## Vandalism On Tennis Courts

Over Thanksgiving weekend, someone spray-painted graffiti on one of the Ranch House tennis courts. Acts of vandalism like this cost us all. If you have any information on who may have done this, please contact Darrell Windes at 303-979-1876, ext. 114, or [darrellw@kcranch.org](mailto:darrellw@kcranch.org).

## Help Build Our Next Great Playground!

by Recreation Supervisor Melissa Branson

Have you ever wanted to have a positive, tangible impact on the community? Here is your chance! Ken-Caryl Ranch Metropolitan District and Master Association are hosting two community build playground projects in the spring of 2014. Join us as we replace the Ranch House and Community Park playgrounds with new, exciting equipment.

These new playgrounds will be built by volunteers with supervision from staff and professional installers. The projects are sure to be a fun way to connect with your neighbors and do something great for the community.

Why use volunteers? Community build playgrounds are a wonderful way to bring community partners, residents and supporters together to create something fun. A new playground built by those who use it most creates a great sense of pride in the park. Additionally, we are able to provide an average of 20 percent more equipment by utilizing volunteers rather than a professional installation crew.

The Ranch House community build will take place in mid-April and the Community Park community build will take

place in early June. Community build days will be open to the entire family. We will have plenty of projects, but actual building of equipment will be limited to volunteers 12 years and older. All participants under 18 must have parent on site. We will also provide childcare for parents who would like to volunteer.

We will have more information including build day details and design plans in the coming months. For more information about the community build process or the new playgrounds, please contact Melissa Branson, Recreation Supervisor for Youth Services, at [melissab@kcranch.org](mailto:melissab@kcranch.org). If you are interested in volunteering, please contact Rachael Stickland, Volunteer Community Coordinator, at [KCRplaygrounds@gmail.com](mailto:KCRplaygrounds@gmail.com).

Thank you to everyone who came to the annual Holiday Happenings event on Dec. 6. See Page 7 for photos from this festive occasion.

## Christmas Tree Mulching

The Ken-Caryl Ranch Metropolitan District Parks Department will be accepting Christmas trees for chipping at the Equestrian Center through Sunday, Jan. 19. Please be sure to remove any non-coniferous items, especially metallic materials and tinsel, before bringing your trees, as many materials can damage the chipping equipment. The Parks Department will then recycle the mulch by applying it at the base of trees and shrubs throughout the parks and greenbelt areas on the Ranch.

## 100 Years Of Ken-Caryl Ranch

Submitted by Jeff Allison, Chairman,  
Ken-Caryl Ranch Historical Society

What we know today as Ken-Caryl Ranch began on Oct. 17, 1914, with the purchase of 2,660 acres of land southwest of Denver by John Charles Shaffer. He came to Denver from Chicago, where he had built a fortune in grain, street railways, publishing and other ventures. In 1913, he had purchased the *Rocky Mountain News* and *The Denver Times*. He named the property after his two sons, Kent and Carroll. By 1917, Ken-Caryl Ranch was a flourishing livestock operation, breeding and raising Hereford cattle and gaining recognition in Hereford operations around the U.S.

To recognize and commemorate 100 years of Ken-Caryl Ranch, the Ken-Caryl Ranch Master Association and The Manor House invite all residents to attend a celebration on Aug. 9, 2014. The event will be hosted by the Ken-Caryl Ranch Historical Society. Leading up to the event, Rose Lewis of the Historical Society will be writing articles noting events in and around Ken-Caryl Ranch in future issues of *Life at Ken-Caryl*. Look for the unique 100-year logo, which is displayed with this article, identifying her articles and for informa-

tion specific to the Aug. 9, 2014, celebration. Almost immediately after purchasing the land, John Shaffer commissioned the architect Harry Edbrooke to design a summer home in the Colonial-style at the highest point in what is now called Ken-Caryl Valley. Completed in 1915, the home became known as the Manor House, which still stands proudly and prominently today. What better place to be the center of activities for the 100-year celebration? There will be food, refreshments, music and games of the period, tours of the Manor House and activities for all, including the kids. You are even invited to dress up in period clothes. Please make your plans now to attend on Aug. 9, 2014.

Sponsors for the event and its activities are welcome. If interested, contact Jeff Allison, Chairman of the Ken-Caryl Ranch Historical Society, at 303-972-0096.

