Don't Miss The Halloween Haunted Trail Event On Saturday

Enjoy smores and hot chocolate at the Halloween Haunted Trail event.

It's that spooky time of year again, filled with creepy critters, not-so-scary stories and fun family activities. The annual Halloween Haunted Trail event at Bradford Park is Saturday, Oct. 27 from 5:30 to 8 p.m.

Hike along a nature trail where you will meet some un-scary critters we often associate with Halloween. Find out some of the myths and truths about these night creatures. End at the Bradford amphitheater for hot chocolate and marshmallow roasting by the bonfire. This event is for families with children ages 3-10. The trail starts at the Bradford Park parking lot. Tours will start every 10 minutes so you can arrive any time between 5:30 and 7:30 p.m. The cost for the Halloween Haunted Trail event is:

Adult: Residents \$5, Non-Residents \$8

Youth (3-18): Residents \$3, Non-Residents \$4

Family (up to 4 people): Residents \$12, Non-Residents \$18

Pre-registration is required. To register for this event (**Course #25716**), call 303-979-4070, 303-979-2233 or online at www.ken-carylranh.org.

2013 Proposed MD Budget Available For Review

The 2013 Proposed Budget for the Ken-Caryl Ranch Metropolitan District (KCRMD) is now available for review on the Ken-Caryl Ranch website at www.ken-carylranh.org. Copies of the 2013 Proposed Budget are also available at KCRMD's administrative offices at the Ranch House.

The 2013 Proposed Budget was prepared as a "status quo" budget with planned services for next year remaining at 2012 levels. As a result of the recent economic recession,

real property values throughout Colorado have fallen in the past two to three years. This drop in property values translates into a decrease in the total assessed valuation for the KCRMD of more than 6 percent.

Because KCRMD relies on property tax revenues for more than 60 percent of its total budget, the nine percent decrease in assessed valuation results in approximately \$223,000 in reduced revenues for 2013. Even with the estimated decrease in 2013 revenues, the KCRMD Board of Directors is making every effort to keep service levels at 2012 levels. This effort is being accomplished through a combination of 2012 general fund budget savings in conjunction with a reallocation of funds available in the Youth Services Fund. There will be no increase in property taxes for 2013.

The Public Hearing on the 2013 KCRMD budget was held Tuesday, Oct. 23 at the Ranch House.

Lock Your Cars And Keep Valuables Out Of Sight

More Than 200 Cars Trespassed In South Jeffco From May Through October

South Jefferson County, including Ken-Caryl Ranch, has experienced a large increase in car trespasses compared with 2011. The majority of trespasses were committed at night on unlocked vehicles, with no signs of forced entry. It appears that the suspect(s) are simply going down the street and trying doors. When they find one that is unlocked, they search it for valuables and are on to the next one in a matter of seconds. Items stolen include anything of perceived value: laptops, GPS units, wallets, purses, tools, cell phones, cash, etc.

Crime occurs when opportunity presents itself. You can reduce or remove the opportunity

by being vigilant and:

- Locking your cars.
- Keeping valuables out of sight.
- Using motion-detection lighting in the front and back of your house.
- Trimming trees and shrubs around your house so that criminals don't have places to hide.

The Sheriff's Office encourages citizens to lock their cars and to report any suspicious activity immediately by calling Jeffco Sheriff's non-emergency number at 303-277-0211. Visit jeffcosherriff.com for more crime prevention tips.

The directory is a great opportunity for your business to receive exposure 365 days a year in a publication that reaches nearly 4,200 homes on both sides of the Hogback. The directory includes a listing of Ranch residents, amenities, history, services, emergency contact information and more. If you are interested in placing an ad in the directory for your business, please contact Victoria DeSair at victoriad@kcranch.org or 303-979-1876, ext. 122, for more information.

It's a great way to let residents know about all of the local businesses we have in our community. Manager's Column

by KCRMA Executive Director Chris Pacetti

The Ken-Caryl Ranch Master Association Draft Annual Plan/Budget for the fiscal year beginning Jan. 1, 2013 and ending Dec. 31, 2013 is available at the Ranch House or on our website at www.ken-carylranh.org under the Administration tab. In the draft, the dues are increased from the 2012 levels of \$41 per month for each residential unit to \$45 per month and from \$26 per month per acre to \$29 per month for commercial properties; both developed and undeveloped commercial properties are assessed.

The revenue generated by the dues increase is scheduled to fund: an increase in costs for trash/recycling services, ADA updates to our facilities, increased care of our greenbelt trees, additional security measures, KC2020 implementation, increased maintenance of our street signs and additional seasonal staff and equipment to maintain the Open Space.

The primary revenue sources for the Master Association are the monthly dues paid by property owners on Ken-Caryl Ranch, fees paid for services at the Equestrian Center (all revenues collected at the center are spent at the center and do not contribute to the general operations) and advertising in *Life at Ken-Caryl*.

