Metropolitan District Receives Grant for Splash Pad Enhancements

The Ken-Caryl Ranch Metropolitan District applied for and received a 2017 Local Park and Recreation Grant from Jefferson County Open Space to provide enhancements to the Community Center Splash Pad. Specifically, this grant will allow KCRMD to add some above-ground spray features to encourage interactive play among users. The grant was for \$15,000 and will be paired with \$30,000 in Conservation Trust Fund dollars, bringing the total to \$45,000. KCRMD is in the process of selecting and ordering the new features and expects them to be ready for opening day.

Collegiate Academy Hosting Community Yard Sale

Collegiate Academy is hosting a Community Yard Sale and "Buck a Bag" Fundraiser on Saturday, April 22 from 8 a.m. to 4 p.m. in the Collegiate Academy Parking Lot, 8420 S Sangre de Cristo Road in Littleton. There is a \$20 fee per parking spot to host a yard sale. Individuals do not need to have a student enrolled at Collegiate Academy to participate in this event. For information on reserving a yard sale spot, call 303-972-7433. In addition to the yard sale, there's a "Buck a Bag" Fundraiser. Individuals can drop off any of the following:

- General recycling like paper and plastics
 - Bags of household goods
 - Aluminum and scrap metal
 - Laptops, flat-screen monitors and hard-drives (Action Recycling will wipe hard-drives)
 - Batteries (no alkaline)
- See www.collegiateacademy.net for more information.

Bradford Ballfields

At its March 28 Board meeting, the Metropolitan District Board discussed the proposed ballfields at Bradford K-8 North. No decisions were made regarding the ballfields at this time. If you have any questions, please contact Melissa Daruna at melissad@kcranch.org or 303-979-1876, ext. 136.

Correction: On page 3 of the March 22 issue of Life at Ken-Caryl, the Bradford Ballfield Meeting Summary article had an incorrect date. The article stated, "A judgment in favor of KCRMD was finalized in 2015." It should have said 2013. We apologize for the error.

Architectural and Covenant FAQs

By Community Standards Administrator Jenny Bernal

If you have a question about covenants or an architectural submittal, it's probably already been asked. I have compiled a few of the questions I have answered the most in my time with the Ken-Caryl Ranch Master Association. (Because sometimes we want a quick answer to a quick question at 7:30 p.m. on a Saturday night and don't want to have to wait for Monday!)

- **“Where can I find information about home improvements? OR What is the rule for...”** Go to www.ken-carylranh.org, click on the Residents tab and choose property improvements. Your first stop should be the Rules and Regulations document. It includes covenant rules as well as submittal requirements for Architectural requests.
- **“Do I need to submit paint colors for approval if I am using the same colors as before?”** Yes, physical paint samples are required for all painting. Unfortunately scanned or emailed colors are not suitable for the review.
- **“Can I paint my garage door a different color than the rest of my house?”** The garage door must be the same color as the field color of the house. “Wood look” or “carriage style” stained doors have been considered with submittal. A manufacturer’s brochure with your design element choices noted should be included with your submittal form.
- **“How long does it take to get an approval after I submit? OR Can you just approve my submittal today?”** Approximately 1-3 weeks depending upon the neighborhood and date you submit. Some subassociations manage a different process, so please refer to your neighborhood’s governing documents or administrator for more information. The Architectural Committee for the Master Association meets every 2nd and 4th Thursday of each month, and submittals are reviewed at that time. Committees are made up of community volunteers, and schedules are in place to ensure the members can plan accordingly with their own schedules. Your Community Standards Administrator does not issue approvals, but is there to guide you in gathering the proper supporting documents and samples and submitting them to the committee on your behalf. Most homeowners are notified via email on the day of the review and receive a hard copy of the result within 1-2 business days. Time frames may vary depending upon the subassociation.
- **“Do I need approval from the Master Association for a dumpster (sometimes called a roll-off or gondola), “Bagster” or port-a-potty?”** No, but we ask that you consider your neighbors’ perspectives when deciding how long you will have it in place and when choosing placement. Dumpsters and “Bagsters” are not included as a part of your normal trash service with your monthly dues and must be contracted separately.
- **“Can you do something about my neighbor’s barking dogs/dogs off leash?”** We will send a courtesy letter to let them know a nuisance has been reported and provide literature from the county. However, this matter is enforced by Jefferson County Sheriff’s Animal Control. Visit the Jefferson County website www.jeffco.us/sheriff/animal-control or call 303-271-5070 for more information.
- **“Can I park my motorcycle, RV or trailer on Ken-Caryl Ranch?”** Some vehicles such as commercial vehicles, motorcycles and inoperable vehicles are not permitted to be parked outside of an enclosed structure. Recreational vehicles or boats have restrictions which allow them to be parked for two non-consecutive days during a seven-day period. Parking Rules are in the Rules and Regulations document; there is also a quick link on the Residents tab of our website.

