### KCRMD Receives Local Park and Recreation Grant

The Ken-Caryl Ranch Metropolitan District (KCRMD) was awarded a 2015 Local Park and Recreation Grant from Jefferson County Open Space for \$54,250 for installation of a new playground at the Community Center. The new playground has been planned as part of the bond improvement projects for the Community Center campus and will be a new, separate playground from the current smaller playground serving the KCRMD's preschool program. The new playground will be designed for children 5-12 years of age and will be located in a separate area of the campus from the current preschool playground. It is estimated the grant award will fund approximately 35 percent of the total cost of the playground.

The Local Park and Recreation Grants are available annually to governments located in Jefferson County through an application process. Construction of the new playground is scheduled to take place in the spring of 2016 in conjunction with the site development of the Community Center campus bond projects.

The first phase of planning for the bond projects was completed with a presentation of the Schematic Design package to the Master Association and Metropolitan District Boards at the April Joint Study Session. I would like to thank all of our resident volunteers who have helped get us to this point. This includes our focus group participants and all of you who attended one of the open houses or submitted your comments to [bondprojects@kcranch.org](mailto:bondprojects@kcranch.org).

While no additional public meetings are scheduled at this time, the Boards are provided with monthly project updates at their Joint Study Sessions, which occur on the first Tuesday of each month at 6 p.m. at the Ranch House. All residents are welcome to attend. In addition, as plans are updated they are loaded onto our website for your review – just click on the Bond and Improvement Projects link under the Administration tab to follow our progress.

Assuming all went as scheduled last week, two fence projects were completed. The rail fence that borders the north side of the greenbelt that runs from Continental Divide to Chatfield was replaced by Standard Fence Company. The brick columns that are part of the fence that runs along Chatfield Ave. were repaired by Commercial Fence and Iron Works.

Don't forget to sign up to receive our every Monday e-News email to stay informed. To sign up, please go to our website at [www.ken-caryl-ranch.org](http://www.ken-caryl-ranch.org) and fill out the e-News sign-up form on the home page. You will also be able to sign up to receive other regular emails on other topics.

● **Board Meeting Summary**

**MA/MD Joint Study Session**

On April 7, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session at the Ranch House and discussed the following items:

- Members of the Ken-Caryl Ranch Veterans Monument Committee presented a request to the Boards asking them to consider assisting the Committee by paying for the new flag poles that were installed by the Committee before the Monument was moved to Community Park. Each Board will discuss options at their regular meetings in April.
- Recreation Supervisor Melissa Daruna advised the Boards on an opportunity to apply for an environmental education grant for the Dakota Lodge campus through Great Outdoors Colorado. The Boards authorized staff to move forward with the application process. If successful, the funds would be used to

supplement the Bond-funded projects planned for the Dakota Lodge campus.

- Architects from Sink Combs Dethlefs presented the schematic designs for the bond projects. The Ranch House and Dakota Lodge floor and site plans and Community Center floor plans were endorsed, but the Boards asked for cost estimates on the Community Center site plan options before a final endorsement is made for that campus. The plans can be viewed online at [www.ken-caryl-ranch.org](http://www.ken-caryl-ranch.org) on the Bond & Improvement Projects page under the Administration tab.
- The Boards received an update on the community entrance sign replacement plan, which is part of the bond projects funding. The plan, which will replace 11 signs, was endorsed.
- The Metro District Board provided an update regarding the status of the Plains Metro District lawsuit.

**House Painting Tips**

By Architectural Administrator Julie Kearful

Spring is the time when many folks are thinking about getting outside, cleaning up their properties and planning projects that will enhance your outdoor living space for the coming season. However, the largest number of submittals is for the exterior painting of homes.

I thought it might be helpful to share some tips on things to think about when getting your house painted. The preparation work done prior to application of the paint is of primary importance! What will the

job entail? Caulking? Scraping? Power-washing? Replacement of dried out and/or rotten boards? Quality paint? Method of application? Number of coats? These are some of the details to discuss with prospective painting contractors. A job well-done will surely last far longer than one that is poorly done.