The Master Association provides the following services to the community: weekly curbside trash and recyclable pick up for every occupied home, biweekly production and distribution of *Life at Ken-Caryl*, Open Space management and maintenance for more than 4,000 acres of Open Space, operation of the Equestrian Center, architectural and covenant standards administration and the reserve program.

In addition to providing the services listed above, there are many projects planned for next year including: the fourth year of replacing sections of the sprinkler system along Valley Parkway, continued replacement of the Open Space asphalt paths with wider concrete paths, repairs to association sidewalks, and funding to plant 25 new trees and replace a section of greenbelt fencing.

If you have any questions about the 2013 Budget, please contact me at 303-979-1876, ext. 116 or chrisp@kcranch.org.

Covenant Clips

Contractor Reference Database

by KCRMA Community Standards Administrator Julie Kearful

A new online database of contractor references is now available on our website at www.ken-carylranh.org. We are hopeful that this information will be helpful to all who are making improvements to their properties and may not have had experience with a specific contractor.

For starters we currently have more than 60 contractors listed. This is an opportunity for residents to provide a review of local contractors, doing both interior and exterior projects, and make it available for others to review. If you would like to submit a contractor reference and be included in our online database, you can complete the online form at www.ken-carylranh.org/residents/contractor-reference-book/. **Your name and other contact information will not be**

published online. We are pleased to offer this new service.

Prior to this new database, residents could submit a contractor reference application to the Ranch House to be included in the large notebooks kept in the Community Standards Office. These books continue to be located at the Ranch House, can be viewed during regular business hours and the forms can still be found on our website if you prefer to fill out a paper form.

Please keep in mind that rules and regulations are dynamic in nature...new issues surface, new regulations are added, inappropriate ones are deleted and others simply are amended or updated. Ken-Caryl Ranch documents are available at the Ranch House and on our website at www.ken-carylranh.org so try to make certain you, too, are up-to-date. Also, don't hesitate to call me at 303-979-1876, ext. 119 or email juliek@kcranch.org should you have any covenant or architectural questions or comments. Help will be gladly offered.

Ranger Field Notes

Calling Rangers With Wildlife Concerns

by KCRMA Open Space Ranger Matt Owen

The Rangers would like to thank all residents who have called to report wildlife sightings, concerns and injuries in Open Space. Without your help the Ranger staff would not be as effective responding to injured wildlife in a timely manner.

So far in 2012, Rangers received 165 calls related to a variety of wildlife, but mainly bear, coyotes and deer. Many times animals are found injured or dead by a resident on their property or along the road and call the Rangers. Rangers will remove any injured or dead raptors and euthanize/relocate any dead deer or elk on private property, Open Space or within the public road right-of-way. The chart below also includes Jefferson County Animal Control and Colorado Parks and Wildlife's duties regarding sick/injured or dead mammals.

	OPEN SPACE	PRIVATE PROPERTY (Homes)	ROAD RIGHT-OF-WAY
KCRMA PARK RANGERS	• Euthanize sick or injured deer and elk • Relocate dead deer and elk	• Euthanize sick or injured deer and elk • Relocate dead deer and elk	• Euthanize sick or injured deer and elk • Relocate dead deer and elk
JEFFERSON COUNTY ANIMAL CONTROL	• Collect/euthanize diseased/small mammals • Remove dead mammals > 100 lbs	• Collect/euthanize diseased/small mammals • Remove dead mammals > 100 lbs	• Collect/euthanize diseased/small game mammals • Remove dead mammals > 100 lbs
COLORADO PARKS AND WILDLIFE	• Euthanize sick/injured animals and remove that mammal	• Euthanize sick/injured animals and remove that mammal	• Euthanize sick/injured animals and remove that mammal

When a wildlife injury call is received, the Rangers may investigate or determine over the phone if the animal should be taken to a licensed rehabilitator or will need to be euthanized. The Rangers use the same policy as Colorado Parks and Wildlife. If a deer or elk is injured but can still feed and walk on its own, then we let nature take its course. However, if the deer or elk is injured to the point it cannot feed or walk on its own, then Rangers will respond to euthanize the animal. If you have any questions or would like more information call KCRMA Park Rangers at 303-904-0249.

Garrison St. and will be holding a Public Open House Meeting on Wednesday, Oct. 24 from 4:30 to 7:30 p.m. at Falcon Bluffs Middle School, 8449 S. Garrison St. in Littleton.

- Reworking the Chatfield/Cochetopa Pass/Shaffer Place intersection to modify the

existing dips on the east and west legs to provide a smoother ride.