Angela York Appointed to Master Association Board

Congratulations to Angela York on her appointment to the Master Association Board. Angela is filling the one-year remainder of Andrew Roberts’ Board term following his resignation earlier this year. The Board appointed Angela at its March 21 meeting.

Master Association Board

The following is a summary of items from the March 21 business meeting of the Ken-Caryl Ranch Master Association Board:

- The Master Association’s auditor, James Moore, presented the draft audit for the Master Association’s 2016 financials. The final audit will be presented at the April 18 Board meeting.
- A member of the Ken-Caryl Ranch Historical Society requested the Board’s support in pursuing national historic registry designation for the Equestrian Center. The Board is fully supportive of this initiative.
- Staff is moving forward with the Brannon Gearhart Trail Drainage Project that was presented at an open house in 2016. Staff received an initial project estimate of \$280,000 from one of the Master Association’s preferred contractors, AGE, Inc. The bid will be formalized and voted on at a future Board meeting.
- Trees, utility boxes, fence posts, trash cans and red rocks in Bradford Park and other areas of the Valley were vandalized on March 11. Some residents attended the Board meeting to express their concerns and offer suggestions on how to prevent vandalism. The Board decided to immediately hire a company for night-time security patrols at Bradford Park and Brannon Gearhart Park. Patrols will occur when weather dictates.
- The Board liaison to the Parks Advisory Committee reported that the committee is interested in improving the volleyball court at the Ranch House. The Board supports this project and authorized an expenditure of up to \$500 to purchase lines and pads. Staff will work on costs of additional improvements and present at a future meeting.
- The Board liaison to the Equestrian Center Task Force said there was a 95 percent response rate for a survey sent to boarders. The most common suggestion was to replace the footing in the three arenas. This work is identified in the Reserve schedule as a 2017 expense. The Task Force would like to include some Equestrian Center questions in the next resident survey, which is scheduled for fall 2017.
- A motion passed appointing Angela York to complete the remaining one year of Andrew Roberts’ term on the Master Association Board. Andrew resigned from the Board in January 2017.
- A motion was tabled regarding adopting a definition of Single Family. Following the Communications Protocol, the topic will be communicated to residents in future issues of the paper, e-News, Facebook and on the website.

Metro District Board

On March 28, the Ken-Caryl Ranch Metropolitan District held a Regular Meeting of the Board of Directors and discussed the following items and took the following actions:

- The Board discussed the proposed ballfields at Bradford K-8 North. No decisions were made regarding the ballfields at this time.
- The Board presented a potential partnership with Foothills Park and Recreation for a bike park project to be located within the Foothills district boundaries.
- Staff presented an update on the Elevation Fitness contract for the Fitness Center at the Community Center.
- Staff gave an update on the median remodeling project.
- Staff presented a draft memorandum regarding communications guidelines for the Metropolitan District.

Beacon-Tincup Phase III – Fuel Mitigation Project

Announcement from the Colorado State Forest Service, Golden District

Ken-Caryl Ranch Open Space, Colorado State Forest Service and the Jefferson County Sheriff's Office will be continuing work on the fuels reduction project at the top of Tincup Hill. Work will begin by the Jefferson County Sheriff's Office in mid-April with completion by June 15. The project will extend the 31-acre fuel break that was established in 2016 to a total of 45 acres. The objectives of this project are to improve wildfire suppression opportunities, overall forest health, and aesthetics of the open space property. During forestry operations, there will be signs posted giving trail users advanced warning that machinery and felling operations are active. Trail closures may be needed occasionally to accommodate equipment use and to provide safety to the public. Any closures will be coordinated by Ken-Caryl Ranch Open Space Rangers. For further information or questions, please contact Ken-Caryl Ranch Open Space staff at 303-979-1876, ext. 170.

