument at Community Park. Donations are still needed to offset the cost of the bronze eagle sculpture as well as ongoing maintenance.
- The Board took action to renew the 2016 Property and Liability and Workers Compensation Insurance Renewal with the Colorado Special Districts Property & Liability Insurance Pool.
- Staff presented an update on the 2016 Jefferson County Open Space Local Park & Recreation Grant. A grant presentation was made by staff with grant awards anticipated to be announced in January.
- The Board took action to approve the plans for the Heirloom Park Master Plan and Playground and authorized the purchase of playground equipment.
- The Board reviewed a staff report of bond project expenditures since the inception of the projects.
- Following completion of the public hearing on the 2016 proposed budget, the Board took the following actions:
 - Adoption of the 2016 Fee Schedule
 - Adoption of the 2016 Budget, Appropriation of Funds and Certification of the 2016 Mill Levy
- The Board took action to approve the Community Master Plan.

KCR Open Space ID Bracelets for 2016-2018

By KCRMA Open Space Ranger Matt Owen

It's a well-known fact among readers of this paper that the best trails at Ken-Caryl Ranch are private and on land owned and managed by the Ken-Caryl Ranch Master Association. Park Rangers are directed to contact trail users on the private trails to determine residency in order to protect this valuable asset. The fact is that the Park Rangers have no way of knowing whether the people they see on the trails are indeed authorized to be there unless they stop every individual and determine their residency status or the user displays a proper ID Bracelet.

If you are wearing the bracelet while using the trails and a Park Ranger approaches, he/she will recognize the highly visible ID bracelet and, as long as you are obeying all of the posted rules, you will pass unencumbered by the inquiries of a Park Ranger.

The proper areas to display the bracelets are listed below:

- **HIKER/RUNNER** – On wrist, waist, backpack strap or on a dog leash handle.
 - **BIKER** – The handlebars near the stem is best.
 - **EQUESTRIAN** – Saddle strap in front of the leg
- Remember, Park Rangers normally only see a "frontal" view of an oncoming trail user, and the more one can see the bracelet the better.

New for 2016-18 Years is a Day-Glow Green Bracelet!

To obtain your own Green ID bracelet (if you have a **BLUE** bracelet it is no longer valid past Dec. 31, 2015) go to the Recreation Office at the Ranch House at 7676 South Continental Divide Road or the Community Center at 1 Club Drive beginning **Jan. 2, 2016**. You will need to sign a simple registration form and provide one item below to show proof of residency:

1. A valid Colorado Driver License with current KCR address.
2. A valid Colorado I.D. with current KCR address.
3. A valid property tax statement with the applicant's name for the current KCR address.
4. A valid warranty deed with the applicant's name for the current KCR address.
5. A valid lease/rental agreement with the applicant's name for the current KCR address.