# Manager's Column

by KCRMA Executive Director Chris Pacetti

Another year is coming to an end at Ken-Caryl, and like years past, a lot was accomplished by your Boards, volunteers and staff. The KC 2020 Task Force became the Community Planning Committee early in the year with some new volunteers added. Thank you to the volunteers who were so instrumental in getting the survey completed. While some volunteers are continuing to serve, all who stepped aside have expressed a willingness to pitch in as needed to help the new Committee. The purpose of this group is to develop a long-range Community Master Plan, monitor the implementation of the plan and ensure regular updates to it at least annually. They have been working closely with the Boards as the idea of a vote to authorize Metropolitan District debt has taken shape.

So what has been done to continue to care for our assets? Each year, the Master Association budgets \$100,000 for work in our drainages. Some years only small projects are completed, and in those years the balance of the money is set aside for use later. This year, some of the funding was used to develop the engineering required to permit and bid work in Massey Draw below the Community Center. The balance of the money will be set aside to use on the actual construction that we hope to begin in the fall of 2014.

Once again, one of the larger projects of the year involved the installation of new concrete. The fourth of 10 phases to convert the asphalt paths west of C-470 to 8-foot wide concrete was completed this summer. This fall, in partnership with Jefferson County, a section of the walk along Ken Caryl Ave. at the entrance to the Valley was replaced with drainage improvements and a raised walk in an effort to improve safety.

Another large section of the irrigation system was replaced. The third and final section of the Valley Parkway was completed. This was the most challenging phase with many trees to work around, and we were very pleased with the work our contractor did to keep

## Holiday Season Is Upon Us

by Community Standards Administrator Julie Kearful

I send to each of you warm wishes for a Merry Christmas and Happy Holiday Season! It is a time for families to reflect, be giving and enjoy the time. I reserve special thoughts of good cheer for any of you who are alone or experiencing unusually trying times. I send also good tidings of love and appreciation to our military personnel who are away from home preserving freedom for ourselves and our nation.

Homes are decorated and lit up in celebration of the season, and Ken-Caryl Ranch

looks wonderful. I am fortunate to have the opportunity to visit each neighborhood and see the creativity and individuality displayed.

The "roofing rodeo" has slowed down a bit (at least until spring), and I am able to concentrate on other work that I have little time for during the busy spring and summer seasons.

Reminders: Holiday decorations must be removed by Feb. 1, 2014. Trash cans must be covered, not set out too early (7 p.m. the night before pick-up) and put away after pick-up. I shall save more rule reminders for another time. The best to all! Don't hesitate to call me at 303-979-1876, ext. 119, or email [juliek@kcranch.org](mailto:juliek@kcranch.org) should you have any covenant or architectural questions or comments. Help will be gladly offered.

## Winter On The Trails

by KCRMA Open Space Ranger Peter Marozas

Winter is a beautiful time around Ken-Caryl Ranch and can be a great time to get out and enjoy the trails. If you've ever gone snowshoeing, cross-country skiing or hiking on our trails, you know what I mean, but it is also a time when responsible trail use is essential.

Every year, Ken-Caryl's Open Space trails are damaged due to improper trail use, especially when the trails are muddy.

Due to Colorado's Front Range weather, snow usually doesn't stick around for very long — but the mud does. Muddy trail conditions usually exist longer in the winter months, which increase the impact of trail users. Trail surfaces that are saturated from either rain or snow melt may lose compaction and their ability to withstand trail traffic. This process is accelerated when high-impact trail use is continued throughout these time periods.

Of all trail user groups, horses have the highest potential impact to muddy and soft trails. A horse carries a heavy weight on a small, usually shod, hoof. This weight can exert as much as 1,500 pounds of pressure per square inch. According to an article by Carolyn Widner and Dr. Jeff Marion titled *Horse Impacts: Research Findings and Their Implications*, "Horse traffic causes significant compaction to the underlying soil layers, thus reducing water infiltration. In addition, the action of horse hoofs tends to dig up and puncture the soil surface. The process of loosening the surface trail tread while compacting the subsurface soils leads to impermeable basins, which retain water and mud long after runoff events occur."

Mountain bikes can also damage trails during muddy periods. Research by Gordon R. Cessford in *Off-road Impacts of Mountain Bikes* found that bicycles create a linear track, which tends to promote channeling of water, as opposed to creating puddles. These channels negate the benefits of a trail with a proper out slope that conveys water off of

the trail tread. The channels keep the water on the trail, causing dishing and erosion.

Even though the actual tire tracks disappear, the damage caused becomes irreversible and the altered trail surface continues to erode, creating a need for more trail maintenance. Heavy downhill braking and skidding can also accelerate erosion. These impacts can be avoided by using proper brake modulation and riding at slow, manageable speeds.

