Executive Director Job Announcement

By KCRMA Executive Director Chris Pacetti

A few months ago, I announced to the Master Association Board that I plan to retire at the end of 2019. Starting in January of 2019, I cut back my work schedule to four days a week, and I will gradually cut back to zero days by the end of the year!

I have been with the Ken-Caryl Ranch Master Association for 35 years, first as the Parks Director and then as the Executive Director. It has been a huge part of my life and it will be bittersweet to leave the Ranch.

The Master Association Board is currently accepting applications for a new Executive Director. The Executive Director provides day-to-day operation, overall management, planning, and leadership of the organization and staff. He/she works with the Board and Committees to establish policies and programs and administers such policies and programs. The Executive Director must communicate effectively with community members, staff, and volunteers.

To read the full job description, including position functions, qualifications, salary, and benefits, visit www.ken-carylranh.org and click on Employment Opportunities under Administration. Applications will be accepted until May 10. If you have any questions, feel free to contact me at chrisp@kcranch.org or 303-979-1876, ext. 116.

Please Respect the Gardening Beds

It's a beautiful time of year with new plants emerging in the gardening beds around the community. Please help the plants thrive by keeping your children and pets out of the planting beds. The Ken-Caryl Ranch Metropolitan District Parks Staff works hard to maintain the beautiful landscaping, so let's all do our part to help! Thank you!

◆ In Memoriam

Joseph Phillip Thurston

Joseph Thurston, son of David and Jinohn Thurston of Ken-Caryl's Aspen Meadows, passed away at home in Stapleton on April 16. Joe attended Shaffer Elementary, Deer Creek Middle School, and Chatfield High School in 1994. He then earned his bachelor's degree in Finance from Fort Lewis College in Durango and his master's in accounting from CU Denver. He was employed by Centura Health and Ortho-Colorado. Joe married Jennifer Zinn and together they had three daughters, Olivia Grace, Abigail Mae, and Emma Susan. Joe's many hobbies include

woodworking, brewing beer, and hunting. Joe is survived by his wife, his daughters, his parents, brother Jonathan and family, and his sister Andrea and her family. He also leaves behind numerous aunts, uncles, and cousins.

Master Association

On April 16, the Ken-Caryl Ranch Master Association held a regular meeting and discussed the following items:

- Resident Rilla Reinsma read an anonymous letter regarding transition and future plans for Ken-Caryl management.
- Resident Cathy Packard expressed concerns regarding the pool survey and feedback regarding seating and shade.
- Resident Linda Metzger discussed the Ken-Caryl Conservation Club's willow stakes planting project for Earth Day. She requested a small sign at the planting area with a safety notice and listing the Conservation Club for project credit. The sign would be up for 60-90 days. A motion passed with a 3-1 vote to allow a sign identifying the Ken-Caryl Conservation Club at the willow stakes project site.
- Trail Club President Josh Holmberg presented the Trail Club Annual Report highlighting volunteer efforts and goals of the Trail Club.
- Open Space Manager Sean Warren presented three bids for engineering services to repair the hard-surface trail segment in Brannon Gearhart Park. There was also one bid for a design/build service. Sean recommended moving forward with engineering on the project. A motion passed to hire Enginuity Engineering Solutions for \$13,955 for engineering services for the Brannon Gearhart trail segment.
- The Board does not support having a 2019 Equestrian Center Task Force. Staff will work on the footing plan for the Equestrian Center.
- Staff presented an opportunity for a purchase option from Crown Castle for an existing contract on a cell site

adjacent to Court 7 at the Ranch House. The Board is not interested in the offer at this time.

- The Board discussed the Conduct of Meetings Policy and Meeting Guidelines. Victoria DeSair will rework the meeting guidelines and present to the board in the future. Kayla Kirkpatrick asked the board to consider a policy regarding anonymous letters from residents.
- Andy Lydens asked about a change in the e-bike policy, which was discussed at the last Open Space Committee meeting. The Board will discuss it at a future meeting. A change in the policy also needs to go through the Communications Protocol to properly notify residents.
- Board Member Dave Seagraves will be

the liaison to the Water Board.

- Staff met with a representative from Waste Connections regarding a contract extension. Also looking at recycling alternatives and composting as well as size options for totes. Staff will report back to the Board at a future meeting.
- On May 17, the application request for the State Historical Society will be heard by the state board regarding historical designation for a barn at the Equestrian Center.
- The Board entered Executive Session to discuss a personnel matter.