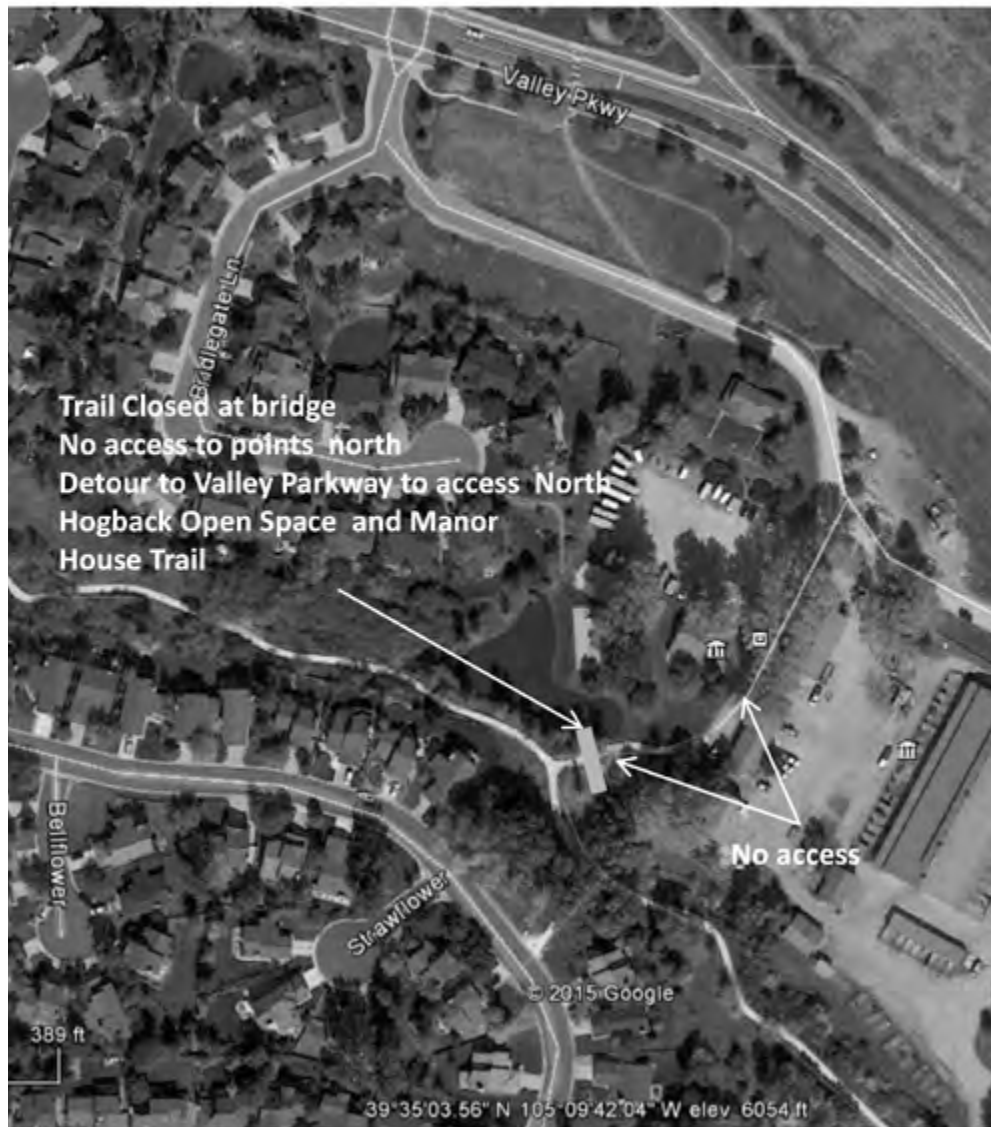

There is no cost. **Bracelets are issued only two per household and now can be temporarily transferred to house guests!**

It is not mandatory to have an ID bracelet when using Ken-Caryl Ranch Open Space, but if you don't have an ID bracelet, be prepared to stop and answer questions from a Park Ranger. If you have any questions, please contact the Park Rangers at 303-979-1876, ext. 170.

● Trails

Trail Closure Near Dakota Lodge

There's a trail closure near Dakota Lodge during the bond project construction. The trail is closed at the bridge, and there's no access to points north. Follow the trail west to the Valley Parkway to access the North Hogback Open Space and Manor House Trail. See the Trail Closure Map for the exact location. The trail is anticipated to be closed for the next few months during construction.

● Waste Connections

Don't Forget to Sign Up if You Want Optional Trash and Recycling Totes

Based on feedback from the Trash and Recycling Service Survey in October, residents will have the option of continuing to use their own trash and recycling containers (either trash cans or bags) or of using 96-gallon totes provided at no charge by Waste Connections. The totes have wheels and are 42 inches tall, the top measures 30x34 inches, and the bottom is 24x24 inches. Trash and recycling service will be weekly as it is now.

If you prefer to use the totes, send an email to kencarylco@wasteconnections.com or call the Ranch House at 303-979-1876. In the email or phone message, say that you want to sign up for totes and provide your name, address, email address and phone number. You can request both trash and recycling totes, just a trash tote, or just a recycling tote. Waste Connections will deliver totes to your home sometime in January. If you want to continue using your own containers, you do not need to do anything. Your service will continue as is. If you decide that you would like to use the tote system at a later date, you can sign up at that time.

Cub Scout Food Drive Collects Seven Truckloads of Food

Submitted by Angie Hastings, Heirloom

Cub Scout Pack 742 and Colorado Home Realty would like to thank this amazing Ken-Caryl community for all the participation in this year's annual food drive.

Our Cubs hit the streets and delivered food donation bags the first week of November. On Nov. 14, the Ken-Caryl Valley residents came through with amazing donations! The Cub Scouts delivered seven full truckloads of food to the 9 Cares Colorado Shares Food Drive. Our community once again stepped up and showed what a generous place we live. Thank you, Ken-Caryl!

Tips for a Safe Holiday Shopping Season

Submitted by Peter A. Weir, District Attorney

The holiday shopping season has arrived and malls and retail stores are crowded with shoppers. District Attorney Pete Weir is warning consumers to use care when they are shopping in order to ensure a safe and happy holiday season.

The retail hustle and bustle of the holiday season provides opportunities for identity thieves and other crooks. While it is easy to get caught up in the excitement of the season, DA Weir warns, "Plan your shopping trips. Don't overdo. Weary shoppers may let their guard down by the time they get to the cashier to pay for their purchases. Do not become distracted. Savvy ID thieves are waiting for just that moment to capture your credit card information on their cell phone, grab your purse or pick your pocket and destroy your holiday cheer."