If you have any questions regarding architectural submittals, feel free to contact me at 303-979-1876, ext. 119, or [juliek@kcranch.org](mailto:juliek@kcranch.org).

**Community Garage Sale May 29-30**

Start stockpiling your stuff! The fourth annual Ken-Caryl Community-Wide Garage Sale will be Friday and Saturday, May 29-30 in your own driveway or garage. The advertised time for the sale is 8 a.m.-2 p.m. but feel free to hold your sale earlier or later. Residents will not need to sign up for the garage sale this year. Discounted garage sale signs will be available for \$3 (normally \$6) starting Monday, May 11 at the Ranch House.

Participants can drop off their unsold items at the Goodwill donation truck in the Ranch House parking lot on Saturday, May 30 from 1-5 p.m. Please do not leave items after 5 p.m. that day. If you have any questions, please contact Victoria DeSair at [victoriad@kcranch.org](mailto:victoriad@kcranch.org) or 303-979-1876, ext. 122.

## Community Center Wading Pool/Splash Pad Decision

Submitted by Lisa Lorman,  
Vanir Construction Management

At the April 7 Joint Study Session, the bond projects design team presented the Schematic Design package to the Metropolitan District and Master Association Boards, seeking approval to proceed to the design development phase. All three campus designs were reviewed for site planning and interior programming efforts. Current plans are posted on our website at [www.ken-carylranh.org](http://www.ken-carylranh.org) on the Bond and Improvement Projects page under the Administration tab. The most current plans will be posted when plans are amended, so please check back often for updates.

Many good comments were captured from Board members. During the focus group meetings, the open house meetings and via the project email address, there was a strong contingency of residents who would prefer the wading pool remain at the Community Center. The design team considered this an important business decision that required direction from the Boards.

During the Joint Study Session, the design team presented the pros and cons of each option: 1) wading pool and 2) splash pad. When asked about the cost of each, there was not a significant difference between the two options. The Boards unanimously agreed that a splash pad is the preferred option for the Community Center. This is an amenity that

is currently missing from Ken-Caryl Ranch facilities. A splash pad would have many advantages: a longer season, no lifeguard requirement, and provides a modern and interactive amenity. The Boards also recognized that wading pools exist within two facilities currently - the Bradford Pool and the Ranch House Pool.

Send comments or questions about the bond projects to [bondprojects@kcranch.org](mailto:bondprojects@kcranch.org).

## Open Space Weed Management

By Open Space Ranger Gary Norton

Spring is here and along with warmer temperatures and longer days, weeds are starting to appear in lawns, parks and open space areas. As part of an integrated management approach, herbicides are used to combat weed infestations in the open space. This year's herbicide applications will be conducted from approximately April to July depending on weather and growing conditions.

Bare ground areas like picnic pads, hard surface trails and kiosk pads are treated first with a pre-emergent herbicide. Applications can be conducted before weeds emerge and these herbicides prevent weeds from germinating in the area throughout the growing season.

The next weeds to manage are the biennial weed species like musk thistle and knapweed. Knapweed and musk thistle are list B noxious weed species, which mandate that landowners make attempts to control and stop the spread of these weed species. The first year and early spring growth form for these weeds is a rosette of basal leaves lying close to the ground. At this stage they are most vulnerable to chemical application because of their increased uptake of water and nutrients. Even though knapweed and musk thistle can be effectively treated all the way up to the budding stages, we have found that spring and fall spraying in the rosette stage is most effective.

As spring turns into summer, the Ranger staff turns their attention to deeply rooted perennial weeds like Canada thistle. Spraying Canada thistle and other deeply rooted perennials is more effective when the plants have bolted and grown to approximately 10 inches in height. At this point, they are still transporting nutrients to the root system, which will allow for more herbicide uptake.