Firewise: Preparing Your Pets for Evacuation in Wildfire

Submitted by Daniel Hatlestad, Ken-Caryl Firewise Committee

When a wildfire moves into our Ken-Caryl neighborhood, the likelihood that you and your pets will remain safe can depend on the emergency planning that you do today. Owning pets adds responsibility for the safety of these animals.

Establish A Safe Place

In the event of a wildfire, Ken-Caryl residents may have to leave the home with their pets. Plan now for a safe evacuation with your pets. Pet owners have lost their lives when they refuse to evacuate their homes in a wildfire.

The next step in organizing an emergency preparedness plan is to find a safe place to take the family and pets. There are several other emergency shelter options for pets, such as staying in a hotel, boarding facility, or the home of friends or family – be sure shelter choice is outside the immediate living area. If hotels are preferred, keep a current list of hotels and motels that allow pets. Make a note of each hotel's policy such as how many, size and type of pets. Keep a list of safe place(s) (hotels, boarding facilities or friends) along with phone number and pet policies in an emergency preparedness kit. Local animal shelters may be able to shelter pets in the case of an emergency. Make a back-up emergency plan in case you can't care for your animals yourself. Develop a buddy system with neighbors, friends and relatives to make sure someone is available to care for or evacuate your pets if you are unable to do so.

Establish a person to serve as an emergency contact that lives close to the home and is out of the immediate living area. The emergency contacts should be familiar with and have a list of pets and where they are located. Be prepared to improvise and use what you have on hand to make it on your own for at least three days. Make sure identification tags are up to date. Pets should wear collars with identification tags (to include owner's name and phone) at all times. Identification by a microchip implanted by a veterinarian is also recommended. If possible, attach the address and/or phone number of your evacuation site. If your pet gets lost, his tag is his ticket home.

Pet Emergency Kit

Just as you do with your family's emergency supply kit, think first about the basics for survival, particularly food and water.

- Food: Keep at least three days of food in an airtight, waterproof container.
- Water: Store at least three days of water specifically for your pets, in addition to water you need for yourself and your family.

- Medicines and medical records: Keep an extra supply of medicines your pet requires on a regular basis in a waterproof container.
- First aid kit: Talk to your veterinarian about what is most appropriate for your pet's emergency medical needs. Most kits should include cotton bandage rolls, bandage tape, scissors, antibiotic ointment, flea and tick prevention, latex gloves, isopropyl alcohol, and saline solution. Include a pet first-aid reference book.
- Collar with ID tag, harness or leash: Your pet should wear a collar with its identification at all times. Include a backup leash, collar and ID tag in your pet's emergency supply kit.
- Important documents: Place copies of your pet's registration information, adoption papers, vaccination documents and medical records in a clean plastic bag or waterproof container.
- Crate or other pet carrier: If you need to evacuate in an emergency situation, take your pets and animals with you, provided that it is practical to do so.
- Sanitation: Include pet litter and litter box if appropriate, newspapers, paper towels, plastic trash bags and household chlorine bleach to provide for your pet's sanitation needs.
- A picture of you and your pet together: If you become separated from your pet during an emergency, a picture of you and your pet together will help you document ownership and allow others to assist you in identifying your pet. Include detailed information about species, breed, age, sex, color and distinguishing characteristics.
- Familiar items: Put favorite toys, treats or bedding in your kit. Familiar items can help reduce stress for your pet.

Plan in advance for pet care in the event of wildfire. Be prepared to assess the situation. Use common sense and whatever you have on hand to take care of yourself and ensure your pet's safety during an emergency. Evacuation can be a hazardous and scary time for your pets. Plan how you will assemble your pets and anticipate where you will go. Plan with neighbors, friends or relatives to make sure that someone is available to care for or evacuate your pets if you are unable to do so.

From the Jefferson County Sheriff's Office Animal Control Unit:

The Sheriff's Office Animal Control Unit is responsible for coordinating animal evacuations and animal sheltering during an emergency.

Jefferson County Animal Response Team

The Animal Control Unit partners with groups of qualified community volunteers, known as the Jefferson Animal Control Rescue Team (J-CART) to accomplish the evacuation and sheltering of animals impacted by an emergency or disaster. J-CART works in conjunction with law enforcement, fire, emergency management and the Jefferson County Incident Management Team to safely and efficiently evacuate and shelter animals. Good planning includes having agreements with friends and family outside of your area where you can temporarily take your pets and livestock.