Shoppers are often rushed and distracted. It is not unusual to lay checks, credit cards and drivers' licenses on cashiers' counters amidst a bevy of onlookers. Most cell phones are also cameras and make it easy for a crook to take a quick picture of your credit card number.

Here's a simple list of suggestions that can help you stay safe this holiday season:

- Plan your outing and go with a friend; there is safety in numbers;
- Park near an entry door, under lights if it is the evening. Note where your car is parked so that you can walk directly back to your car, without wandering, when you return;
- Don't get overloaded with too many packages. If you are focused on your packages, you are more vulnerable to purse or wallet theft. When you have

a few packages it's a good idea to take them back to your car, put them in the trunk, and then drive to another part of the mall to continue shopping;

- Be particularly aware in the busier areas of a store or mall. Crowded aisles, food courts and restrooms create a great opportunity and a quick getaway plan for thieves. Don't leave your packages or purses unattended in the food court and don't set packages or purses on the floor when in a bathroom stall. Crooks can easily reach under, grab and run;
- Travel light in terms of your personal and financial information. Bring a little cash with you and keep it in a front pocket. Bring only one credit card. Avoid using checks as it is easy to become distracted while writing a check and drop your guard, leaving packages or purses vulnerable long enough for a crook to make you their next victim. Carry credit cards and ID in a neck wallet, bi-fold wallet in a front pocket, or a fanny pack worn in the front;
- Don't let your credit card out of your sight. Today's tech-savvy thieves often use a "palm skimmer" to capture credit card information without stealing the actual card. Check your credit card/bank account statements carefully at the end of the month and report fraudulent charges to your bank or credit card company immediately.

The Jefferson County District Attorney's Office offers free Power Against Fraud presentations for groups of all sizes. These programs are designed to protect consumers from becoming victims of identity theft or fraud. For more information, call the Fraud Hotline at 303-271-6980.

Environmental Document Completed for C-470 Corridor

A Finding of No Significant Impact (FONSI) has been signed by the Federal Highway Administration (FHWA) and Colorado Department of Transportation (CDOT) as part of the C-470 Corridor Revised Environmental Assessment (EA) – Kipling Parkway to I-25 (November 2015).

CDOT and the FHWA are seeking to make improvements to C-470 that relieve congestion, decrease delays and improve travel reliability. Proposed improvements include adding one tolled express lane in each direction between I-25 and Kipling Parkway, and a second tolled express lane westbound between I-25 and Lucent Boulevard, and eastbound between Broadway and I-25. These new lanes, plus new auxiliary lanes where warranted, would supplement the existing non-tolled general purpose lanes. The project also includes

pavement re-construction, alignment improvements and direct-connect ramps at the C-470 and I-25 interchange.

The FONSI follows the Revised Environmental Assessment, which reviews the environmental impacts of the project, including air quality, wetlands, noise, etc. In response to public comments received regarding long-term noise measurements not required as part of the Revised EA, CDOT took five additional days of measurements. These additional measurements support the noise conclusions documented in the Revised EA and were made part of the FONSI.

Additional information regarding the Revised EA and the FONSI is available at www.codot.gov/projects/c470ExpressLanes or by contacting CDOT's Jerome Estes at 303-757-9295.

Donations are still needed for the Veterans Monument at Ken-Caryl Ranch.

Honor a Veteran for the Holidays

The Veterans Monument at Ken-Caryl Ranch was dedicated on Nov. 7, but donations are still needed to help offset the cost of the bronze eagle sculpture as well as to continue to improve and enhance the monument. The monument is located at the southeast corner of Crestone Mountain and Sangre de Cristo Road in Community Park.

You can donate any amount or purchase a \$300 Honor Brick that will become a permanent part of the monument. Honor Bricks may be designated for any veteran or active duty service person you wish to honor. Each brick will specify the person's name, branch of service and dates served. Or a "family" brick may be purchased to honor several family members. All donations are tax deductible. Please make your check payable to Veterans Monument - KCRMD with "Veterans Monument" on the memo line and mail to:

◆ **Community Garden**

Give the Gift of Dirt

Need a unique gift idea for a family member or friend? How about the gift of gardening? This is truly a gift that "keeps giving" as fresh, organic fruits and vegetables will be available throughout the summer. The Ken-Caryl Community Garden has a few plots still available for the 2016 growing season. The cost of a large plot is \$150 (includes a \$50 refundable deposit) or \$125 for a small plot (includes a \$50 refundable deposit). We will put together a gift with a certificate for the plot, a pair of gardening gloves and wrap it for you! All you have to do is place it under the tree. Please contact harrietcamp@comcast.net for more information or to order your gift.