Another sign of improper trail use not specific to any trail user group are trails that develop around muddy areas created primarily by rain and snow melt runoff. These new trails cause all the damage previously mentioned and also widen the zone of impact for the trail. The widened trail, although not obvious in the winter, severely degrades the plant life around the original trail.

### Winter Trail Use Tips

Some rules for all of our trail users: Say no to mud. According to an article published by the International Mountain Biking Association (IMBA), *Low Impact Riding Techniques for the X (TR) Generation*, "Riding when the trail is muddy can cause tremendous damage. Find trails in your area that are durable, drain well, and ride these when it's wet."

Become familiar with the trail system and pay attention to the trails and trail segments that dry out first. Service roads like the Manor House Trail, Hogback Trail and Cathy Johnson Trail can absorb more damage and usually dry out faster than single-track trails.

Avoid higher-elevation trails like Upper Bradford (over Tin Cup) and trails in softer soils like the Lyons Hogback Trail. Avoid high snowmelt times. Trails are generally more solid in the early morning hours. Trails tend to be sloppier in the afternoon. If you must be out on the trail, stay on the trail surface at all times.

Dogs should be leashed and under the owner's control at all times. Unleashed dogs invoke a "flight response" in wildlife that severely depletes their limited reserves. Coyotes and other predatory animals can be more aggressive toward domestic dogs during winter months when food sources are low.

Our trails are a wonderful resource for exercise and to enjoy the beauty that surrounds us in Ken-Caryl. Let's all work to keep them safe and enjoyable. See you on the trails.

# Nature News

## Babes In The Woods by Environmental Education Specialist Ernie Stone

Starting in January, the Environmental Education program will be offering a parent/total nature program designed for ages 18 months to 2 1/2 years accompanied by an adult.

Each month the adult and child will explore a new topic in natural history and science. They will touch specimens, hike in the outdoors, participate in fun and engaging activities, and use imagination and creativity in craft projects.

January/February's theme is Rocks, Rocks, and More Rocks and Things That Go Bump

in the Dark. In January, participants will build a mountain and go mountain climbing. We will make a volcano and watch it erupt right in our classroom. Ever wonder how different rocks are made? Then come and find out. We will investigate colors, shapes and uses of rocks in this exciting, fun-filled program.

In February, we will discover the world of animals, birds and insects that come out at night. We will find out how they are uniquely equipped for life in the dark. Do you think they can really see and hear better than we can? You and your child will play some games and find out.

The program is offered on Tuesdays from 9:30 to 10:30 a.m. at the Dakota Lodge starting in January and continuing through May. This is a unique opportunity for parents, grandparents, nannies or an adult friend to discovery nature through the eyes and mind of a little one.

## Board Meeting Summaries

### MA/MD Joint Study Session

On Dec. 3, the Ken-Caryl Ranch Master Association and Metropolitan District Boards held a Joint Study Session at the Ranch House and discussed the following items:

- The idea of asking the voters to authorize the District to issue debt to make capital improvements to the Ranch House, Community Center, Dakota Lodge and greenbelts. Input from the Community Planning Committee was received and several options were reviewed with more discussion to take place in future meetings.
- Staff presented the status of the Ranch House and Community Park playground replacement projects. Action will be requested from both Boards to authorize expenditures to purchase the equipment at the December business meetings. The plan is that both will be constructed using the community build program. This means volunteers will do the major portion of the construction under supervision from the manufacturer's representatives.

### MD Board Meeting

On Dec. 10, the Ken-Caryl Ranch Metropolitan District held a Regular Meeting of the Board of Directors and discussed the following items and took the following actions:

- The Board conducted further review of proposals from three investment banking firms that work with local government entities like the District on the issuance of general obligation debt. The firms would provide expertise to the District in preparing a pos-

sible bond issue ballot question for the May 2014 election. After discussion and review of each of the proposals, the Board set up a special meeting on Thursday, Dec. 19 at 5:30 p.m. to discuss this topic further.

- The Board took action to approve an agreement with the firm of Community Resource Services to provide election services for the District for its May 2014 Board of Director election.
- The Board reviewed the most recent Trail Project Matrix prepared by the Master Association Open Space Department.
- The Board approved the purchase of a Parks Department maintenance vehicle from a lease with Enterprise Leasing in the amount of \$5,122.91.
- The Board took action to authorize staff to work with the firm of Children's Playstructures and Recreation for design of new playground equipment for the Community Park.
- The Board reviewed the current renewal rates for 2014 for property and liability insurance coverage with the Colorado Special Districts Property and Liability Insurance Pool. The Board made two modifications to the deductible amounts in the policies.
- The District Manager reported to the Board

that as of Dec. 10, 69 individuals from 40 households on Ken-Caryl Ranch had received ID cards from the Foothills Park and Recreation District for use of the Ridge Recreation Center. The program will officially start on Jan. 2, 2014.