- Improving the safety of the existing pedestrian median crossing to the trail path between Ken Caryl Ave. and Cochetopa Pass.
- Eliminating the parking lanes along Chatfield Ave. between Iris Way and Garrison St. and adding four-foot wide, on-street bike lanes.
- Adding a left turn lane from eastbound Chatfield Ave. into Chatfield Commons.
- Improving pedestrian connectivity by constructing sidewalks in areas with no existing sidewalk.
- Improving safety, drainage and erosion concerns in the existing depressed medians by removing most of the trees, replacing the drop structures, and adding minimalist landscaping.

With the completion of the North Massey drainage project this summer, staff sought direction from the Board in identifying our next project. After reviewing recommendations from staff and our contract drainage engineer, the Board identified a site east of the Community Center. Staff will work with the engineer to develop a preliminary pro-

posal to be presented to the Board.

Committees: Board member committee liaisons reported on the activities that their committees have been engaged in the past month.

Motion: A motion to adopt the job description for the Community Planning Committee was tabled.

Motion: A motion authorizing staff to go forward with a new community directory was tabled. However, staff was directed to continue efforts to contract with enough advertisers to support the directory.

Motion: A motion authorizing staff to enter into a contract for concrete replacement was approved. The Reserve Plan identifies \$47,750 for this purpose.

Motion: A motion ratifying the Board decision to authorize staff to contract with ECC for two-track trail grading work costing \$6,450 was approved.

Cash For Candy Local Dentist Finds A Sweet Way To Make Everyone Smile

One area dentist is re-defining the phrase "put your money where your mouth is." This Halloween, trick-or-treaters can bring their excess candy to Oldroyd Family Dentistry in Littleton and receive \$1 per pound of candy. Dr. Todd Oldroyd is leading this anti-decay movement by giving away dollars and supporting our troops.

Please no bites. It will then be shipped in care packages to troops overseas through the non-profit organization Operation Gratitude.

"Every year, I see how much candy my kids bring home and wish it would just disappear," Dr. Oldroyd said. "This way, the kids get some cash and get to feel good about supporting our troops."

Candy will be collected at Oldroyd Family Dentistry on Thursday, Nov. 1 from 3 to 6 p.m. It will be a fun event where families not only weigh-in their excess candy, but can

Committee Applications Due Nov. 2

The Master Association Board has created committees to help the Board and staff to manage the affairs of the MA. Applications are currently being accepted for committee appointments. All committee members are

subject to re-appointment and must reapply on an annual basis. All current and prospective committee members must apply for committee membership using the form below. If you wish to apply for membership to multi-

ple committees, please submit a separate form for each committee. The deadline for application is **5 p.m., Friday, Nov. 2.**

The creation and job description of each committee is approved by Board resolution, with the exception of the Architectural Committee, which is a standing committee established through the Declarations and Coven-

ants. Some committees are limited in number of members; others are open to many volunteer members. Each committee has a Board member representative who attends the meetings and reports committee news to the Board and a staff member liaison who ensures that meeting minutes are produced and available for Board review.

There's Something For Everyone With Our New Recreation Programs

by KCRMD Recreation Director Jason Fries

We are working hard at Ken-Caryl Ranch to bring you great recreation program offerings. There are some tried-and-true favorites back this year, as well as some new classes sure to please everyone.

The Halloween Haunted Trail is back for 2012! Bring the family and share the excitement of a night of thrills and chills, as you are guided along the trail at Bradford Park. Don't forget to stay afterward as we will once again be roasting marshmallows while sipping hot chocolate and apple cider and talking about our favorite creatures we met on the trail. This year's "un-scary" trail will be offered from 5:30 to 8 p.m. on Saturday, Oct. 27. I hope to see you there! Don't forget to register for the Haunted Trail on our website or by calling 303-979-4070.

Ranch adults, be sure to join us for an evening of painting and wine tasting at the

Ranch House for a new class that will allow you to relax with a glass of wine and create an original masterpiece. The class will take place Nov. 2, and advance registration is required.

Along with the Haunted Trail and our Wine and Painting Class, make sure you check out all of our new youth offerings on the Ranch: Kids in the Kitchen, Drama Kings and Queens, Imagination Station, Art Exploration I & II, Future Stars Indoor Soccer, and Future Stars Hockey and Football. Don't forget about our senior mall and lunch trips as well!

All of these great programs can be found in the middle section of *Life at Ken-Caryl*, on our website and through subscribing to the e-News. We look forward to seeing your family participate in all of our new programs.

Master Association committees are:

Committee	Number of Members	Purpose
Architectural	3 or 5	To review and approve all plans and specifications from an aesthetic standpoint. Establishes guidelines and Ranch standards.
Community Planning Committee	3-7	Responsible for finalizing the Community Master Plan for approval by the MA and MD Boards, documenting its implementation, making recommendations for future changes, and ensuring regular updates at least annually.
Covenants	An odd number up to 7	To uphold the governing documents and to enforce the rules implemented by the Architectural Committee in a fair and timely manner.
Election	3-7	To administer the annual election of Board members.
Finance	3-7	Work with the Treasurer and staff to provide fiscal recommendations to the Board.
Historical Society	Unlimited	Promote awareness of and appreciation for the historical aspects of the Ranch. Protect and preserve historic sites as well as make them more accessible and usable to Ranch residents.
Open Space	11	Advise staff and Boards regarding Open Space management and maintenance practices.