Ken-Caryl Home Tour a Huge Success

The recent Ken-Caryl Home Tour was a tremendous success, and proceeds exceeded all previous tour tallies! The event raised \$13,534 for the Action Center, surpassing the 2013 donation of \$9,409 and the 2011 donation of \$5,365.

Jill Messinger, Communications Coordinator for The Action Center, expressed her sincere appreciation by stating, "On behalf of the staff of The Action Center, we'd like to extend a HUGE thank you to the committee of the Ken-Caryl Home Tour for making The Action Center the beneficiary of this incredible event. This generous donation will make an outstanding impact on our clients this year.

We cannot thank you enough for your hard work in making the event a huge success."

While our committee was busy making sure things ran smoothly on tour day, the event would not have been possible without all the homeowners who willingly opened their doors and provided the design inspiration. It is quite an undertaking to finish renovation projects and put on the finishing touches for tour day! We would also like to acknowledge the generous support of our many sponsors, which continues to grow each tour year.

The Ken-Caryl Home Tour is quickly becoming a community tradition. Be sure to look for the next tour in 2017!

MA Board Adopts 2016 Budget; Dues Will Increase \$2 Per Month in 2016

At their November Business Meeting, the Ken-Caryl Ranch Master Association Board of Directors adopted the 2016 Budget. The new budget includes an increase in the monthly dues of \$2 per month. If you pay your dues through your bank's online bill pay, you will need to adjust the payment amount to \$48 starting in January. If your dues are paid by automatic withdrawal through the Master Association's Automated Clearing House (ACH) process, then you don't need to do anything. The amount will be adjusted automatically starting with the January payment.

The funding generated through the

\$2 increase will be used primarily to supplement projects being completed using bond proceeds such as: an extra 288 square feet to enlarge the Dakota Lodge addition in response to input received from the community that the planned addition was too small, and constructing a new marquee sign at the entrance to the Valley that is in keeping with the new sign family. The budget has been posted on our website at www.ken-caryl-ranch.org under the Administration tab, then Budgets & Reports. If you have any questions please contact Chris Pacetti at 303-979-1876, ext. 116, or chrisp@kcranch.org.

Residents of Ken-Caryl Ranch pay the Foothills resident rate to use the indoor pool at the Ridge Recreation Center.

The Cardio Circuit/Weight Room at the Peak Community & Wellness Center is available to Ken-Caryl residents at Foothills resident rates during the Ken-Caryl Ranch Community Center renovation.

Free ID Cards in December for Foothills Ridge and Peak

The Boards of Directors of both the Ken-Caryl Ranch Metropolitan District (KCRMD) and the Foothills Park & Recreation District (Foothills) renewed for 2016 an Intergovernmental Agreement that allows residents of Ken-Caryl Ranch to use the Foothills Ridge Recreation Center at Foothills resident rates.

Also, for a limited time while the KCR Community Center is being renovated, KCR residents may use the Cardio Circuit/Weight Room ONLY at the Foothills Peak Community & Wellness Center at Foothills resident rates. The Peak is located at 6612 S. Ward St., across the street from the Ridge. This temporary agreement is in addition to the arrangement that is already in place for KCR residents to use the Ridge Recreation Center at Foothills resident rates.

As part of these agreements, KCR residents must get a special ID card issued by Foothills that will identify the user as a resident of KCR. ID cards that were issued to KCR residents in 2014 and 2015 are still valid for 2016. While ID cards issued by Foothills normally cost \$5 per card charged to the user, there is no charge during the month of December. ID cards can only be obtained at the Ridge.

The Ridge Recreation Center, which is located at 6613 South Ward St. just north of the boundary of KCR, is owned and operated by Foothills, a local park and recreation provider. The Ridge offers users an indoor lap and separate leisure activity pool, a therapy pool, a gymnasium and track, a cardio weight room, racquetball courts and a rock climbing wall.

Residents of KCR have always been able to use Foothills facilities as they are all open to the public. However, prior to 2014, residents of KCR were assessed non-resident fees for Foothills facilities as it is a separate park and recreation district. Residents of KCR do not pay property taxes to help support the facilities owned and managed by Foothills. The KCRMD and KCRMA subsidize the non-resident fee differential.

Special rates are valid ONLY for select activities at the Ridge Recreation Center and Peak Community & Wellness Center. The special rates do not apply to classes or youth programs.

Fees, facility hours, and other details are listed on the Foothills website at www.ifoohills.org/kencaryl.asp.

Senior Club

Ken-Caryl Ranch Senior Club Begins Its 33rd Year

Submitted by Marilyn Norris, Sunset Ridge

The Ken-Caryl Ranch Senior Club has been going strong ever since it began in 1983. It is a social club made up of couples and singles aged 55 years old and better and averages about 40 members. It meets at the Ranch House the second Friday of each month (with few exceptions), from 5:30-9 p.m. for a potluck supper and program. An additional offsite event is planned each month.