The weeds being managed this season are very aggressive invaders that have the potential to take over native plant communities. Priority was given to areas where infestations pose the worst threat to native plant communities and where they are bordering home lots. A contract herbicide applicator and the in-house open space maintenance crew will be performing the herbicide applications. Contact the Rangers with any questions at 303-979-1876, ext.170.

## Community Catalysts

### Resident Named New Keller Williams Denver South Metro CEO

Ken-Caryl Ranch resident Matt Thomson is the new CEO/Business Development Director for Keller Williams Realty Denver South Metro.

Ken-Caryl resident Matt Thomson was recently introduced as the new CEO/Business Development Director for Keller Williams Realty Denver South Metro. Matt moved to Ken-Caryl Ranch in July 2013 with his wife and two daughters from Gig Harbor, Washington, just outside of Seattle.

Matt is a co-owner of Keller Williams Realty West Sound in Gig Harbor, where the Matt Thomson Home Team continues to be among the top producing real estate teams in the area. Upon moving to Colorado, Matt launched the Productivity Coaching program at Keller Williams Denver South Metro, where he guided his team of newly licensed agents to 97 transactions in their first year in the business. He is proud to have coached the 2014 Colorado Region Rookie of the Year among that group.

"We moved to Colorado as a family decision, not for work," said Matt. "My wife and I had visited the area in 2012, and we both felt God was telling us he had new opportunities for us here. Our girls were just about to enter school, so the timing was perfect."

As the Business Development Director, Matt coaches and consults 140 licensed real estate brokers to be able to attain

their maximum potential in business. His goal is to grow the office to 200 brokers by year's end.

"Our business model is all about the agent. Our motto is to 'build business worth owning, careers worth having, and lives worth living.' My desire to grow our office is centered around one thing: I know that we are changing lives by helping people achieve greatness in their careers. The more people I have in our office, the more lives are being changed," Matt said.

Matt has a master's degree in education and spent seven years as a school teacher prior to joining Keller Williams West Sound in 2004. In addition to his new role, Matt also teaches real estate licensing courses for Kaplan University for those looking to begin a career in real estate. Matt can be reached at 720-889-6306 or matt@kwcolorado.com.

## Great Horned Owls

By Environmental Education Specialist  
Gabrielle Chisholm

Whoop has a large body, two prominent feathered tufts on its head, and big yellow to orange-ish eyes? You guessed it: the Great Horned Owl. This magnificent bird of prey has a wide range from Canada to the tropics. Great Horned Owls can survive in many different environments, including forests, swamps, deserts, tundra or your backyard. They do not make their own nest. Instead, these owls are "thrifty" and reuse the nests of other large birds or squirrels and won't add or change a thing.

Sometimes, a hollow in a tree, rock face or building will do the trick as a nest!

Great Horned Owls are the first to settle in a nest compared with other owls. In Colorado they start courting and searching for a nesting territory as early as January. Great Horned Owls do a lot of hooting to find each other to begin their courtship. The female has a higher pitch to her hoots, which helps distinguish a match. Once paired up, the female will normally lay two to three eggs, which are incubated for about a month. Raising these chicks is a two-parent job! The male and female both take turns incubating the eggs and feeding them once they have hatched. The nestling period is about 42 days, which explains why both parents are needed to hunt for food.

As mentioned, the Great Horned Owl is a bird of prey, also known as a raptor, which means it hunts for its food. These

powerful predators can take down other birds and even mammals larger than themselves. Usually, mice, voles, frogs, birds and rabbits are on the menu, but many other reptiles, mammals and invertebrates can be hunted, making the Great Horned Owl's diet the most diverse of all the North American raptors. While perched, this owl will spot its prey, then quietly swoop down and snatch it with its talons.

To learn more about Great Horned Owls, register for "Nesting Great Horned Owls" on Friday, May 1 from 6-7:30 p.m. This is a family-friendly program, where we will search for nesting owls and hopefully see some fluffy white chicks!