- The Board concluded the public hearing

on the proposed 2014 District budget.

- The Board took action to adopt resolutions to approve a Fees and Charges Schedule for 2014, adopt the 2014 District budget, appropriate money for 2014 and certify the 2014 mill levy to the Jefferson County Treasurer's Office.

## Manager's Column

Continued from Page 2

damage to the trees at a minimum. Due to the funding levels available and the size of the next project, we will budget for replacement in 2014 but will need to set aside these funds until additional funds are available in 2015 before the next section is begun. This does not come as a surprise as we always anticipated that this would be necessary.

Work by both volunteers and staff resulted in the construction of the Upper Massey Draw Trail project. A contractor concreted the connection between Dawn Heath Drive and the hard surface trail along North Massey Draw. The late summer rains caused substantial damage to our trails that was addressed by both staff and contractors.

Staff has received approval from the Board and Architectural Committee to replace all of the street signs in the Plains and Valley. The North Ranch has recently installed all new signs throughout the neighborhood.

A large section of fence along the south side of the greenbelt that runs from Continental Divide to Chatfield was replaced. We continue to replace the painted fence with natural fence on an every other year rotation. No major work will be completed in 2014 but more is budgeted for 2015.

For 2014, the assessments will remain at \$45 per month with many more projects and improvements in service planned. I would like to take this opportunity to say thank you to the many volunteers who work so hard to care for the Ranch, most especially your Master Association and Metropolitan District Boards and our many committee members.

## Coats For Colorado Drive A Huge Success At Homewood Suites

The Ken-Caryl and Littleton community once again showed their generosity in donating more than 300 coats to the "Coats for Colorado" drive at the Homewood Suites SW Denver/Littleton.

For the second year in a row, this all-suite hotel was a donation center in partnership with 7 News and Dependable Cleaners in a long-standing tradition of keeping Colorado residents warm. Area residents were able to donate new and gently-used coats 24 hours a day in the lobby of the Homewood Suites, located at the southeast corner of Ken Caryl Ave. and C-470. Coats will be distributed to charitable organizations, homeless shelters and thousands of Coloradans in need.

"This has become a beloved annual event for the Homewood Suites Littleton and the Ken-Caryl community," said Jeanette Ridl, general manager of the hotel. "Over and over, the people in our area show their generosity and contribute heavily to area charities. We are proud to be a part of this tradition and will continue to participate every holiday season."

### Perfect Christmas Gift For Your Veteran

*Submitted by Byron Wicks,  
Veterans Monument Committee*

Looking for that perfect gift for a special U.S. veteran? Perhaps your husband, wife, son, daughter, other family member, a respected friend or yourself? The Ken-Caryl Ranch Veterans Monument Committee may be offering that perfect gift!

Residents can purchase Honor Bricks for the Veterans Monument to honor veterans of the U.S. Armed Forces. There are a limited number of bricks available. A tax-deductible donation of \$300 or more will get you a brick. There is an Honor Brick order form inserted in this issue of the paper or available at the Ranch House. While the bricks will be engraved similarly, each brick will be personalized with the veteran's name, rank, branch of service and dates of service/conflict. You can see an example of the brick in the photo above right or stop by the Ranch House or Community Center to see a sample.

All donations of any amount will be greatly appreciated and help fund the construction of the monument, which will be built just north of the main entrance to the Ranch House. Private donors contributing \$1,000 or more will be recognized at the "Gold" level. Their names will be engraved at the monument if they so desire. Contributors donating \$750 or more will be recognized at the "Silver" level in the same manner. A \$500 contribution reaches the "Bronze" level with the appropriate recognition.

Checks can be made payable to KCRMD, and please put "Veterans Monument" in the memo line. Be sure to enclose the Honor Brick order form (inserted in this issue) if that's what your donation is for. You can also pay with credit cards online.

#### Monument Committee

Members of the Veterans Monument Committee set up a display at the Holiday Happenings event on Dec. 6 at the Ranch House. The newly constructed three-dimensional model of the Veterans Monument (see below) was displayed for the first time. Samples of the Honor Bricks were also on display. The display drew a lot of attention, and the response was very positive. Residents committed to purchasing a number of the Honor Bricks, and several residents also committed donations to the Honor Roll wall. All in all, it was a very fun, enlightening and energizing experience for everyone.