Four members take a turn approximately every other year to take a three-month leadership role in planning the potluck, program and extra event. We usually carpool from the Ranch House to the offsite events so that those uncomfortable with driving can still attend.

Some recent programs/extra events were Stories in Stone by historian Peter Faris; a presentation about pioneers coming west by Jeff Broome, historian, author, and teacher; a Chili and Cello Night with Josh Keltner, attorney and musician playing the cello; a fort tour, trunk show, and lunch; and a tour of Breckenridge Brewery followed by lunch at the Farm House at Breckenridge Brewery.

Two events have become traditions—our annual fall football weekend in Colorado Springs to attend an Air Force Academy football game (or shop or sightsee for non-football fans) and a banquet. The other event is the annual Christmas catered Dinner/Dance Christmas Party at the Concordia on the Lake Event Center.

Plans for Winter Quarter include a visit to the Denver Museum of Nature and Science, and to the Wings Over Colorado Museum, followed by lunch at the Lowry Beer Garden, and a Saint Patrick's Day lunch at the Warren Tech Buffet.

Because of the construction being done at the Ranch House, the Jan. 8 meeting will be held at the Olive Garden at 5:30 p.m., and we will order individually from the menu rather than having a potluck supper.

New members are always welcome. If you are a senior and this seems interesting to you, please come join us. Dues are \$30 per person per year, payable in January, and prorated after June. For planning purposes, an RSVP is appreciated. Please call Marilyn Norris at 720-922-2077 for details and to RSVP.

Members of the Ken-Caryl Ranch Senior Club attended an Air Force Academy football game this fall.

Ho, Ho, Ho for Holiday Happenings

Thank you to all of the residents who came to the annual Holiday Happenings event on Saturday, Dec. 5. Even though this year's event was scaled down due to construction at the Ranch House, there was still plenty of holiday cheer throughout the night. Children enjoyed pictures with Santa, and there were cookies, cocoa, crafts and a hayride. Thank you to our sponsors, Colorado Credit Union and Susan Schell with RE/MAX Professionals.

Residents Win \$20,000 for Their Local Veterinary Practice

Submitted by Katie Policaro, Fox Hollow Animal Hospital

Fox Hollow Animal Hospital, located in Lakewood and owned by Ken-Caryl resident Dr. Tony Henderson, won a contest held by 1st Bank of Colorado, giving the business a cash award of \$20,000.

For the contest, Dr. Ross Henderson, Tony's son and fellow veterinarian at the practice, produced a creative video about what it would mean to their business if they were given \$20,000. The video showcases the staff of Fox Hollow and the several office pets that are part of their team, including Tony's best friend and golden retriever, Barrington, who is a local celebrity himself.

Fox Hollow earned first place from among more than 550 applicants from the entire state of Colorado. Tony, who is originally from Ireland, is joined by his two sons, Dr. Ryan and Dr. Ross Henderson, carrying on the family tradition of veterinary care at Fox Hollow. Ken-Caryl resident Dr. Brian Boyle is also a veterinarian at Fox Hollow.

This contest brought a lot of excitement to the office. First, they were chosen as a finalist in the top 10, then after a few days of online voting, the video went viral with almost 30,000 views. The video was selected as a winner and the representatives of

1st Bank awarded Fox Hollow with a check for \$20,000 to use for their business to help support the animal shelters and animal rescues in the local area.

Fox Hollow Animal Hospital works closely with the people at Foothills Animal Shelter in Golden. They donate their time and expertise, especially with orthopedic diagnosis, digital X-rays and surgical support. Executive Director Jenn Strickland and Chief Veterinarian Dr. Emily Hayes have brought new vitality to the animal rescue community, helping place thousands of pets in loving homes each year. This grant will allow Fox Hollow to continue to support these types of animal

rescue organizations.

Fox Hollow would like to thank their many supporters who helped make this video a viral sensation, resulting in winning first place. For more information about this story, please visit their Facebook page at www.facebook.com/foxxollowvet or their website at www.foxxollowvet.com.

Editor's Note: Community Catalysts features residents who are business or community leaders. If you would like to be featured or you have someone you would like to nominate for the column, please contact Victoria DeSair at victoriad@kcranch.org or 303-979-1876, ext. 122.

One Master Association Board Seat Open for Election in 2016

Please give some thought to serving your community by becoming a member of the Ken-Caryl Ranch Master Association Board of Directors, the decision-making, policy-setting leaders of this community.