• In Memoriam

### Thomas Green Jr.

Thomas Alfred Green Jr., longtime resident of the Enclave on Ken-Caryl Ranch, passed away March 14. Tom and his wife Priscilla moved to the Enclave in November 1982. Theirs was only the fourth closing in the then fledgling development. Tom and Priscilla were the longest continuous residents in the Valley.

Tom enjoyed relating the experience of their first winter in the Enclave. Snows were heavy and there was no plowing of even Club Drive, let alone roadways within the Enclave. Tom depended on the kindness of strangers with snowmobiles to ferry him to cleared roads so he could get to work.

Born June 1, 1927, in Atlantic City to Thomas and Kathryn Boice Green, Tom served his country during World War II, pastored churches in the New Jersey Conference, and then served as a Servicemen's Chaplain in Washington, D.C., until 1974. He then began a long career as Chaplain at Porter Memorial Hospital in Denver until 1990 when he retired.

Tom will be remembered by early morning swimmers at the Community Center, as well as his friends and neighbors. He is survived by daughter Judith of Texas, son Tom of Denver and their families as well as five grandchildren and five great-grandchildren. He is preceded in death by wife Priscilla, grandson Caleb and daughter Martha Lou.

### Chuck Mawhinney

Longtime Ken-Caryl Ranch resident Chuck Mawhinney recently passed away from complications of a heart attack. Chuck, his wife Annette (Lege) and son Michael moved to Ken-Caryl in February 1992.

Chuck taught at Metropolitan State University of Denver from 1991 until he retired in 2011. Chuck was often seen on Ken-Caryl Ranch biking, hiking or just out for a walk with his family. He was a longtime member of the Ken-Caryl Ranch Foundation where he worked on projects/activities such as Save the Hogback, Chili Cookoffs and giving scholarships to local high school students.

He was also known to his Ken-Caryl friends as a windsurfer. He belonged to the Rocky Mountain Windsurfing Association and spent a lot of time at many of the local lakes waiting for the right wind to come along and propel him across the water or ice. Some of his neighbors took advantage of the windsurfing club's learn-to-windsurf day and actually were able to try out the sport for themselves. Chuck volunteered to run some of the windsurfing club events and in recent years was the club's race director.

One of his other volunteer activities was summer water sports camp for the Mile High Girl Scouts. The camp explored windsurfing, canoeing, kayaking and more. Over the many years he volunteered, Chuck was able to enroll each of his three grand-daughters, who all live out of state, into the week-long day camp. He took pride in being able to treat them to the experience and was overjoyed at having them each visit. He loved spending time with them at the camp as well as some extra grand-dad days of fun at local parks.

Chuck enjoyed spending time with family, traveling and camping. He is sadly missed by his wife, three children, four grand-children, sister and many other relatives.

"These kits are great for members of existing book clubs who don't want to have to purchase books, or for start-up clubs who want to see what book clubs are all about," said Pam Nissler, executive director, JCPL. "Summer is a great time to kick back, read and visit with friends, and we hope these kits will help to facilitate that."

Residents can check out a book club kit by accessing the library's online catalog at [jeffcolibrary.org](http://jeffcolibrary.org) and doing a word search for "book club kits." Kits can be placed on hold and sent to any Jefferson County Library location to be held for pick-up. These book club kits are being made available through the generous support of the Jefferson County Library Foundation.

◆ Minding Our Business

## Twisted Comfort Restaurant

By Community Relations Director Victoria DeSair

Everyone's heard of good, old-fashioned comfort food, but have you heard of comfort food with a twist? Lester Smith and Bill Richards own Twisted Comfort Restaurant, located next to King Soopers on Ken Caryl Ave. They are both former Information Technology (IT) professionals with a passion for cooking.

"When our company decided to start outsourcing its IT work, we decided to do something that has always been a dream of ours and open a restaurant where we could make good, fresh, home-cooked comfort food," said Lester. "We wanted to serve food that is never frozen and not what you get in most chain restaurants; food just like mom used to make. We take the classic comfort foods and give them a twist. This twist may be in how it is prepared, a change to the ingredients or additional ingredients to give the dish a surprising upgrade for the palate."