Metropolitan District

On April 23, the Ken-Caryl Ranch Metropolitan District held a regular meeting and discussed the following items:

- Staff reported on the transition of the District Manager role and redistribution of work. Staff are optimistic heading into a busy summer time.
- Staff gave an update on critical 2019 IT changes that are required. There is a need to replace servers, upgrade email software, and upgrade some computers that will no longer be supported after 2019. If they are not replaced, there is an information technology security threat to the organization. A motion passed to authorize the use of up to \$45,000 of funds budgeted for District Management for IT expenditures determined most critical in 2019.
- Two members of the Metropolitan District Board, two members of the Master Association Board, and Chris Pacetti have met over the last few weeks to discuss possible changes to the organizational structure of the Master Association and Metropolitan District. The group, referred to as the Financial Stability Workgroup, have explored several options for the future of the organizations. Members will continue to meet and report back to the Boards at future meetings including the Joint Study Session scheduled for May 7 at 6 p.m.
- The Board discussed hiring plans for the District Manager position. The discussion was tabled as the skills and experience sought in candidates and the strategy for recruiting will both be dependent on the outcome of the Financial Stability Workgroup report (previous bullet point). The Board plans on having a Special Meeting scheduled for May 7 at 8 p.m.
- Resident John Fosholt distributed a handout and discussed the latest version of rules for openness and transparency in government and highlighted rules the Board should be aware of as it commences its search for a new District Manager.

Wildfire Hazard Mitigation Plan Updates

By Open Space Ranger Gary Norton

The Ken-Caryl Ranch Wildfire Hazard Mitigation Plan that was adopted in 2014 has been updated in 2019. The updated plan was prepared by the Colorado State Forest Service with input from Open Space Staff, the Firewise Committee, and West Metro Fire. The Plan was presented to the Open Space Committee at the March meeting and was recommended to the Master Association Board for approval. The Board will review and vote on the plan's changes at the May 21 meeting at 6 p.m. at the Ranch House.

Recent fires in Colorado have shown that the biggest threat to communities is home-to-home ignition. The updated plan places more emphasis on residents creating defensible space around their homes in case of a wildfire. The home ignition zone has been added to include the home itself as well as the hazards around the home. The plan also included the 10-foot expanded mowing buffer into open space. Front Range Birding Open House

The Front Range Birding Company is hosting the Captain Jason Dahl Scholarship Heartland Hero all-day event celebrating International Migratory Bird Day on May 11 in the Sagewood II Shopping Center (northwest corner of Kipling and C-470). Colorado Credit Union is co-sponsoring the event that honors the 9/11 pilot hero.

The event, at 10146 West San Juan Way in Littleton, is from 9 a.m. to 5 p.m. The raptor conservation group HawkQuest will be a featured attraction from 11 a.m. to 5 p.m. as they present a live Bald Eagle, Great Horned Owl, and an American Kestrel Falcon for display. All during the day, local artists and craftsmen will have their wares available at an outdoor arts and crafts fair. Local restaurants are discounting many food items. In addition, local park rangers, Hudson Gardens, and the Audubon Society of Greater Denver will man educational booths. Together they will offer interesting and intriguing nature programs for both adults and children to enjoy. Great gift ideas abound for Mother's and Father's Day. Enjoy live music, face painting, refreshments, and more all during the day!

There will also be a silent auction: bid on Rockies Tickets, Broncos Tickets, a United Airlines Simulator, and more! More information can be found at www.frontrangebirding.com.

The event will raise funds to support the Captain Jason Dahl Scholarship Fund. The Dahl Fund was formed in 2002 in response to the tragic events of Sept. 11, 2001. The purpose of the Captain Jason Dahl Scholarship Fund

is to provide scholarships for qualified students who wish to attend accredited commercial flight training schools in the United States. In 2010 the Dahl fund also began the Heartland Hero Essay Program. Sixteen local schools now participate where 5th grade students write essays about a personal hero who made a positive difference in their lives. Pride, community, hopefulness, and heroism are all cornerstone values of the Captain Jason Dahl Scholarship Fund.