There is one seat on the MA Board that will be on the ballot for the Board of Directors election in March 2016. The MA Board meets in the evening on the first and third Tuesdays of each month. Board members are expected to attend other meetings on an as-needed basis. The affairs of the Master Association are managed by the five-member Board of Directors along with a professional staff. Serving three-year staggered terms, a portion of the Board is elected each year.

For those of you who are interested in running for an MA Board position, applications are available at the Ranch House and online at www.ken-carylranh.org under the Administration tab then Master Association Board. Applications are due by Jan. 29. The MA will introduce the declared candidates to the community in this publication and at www.ken-carylranh.org in February. Residents will receive a postcard in the mail in mid-February with instructions on how to vote electronically. The election closes March 1 at 5 p.m., and the winner will be announced soon after.

Snow Removal on Streets is Provided by Jefferson County

It's that time of year again...snow, snow and more snow! Residents often have questions regarding snow removal on Ken-Caryl Ranch. Snow removal for most roadways within Ken-Caryl Ranch is provided by the Jefferson County Road and Bridge Department. You may reach Jefferson County Road and Bridge at 303-271-5200.

The Ken-Caryl Ranch Metropolitan District Parks Department is only responsible for snow removal on Ranch-owned property. The first priority for snow removal by the Parks Department is clearing snow from Ranch buildings for access and safety. Crews will be dispatched to shovel, apply sand and ice melt, and to plow snow to maintain safe access to all Ranch-owned/operated facilities while the facilities are open. Snow removal activities may cease after all facilities are closed for the day and resume prior to the next business day's scheduled opening. Second priority will be given to designated sidewalks and paved trails for snowfalls greater than three inches.

• Bond Projects

Tree Removal at Community Center

Some residents have expressed concern regarding trees being cut down at the Community Center. Bond project improvements are being made outdoors at the Community Center site, including improved access for ADA compliance, new sidewalks, an outdoor restroom, a new playground, better parking area, and a splash pad. To accommodate these improvements, some trees must be removed. The majority of the trees that are being removed are older narrow-leaf cottonwoods that are approaching the end of their life. These older trees are causing damage to the property and creating safety issues. Therefore, even if the bond project improvements weren't being made, several of these trees would be tagged for removal in the next couple years. The site plans call for planting a variety of new, higher-quality trees at the Community Center in 2016 as part of the improvements. If you have any questions, email bondprojects@kcranch.org.

• Safety

Reminder to Shovel Sidewalks

Shoveling sidewalks/passageways on all sides of houses is the responsibility of residents. Please be sure that these areas are cleared for the safety of children walking to and from school, firefighters, trash collectors, postal carriers and others who must use these routes. Please also make sure fire hydrants are clearly visible and accessible at all times.

• Tree Sale

O Christmas Tree, O Christmas Tree

Residents picked out more than 260 trees at this year's Ken-Caryl Ranch Open Space Christmas Tree Sale on Dec. 5. Volunteers along with the Ranger staff harvested the trees from the open space to help with fire mitigation. The snow was so deep in the foothills that the Rangers had to rent equipment just to get the trees out! There was a large crowd that attended the tree sale, and residents generously donated a total of \$2,600 for the trees they picked out and took home. The donations will be used by the Rangers to help purchase open space supplies. Thank you to all the residents and volunteers for their support of this event over the past 13 years!

Ken-Caryl Youth Pianists Excel and Bring Cheer

Submitted by Janet Ali, Colony

On Dec. 5, students of Red Rocks Piano Studio, taught by Ken-Caryl residents Janet Ali, Claire McCollough and Maria Ali, held a holiday concert at Brookdale Senior Living of Littleton. The concert lifted the spirits of residents and families with numerous holiday favorites performed as solos, duets, trios and quartets.

Julianne McCollough also performed a few enchanting selections on the harp. At the end of the recital, a sing-along was led by Emma Decker on the piano, and Mia Wang and Ava Geisler on vocals. The students all played beautifully and were invited back by residents next year.

Included in this concert were nine winning duo teams who will be performing at the Broadmoor Hotel in January 2016 at the United States International Duo Competition Winners Concerts. These winners included: Fletcher and Gage Buhl, Harrison Payne and Mia Wang, Ava Geisler and Julianne McCollough, Anna McGarry and Nicholas Bowers, Meghan Brammeier and Lauren Daniels, Katherine Bowers and Brendan Coggins, Bethany Kempe and Monica Ochoa, Claire McCollough and Rory Devin, and Alex Miceli and Maxwell Kempe.