Lester is a Native Coloradan, born and raised in Southeastern Colorado. He put himself through college as a cook and kitchen manager in Fort Collins. Bill grew up in Iowa but has lived in Colorado for more than 25 years now.

Lester and Bill said they love meeting and talking to the locals who eat at the restaurant, as well as creating new recipes

## Twisted COMFORT

to put on the menu or run as specials. "We welcome suggestions - if there is something you would like to see on our menu or as a special, let us know."

The restaurant offers specialties such as a Twisted Loaf Sandwich, Bonzai Cheese Steak Sandwich, Poutine, Mac Daddy and Cheese, Chicken Fried Steak and much, much more. Twisted Comfort has a number of Ken-Caryl residents as customers, but the restaurant is hoping to have even more. If you go to the restaurant and mention you read this article, you will receive 10 percent off your entire bill.

Twisted Comfort is located at 11727 W. Ken Caryl Ave., between King Soopers and Dairy Queen. The restaurant is open for lunch and dinner Tuesday through Sunday and also for breakfast Friday, Saturday and Sunday. It is closed on Monday. You can contact the restaurant at 303-904-6420 or [tc@twistedcomfortco.com](mailto:tc@twistedcomfortco.com), or visit their website at [www.twistedcomfortco.com](http://www.twistedcomfortco.com).

## Bookmobile Poetry Party

Join the Jefferson County Public Library Bookmobile for an afternoon of celebrating poetry on Saturday, April 25. The fun starts with 5-minute poetry exercises including popular poetry forms of Haiku, Concrete, Acrostic, Limericks and others. The workshop begins at 2 p.m. inside the McDonald's Play Place at 7509 South Alkire St. After a 45-minute workshop, participants are welcome to join a poetry reading outside the bookmobile in the Ken-Caryl Safeway parking lot at 3 p.m. Read your poetry creations, read your favorite poetry, or simply enjoy readings by others. Bring a lawn chair and celebrate National Poetry Month. Writing materials will be provided. Register at [www.jeffcolibrary.org/events](http://www.jeffcolibrary.org/events) or with the staff on the Bookmobile each Saturday from noon-4 p.m. at the Ken-Caryl and Shaffer Parkway Safeway parking lot.

## • Fitness & Wellness

### Healthways SilverSneakers Fitness

Ken-Caryl has partnered with SilverSneakers to offer benefits to qualified members of AARP, Anthem Blue Cross and Blue Shield, Humana, Kaiser Permanente of Colorado and United Health Care. Healthways SilverSneakers Fitness program is also an insurance benefit included in more than 65 Medicare health plans. Through SilverSneakers, health plans and group retirement plans provide a gym membership to their insured at no additional cost. SilverSneakers membership allows access to more than 12,000 participating locations nationwide and includes all the basic amenities, group exercise classes and in some cases, classes geared specifically toward the active older adult.

It only takes a few seconds to see if you qualify for a free gym membership to the Community Center. Stop by and we can put your name, address and birth date into the database to see if you qualify, or you can contact your insurance provider. For more information, please call the Community Center at 303-979-2233.

### Pregnancy Fitness Class

Have you been waiting to get motivated to work out during your pregnancy? You've heard all the many benefits of working out, from easier labor to less pregnancy weight gain, but you just are struggling to fit in that workout. The Ken-Caryl Ranch Metropolitan District wants to know if there is interest in offering a pregnancy fitness class designed by a pregnant mom to help encourage you to get that workout into your routine, while connecting with other pregnant mamas. The workouts would be designed to challenge you, but are modified for the different stages of pregnancy. The class would focus on strengthening the body for all the changes you will experience during pregnancy. If you are interested in this class, please contact personal trainer Nichelle Gurule at [nichelle.gurule@gmail.com](mailto:nichelle.gurule@gmail.com).