It's The Last Weekend Of The Corn Maze

The final weekend of the Chatfield Botanic Gardens Corn Maze is Oct. 26-28. The event is 4 to 9 p.m. on Friday, noon to 9 p.m. on Saturday and noon to 6 p.m. on Sunday. Wind your way through acres of corn, view the design from two 15-foot-tall illuminated bridges that overlook the giant Corn Maze, and watch the delight as younger children find their way through a special free McDonald's Mini-Maze designed just for them.

Hayrides and pony rides will be available for an additional cost. An array of food vendors will offer some of your favorite fall foods, including freshly squeezed lemonade, funnel cakes, hot dogs and kettle corn. Appropriate for all ages. The cost is \$10 for adults; \$8 for students, seniors (65+) and Botanic Gardens members; \$6 for children ages 3-12; \$4 for member children; and free for children 2 and under.

New this year is the Haunted Maze from dark until 11 p.m. You'll be able to venture through the two-acre haunted maze at Chatfield. This heart-pounding trek will feature terrifying live actors, amazing special effects and incredible monsters; an experience sure to send chills down your spine! This attraction is for teenagers and adults only. There will be no costumes allowed in the Haunted Maze. The cost of the Haunted Maze is \$15.

Art Guild Presents Framers Brian Hart And Bob Platz

Submitted by Gail Firmin, Publicity Director, Ken-Caryl Art Guild

Brian Hart always had framed art on the walls even if he had no furniture during his college days. After working in a frame shop, he decided it was time to open his own store. Frame de Art has just celebrated its 20-year anniversary, and with more than 400 party attendees, it's apparent that this business has developed a dedicated customer base.

Bob Platz, master framer, and Brian brought frame and mat samples, coupons and examples of custom framing to the Ken-Caryl Art Guild's October meeting, held at Rox Bar and Grill in Littleton. They work with both local and out-of-state molding manufacturers to offer a wide variety of looks and prices for custom framing artwork, sports

memorabilia, keepsakes and more. Bob recently encased a valuable guitar signed by numerous famous musicians and is currently working on a project 11-feet long by four-feet wide. He works with the customer to find just the right frame to accent the artwork, not distract from it. State-of-the-art software allows a customer to import a photo of their piece to be framed and visualize it with different mats and frames. Frame de Art also has employed an automated mat cutter since 1996 they call "The Wizard," which reduces mat cutting expenses and increases efficiency.

The business, located in Englewood, also offers other services such as frame and art restoration and engraving. They have worked with many charity events such as the Mask Project for the Denver Hospice and the Susan G. Komen Race for the Cure. Stop by the store at 3065 S. Broadway. There's a small gallery showing Bob's enamel work, or visit their Facebook page or website: www.frame deartonline.com to see examples of custom framing. And once your piece has been framed and hung, Bob and Brian say they love to receive an email with a photo of its final resting place. They take a personal interest in their customers.

The Ken-Caryl Art Guild meets the second

Thursday of the month. The public is always invited to join us for art-related programs.

See the website www.ken-carylartguild.org or our Facebook page for more details.

Did You Know?

by Dolores A. Ebner, Ken-Caryl Ranch Historical Society

In 1945, Joseph Minnisale purchased Ken-Caryl Ranch for \$250,000 from William Allen. Mr. Minnisale was a successful realtor from Philadelphia who was born in Catania on the Island of Sicily and he came to the United States when he was just 10 years old. His wife owned a wedding gown business and a chain of hair styling businesses in Philadelphia.

His wife Maria opened a wedding shop in Denver called "Chez Marie." His daughter Norma attended the University of Colorado. Mr. Minnisale also owned a mansion on Denver's Circle Drive, which was formerly owned by Vernon Reed. Mr. Minnisale was an absentee owner at Ken-Caryl Ranch.

He called upon Paul Pattridge to manage the ranch as he did not know anything about ranching! Mr. Pattridge went on to contact the Maple Crest turkey farms and started raising turkeys for profit — about 25,000 of them. For three years this was a successful enterprise. After four years of ownership, Mr. Minnisale sold the ranch to Arthur Thomas "Cap" McDannald, an oil man from Texas in 1949.

Some of the descendants of the turkeys can still be seen today on Ken-Caryl Ranch.