Five Red Rocks students earned gold cups from the National Federation of Music Clubs this year. Alex Miceli earned his 30-point cup for six years of receiving the top score at the local federation festival, memorizing two pieces per year for a total of 12 memorized pieces. Maria Ali earned the 75-point Grand Cup after memorizing two solos per year since 2004. She also memorized one piano concerto per year since third grade, with concerto points included in her solo points since

9th grade. Ava and Emerson Geisler began participating in the Denver South Federation Festival three years ago and just earned their first 15-point gold cups for memorizing two contrasting solos per year. Rory Devin (not pictured) earned his 45-point cup this year after participating in the festival since 2007 and earning the top rating yearly on his two memorized pieces.

One more piece of news, Maria Ali competed in the high-school level of the Steinway Piano Concerto Competition in Boettcher Hall on Nov. 15. She played Saint-Saens Concerto No. 2, 1st movement and received third place and a \$100 prize. Later that day, she performed in the winners' concert also located in Boettcher Hall. Congratulations to Maria and to all of these children who go above and beyond!

Junior and senior winners of the Steinway piano competition at Boettcher Hall on Nov. 14. Maria Ali (on the right) was the third-place senior winner for the high-school level.

Above: Alex Miceli (30-point cup), Maria Ali (75-point Grand Cup), Ava and Emerson Geisler (15-point cups).

● **Letters to the Editor**

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official. Letters should be concise — no letters over 350 words— and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary. Deadline dates can be found at www.ken-carylranh.org.

The preferred method for submitting letters to the editor is by email to Victoria DeSair at victoriad@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO 80127. We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the resident's name and subdivision will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. Letters will be printed on a space available basis and may be edited. The editor retains right to appropriateness and content. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, Life at Ken-Caryl or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Dear Editor:

Jefferson County was ranked by the American Lung Association 2014 report as the worst county in Colorado for ozone pollution and was given a grade of F. Ozone levels present in the county and elsewhere in and east of the foothills can cause serious heart and respiratory problems including premature death, especially for those in sensitive groups such as children, teens and those over 65 years, people with asthma or COPD, and individuals with cardiovascular disease or diabetes. Children face special risks from air pollution because their lungs are growing.

Colorado will make recommendations to the EPA in 2016 on how the new tougher ozone limits of 70 parts per billion will affect the state. Human health and the environment should be the number one consideration when impacts of the new standard are considered.

The Denver metro area and parts of the Northern Front Range are currently considered as "marginal non-attainment" by the EPA under the current 75 parts-per-billion standard. The state was given until 2015 to meet the 2008 federal standard for ground-level ozone pollution. As a result of Colorado's inability to comply with the federal directive, the metro area, which includes Jefferson County, is being "bumped up" to a higher moderate nonattainment classification.

The League of Women Voters of Jefferson County urges the Jefferson County Commissioners, Jefferson County Health Department and the mayors of the local governments, to work with the Regional Air Quality Council and the Air Quality Control Commission to support the proposed new EPA standard for ozone of 70 parts per billion.

The proposed lower ozone standard is a significant step to protecting public health and will move Jefferson County closer toward cleaner, healthier air for all segments of our population.

Christina Manthey, 1st VP/Program
Jefferson County League of Women Voters

Dear Editor:

As a parent of three students in Jefferson County, I am concerned after attending the first board meeting with the new five Jeffco board members (clean slate of five). I had hoped that after the swearing-in ceremony, and as the new board presented their ideas for how to improve education in Jefferson County, that I would have heard something, anything, about student achievement.

Instead, I heard many board members talk about going back to the "traditions of excellence" that Jefferson County public education used to represent. When was that time period exactly? Was it under the purview of former superintendent Cindy Stevenson when we had a high school where 95 percent of 10th graders did not test proficient in math? Was it when there were 1,200 students every year that didn't graduate on time? While it is true that there will no longer be acrimony and dissent

among the board members, how does this help our children? It isn't just about "getting along."

This board needs to be talking about their strategies for developing and inspiring excellence in our children's learning environments, in their curriculum, in the teachers of Jefferson County. That means ensuring that new teachers are encouraged and financially rewarded for coming to work in Jeffco schools. It means making sure our current teachers are highly-effective and held accountable - just like we all are in our own daily jobs. It means taking a hard look at what types of teaching methods and curriculum are working in traditional, option and charter schools, and what isn't working. It means engaging students, inspiring them, and not simply teaching-to-the-test. It means not giving the teachers' unions everything they want, not instituting policies that are in the best interest of the collective unions, but not in the best interest of our children.

I implore these board members to always have improving student achievement in the forefront of their minds when they meet monthly. That is what our children deserve, and what they must have in order to succeed in life.