When you evacuate, take your pets and livestock with you. If you need assistance with pets and livestock, contact Jefferson County Animal Control at 303-271-5070 or via the Sheriff's Office non-emergency number of 303-277-0211.

If your neighborhood receives a pre-evacuation notice, consider leaving as soon as possible since animals, especially livestock, take a considerable amount of time to load up and transport.

If you are taking your animals to either the Jefferson County Fairgrounds or the Foothills Animal Shelter for temporary sheltering, please see the Jeffco Fairgrounds Animal Evacuation Instructions on the website below. Temporary emergency sheltering services are provided at no cost to animal owners. Due to limited space, sheltering services are only available for those households within pre-evacuation or evacuation areas.

If you have questions or need additional information on Jefferson County's Animal Emergency Evacuation Plan, please call 303-271-5070. For more information, visit <http://jeffco.us/sheriff/emergencies/animal-evacuations/>.

Mick McGeady

Ken-Caryl resident Mick McGeady, 63, beloved husband, father and friend, passed away on Friday, March 10. Mick is survived by his wife, MaryAnn McGeady; his three children, Ryan McGeady, James McGeady, and Mackenzie McGeady; and his sisters, Kathy Musso and Patti Daley. Mick was preceded in death by his brother Jimmy.

Mick graduated from Patchogue High School and Stony Brook University. He played high school and college soccer and softball on the Hess softball team, just passing the time until he met MaryAnn in the summer of 1977 at the Gold Crest Lounge in Patchogue, New York. In 1979 Mick and MaryAnn headed to California where Mick sold stereos and delivered Coca-Cola to the rich and famous in Hollywood. After spending three years in Southern California and marrying in 1981, they moved to Colorado to enjoy camping, hiking, biking and skiing.

In 1986 Ryan was born and 11 months later in 1987 Jimmy was born. Mick wanted his children to experience the best of Colorado and so moved his family to Ken-Caryl Valley and devoted the next 20 years of his life as a stay-at-home Dad raising Ryan, Jimmy and Mackenzie, who was born in 1992.

For his children, Mick was a soccer coach, t-ball coach, wrestling coach, ski instructor, basketball coach, life coach, motivator, chef and chauffeur. In between wrestling and soccer tournaments, Mick took his family camping, hiking and skiing in Colorado and snorkeling in Hawaii and Mexico.

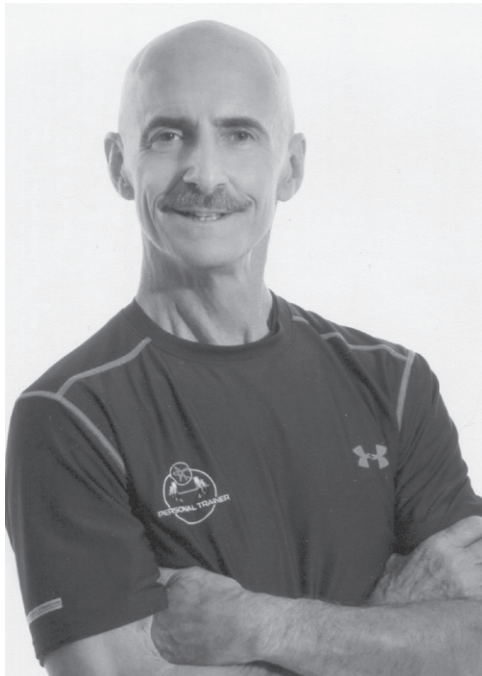

As the children he raised so well began to leave the nest, Mick studied at the National Personal Training Institute and graduated first in his class. He incorporated as MickFitness, LLC and went to Club USA to work as a personal trainer. Mick enjoyed the people and his position at Club USA and continued his work as a life coach and motivator to his clients and co-workers.

Mick and MaryAnn celebrated their 36th wedding anniversary with their children on March 9, almost 40 years after their very first date. Mick was a man of great integrity, commitment, honor, humor and patience; perfect husband material. Mick and MaryAnn grew up together loving each other and the life they had made. With MaryAnn came a large, extended family that Mick openly embraced.

Mick was extremely passionate about everything he did from teaching to coaching to supporting and loving. He would humbly describe himself as a simple man but all who knew him could attest to the impact he had on them and those around them. Mick's legacy of caring and love will live on through his wife, children, sisters, in-laws, nieces, nephews and friends. Mick will be greatly missed.