Two more residents have recently stepped up and joined the Veterans Monument Committee. The Committee is encouraging any residents willing to contribute expertise in electrical, structural or civil construction to please contact Byron Wicks at byronwicks@hotmail.com or 303-621-4968 or Jeff Esbenshade at esbenshad@aol.com or 303-972-3968. For more information or to see more photos, visit the website at <http://kcrveteransmonument.wordpress.com>.

## Christmas Tree Sale A Success Despite The Freezing Temperatures

The single-digit temperatures didn't scare residents away from picking out Christmas trees at the annual Ken-Caryl Ranch Open Space Christmas Tree Sale on Dec. 7. Volunteers along with the Ranger staff harvested more than 300 trees from the Open Space to help with fire mitigation. There was a large crowd that attended the tree sale, and residents gave generously for the trees they picked out and took home. Approximately \$2,200 was collected, and 240 trees were sold. The donations will be used by the Rangers to help support management of the Ken-Caryl Ranch Open Space. Thank you to all the residents and volunteers for their support of this event over the past 11 years!

### Board Information

The affairs of the Master Association are managed by the five-member Board of Directors along with a professional staff. Serving three-year staggered terms, some Directors are elected each year. There are three seats on the Board that will be on the ballot for the Board of Directors election in March 2014. The two candidates who receive the most votes will be elected for three-year terms with the third candidate to serve for two years. This is being done to reestablish the staggered terms called for in our governing documents following a reduction in the size of the Board from seven members to five. The MA Board meets the third Tuesday of each month at 6:30 p.m. at the Ranch House for a Business Meeting and on the first Tuesday at 6 p.m. with the MD Board in a Joint Study Session. Board members are expected to attend other meetings on an as-needed basis.

### Candidate Information

For those of you who are interested in running for an MA Board position, an application is available online at www.ken-caryl.org under Administration then MA Board. You can also pick one up at the Ranch House. The deadline to submit an application is Friday, Jan. 31. The KCRMA Annual Election Procedure, Rules and Guidelines can be found at www.ken-caryl.org or picked up at the Ranch House. Please be advised that Board candidates should attend at least two MA Board and/or Committee meetings between June 2013 and the January deadline date prior to the annual election. The MA will introduce the declared candidates to the community in this publication and at www.ken-caryl.org in February 2014.

### Voting Information

Residents will receive a postcard in the mail in mid-February with instructions on how to vote electronically. Each household will vote for three candidates. The two candidates who receive the most votes will be elected for three-year terms and the third candidate will serve for two years. Voters may write in candidates. The election closes March 4 at 5 p.m., and winners will be announced soon after. The KCRMA Annual Election Procedure, Rules and Guidelines can be found at www.ken-caryl.org or picked up at the Ranch House.

**Ho Ho Ho For Holiday Happenings**

The outside temperature was frigid, but it didn't stop the hundreds of families who turned out for the annual Holiday Happenings event on Dec. 6 at the Ranch House. Santa Claus was on hand to hear the Christmas wishes of all the little boys and girls. The Heritage Methodist Church Bell Choir entertained the crowd with holiday songs while listeners enjoyed cider and cookies.

There were holiday crafts and games available in the Ranch House Parlour Room, and everyone could buy tasty treats at the Chatfield High School Marching Band bake sale upstairs. There were also holiday wreaths for sale by the Boy Scouts, and a conceptual model of the Ken-Caryl Ranch Veterans Monument was on display for everyone to see. Unfortunately, the hay wagon rides outside were canceled due to the weather, but the events inside more than made up for it.

Thank you to everyone for making this event a success. Special thanks go out to Colorado Credit Union, the Scientific Cultural Facilities District and the Ken-Caryl Ranch Metropolitan District for sponsoring and organizing the event.

# Fitness & Wellness

## Pi-yo Conditioning With A Foam Roller

Jan. 8 - Feb. 12

Wednesdays, 6 - 7 p.m.

Course #27820

Fee: Res. \$90, Non-Res. \$100

*\*Please also bring a check on the first day of class made out to L2S for \$25 to purchase your foam roller to practice at home the stretches, exercises and therapies you learn in class. If you already have a foam roller, please bring to class.*

In this six-week program, we will be using foam rollers along with movements and exercises from Pilates and yoga to help you improve your posture, stay injury free, improve flexibility, joint movement and core strength. Foam rollers offer many of the same benefits as a sports massage, without the big price tag. The foam roller not only stretches muscles and tendons, but it also breaks down soft tissue adhesions and scar tissue. By using your own body weight and a cylindrical foam roller, you can perform a self-massage or myofascial release, break up trigger points, and soothe tight fascia while increasing blood flow and circulation to the soft tissues.