Dear Editor:

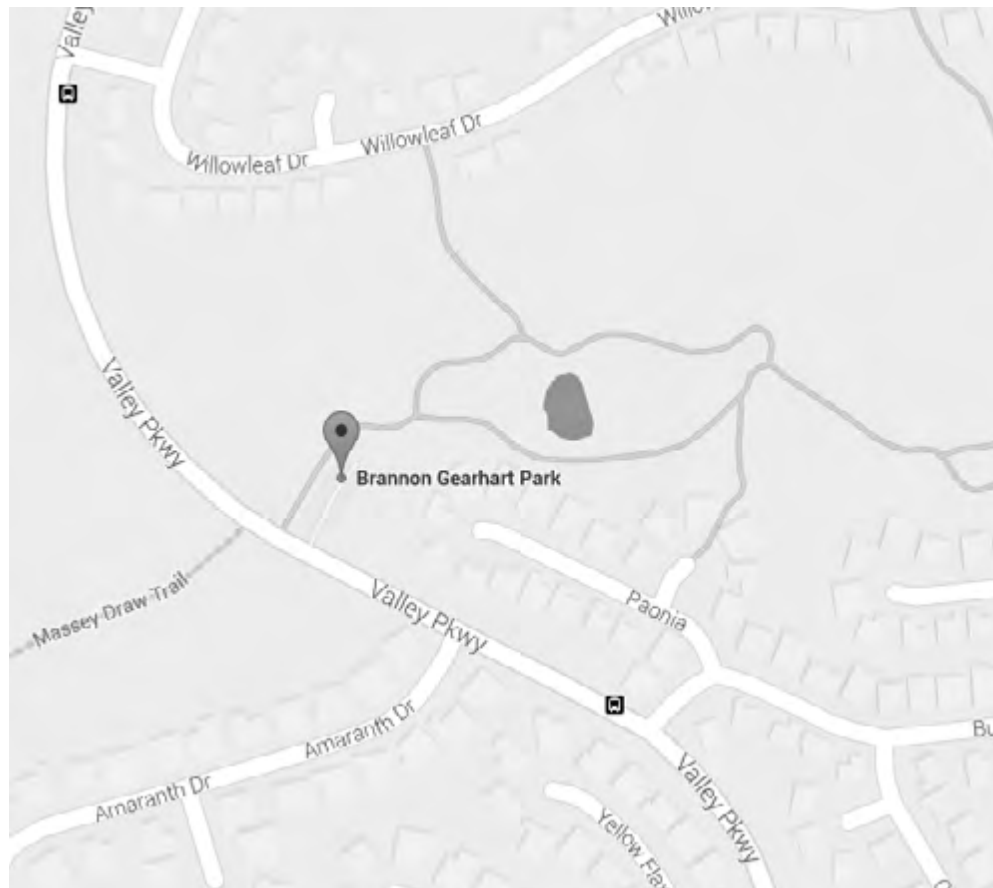

So Much For Transparency

I was very disappointed to learn this week that a Jeffco Board of Education meeting was held on Monday, Nov. 30 at noon, with barely any notice given to the public. The announcement of the surprise board meeting came out during Thanksgiving week, when most of us were spending time with our families and not paying close attention to school board events. Wasn't one of the top three reasons for the recall of the former board majority due to supposed LACK of transparency? Didn't the "clean slate of five" candidates run on the promise of increasing transparency? The fact that most families and teachers had zero notice of this last-minute board meeting, and the fact that it was scheduled in the middle of a work day made it hard for anyone to attend. In fact, the surprise Monday meeting only has 221 online views, where prior board meetings that regularly had parents and teachers in attendance, had upwards of 3,000 to 4,000 online views.

It is important to me, as a Jeffco mom, to attend or watch board meetings, so that I know what policies our school board is implementing. Scheduling meetings when the community can attend allows all of us to watch and have a voice in our school district. When one of the first actions of this new school board is to schedule a surprise meeting during the middle of the day, knowing full-well that most people will not be able to attend, it does little to instill trust or confidence that this new board wants to keep moving forward.

Christmas Tree Chipping Moved to Brannon Gearhart Park

The Parks Department is accepting Christmas trees for chipping again this year, but trees need to be dropped off at Brannon Gearhart Park instead of the Equestrian Center due to construction at Dakota Lodge. Brannon Gearhart Park is located just east of Valley Parkway between Mahonia and Buckthorn. Simply drop off your tree in the designated area anytime between now and Jan. 17. Be sure to remove any non-coniferous items such as metallic materials and tinsel before bringing your trees because many materials can damage the chipping equipment. The mulch will be applied at the base of trees and shrubs in parks and greenbelts.

*For to us a child is born, To us a Son is given,
And the government will be on His shoulders.
And He will be called Wonderful Counselor,
Mighty God, Everlasting Father, Prince of Peace.
Of the increase of His government and peace
there will be no end. He will reign on David's
throne and over His kingdom, establishing and
upholding it with justice and righteousness
from that time on and forever.*