Ken-Caryl Parent Network

Clothing Swap, Bunco, Book Clubs and More

KCPN's first Clothing Swap for the Network's ladies turned out to be such a fun evening of "shopping" and socializing that another swap is planned for spring/summer. Start cleaning out your wardrobe now! The newest Bunco group is in full swing and is

accepting alternates — a little luck with the dice is the only requirement to play. Several book clubs will be on hiatus over the holidays but will start up after the New Year with selections ranging from racy to thought-provoking. Not yet a KCPN member? Learn how to join in the fun by emailing membership@ken-carylparents.com. We look forward to seeing you at an event soon!

Talk To Your Kids About Safety

A note to parents and guardians: Child safety teachings have evolved in recent years. The old "stranger danger" concept is outdated. Today, programs acknowledge that strangers aren't the only people who can harm a child.

The following tips are adapted from the For Safety's Sake program, a child safety curriculum designed to enhance kids' personal safety and problem-solving skills, encourage responsible telling and empower them to prevent victimization. Take some time to talk through these tips with your children... For Safety's Sake!

1. Check first before you go anywhere with anyone (for any reason at any time)! Check with the adult who is in charge of you at the time. If you cannot check, then the answer is NO! You cannot go!

2. Adults can get help from other adults. You do not need to help an adult find a lost puppy, unload a truck, etc. If you want to help, check first!

3. Know your full name, address (including state) and telephone number with the area code. Know your parents' or guardians' names, too.

4. If you are separated or lost from your parent or buddy, freeze and yell your parent's or buddy's first and last name. You may ask a clerk or a parent with children to go get help for you, but stay where you are.

5. If anyone tries to move or hurt you, make sure you scream, kick, fight and yell, "You're not my dad (or mom)!"

6. Use the buddy system; go places in groups of friends.

7. You are in charge of your body. No one has the right to touch you or talk about your body in a way that is wrong or makes you feel uncomfortable. Use the "Power NO," get away from the situation and tell a trusted adult. The

"Power NO" is a forceful statement that you are encouraged to make when something is happening that you don't like or that is harmful to your body.

8. If you find a gun, do not touch it. Get away from it and tell someone. If a friend wants you to touch or hold it, use the Power NO!

9. Use the Power NO (and other refusal skills) for bullies, dares and drugs, too.

10. When you are home alone, keep the door locked and closed for everyone. Let the phone ring, use caller ID or the answering machine, or work out a system with your parents so that no one realizes you are home alone.

11. On the Internet, keep personal information to yourself! Ask your parents which sites you can visit.

12. Control your anger, don't be a bully and use nonviolent actions and words.

13. Tell an adult if you think that something is wrong or someone could get hurt. It is not snitching — it is responsible reporting!

Mojo Fitness Former Club Form Fitness Trainer Opens Fitness Facility In Ken-Caryl Business Park

by Community Relations Director
Victoria DeSair

Are you looking to get in shape or lose a few pounds? Mojo Fitness, a new fitness facility in the Ken-Caryl Business Center, may be the place for you.

Mojo Fitness was just opened Oct. 1 by Trish Byerley and her team of trainers who have worked in the community for several years. Trish has loved working in the Ken-Caryl area for the last 10 years and decided it was time to do it right and open her own gym with the help of the trainers and clients. She is an avid triathlete, competing with Team USA this month in New Zealand. So it has been a busy month for her, but she has enjoyed the opportunity to open a studio

gym for the community, especially as the weather starts to take a turn.

"I want the gym to be a convenient second home for our clients," Trish said. "Mojo Fitness caters to individuals and creates a non-intimidating community feel. People want a place that's convenient and high-quality, not where they are just a number. Mojo Fitness can provide a great opportunity for all the businesses in the area and those with busy lifestyles. This is a way to be able to manage crazy schedules and a healthy lifestyle for themselves and their family."

Mojo offers a variety of equipment to maximize the diversity of everyone's workout. They have Tour de France bikes, spin bikes, Precor AMT and Life Fitness elliptical trainers, incline trainers and regular treadmills, weights and several other machines. Mojo offers personal training, memberships, spinning classes, small group training (including kids' groups), massage services, chiropractic care and rehabilitation therapy services. Mojo Fitness offers many desired amenities with TVs, showers and a kitchen.

"I love helping people push toward their goals and seeing change," said Trish when she was asked what her favorite thing is about her job. She said she loves seeing transformation and growth within people and helping a person with whatever they need. "I enjoy seeing friendships created within the gym and members feeling they are appreciated and given the tools to have great workouts. We try to have fun and work hard!"

Mojo has eight contractors working at the facility. Each one has their specialty, but all work hard at staying up-to-date on new techniques and concepts to continue moving themselves and clients forward in fitness.

Mojo is having a grand opening event on Wednesday, Nov. 14 from 6 to 8:30 p.m. There will be giveaways, membership specials and guest speakers.