## JUNIOR TENNIS LESSONS

Jan. 6 - Feb. 22 (No Feb. 17)

The Lottery deadline was Dec. 15. If there are any spots available after the lottery, you can register online at [www.ken-carylranh.org](http://www.ken-carylranh.org).

### NEW TESTING PROTOCOL FOR JUNIOR TENNIS PLAYERS

As of October 2013 the KCRMD tennis program created a new skill testing protocol. In recent years the USTA has changed the balls and court dimensions for children 12 and under. This has left our testing protocol in need of updating. If your child is currently enrolled in our classes, their skill rating will be updated on the 6th week of class. Don't be concerned if we recommend a lower or higher level for your child going into next session. Some of the names of the levels will be the same but the degree of skill required at each level may be different. The goal of our skills evaluation is not to put a value on a player's skills but rather to insure compatibility within our classes.

In the previous session QuickStart (QS) was listed as Level 1. This caused some confusion with Comp 1. Therefore, we have gone to an alphabetical progression of **Level A**, followed by **Level B** and finally **Level C**.

At this time, we will not be offering tennis lessons for 4-year-olds.

Please be sure to register your child for the correct age group so that they are practicing with an age-appropriate ball.

Not all 5-year-olds are ready for this program.

Staff will evaluate your child's readiness at the first class.

## KCRMD Adopts 2014 Budget And Certifies 2014 Mill Levy

by KCRMD District Manager Darrell Windes

At its Dec. 10 meeting, the Ken-Caryl Ranch Metropolitan District (KCRMD) Board of Directors adopted the 2014 budget and certified its property tax mill levy for 2014. The 2014 adoption resolution by the Board included approval of revenues and expenditures for the KCRMD's six financial funds, as follows:

**General (Operating Fund):** The Operating Fund accounts for the day-to-day annual operating activities of the KCRMD. The 2014 property tax mill levy of 15.227 mills certified by the Board will generate approximately \$2.4 million of revenue to help support maintenance and recreation activities for the coming year on Ken-Caryl Ranch. This amount is down slightly from 2013 levels due to the overall drop in property values throughout the State of Colorado back in 2011 and 2012. There was no property tax increase levied by KCRMD for 2014. The approximately \$3,300,000 Operating Fund budget for 2014 includes more than \$700,000 in recreation fees and other revenue generated by users during the year.

**Youth Services Fund:** The Youth Services Fund accounts for various activities for the youth of the community including Before and After School Care, youth camps, the preschool program and teen programs. The Youth Services Fund is supported entirely by user fees with no property taxes used to subsidize the program.

**Tennis Fund:** The Tennis Fund accounts for all tennis program activity on Ken-Caryl Ranch. The Tennis Fund, which will be in its

fifth year of operations as a separate fund, is also supported entirely by user fees with no property taxes used to subsidize the program.

**Conservation Trust and Grant Fund:** The Conservation Trust and Grant Fund accounts for money received through grants and projects associated with those grants. In 2013, this fund accounted for the completion of the development of the Community Center Campus Master Plan, new pool furniture, shade umbrellas and new lap lanes at the Ranch House Pool and a handicap pool lift at the Community Center Pool. The 2014 budgeted expenditures in this fund include installation of a new sidewalk along Club Drive at the Community Center, new playground equipment at the Community Park and \$25,000 for access improvements pursuant to the most recent changes to the Americans with Disabilities Act. The Conservation Trust and Grant Fund also accounts for annual money received by the KCRMD from the Colorado State Lottery, which are designated for park and recreation improvements in the community.

**Capital Reserve Fund:** The Capital Reserve Fund accounts for money reserved for the replacement of capital assets owned and leased by KCRMD. In 2013 this fund was used to replaster the pool at the Community Center as well as new backstops and covered dug-outs at the youth baseball fields at the Community Park. In 2014 this fund is planned to help pay for the new playground at the Community Park and the purchase of several parks maintenance vehicles out of leases entered into in 2009. The estimated fund bal-

ance in the Capital Reserve Fund at the end of 2013 is budgeted to be approximately \$200,000.

**Community Garden Fund:** The Community Garden Fund was created by the KCRMD in 2011 to account for money for construction and ongoing maintenance of the new Community Garden located at the Community Center. The Community Garden just completed its third season of operations and has been very successful. In 2013 this fund accounted for the daily operating and maintenance costs for the Community Garden.