### Junior Weight Room Certification

The certification course is being held on the second Monday of every month from 4-5 p.m. at the Community Center. Youth between 12-18 years of age must be certified by our personal trainers in order to use the exercise/weight equipment at the center. Call the Community Center at 303-979-2233 to register for this course; no walk-ins will be accepted.

## Ken-Caryl Art Guild Presents Laura Givens

Submitted by Michele Sires-DeLorean

Digital designer Laura Givens will be featured at the Thursday, May 14 meeting of the Ken-Caryl Art Guild at Rox Bar & Grill, 12684 W. Indore Place in Littleton. The program will take place at 7 p.m., following the regularly scheduled business meeting at 6 p.m.

Artist, designer, cartoonist, illustrator, silk screener, painter and occasional writer, Laura is always looking for new ways to answer her creative muse. A visit to her website reveals an extensive portfolio, mostly in digital media, including illustrations for magazines, book covers, comics and game cards.

"Sometimes it all starts with a thought and a 'what if.' Sometimes I see something and realize that there's something there that no one else is seeing. When that happens, I just have to get it down before it slips away into the mists," said Laura.

Writing is a new hat for Laura in the last few years, and she has written hard sci-fi stories, space operas, zombies, fantasy, weird westerns and steampunk epics. A list of her published works with details can be found on her website at [www.lauragivens-artist.com](http://www.lauragivens-artist.com).

### Come Join Us

The Ken-Caryl Art Guild provides its members with inspiring and stimulating programs for artistic development. The Art Guild welcomes visitors to its monthly programs, held on the second Thursday of the month in the upstairs meeting room at Rox Bar & Grill, 12684 W. Indore Place in Littleton. For updates and information about membership in the Art Guild, visit [www.kencarylartguild.org](http://www.kencarylartguild.org).

## Bradford's Hogback Hustle 5K and 1-Mile Family Fun Run

The Bradford Hogback Hustle 5K and 1-Mile Family Fun Run will be Sunday, April 26 at Bradford Intermediate School. The 5K is at 9 a.m. and the 1-Mile Fun Run is at 10 a.m. The scenic course travels through the beautiful Ken-Caryl Valley. This event is open to the entire community as well as anyone who wants to hustle behind the hogback. Both runners and walkers are welcome.

All participants will receive a run t-shirt designed by a Bradford student. Medals will be awarded to the top three male and female runners in each age group. The race will be using disposable chip timing to make it as easy as possible for participants to track their time. Great music, exciting prizes and food will also be available, so don't miss out! All proceeds from the run will benefit programs for Bradford Elementary Schools.

To learn more about the run and to register, please go to [HogbackHustle.com](http://HogbackHustle.com). Special thanks to Platinum Sponsor Eva Stadelmaier of Re/Max Professionals and 1-Mile Title Sponsor Kim Rachwalski of Keller Williams.

**Drug Take-Back Day  
April 25**

On Saturday, April 25, the Jefferson County Sheriff's Office will be working to remove potentially dangerous controlled substances from medicine cabinets. Jeffco's Drug Take-Back Day provides an opportunity for the public to surrender expired, unwanted or unused pharmaceuticals and other medications for destruction. These drugs are a potential source of supply for illegal use and an unacceptable risk to public health and safety.

Sheriff's representatives will be set up at two drop-off locations in the county on Saturday, April 25 from 10 a.m.-2 p.m. The locations are:

- Dakota Ridge High School – 13399 W. Coal Mine Ave., Littleton (west parking lot)
- Evergreen Fire Rescue – 1802 Bergen Pkwy., Evergreen

This effort is intended to bring focus to the issue of increasing pharmaceutical drug abuse and to allow citizens a safe method of discarding expired or unwanted drugs.

- The program is anonymous.
- Prescription and over-the-counter solid dosage medications (tablets and capsules) are accepted.
- Intravenous solutions, injectables, needles and oxygen containers will not be accepted.
- Illicit substances such as marijuana or methamphetamine are not a part of this initiative.
- The prescriptions should be removed from the original containers and placed in plastic or Ziploc type bags prior to drop off.