The gym is located at 8392 S. Continental

Divide Road in Littleton, right next to the DMV and Ken-Caryl Dental Center off Chatfield. It is open from 5 a.m. to 10 p.m. seven days a week. Members are given a key card so they can quickly and easily access the building and not have to check in. For membership specials and more information about the gym, visit www.mojofitnesslittleton.com or call 303-579-9488.

Fall Family Flu Shot Clinic

The Colorado Flu Shot Company will be providing family flu immunization clinics. The flu vaccinations are now recommended by the Centers for Disease Control and the American Academy of Pediatrics for anyone 6 months of age and older who would like to increase their chances of a flu-free fall and winter season. The CDC in 2006 has changed the age range of high-risk children to include all children 5 years and under, and their care givers. This is because younger children are most at risk for secondary infections (pneumonia, bronchitis, ear infections, etc.), and complications from the virus result in more childhood hospitalizations than any other vaccine-preventable disease. Others at higher risk include: anyone with asthma, heart disease, kidney disease, nursing or pregnant mothers and cancer patients. School-age children/students are also the most common source of spreading the virus.

COST:

Intra nasal flu vaccine	\$30
	(for ages 2 to 49 years without chronic diseases)
Flu shot	\$25
	(for ages 6 months to adult)
Pneumonia	\$75
Tetanus/Pertussis	\$55

Art & Dance Classes

Denver Region Dance Academy

At Denver Region Dance Academy our emphasis is on confidence. We provide four building blocks for a confident dancer: dance skills, musicality, appropriate peer/teacher relations and a studio environment for performances. Each class is designed to incorporate these four aspects for building confidence in your child. Denver Regional Dance Academy is a non-competitive studio believing that performances in front of friendly supportive audiences build self-esteem.

CLASS DESCRIPTIONS

Ballet & Tap I, Beginning: This class is for 3- to 5-year-old beginning ballerinas. Does your little girl tip-toe across the floor, love princess everything and always want to wear pink and purple? Then this class is for her! Dancers learn classical ballet skills while dancing to their favorite princess music. Together with the tap skills they learn, dancers will put the moves into routines to perform them for family and friends.

Ballet & Tap II, Intermediate: This class is for 5- to 7-year-old girls who may or may not have been in ballet/tap before. We keep classes small in size to make very individualized instruction so all skill levels are addressed. If your ballerina still loves to dance and perform to her favorite music, let her continue her dance education in this positive, non-competitive environment.

Hip Hop: Come join this fun high-energy beginning dance class. Learn dance moves and routines to Taylor Swift, Stereo Hearts and TV shows like "Shake It Up," "Glee" and more. Perform for your family and friends and make it a dance party every week!

Cub Scout Pack 742 Food Drive Begins

Submitted by Bob Carman, Cimarron
Cub Scout Pack 742 from Bradford Elementary School is conducting their annual Food Drive in Ken-Caryl Valley. All residents in the Valley should have received a flyer and donation bag hand delivered to their

door on the weekend of Oct. 19. The flyer details the items in demand for food donations, but in case you missed it, they are peanut butter, tuna, canned meats, tomato sauce, pasta, rice, beans, mac-n-cheese, cereal, oatmeal, baby food and formula.

Like last year, we are supporting both the Jeffco Action Center and the Channel 9 Food Drive. If you would generously donate a few of the needed items we will have the Cub

Scouts return to your front porch on Saturday, Oct. 27 to pick up the donations. Please try to place your items out by 9 a.m. so the Cubs can sweep the neighborhood as quickly as possible and make deliveries to the supported agencies.

If you would like to make other pick-up arrangements or if we miss your donations, please contact Bob Carman at 303-947-5949. On behalf of Cub Scout Pack 742 and the needy families we will all be supporting, thank you in advance for your generosity!

Samantha Achterberg Earns Gold At Junior World Championships In Modern Pentathlon

Submitted by Elaine Achterberg, Stallion Pointe

Samantha Achterberg of Stallion Pointe and a 2010 Chatfield High School graduate proudly represented the USA on the podium

with teammates Margaux and Isabella Isaksen at the Junior World Championships held in Drzonkow, Poland, Sept. 3-9. The Junior World Championships are for pentathletes 21 years old or younger and include some wo-

men who competed at this year's Summer Olympics.

The pentathlon competition started Monday, Sept. 3 with the Women's Relay event. The USA women began with a fourth-place effort in fencing; holding fourth place after swimming; then advancing to third place after horse jumping with the help of Samantha's clean and clear ride. Going into the final event, the combined run/shoot, the USA team was 45 seconds behind the lead teams from Ukraine and Russia. Samantha started the team with an excellent shoot, surpassing the Ukraine and Russian athletes on her run, and her teammates, Margaux and Isabella, maintained the lead with great shooting and running as well, finishing strongly in first place.