**Veterans Monument Fund:** In late 2013, the KCRMD created a Veterans Monument Fund to account for donations and expenditures related to the future construction of a Veterans Monument to be located at the Ranch House.

Copies of the 2014 KCRMD budget are available at the Ranch House Administrative Offices or on the Ken-Caryl Ranch website at [www.ken-carylranh.org](http://www.ken-carylranh.org). Please contact District Manager Darrell Windes at [darrellw@kcranch.org](mailto:darrellw@kcranch.org) or 303-979-1876, ext. 114, with any questions on the budget.

## Chatfield Ave. Project Update

The Chatfield Ave. improvement project will be slightly delayed due to the weather in early December. The contractor is committed to continuing work and completing this project as fast as the workers are able. They are focusing on construction of the block walls and completion of sidewalk on the north and east sides of W. Chatfield Ave. They are also working on completion of the center medians throughout the project. If weather allows, the contractor is making every attempt to complete the project by the end of this year. Landscaping work will be completed next spring when warmer weather returns.

The speed limit is 25 mph through the construction zone. For your safety and the safety of the workers, please drive slowly and cautiously through the construction zone. For the latest updates on the project, sign up for the Ken-Caryl Ranch e-News at [www.ken-carylranh.org](http://www.ken-carylranh.org).

Lisa Downing will perform in two shows at Denver's Dazzle Jazz Restaurant & Lounge on Saturday, Dec. 21 at 7 p.m. and again at 9 p.m.

## Ken-Caryl Resident Lisa Downing To Perform In Denver Dec. 21

Internationally-acclaimed, award-winning original solo pianist and longtime Ken-Caryl Ranch resident Lisa Downing returns from a successful European and South American concert tour for a one-night performance at Denver's Dazzle Jazz Restaurant & Lounge on Saturday, Dec. 21 at 7 p.m. and again at 9 p.m.

Lisa will be performing in this very special holiday event with Lee Bartley, principal composer and keyboardist with the nationally famous jazz group "Images" and local legend Bob Baker. Each artist will be performing a selection of his or her own original compositions and holiday arrangements.

Following a spectacular "Global Piano Experience" show in September at the Lone Tree Arts Center, and a European tour including the "Third Annual International Pianists of the World," Lisa traveled to South America to perform her unique style of original solo piano music in Argentina.

Lisa's Argentina tour began with a performance to an enthusiastic audience at the Casa Burgos Cultural Center in the town of San Rafael. Lisa then traveled north to the city of Mendoza, in the heart of Mendoza's world famous wine country, for her performance in "III Concierto Internacional de Piano" at the Teatro Independencia. Lisa's appreciative fans awarded her with standing ovations at each of her performances.

For tickets and information regarding Lisa's CDs and tour schedule, visit her website at [www.lisadowning.com](http://www.lisadowning.com).

# Metro District Welcomes New Youth Services Specialist

The Ken-Caryl Ranch Metropolitan District would like to welcome a new staff member, Heather McGonegle, the new Youth Services Specialist for School Age Programs. Here's a brief Q&A to help you get to know this great addition to the Ken-Caryl Ranch team!

### What does your new job entail?

In this position, I am responsible for coordinating the day-to-day operations of the District's youth programs, which include the Before and After School Program, Teen Programs, and Summer Camp. Parent communications, staff supervision and program development are a large part of my work. As the District and its youth programs grow, I will also be working with the District's great recreation team to ensure needs are met.

### What is your favorite thing about your job?

Where do I start? While I love every aspect of my job, the people are what I enjoy the

most. Adults and kids alike, I really enjoy working with growing families, their kids and the staff that make our programs so successful. Inspiring kids to play, get outside and venture out of their comfort zones is especially a passion of mine, as I believe this inspiration sparks positive change and development in our youth. I look forward to becoming a long-term part of this District!

### What new ideas do you have for the Youth Programs on Ken-Caryl Ranch?

All of the District's youth programs are very successful and continue to develop for the better. I want to continue to see our youth programs progress into some of the best in the surrounding area! In addition, I will be exploring new ideas/trips/projects for teen and summer camps surrounding the themes of service leadership, character development, outdoor recreation, the arts and healthy living.

Heather McGonegle joined the Ken-Caryl Ranch Metropolitan District staff in November as a Youth Services Specialist.

## Letter To The Editor

Dear Editor:

I read with interest your glowing, gushy Dec. 4 article describing the wonderfulness of GarageTown. I read with particular interest the "testimonial" from a GarageTown owner that "my wife and I are looking forward to going out on the Clubhouse Deck (to enjoy) a cool drink while soaking up the gorgeous views."