A celebration of Mick's life will be held at 3 p.m. on Saturday, April 15 in the chapel at West Bowles Community Church, 12325 West Bowles Ave. in Littleton, with a reception to follow. An online guest registry is available at www.horancares.com.

In lieu of flowers, donations may be made in Mick's memory online toward the

Rocky Mountain Fur Trade Presentation April 6 at Ranch House

Submitted by Rose Lewis, Ken-Caryl Ranch Historical Society

We have all heard about the Gold Rush that brought tens of thousands of people into Colorado, but did you know that decades before the Rush fur trappers and traders traveled up the Front Range creeks in search of beaver, perhaps even across Ken-Caryl and up Deer Creek?

The Ken-Caryl Ranch Historical Society is pleased to host Michael Schaub, living historian and authority, who will present "The 1837 Fort Jackson Trading Camp Inventory: A Typical Outfit for the Plains Indian Trade." The program is based on the actual inventory of a trading party along the Arkansas River. Typical trading protocols will be discussed and reproductions of typical trade goods will be displayed.

Michael has given his interpretation of mountain man life at more than 200 events

since 2003, has mentored at the Bent's Old Fort Living History Workshop for several years, has published articles in the "Journal of the Early Americas," and has a website dedicated to the fur trade (www.mman.us).

Please join us on Thursday, April 6 at 7 p.m. at the Ranch House for this fascinating program.

Chatfield Senior High School After Prom Open House

The Chatfield Senior High School After Prom Committee invites all friends and community members to an Open House Saturday, April 15 from 7:30-9:30 p.m. Come by and see how the school is transformed into a safe, alcohol-free party for all CSH juniors, seniors and their dates! We hope to see you there!

Bradford's Hogback Hustle 5K and 1-Mile Family Fun Run

Sunday, April 30, 5K at 9 a.m. and 1-Mile Fun Run at 10 a.m.

Join us on Sunday, April 30 at Bradford K-8 North Campus for this year's 10th Annual Hogback Hustle. The 5K is at 9 a.m., and the 1-Mile Fun Run is at 10 a.m. The scenic course travels through the beautiful Ken-Caryl Valley. This event is open to the entire community as well as anyone who wants to hustle behind the hogback. Both runners and walkers are welcome, but please do not bring dogs to this event.

Register online without any additional processing fees by going to HogbackHustle.com. Registrants will receive a complimentary Hogback Hustle performance t-shirt designed by a Bradford student, and a special commemorative glass (two per family). Register before April 14 to ensure your t-shirt size is available at race packet pick-up and to receive a glass.

Medals will be awarded to the top three boy and girl runners in each grade level (K-7th) for both races. Medals will also be available to the top two male and female runners for the 5K race. Great music, exciting prizes and food will also be available, so don't miss out!

All proceeds from the run will benefit programs for Bradford K-8 Schools. To learn more information about the run and to register, please go to our website at HogbackHustle.com.

Historian Patty Limerick to Speak at LWV Annual Business Meeting

Colorado State Historian Patty Limerick will be the featured guest speaker at the League of Women Voters of Jefferson County's Annual Business Meeting and luncheon on Wednesday, April 19 at 10 a.m. at the Lakewood Country Club, 6800 W. 10th Ave. in Lakewood. Limerick, who is also a history professor at the University of Colorado Boulder, will speak about her passions and explore the history of Colorado.

One of Limerick's passions is to shed more light on the continued significance of American Indians, calling it the "least understood aspect of Colorado history." She explained that while the reservations are on the Western Slope, many people who moved to the Front Range from other states may not realize that some of their neighbors are Indian people, and there's no more interesting place to look at resource development than the Southern Utes.

The event is from 10 a.m. to 2 p.m. and includes a business meeting and lunch. Cost is \$30 per person by check or \$32.04 by credit card online. Checks payable to LWV Jeffco must be mailed to the League of Women Voters of Jefferson County, 1425 Brentwood St., Suite 7, Lakewood 80214 by April 13. To pay by credit card, go to <http://lwvjefcoannual2017.bpt.me>. Guests may attend the event at the above prices. For more information, call the League at 303-238-0032 or visit www.lwvjefco.org.

Balinese Artwork: A Taste of the Exotic

Submitted by Ronnie Seagren, Ken-Caryl Art Guild
Bali. The name conjures exotic images of dancers in colorful costumes and temples hidden in the jungle. The art of Bali is unique as well and highly prized. Wood carving is often elaborate and highly detailed, using centuries-old methods and simple tools handed down through generations.