● 'Not Just Electronics' Recycling Event May 9

## New Requirements for Recycling TVs; Volunteers Needed for Event

Get rid of your unwanted electronics, appliances, televisions, large trash items, scrap metal, paperwork, tree limbs, latex paints, household items and tires from 8:30 a.m.-2 p.m. on Saturday, May 9 in the Ranch House parking lot. Many items will be recycled for free, but there are fees (CASH OR CHECK ONLY) associated with several types of items. See the table below for a list of items that can be recycled, along with the fee, if any. Please bring cash or check to recycle any items that require a fee.

Item	Fee to Recycle (Cash or Check Only)
Appliances (no coolant)	Free
Batteries (no alkaline)	Free
Computer Monitors: CRTs	\$20
Computer Monitors: LCDs	Free
Electronics (except TVs)	Free
Latex Paint (see details below)	\$3 per gallon
Paper Shredding (up to 3 boxes; 25 pounds per box)	1st box free 2nd or 3rd box \$5 each
Scrap Metal	Free
Tires	\$2 per tire
Trash Items	Free
Tree Limbs and Shrubs	Free
TVs: Flat Screens of Any Size	Free
TVs: Tube TVs Up to 19"	\$20
TVs: Tube TVs 20"-27"	\$30
TVs: Tube TVs Over 27" or Consoles of Any Size	Cannot accept
Yard Waste	Free

### Volunteers Needed

Several volunteers are needed to help the day of the "Not Just Electronics" Recycling Event. Volunteers help direct traffic and assist participants. There will be three shifts (two hours each), and each shift needs six volunteers. If you are interested in volunteering, please contact Cath Perrone at pcperone@yahoo.com.

### Electronics Recycling

TVs must be intact or they will not be accepted. Electronic items that will be free to recycle include flat-screen TVs (any size), computers, laptops, LCD monitors, hard drives, servers, scanners, printers, mice, keyboards, cables, home and car stereo/video equipment, DVD/VCR players, phones, and cameras. Tube TVs up to 27" can be recycled for a fee, but tube TVs over 27" and console TVs of any size will not be accepted. Batteries except household alkaline can be turned in at the event, although only certain types will actually be recycled. Others will just be thrown away.

### Latex Paint Recycling

GreenSheen Eco-Friendly Paints will be at the event to accept latex/water-based paints, stains and clear finishes for \$3 per gallon by volume. The paint must be in its original container. There's no need to consolidate partially full cans together because GreenSheen will charge based on the amount of paint in the can, not the size of the can. No oil, alkyd, lacquer, urethane or other chemicals.

### Paper Shredding

R2 Stewardship will collect up to three boxes (75 pounds) of your home office paperwork for shredding. The first box (25 pounds) is free, but it's \$5 each for the second or third box. The shredding will NOT be done on-site. The paper will be put in a secure truck and shredded off-site at R2's warehouse.

### Tree Limbs and Yard Waste

The Ken-Caryl Ranch Metropolitan District Parks staff will be accepting tree limbs and branches for the chipper. Please no contractors, as all these services are for Ken-Caryl Ranch residents. You may bring other yard waste in bags for the

Waste Connections trash trucks that will be on-site.

### What Not To Bring

We will not be able to recycle appliances that have coolant such as refrigerators, air conditioners or freezers. Tube TVs over 27" and console TVs of any size will not be accepted. Compact fluorescent lights (CFLs) will not be accepted at the event, but they can be recycled at Home Depot or Lowe's. We will not accept medication or drugs at the event. Also, hazardous materials such as flammable liquids and cleaning fluids will not be accepted. To recycle household chemicals and other hazardous materials for a fee, call Rooney Road Recycling Center at 303-316-6262 or see [www.rooneyroadrecycling.org](http://www.rooneyroadrecycling.org). Household alkaline batteries will not be accepted.