All three USA women then competed

Wednesday, Sept. 5 in the individual semi-final competition, finishing in the top 10 in their respective groups. Only the top 36 women qualify for finals. Given one day to rest, the women's final competition was held Friday, Sept. 7. The individual placement of Margaux first, Isabella seventh and Samantha 18th gave the USA a high combined team score for a first place team gold, 500 points ahead of the strong Russian team. The gold medals awarded to the USA women in the relay and team competitions were a first for the USA since the inception of the Women's Modern Pentathlon.

Margaux and Isabella are sisters from Fayetteville, Ark., and are training partners with Samantha at the Olympic Training Center in Colorado Springs.

From left to right, Samantha Achterberg of Stallion Pointe, Margaux Isaksen and Isabella Isaksen represent the USA on the podium at the Junior World Championships for Modern Pentathlon.

Preventing Injuries Across The Lifespan

Submitted by Jefferson County Public Health

Injuries and violence affect everyone, regardless of age, race, economic status or geographic location. In fact, injuries are the number one killer for Americans, Coloradans and those living in Jefferson County between the ages of 1-44. According to the Centers for Disease Control and Prevention (CDC), people in that age group are more likely to die from an injury, such as a motor vehicle crash, fall or other injury, than from any other cause, including cancer, HIV or the flu.

Jefferson County Public Health (JCPH) has a new Injury Prevention Program focusing on preventing unintentional injuries in the county, such as those associated with motor vehicle crashes, falls and other unintentional injuries. JCPH is partnering with hospitals, childcare providers, high schools and senior groups to increase awareness and education and ultimately decrease injuries among infants, teenagers and older adults in the county. Epidemiologic data and best practices are used to guide development of community interventions. The program is currently focusing on safer sleep for infants, safer driving for teenagers and fall prevention for older adults.

"Injuries are a significant and largely preventable problem," said Injury Prevention Program Supervisor Susan Moyer. "Many of the injuries that keep Jefferson County adults and children from enjoying fulfilling, productive lives, such as those caused by motor vehicle crashes, falls and infant sleep conditions, can be prevented using known prevention measures. We are excited about partner-

ing with others in the county to reduce injuries."

Safe Sleep For Baby

Parents, grandparents, childcare providers and others who may be responsible for putting an infant down to rest or sleep are reminded of the importance of providing a safe sleep environment. Studies show that infants who are placed on their backs when going to sleep or napping have a 50 percent reduced risk for Sudden Infant Death Syndrome. It is also important to be aware of a baby's sleep area, clothing and location of sleep. All of these factors play a part in preventing serious, life threatening injuries and even death.

Safe Driving For Adolescents

Motor vehicle crashes are the leading cause of death for U.S. teens, accounting for more than one in three deaths in this age group. Data from the CDC's National Center for Injury Prevention and Control, shows that teens ages 15-19 are 5.4 times more likely to die and 3.2 times more likely to be hospitalized for injuries sustained in a motor vehicle crash. In Jefferson County alone, there were 123 teen injury cases involving motor vehicles last year.

Following the Colorado Graduated Driver Licensing laws can help teens prevent motor vehicle crashes. Since these laws have been established in 1999, the number of teens killed in motor vehicle crashes in the state of Colorado has decreased more than 50 percent.

Fall Prevention For Older Adults

Falls are the leading cause of injury and

death for people ages 65-74 nationwide. The CDC reports that one out of every three people ages 65 and older falls each year. Every year in Colorado, the Colorado Department of Public Health and Environment reports an average of 400 Coloradans ages 65 and older die from a fall-related injury, and more than 10,000 are hospitalized for nonfatal injuries. Fall-related injuries also contribute significantly to health care costs.

Improving balance, evaluating medications that may cause dizziness and getting a yearly eye exam are ways to help prevent injuries from falls. Eliminating hazards at home that may cause falls, such as throw-

rugs or extension cords, are another way to stay safe. Colorado's Fall Prevention Network is a free referral source that offers a network of service providers committed to reducing falls by improving access to fall prevention services and increasing public awareness.

The JCPH Injury Prevention Program encourages everyone to learn more about preventing injuries across the lifespan. While the program is currently focusing on infant sleep, teen driving and older adult fall prevention, simple precautions can help us all stay safer while doing many activities such as bicycling and skating, swimming and crossing the street. For more information about preventing injuries across the lifespan, please visit jeffco.us/health or contact Susan Moyer at 303-239-7045.

Letters To The Editor

Dear Editor:

VETERANS MONUMENT: In the Sept. 26 issue of L@KC, the MA and MD Presidents' Walling and Generoli wrote a rebuttal to the paid advertisement I placed in the paper titled: "Shameful Disregard for Ken-Caryl's Veterans." I paid for the ad to inform residents about excessive bureaucratic barriers that both Boards placed in front of the Veterans Monument Committee's recommendations.