Resident Matt Thomson Garners Prestigious Sales Production Award from South Metro Denver REALTOR® Association

Matt Thomson, a leading realtor with Fathom Realty of Littleton, has been recognized by the South Metro Denver REALTOR® Association (SMDRA) with the 2018 Diamond Circle Club Award for Top Individual Residential Sales - Three Carat for 2018. SMDRA held its seventh annual Diamond Circle Awards celebration on Friday, April 12 at the Hyatt Regency Denver Tech Center.

In order to become a Three Carat – Individual Member of the Diamond Circle Club, a Realtor must have produced between 12 million to 19,999,999 million in volume or completed between 40-49 transactions.

“We are pleased to present Matt with the Diamond Circle Award for 2018,” said Marcel Savoie, 2019 Chairman of SMDRA. “He has demonstrated a sincere dedication to the real estate business, old-fashioned hard work, and superior customer service

to achieve success regardless of market conditions. We are proud to have Matt as a member of our association.”

SMDRA is a non-profit trade association that provides real estate professionals with the resources they need to help them grow and prosper in the highly competitive real estate business.

For more information on real estate services from Matt Thomson, call 303-578-6260 or contact him via email at thomsonhomes@gmail.com. You can also find community information on his site at www.KenCarylRevealed.com. For more information on SMDRA, visit www.smdra.com.

The Importance of Water Safety

May is National Water Safety Month! According to the CDC, every day there are 10 deaths on average caused by non-boating related drownings in the United States alone. In the U.S., fatal drowning is the second leading cause of death behind motor vehicle accidents in children ages 1-14. For every child who dies from drowning, five others are hospitalized due to injuries sustained from a nonfatal submersion incident.

Drowning typically occurs quickly and silently, so how can you ensure you and your loved ones are safe while having fun this summer? These are layers of protection that you can (and should!) take:

- Learn to swim. Children who have taken swimming lessons have an average 88% reduction in the risk of drowning. The American Academy of Pediatrics recommends that children begin taking swim lessons after their first birthday.
- Swim in lifeguarded areas. While lifeguards are not the only layer of protection against drowning, they are extremely effective in preventing and responding to emergencies.
- Supervise the water. Designate a responsible adult to supervise children

◆ Aquatics

swimming without distractions (yes, your phone is a distraction). This applies even if there is a lifeguard present. Adults supervising young children or weak swimmers should be providing “touch supervision,” which means being within arm’s reach of the child at all times.

- Teach good habits. Teach children to use a buddy system in the water, to ask before entering the water, and to be aware of their limitations.
- Wear properly fitted Coast Guard

approved floatation devices. Your foam swimsuit, water wings, inner tube, and pool noodle are not designed to keep the wearer’s head above the water. Life jackets and Puddle Jumpers are more appropriate options.

- Get trained in CPR and First Aid. While this is preparation for a worst-case scenario, it’s better to be prepared than not! Help us keep our pools and waterfronts a place for safe, responsible, and fun recreation this summer!

Community Recycling and Cleanup Event May 4

The annual Community Recycling and Cleanup Event will be Saturday, May 4 from 8:30 a.m. - 2 p.m. in the Ranch House Parking Lot. The Master Association funds this event as a service to residents along with Eva Stadelmaier, who sponsors the paper shredding portion.

Please see the flyer on this page for information about acceptable and unacceptable items.

Who Can Bring Items to the Event?

Please understand that this event is for Ken-Caryl residents and businesses only. It's a very popular event funded by your dues, so we can't accommodate non-residents.

How Much Does It Cost to Recycle Items?

The event is FREE except for TVs and CRT computer monitors:

- CRT TVs and monitors under 22" - \$20 each
- CRT or Flat-Screen TVs 22" and larger - \$40 each
- Console, projection, or DLP TVs - \$70 each

What are the Details on Paper Shredding?

Paper shredding is limited to three file boxes or one trash bag. Cross-cut shredding will be done on-site by Shred-It. It is offered for free to residents this year thanks to Eva Stadelmaier with Re/Max Professionals.

Are There Items That Can't Go in the Chipper?

- No branches larger in diameter than 10 inches
- No junipers - they just shred and do not produce useable mulch
- No wood products such as fence boards, posts, plywood, signs, etc. Most end up having nails or other hardware, and it becomes a danger to the operators and will damage the equipment.

Can I Pick Up Mulch After the Event?

Free mulch generated from the event will be available for residents to pick up in the Ranch House Parking Lot starting first thing in the morning on Sunday, May 5. It will be available for up to a week until the mulch runs out. Please bring your own shovels, wheelbarrows, etc. to gather the mulch. Staff will not be available to help you load the mulch.