John Nelson traveled through Indonesia in 1987 on his way to climb Mount Kilimanjaro. He became enraptured with the islands and never made it to Africa. His wife, Ketut, is still in Bali, and he imports artwork from her village, starting with silver jewelry and progressing to wood carving. He says the Balinese have no sense of artistic property and rarely sign their work. Originally, carvings were made for the gods and were not objects of pride or ownership. Art is integral to Balinese society. “Everyone’s an artist,” he said, whether it be music or dancing, painting or sculpture.

The Ken-Caryl Art Guild is excited to present a program about this unique art form on April 13 at 7 p.m. at Rox Bar and Grill. Join us to hear John’s unique story.

Ken-Caryl Resident Earns Bronze Medal in Fencing Tournament

A fencing tournament was held on Saturday, March 18, and Ken-Caryl resident Gavin Malone shocked spectators as the novice fencer, beating the No. 2 seed and winning 3rd place overall in his age category.

Gavin's mother, Tammy Malone, said that she is very proud of him because Gavin has only been taking fencing lessons at Dakota Lodge for about six weeks; yet, he faired really well against other experienced fencers from the Greater Denver area.

Gavin is in the 3rd grade at Shaffer Elementary. Congratulations, Gavin!

Local Artist to Participate in Three Woman Show: Les Trois Tracys

Local Ken-Caryl Artist Tracy Haines is one of three "Tracys" whose work will be featured in an exciting art exhibition at the Stanton Gallery in downtown Littleton. Tracy will feature small, framed oil landscape paintings of the surrounding area - many from the Ken-Caryl region.

Tracy recently participated in a "Thirty Paintings in Thirty Days Challenge," raising money for a local charity from the proceeds, which were auctioned off.

"I was overwhelmed by the support from the Ken-Caryl community. Many of the residents supported that fundraiser

and were happy to have a painting of our gorgeous region. I was thankful for the Ken-Caryl newspaper in getting the word out on that."

Tracy is a retired physician. She and her husband, Fernando Arroyo, an Internist at Kaiser Permanente, raised three children in Ken-Caryl.

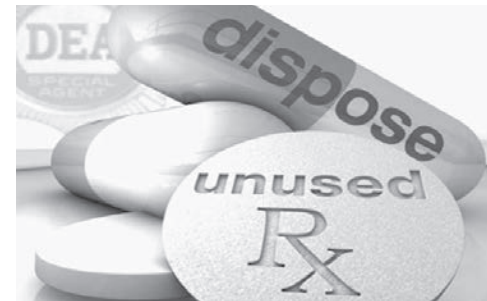

The show, at the Stanton Gallery in the Littleton Town Hall Arts Center, 2450 W. Main St. in Littleton, will run from March 28-May 16. The Opening Reception/ Meet the Artists is Friday, April 7 from 5:30-7:30 p.m.

Ken-Caryl resident Tracy Haines will be featured at an art exhibition March 28-May 16 at Littleton Town Hall Arts Center.

Jefferson County Sheriff's Office Offers Drug Take-Back Day

Twice a year the Jefferson County Sheriff's Office joins law enforcement agencies nationwide to remove potentially dangerous controlled substances from our nation's medicine cabinets. The Drug Take-Back Day provides an opportunity for the public to surrender expired, unwanted or unused pharmaceutical controlled substances and other medications for destruction. These drugs are a potential source of supply for illegal use and an unacceptable risk to public health and safety.

The next Drug Take-Back Day is Saturday, April 29 from 10 a.m. to 2 p.m. The Sheriff's Office will accommodate collections at three sites in the county:

Sheriff's Office Headquarters (200 Jefferson County Parkway, Golden)

Conifer High School (10441 Co. Rd. 73, Conifer)

Dakota Ridge High School (13399 W. Coal Mine Ave., Littleton)

This one-day effort is intended to bring national focus to the issue of increasing pharmaceutical controlled substance abuse.

- The program is anonymous.
- Prescription and over-the-counter solid dosage medications, (tablets and capsules) are accepted.
- Intravenous solutions, injectables, needles and oxygen containers will not be accepted.
- Illicit substances such as marijuana or methamphetamine are not a part of this initiative.
- The prescriptions should be removed from the original containers and placed in a plastic bag prior to drop off.