The Board Presidents', without a vote, took the liberty of refuting my article on the front page of L@KC. As Board Presidents they apparently exempt themselves from the blanket requirement that all "free" newspaper opinion is confined to the editorial section. Anyway, every word in my article remains true and accurate.

For example, the MA passed two motions at their April meeting. The first was to kill the preschool initiative (3-2 vote against land use) and force 52 young families to make other more expensive arrangements for their children. This MA vote wasted, at least, \$30,000 in MD contractor and staff time. NOTE: all preschool expenses are paid solely by parents not taxpayers.

The second motion placed a moratorium on MA land use until the multi-year KC2020 study is complete. This motion was held immediately after the MA discussed the proposed location for the Veterans Monument.

Again the vote was 3-2 against the use of any Ranch House property for any purpose including a Veterans Monument. That motion effectively killed the recommendations by the Veterans Committee to use the Ranch House "High Ground" for a monument. Ms. Walling stated: "the MA never voted on the monument."

In another misstatement of fact, Mr. Generoli stated that the first formal presentation to the MD of the "High Ground" location was Aug. 30. Each MD Board meeting is taped. Those tapes will reveal that the High Ground site was formally presented repeatedly months before Aug. 30.

Bottom line: Both Boards say they enthusiastically support a Veterans Monument; just not NOW and just not THERE (High Ground). After eight months of work by the Veterans, WE HAVE NO PLACE! That remains shameful while America's Veterans are sacrificing and dying today under our flag.

Dennis Sykes, Heirloom

Dear Editor:

I am responding to MD President Bob Generoli's editorial because my husband also serves on the MD Board and has worked for eight months on the Veterans Monument Committee project. My husband, a Marine combat Veteran of Vietnam, recently placed a [paid] article in L@KC titled: "Shameful

Disregard for Ken-Caryl Veterans." Also, my 88-year-old father is one of the few remaining survivors of the USS WASP, which was sunk by the Japanese at Guadalcanal in WWII.

Bob's editorial makes a case for supporting a KCR Monument. Moreover he wants a designed "jewel" for KCR like the one my husband recommended at Highlands Ranch. Bob says all the MD Board members support the Monument, attempting to convince the reader that there really isn't shameful disregard for a Veterans Monument. Bob's new position of support is startling in light of what I'm told transpired at recent MD Board meetings.

First, the eight-month effort by the Veterans Committee has been exclusively devoted to finding the best location for a monument. The Veterans agreed the site comes first, design follows later based on topography and funding. At all the MD Board meetings, the Veterans' reports were exclusively about the monument's proposed location. And it was at the tape recorded (by law) Aug. 30 Board meeting where Bob said of the Veterans recommended "High Ground" site: "I have a major problem with this location."

In emails to MD and MA Boards, Bob also objected to the "High Ground" site for all sorts of reasons, e.g. safety, noise, heavy use, etc. Explanations and justifications were provided to him regarding each of his objections. But now Bob comes up with still another objection: design concerns; a subject that has NEVER been presented by the Veterans Committee.

It appears Bob has acquiesced to those few residents who don't want anything new on Ranch House land, which is owned by everyone and zoned for recreation. It appears Bob has greater insight than combat Veterans and Infantry Officers who have over 100 years of military experience though he has none. Indeed, shameful disregard for all Veterans continues.

Roberta Truax, Heirloom

Dear Editor:

The 2013 budget process is in full swing and things are not looking too good. The MD has decided to keep service levels the same as 2012. How do you do that when your revenue will be \$200,000 less (decreased tax revenue) than this year? Well, you "borrow" \$90,000 from the preschool fund and you do away with all reserve contributions. The MD is betting that property values will increase in coming years in order to get revenues back to 2010 levels, but they figure that will take three years.

So enjoy your trails, pools, community center and tennis courts while you can because I don't think the MD can maintain the "same level of service" in years to come without totally depleting reserves and special projects funds. At what point are we going to realize that sacrifices need to be made?

The MA is going to raise your dues (I think) by \$4 a month as I predicted. This will raise income by \$200,000 annually. At the last MA Board meeting, a list of requests for increases in funding were submitted. Here's the bottom line. All requests were either denied completely or reduced except for one. It is called "New Open Space Related Initiatives" and they asked for and got an extra \$46,000. They already get \$475,000. That is a 10 percent increase in funding. There is an elite group of 80 families on the Ranch that make up the Trails Club. They have an agreement with 80 families in Willow Springs whereby they are allowed to use each others' trails. No one else in our community is given this privilege. (The "other" 4,020 families).

In my opinion, the Trails Club, indirectly through the Open Space committee, is a driving force in the decisions made by both Boards. There are a total of 10 MD and MA Board members. Six, a majority, are members of the Trails Club and all acknowledge that they actively use the trails system. Hence, Open Space gets the money and everything else gets cut. So you tell me who is running this place.