What Type of Paint Can I Recycle?

Our paint recycling partner, GreenSheen, can accept latex or water-based paint and stain in original containers only. Oil-based paint will not be accepted. The company can't take paint or stain that is not in the original container.

Where Can I Recycle Items that Aren't Accepted at the Event?

Refrigerators: Xcel Energy (must be an Xcel electric customer), 866-552-8755; Front Range Recycling, 720-588-0268 (fee applies)

Compact Fluorescent Lightbulbs (CFLs): Home Depot or Lowe's

Household Chemicals and Other Hazardous Materials: Rooney Road Recycling Center at 303-316-6262 or www.rooneyroadrecycling.org (fee applies)

Who Organizes the Event?

The Ken-Caryl Ranch Master Association offers the Community Recycling and Cleanup Event annually as a service to residents. Eva Stadelmaier with Re/Max Professionals is sponsoring the paper shredding. The event wouldn't be possible without our event partners: Techno+Rescue, GreenSheen Eco-Friendly Paints, Waste Connections, and the Ken-Caryl Ranch Metropolitan District Parks Department.

Other Questions?

If you have any questions about the Community Recycling and Cleanup Event, please call Victoria DeSair at 303-979-1876, ext. 122, or email victoriad@kcranch.org.

Girl Scouts Donate Cookie Money to Foothills Animal Shelter

Local Girl Scout Daisy Troop #67358 comprised of first graders from Bradford used proceeds from their cookie sales to help Foothills Animal Shelter. The girls voted to use their "cookie money" to buy needed supplies from Petsmart and donate them to the shelter in Golden. They shopped together purchasing dog and cat food, leashes, toys, and even bunny treats for the shelter. At their meeting, the girls also made small toys out of recycled toilet paper rolls for the small animals. The troop was thrilled to sell 2,233 boxes of cookies this year and wanted to thank Ken-Caryl neighbors for their generous support! Congratulations to the girls in the troop: Anna Bryan, Avery Mason, Avie Leonard, Aubrey Horton, Harper Hollander, Jenna Tedesco, Leah Henderson, Mia Sisneros, Simone Oese, and Teagan Olson.

Voices West Chorus Presents "Sweet Lovers Love the Spring!"

It was a lover and his lass that o'er the green cornfield did pass ... Sweet lovers love the spring! These are the words of William Shakespeare and they wonderfully describe the spirit of young love. In the springtime, as the flowers and trees bloom, young lovers turn to each other and if all goes well ... the birds sing! This will be a beautiful concert for your mothers and grandmothers during Mother's Day weekend! Join Voices West for an evening of light-hearted music on the themes of love, courtship, and romance.

Credit Card Fees

For those paying for programs with a credit or debit card, you will now see an increase of 4.25% per transaction, which will help offset \$90,000 the District pays in card processing fees each year. Payments made with cash or check will not be subject to the increased fee. The District has consulted its legal team and other professionals in the credit card industry to determine that as a governmental entity, it is exempt from the law that prohibits charging patrons for credit card fees.

◆ Aquatics

Resident Pool Access Pass Fee

The Metropolitan District will be implementing a pool access pass fee. This fee only needs to be paid once per year and gives you unlimited access to the pools all summer. Please note that prices listed are the cash/check discount. Payments made by credit or debit card are subject to a 4.25 percent fee.

Fee Structure

- \$25 per person – 3 years and up
- \$100 max per household

Over 20 years of experience. "I do the estimates and the work."

From Best Friends to Successful Business Partners

By Kristen Peterka, Master Association Staff

Megan Spiller and Alicia Rose took their friendship to a whole new level by starting a Vacation Property Management Company together called Cohost.

Megan and Alicia met while shopping and became fast friends. "We were all from St. Louis but met here," said Alicia. "Not having family here, we quickly became good friends for life. Megan and Trey are our best friends." Alicia's family moved to Ken-Caryl in 2016 and Megan's family moved to the neighborhood just two months later.

Cohost provides vacation property management services. It is a joint effort of the two Ken-Caryl families, each person bringing a unique skill set to the team. Tom Rose brings the financial experience, Megan runs a cleaning company, Alicia is the photographer, and Trey Spiller has the software background. Their friend, Ethan Anderson, helps with the backend of the website.