Also, a MedReturn Drug Collection Unit is available at the Jefferson Center for Mental Health south entrance on the second floor (9485 West Colfax Ave.) Monday - Friday from 9 a.m. - 5 p.m. At this location, unwanted, unused and expired household medications, including prescriptions and over-the-counter drugs, are accepted. For more information, call 303-432-5925.

League of Women Voters

Impact of Changing Demographics on Education

The Jeffco League of Women Voters will focus on education in the last of its four-part series on county demographics at its six unit meetings April 11-13. The history of Jeffco Public Schools, reorganized from 39 districts into one in 1950, will be reviewed as well as the challenges facing Colorado's second largest school district. Changing student demographics, including racial/ethnic composition, income, language, neighborhood growth and decline, are factors being examined. Leaguers also will look at charter schools, funding, graduation rates, academic achievement and college readiness. The League's Chatfield Unit meets at 9:15 a.m. Tuesday, April 11 at St. Philip Lutheran Church, 7531 S. Kendall Blvd. in Littleton. The public is welcome. Call Tina at 303-797-7559 for information. LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official. Letters should be concise—no letters over 350 words—and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary. Deadline dates can be found at www.ken-carylran.org.

The preferred method for submitting a letter to the editor is by email to Victoria DeSair at victoriad@kcranch.org. A response will be sent via email when a letter is received. If you do not receive a response, please call 303-979-1876, ext. 122, to confirm receipt. If you prefer not to submit your letter via email, it may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO 80127. We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the resident's name and subdivision will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. Letters will be printed on a space available basis and may be edited. The editor retains right to appropriateness and content. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, Life at Ken-Caryl or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect. **Email to victoriad@kcranch.org.**

Dear Editor:

It's the day after the board meeting about the athletics fields at Bradford. I'm still baffled by the opinions of some. I was virtually alone in the belief that beautifying the field and then scheduling games at these fields should be done. It seems most people believe the fields should be built, but that scheduling games there in an organized way should not be allowed. That's counterintuitive to me.

I am new here, having lived in the Valley less than two years. In that time, my wife and I have volunteered to coach over 15 athletic teams. Since we don't have fields in the Valley to play games at, we drive all over the area to play games. Not once have I driven to Highlands Ranch or the fields by the corner of Arapahoe and University Blvd and thought, "Wow, these poor people and their beautifully maintained athletic fields, such mayhem. Their property values must be so depressed. And how many times has a kid been run over by some parent late for a game?"

The comment section of a board meeting typically starts out with a resident bragging about how many years they have lived in the Valley. People who have lived here for 30 years are quick to point out that building baseball fields and scheduling games will depress property values. How would they know that having isolated themselves here for 30 years? People at the meeting against the development were all wearing these stickers that say "Scheduled fields are a nuisance." Again, how would they know since there are no scheduled fields currently?

There is a far greater issue at play here, and it's that some people in this community do not want to share Ken-Caryl Valley with outsiders. I've lived here long enough to feel that, and it disgusts me.

These meetings are important. If you feel impassioned about children's athletics, and you think a community thrives in part by the sense of community athletics fosters, you must come and be heard. Or, just email the board in support of this endeavor.

Dave Nash
Ken-Caryl Resident

Dear Editor:

I am a Jeffco Schools employee, a mother of four, and a 16+ year resident of Ken-Caryl Valley.

I am in favor of children playing locally; my children have played for Ken-Caryl Little League, Littleton and Rush Soccer. I am in favor of supporting usable fields for Bradford K-8; my children have matriculated through Bradford. I am not in favor of the scheduled field usage proposed behind my home.

Many residents have spoken to increased traffic, noise, trash, bathroom usage and large watering fees. The issue of home devaluation for the entire Valley has been touched on. We pay, on average, 30 percent more to live in Ken-Caryl than in comparable homes east of the hogback.

We are required to prove residency to hike and bike our trails. It is counter-intuitive that we would choose to open ourselves up to all of Jeffco and beyond - an implicit invitation to use these same trails and crowd our neighborhood.

There is a legal agreement from 1996 that respects the consent of adjacent homeowners. This same issue has been addressed at least twice during my residency and respectfully rejected twice. In attempt to help the Plains satisfy the judgment of the lawsuit against them, KCRMD seems to be opening themselves up to the potential for a suit from the neighbors.