### Recycling Event Partners

The Master Association offers the "Not Just Electronics" Recycling Event annually as a service to residents. The event wouldn't be possible without our event partners. Electronics will be recycled by R2 Stewardship Responsible Computer & Electronic Recycling Solutions. Eagle Automotive Services, located on Chatfield Ave. in the Ken-Caryl Market Place, is recycling the tires, and GreenSheen Eco-Friendly Paints will be on-site to recycle paint. Waste Connections will handle all trash and large items, and the Ken-Caryl Ranch Metropolitan District handles the chipper and tree limbs.

### Questions?

Should you have any questions about the "Not Just Electronics" Recycling Event, please call the Ranch House at 303-979-1876 or email [chrsp@kcranch.org](mailto:chrsp@kcranch.org).

*We had CCW install one brand new window and relocate an existing window in another wall of our home. He had everything from the demolition to the drywalling scheduled down to the "T." We were very pleased with how well everything went and the final result was nothing short of exceptional! The new windows add not only character but value to our home. We highly recommend Colorado Classic Windows and plan on using them when we replace our two patio sliders with new swing style. Preston's a man of his word and stands behind his work. **Hotchkiss, Cowen and Other Pioneer Families in the Valley**

Submitted by Rosemary Lewis, Ken-Caryl Ranch Historical Society

We are familiar with the story of Robert Bradford, founder of Bradford City, the Bradford Wagon Road, and the Bradford House. During the 1860s, while Bradford was setting up his various enterprises, at least a half-dozen other pioneer families also occupied the area between Bradford City and Deer Creek in what is now Ken-Caryl Valley. Not surprisingly, they settled on the relatively rich bottomlands along the creeks.

According to a family history, "In the Footsteps of the Hotchkiss Brothers," Enos Hotchkiss arrived in Denver in July 1859, along with his 20-year-old wife, Hannah, and 5-year-old son Monette. The family settled near Bradford, where three more children were born by 1865. They occasionally operated a toll gate, possibly the gate on the Bradford Road, and leased out some of their property for livestock grazing and general agriculture to bring in some cash. But Enos was always on the lookout for new opportunities, so on July 2, 1867, he lit out for the Pacific Northwest to go prospecting and did not return for four years. In his absence he obtained the patent on nearly 320 acres of land in two separate transactions recorded in 1868. Hannah was left to manage the farm and her four children on her own, with whatever help she could find.

When Enos returned on July 7, 1871, he found his wife and children living in Denver with another man, Robert Hamilton, and Hannah's 10-month-old baby. Hannah had managed without Enos, by moving back to the safety of town, renting out the land and dutifully paying property taxes. Enos quickly filed for divorce, which was granted in January 1872. Subsequently Hannah married Hamilton, and Enos sold his 320 acres of land and moved on to Saguache where he built wagon roads across the San Juan Mountains with Otto Mears and was a cofounder of Lake City. He later established the town of Hotchkiss, Colorado. In 1877 he married Elizabeth McIntyre Cowen, the widow of his old neighbor Jacob Cowen.

Jacob Cowen purchased 160 acres adjacent to the Hotchkiss land in 1868, where he raised horses. Jacob soon became acquainted with Elizabeth McIntyre, of the McIntyre family that ranched where the Meyer Ranch Open Space Park is now located. Jacob and Elizabeth were married on June 25, 1871. That fall Jacob was killed in a horse accident. Their son, Jacob Junior, was born March 10, 1872, and became the stepson of Enos Hotchkiss.

Although the Hotchkiss family had moved to Denver by 1870, the census for that year reveals that about 33 people in seven households lived in or near the

Valley. This included farmers, miners, hired hands and families with school-aged children. To the north was the Bradford family. Asa Pangborn and Chauncey Olmstead were both musicians who served in the Colorado 1st Cavalry during the Civil War. They and their wives were in their 20s and both families had young children. Slightly older were miner Charles Cogswill, who boarded with Bradford, and farmer Joel Densmore who also had children. Altogether about 10 children called the Valley home in 1870.