"Many of our clients are also Ken-Caryl residents who have secondary mountain houses and want to earn passive extra income on their property. We take care of everything for them," said Alicia.

"What sets us apart," according to Alicia, is that "renters receive an online guidebook for the location before their trip. We will go to the property and do a short synopsis of the restaurants and activities in the area. We list great hikes, good places to eat, great places to take your kids, and spots for a great date night."

In addition to sharing a hometown and business, the two families spend time traveling together with their young children and have a blog together titled The Wanderlust Life. More information on their business is available at www.cohost.com.

The Rose family, Spiller family, and Ethan Anderson show that best friends and business really can mix.

Spring Fling Pony Rides at the Ken-Caryl Equestrian Center

Sign up for a pony ride at Ken-Caryl Equestrian Center! The rides are for ages 3 to 100 (you're never too old for a pony ride), and the cost is \$30, payable with cash or check at the time of the ride. This special event will take place Tuesday, May 28 and Wednesday, May 29 from 9 a.m.-2 p.m. After each ride, everyone is welcome to decorate a mini flower pot or horseshoe and hang out in the Main Office, located behind the main arenas.

Reservations are required. To make a reservation, call the Ken-Caryl Riding School at 303-972-8456 or email eqschool@kcranch.org.

The pony ride will be conducted by one of our experienced camp or riding school instructors, but we do ask an adult to walk alongside young children to help them keep their balance. Don't forget your cameras! The rides last about 15 minutes, but your family is welcome to stick around to meet our other horses and watch our students ride. Children and parents must wear boots or lace-up shoes. No slip-ons, flip-flops, or open-toed shoes allowed. You are encouraged to bring your own toddler-sized bike helmet for children under 5.

◆ Veterans' Voice

Veterans Monument Honor Bricks

There are still a limited number of Veterans Monument honor bricks available for a \$300 tax-deductible donation. A brick would make a great gift for that special veteran or current member of the military. Each brick will be personalized with the name of the person, rank, branch of service, and dates of service or conflict. Optional clip art is also available. You can download an Honor Brick Order Form at www.ken-carylranh.org under the Community & News tab then Veterans Monument.

The Veterans Monument at Ken-Caryl Ranch is located at the southeast corner of Crestone Mountain and Sangre de Cristo Road. The Veterans Monument recognizes and honors anyone who has served or is currently serving in the United States Armed Forces.

Ken-Caryl Conservation Club “Digs In” for Massey Draw Stream Restoration

We all know that every day is Earth Day, but at least once a year we make a special effort to show just how much we honor and appreciate Earth, our home, by connecting with nature in some meaningful way.

On Saturday, April 20, the Willow Plantings event was that day for many Ken-Caryl residents. Prior to Saturday, about 60 willow stalks had been harvested and were now ready to be planted. The paved trail along the Brannon Gearhart trail was recently completed, and the Massey Draw stream was in need of restoration. In lieu of hiring a contractor to shore up the banks of the stream from erosion, the Ken-Caryl Conservation Club (KCCC) volunteered to take on this project, saving the Master Association \$300. The event started at noon with an introduction by Linda Metzger followed by an educational presentation by Doug Graham and Kathy Webster.

Linda Metzger gave information on the KCCC and read their mission statement. The KCCC consists of resident volunteers that aim to educate people and conduct activities directed at the conservation of Ken-Caryl’s Open Space. The KCCC supports resident involvement and promotes awareness of issues and activities aimed at preserving and protecting Ken-Caryl’s most valuable asset, our open space, wildlife, flora, and their habitat. KCCC strives for safe and responsible use of our Open Space by residents and supports Ken-Caryl leadership that fosters these values. KCCC encourages all residents to join and participate in its activities and meetings.

Doug Graham is a soil erosion specialist. He presented the overall instructions on how to properly plant the willow stalks. The stalks had to be at least three feet into the ground with the bottom 6-8 inches of the cutting below the dry season water table. A minimum of two lateral stem buds had to be present on the above-ground portion of the stem. Doug explained that the next and final step was to tamp down soil around the cuttings and backfill with mud for good soil to stem contact. These restoration techniques allow for the ability of willows to reproduce from dormant buds, no roots required! Once established, willow cuttings form a web of fibrous roots that can provide highly-effective soil stabilization.