The need for scheduled fields is decreasing as supported by the decline in the school-aged population, necessitating the reformatting of Bradford to K-8. Chatfield High School has been reduced from a 5A school to 4A based on student enrollment size.

Develop the field for school use only. Find relevant ways to use the settlement to everyone's benefit. Stop harassing the neighbors over scheduled usage.

Susan Boyle
Ken-Caryl Resident

Dear Editor:

We use plastic all the time. You've probably never gone a day without using it. Leo Baekeland invented plastic in 1907, and since then it has been imbedded into our lives so much that we can't rip it away. Is plastic really all that we've dreamed of?

The two most-used plastic products are plastic bags and bottles. They are everywhere, and they never go away. We use so many plastic bags that if everyone tied their annual consumption of plastic bags, it would wrap around the world 776 times. Introducing Andy Keller, commonly identified as the Bag Monster. Andy is usually seen running around the streets, covering himself in about 500 bags (about

the average annual consumption of plastic bags per person). He plans to show the U.S. how plastic can affect our lives in negative ways. Since he started, many people have followed him and began peaceful protests and other activities raising awareness.

Most of us have probably heard of BPA (Bisphenol A). BPA is a chemical compound that can harm us in many ways. BPA imitates your hormones and promotes many lethal diseases (cancer, birth defects, arthritis, heart disease, tooth decay, weight gain). We get this horrible chemical into our bodies through plastic. Although companies have cut down on their use of plastic that carry BPA, it is found in baby bottles, toys, household electronics, fish (from swallowing plastic that gets into bodies of water), water bottles, canned food lining and much more. That's not all, BPA is found in thermal paper, specifically receipts. A test shows after clenching a receipt for 10 seconds, your BPA levels dramatically increase, going to your brain and other major organs. You might also see white residue on your hands. This is actually BPA.

Now you should know that plastic is a pitiful substance. We can't just live our lives knowing that plastic is harming something. We have to stop this! We can fix ourselves to help this danger go. Refuse plastic items, use reusable items instead of plastic ones, pick up litter, and tell others about this cause. Save yourself, before this gets too bad!

Dear Editor:

Since there have been several comments recently about how we are spending our Master Association dues (let's not forget this is separate from the Metropolitan District), let's review a rough accounting of last year's revenue and expenses from a layman's perspective. Specifically:

2016 revenues of \$3 million (\$2.7 million of this is dues). \$2.8 million in expenses. Of those expenses:

\$338K of administration salary and related (12%).

\$575K of general operations and salary (21%) - of this we spend \$135K in insurance premiums (23 percent of the category, 5% of overall). Another \$107K goes to producing the newspaper, which is basically offset by advertising revenue.

\$347K on one-time projects (12%).

\$951K on operations and maintenance (34%) - of this we spend \$600K for trash (21% of overall expenses!). Another \$100K went to drainage and \$110K to irrigation maintenance. If we add irrigation water from the general bucket, the latter goes to \$173,000 toward irrigation (6% of overall).

\$590K on open space (21%) - of this

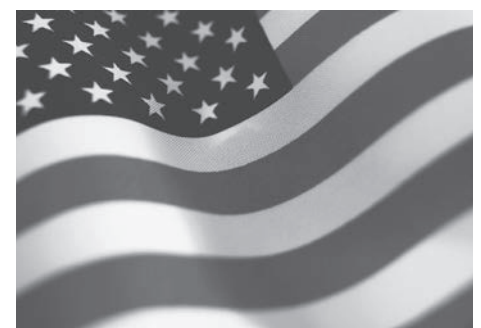

\$331K was for non-trail related allocated staff wages (56% of the total open space spend). Open space trail related work was \$11,000 for mowing, \$73,000 for contract trail maintenance, and \$55,000 for contract trail building - \$139,000 total specific trail spend (23% of open space, but 5% of the overall \$2.8 million in expenses).

So, I am sympathetic to getting upset about certain line items because individually they do sound big. But in the context of the greater purpose they serve many are really quite modest compared to a few things that are the primary driver of expenses.

I am willing to bet that most residents didn't know we spend one-fifth of our dues on trash pickup. Or as much on insurance premiums as we do on our open space trails. How about that 10% we spend on irrigation, irrigation water and drainage? That is 2X either of the former.

Given significant fixed constraints just to keep baseline operations intact, I am impressed how well we do with what's truly variable to improve things at the margin. Thank you to the MA Board and staff for being a mindful steward of our community's dollars.