These are the gorgeous views that the Sunset Ridge townhouse residents used to enjoy, but now, our "gorgeous view" is of a battleship grey concrete wall. Sunset Ridge owners DO

NOT share your enthusiasm for this ugly monstrosity, but of course, it does bring in money for the KCRMA! We all have our priorities.

The Spread

*Editor's Note: The Ken-Caryl Ranch Master Association is paid the same amount of commercial dues for developed land as it is for undeveloped land. Commercial dues are figured on a per acre basis (\$29 per acre), so the development of GarageTown does not bring in any additional dues income for the Master Association.*

**LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED** from any Ken-Caryl resident in good standing or from any elected official. Letters should be concise — no letters over 350 words — and must be received by 5 p.m. on the deadline date, the Monday of the week prior to the edition date. Letters must include name, address and phone number (daytime). Residents may submit up to eight letters to the editor per calendar year. Letters will be printed, space available, and may be edited. Editor retains right to appropriateness and content. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, *Life at Ken-Caryl* or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

**Deadline 5 p.m. on Thursday, Dec. 19, for the Jan. 1, 2013 issue of *Life at Ken-Caryl*.**

### What is your professional background?

I attended Wartburg College in Waverly, Iowa, and graduated in 2010 with a bachelor's degree in social work, emphasis in youth development and leadership studies. For three years, I worked primarily with at-risk youth of all ages as a life-skills and career exploration counselor. Just last spring, I realized combining my love for youth and recreational benefits was a possibility and returned to graduate school through the University of Illinois. An internship with the City of Boulder Parks and Recreation Department and work as an assistant program director with Foothills Park and Recreation District led me to Ken-Caryl! I have now completed my master's in strategic management in recreation and am excited to build my career here.

### Where are you from?

I grew up on a family farm in Northeast Iowa, not far from the town Strawberry Point, Iowa. After college, I moved to Des Moines, Iowa, met my wonderful husband of one year, and spent three years there before settling in Colorado!

### Tell us a little about yourself.

I love adventure of all types. Alongside my husband and adorable Vizsla puppy, Madi, I enjoy traveling, volunteering, rock climbing,

hiking, trail running, and triathlons. I have much more time on my hands now that I completed my master's so I plan on doing much more of what I enjoy! Next year includes a few 50K trail races, big climbs and half-ironman triathlons.

## Story Time Starts Back Jan. 3

The fall story time at the Ranch House ended Nov. 22, but Jefferson County Public Library will be back at the Ranch House starting Friday, Jan. 3. Story time will run every Friday from Jan. 3 through April 25. The Ken-Caryl Ranch Metropolitan District partners with Jefferson County Public Libraries every year to offer this exciting hour of family fun and children's literature. Join us for this free activity for all ages.

## Seniors, Got Fun? Join The Ken-Caryl Ranch Senior Club!

Submitted by Marilyn Norris, Senior Club

A good place to find fun — and for you to provide more of it — is with the Ken-Caryl Ranch Senior Club. This club is a social club of both couples and singles, aged 55 and better, and has been going strong for 30 years.

The group meets (with few exceptions) the second Friday of each month at 5:30 p.m. in the Ranch House Lounge (there is a lift) for a social hour, potluck supper and program. There is also one offsite event each month. Four people volunteer for a three-month period to plan the potluck, program and extra event. In November, we have a traditional Thanksgiving dinner potluck with all the trimmings.

A few of the programs this year have been a "Show and Tell" night with members' presentations of fine artwork and other creative works, guitar music and songs by Michael Rhodes, an Action Center discussion, a slide show presentation by Colorado nature photographer John Fielder, a tax strategy information session, and a Lockheed Martin space program update.

Some offsite special events have included brunch and a performance at Heritage Square, tour and overview of Red Rocks Park's geological history followed by lunch at the Ship Rock Grille, and a performance of "Dirty Rotten Scoundrels" at the Town Hall Arts Center.

Two standing traditional events are the football weekend in Colorado Springs where the group stays at the Embassy Suites and attends the Air Force football game (or shops or sightsees for non-football fans) and our Christmas dinner/dance at Concordia on the Lake in December.

Members usually carpool to offsite events so that those uncomfortable with driving can still attend. Dues are \$24 per person per year, payable in January and prorated after June. We average around 40 members.

If you are a senior and are up for some fun, please come join us. The next meeting will be Jan. 10 at 5:30 p.m. You need not bring anything the first time, but an RSVP is appreciated for planning purposes. Please call Marilyn Norris at 720-922-2077 for details and to RSVP.