Kathy Webster read about the biology of willows and their importance to wildlife habitat. Willows provide important wildlife habitat, as cover for nesting birds, and forage for elk, moose, deer, and other

herbivores. Willows can grow rapidly and provide effective soil stabilization along stream banks or in other highly erodible areas. Willows are deciduous woody plants in the Willow (Salix) family that commonly grow in moist soils of riparian areas and wetlands. Willows are resilient to high-velocity flood waters, burial by sediments, long-periods of flooding, high winds, and heavy browsing by wildlife. Willows can sprout new shoots from roots and root crowns readily, and their stems possess buds that have the flexibility to form roots when in contact with saturated soils.

The event was a huge success. The weather was sunny and warm and the volunteers all arrived in their water-proof work gear ready to get wet and muddy. There were about 30 adults and children that were eager to get started. It was definitely a teambuilding exercise. Everyone immediately formed an assembly line with some pounding holes with metal stakes, others bringing and placing the willow stalks in the holes, and others pounding them in the ground with rubber mallets. The children excelled in making the mud for the backfill! It was the assembly line teamwork that made the labor fun and completed within two hours. Everyone left with a smile on their face, a positive feeling, and the satisfaction of knowing that they had connected in real life to the earth, each other, and themselves.

Thank you to all who volunteered for this community project. A special thank you goes out to our newly elected MA Board member, Scotty Martin, who even enlisted the help of his son, Ivan. Now all that is left is to wait and watch for the dormant buds to sprout. Sprouting could take place as early as May. Let nature take its course. Life will find a way!

For more information on upcoming events or information on the Ken-Caryl Conservation Club, please email kencarylconservationclub@yahoo.com. The KCCC welcomes any residents as potential members who are interested in the conservation and preservation of our valued open space, including wildlife, fauna, flora, and its many ecosystems.

Letters to the Editor

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official or political candidate. Letters should be concise — no letters over 350 words—and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary due to holidays. Deadline dates can be found at www.ken-caryl.org.

The preferred method for submitting letters to the editor is by email to Victoria DeSair at victoriad@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO 80127. A response will be sent via email when a letter or article is received. If you do not receive a response, call 303-979-1876, ext. 122, to confirm receipt.

We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the author's name and "Ken-Caryl Resident" or applicable government office will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. More than one letter per resident may be published in a single issue of the paper provided that the letters are not about the same subject. Letters will be printed on a space available basis and may be edited. Editor retains right to appropriateness and content. Letters will be published with plain text; use of all caps, italics, bold or excessive exclamation points will not be allowed.

Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, Life at Ken-Caryl or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Email to victoriad@kcranch.org.
 Deadline for May 15 Issue: May 6 at 5 p.m.

Dear Editor:

Long-time reader, first-time writer. Two heavily debated topics here in Ken-Caryl include the pool use fee for 2019 and the Docmann Trail controversy. Here are my suggestions. After having read, re-read, catalogued, and pondered over every well thought out and fully factual letter to the editor over the past 87 weeks, I have a compromise that I'm sure everyone can agree on.

Firstly, I know from fourth-hand experience that the three neighborhood pools are a huge money-maker. The pools alone account for 78.4% of the neighborhood's annual revenue. In fact, I've even seen some teenage lifeguards with inflated salaries driving Lexuses and Audis! How about some fiscal responsibility Ken-Caryl!? Now they want to charge \$20 per person for an annual pass! I can't believe I will now have to pay \$20 to swim in one of three non-crowded private pools any time I want.

Secondly, the Docmann Trail is murdering the eagles. I don't care if

environmental organizations have surveyed the route and deemed it safe, or if Jeffco has provided their approval twice, the alternative facts are that 4 out of 5 golden eagles are against this "big government, special interest" trail. That's almost 80%! We must listen to the eagles and not to those in the Ranch House ivory tower.

So, what's the solution? Let's demand that the pool fee money be reallocated to help the eagles. Here's how. The Trail Club should stop trying to add 100 more miles of mountain bike superhighways, and instead should place a storage bin at the start of the Docmann Trail containing 20 eagle costumes. It's required that ALL users of the Docmann Trail wear eagle costumes during use. There will also be a few rodent costumes available for your in-laws to wear. This will provide an overall sense of comfort and community for the eagles so they continue to mate (giggity) for years to come. Seeing familiar feather-clad bikers swooshing around the trails will give the eagles the impression that this is a hip community with a lot of awesome eagle mountain bikers.
