Meet Your New MA Board Members!

The Ken-Caryl Ranch Master Association election closed on March 4, and the three new Board members are: Chris Figge, Seth Murphy and Erlinda Stafford. In addition to the

three new members, Dan Mullins and Valerie Walling will continue their terms on the Board.

Also, thank you to Colin Larson and Thomas Hadley for stepping up to serve your commu-

nity through your candidacy for the MA Board.

Ken-Caryl Ranch Master Association Election Results:

- Chris Figge: 447 votes
- Thomas Hadley: 106 votes
- Colin Larson: 226 votes
- Seth Murphy: 279 votes
- Erlinda Stafford: 309 votes

The two candidates who received the most votes, Chris Figge and Erlinda Stafford, were elected for three-year terms while the candidate who received the third most votes, Seth Murphy, will serve for two years. This is being done to reestablish the staggered terms called for in our governing documents following a reduction in the size of the Board from seven members to five. The new MA Board will have its first meeting on Tuesday, March 18 at 6:30 p.m. at the Ranch House.

Jeffco District Court Sets Timelines For New Recreational Facilities In Plains Metro District Case

On Feb. 27, a Status and Scheduling Conference was held in Jefferson County District Court with Judge Tamara Russell regarding the Ken-Caryl Ranch Metropolitan District (KCRMD) and the Plains Metropolitan District (PMD) litigation. The Feb. 27 meeting was a follow up to the Colorado Supreme Court ruling of Dec. 23, 2013, issued in the appeal by PMD of the May 2013 decision from the Colorado Court of Appeals.

The Colorado Supreme Court on Dec. 23, 2013, denied the PMD's Petition for Writ of Certiorari essentially affirming the May 2013

Colorado Court of Appeals decision requiring PMD to build approximately \$3.8 million in recreational facilities for the Ken-Caryl Ranch community pursuant to its 1985 service plan.

Following are the deadlines set by Judge Russell at the Feb. 27 meeting for PMD to comply with its 1985 service plan:

1. PMD shall submit a proposal for financing and building the recreational facilities to KCRMD by Thursday, May 1.
2. KCRMD shall review and provide PMD with its comments on PMD's proposed

plan by Friday, May 16.

3. PMD and KCRMD shall submit a joint plan to the Court by Friday, June 20. However, if the parties are unable to reach agreement on the provisions of a jointly submitted plan, PMD shall submit a plan containing the provisions upon which the parties agree, together with any provisions of its plan on which the parties do not agree,

MD Board Sets Bond Ballot Question And Announces Board Candidates

by KCRMD District Manager Darrell Windes

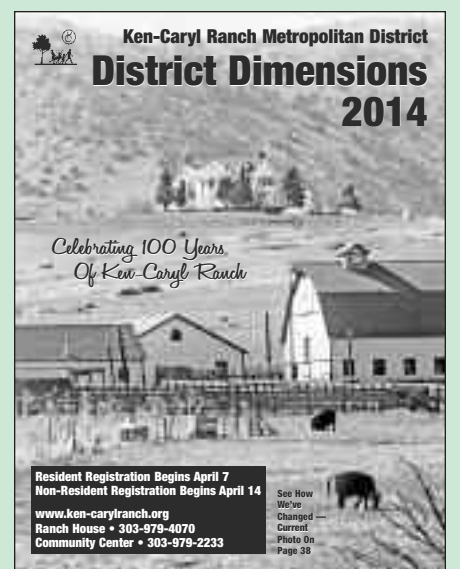

The Ken-Caryl Ranch Metropolitan District (KCRMD) will hold its regular biennial Board of Directors election on Tuesday, May 6. Also

on the May 6 ballot will be a question asking voters to authorize KCRMD to issue up to \$7.9 million in tax-exempt debt for improvements to the Ken-Caryl Ranch community.

At its Feb. 25 meeting, the Board of Directors approved the ballot question for the debt authorization question. More information about the ballot question and a copy of the ballot language approved by the Board is available on the Ken-Caryl Ranch website at www.ken-carylranh.org.

As a special district formed under the laws of the State of Colorado, the KCRMD is mandated by statute to conduct a Director Election in May of even numbered years. The KCRMD is governed by a five-member Board of Directors, each of whom generally serves four-year terms. In 2014, three Board of Director positions will be up for election with two positions up for four-year terms and one position up for a two-year term. The two-year term was created by a Board member vacancy caused by a resignation in 2013. The Director positions currently held by Bob Generoli, Jami Jensen and David Banning will be up for re-election on May 6. The terms for current Directors Lauri Lehan-Milano and Jeff Esbenshade run until May 2016.

Wind, Wind & More Wind

The Ken-Caryl Ranch Metropolitan District's Parks Department was in high demand after the intense windstorms in mid-February. Several trees were down in the greenbelts, and the Parks Department removed them in a timely manner. Many residents also sustained fencing damage from the wind. If you need to replace your fence, you must follow your neighborhood's fencing guidelines and submit a Fence Request Form prior to having work done. Please note that Manor Ridge and the North Ranch have their own forms. You can download the fencing guidelines and a Fence Request Form online at www.ken-carylranh.org.

A covenant protected community

Manager's Column

by KCRMA Executive Director Chris Pacetti

In 2005, the Colorado State Legislature passed a law amending the section of State Statutes that help govern how Common Interest Communities (HOAs) operate. Section 38-33.3-209.7 requires that an association provide education at no cost on an annual basis as to the general operations of the association and the rights and responsibilities for all parties.

Since that time I have provided some education as part of our Annual Meeting. Most attendees at the meeting are repeat attendees, so it has become a bit of "preaching to the choir." This year we have created an education piece and posted it on our website for all to review in an effort to reach a wider audience. So please go to www.ken-carylran.org and under the Administration tab, click on Governing Documents for the Owner Education link.

At the Annual Meeting this year, we thanked the volunteers who have completed their terms as members of the Board and welcomed the three incoming Board members. Please join me in thanking Paul Camp and Dennie McGarry for their service to the community as they step down from the Board and welcoming new members Seth Murphy and Erlinda Stafford, along with Chris Figge, who was re-elected for another term.

At their February Business Meeting, the Master Association Board voted to support the Metro District's Bond referendum in May for \$7.9 million to be paid back in 10 years. This was done following many months of discussion at Joint Study Sessions and Board business meetings. Please educate yourself on this question and vote in the May election.

Have you signed up to receive our email newsletter, the Ken-Caryl Ranch *e-News*? When you do you will receive regular updates from us about a variety of topics. To sign up, please go to our website at www.ken-carylran.org and click on Email Subscriptions at the bottom of the home page and follow the prompts. You will also be able to sign up to receive other regular emails on other topics.

Outdoor Living Areas

by Architectural Administrator
Julie Kearful

Living on Ken-Caryl Ranch offers all kinds of wonderful benefits, and certainly the climate we enjoy is near the top of the list. It won't be long before we will all be thinking of many different projects to enhance our outdoor living areas. Spending time outdoors is surely the lifestyle that so many of us value.

Installing a gazebo is one of the many projects that can offer additional enjoyment of our warm days and cool nights from May through September. Gazebos can offer shade, shelter

and ornamental features to our landscape. They come in a vast variety of designs with windows or screens or concealed electric wiring and all kinds of decorative elements. Gazebos can be free-standing, on a deck, on a porch or attached to a garden wall.

A number of gazebos exist on Ken-Caryl Ranch, and I expect more to pop up in the future. If you are contemplating the addition of such a fun thing (or, of course, any other exterior improvement), please remember to submit your plan for architectural review. You can contact me at 303-979-1876, ext. 119, or juliek@kcranch.org.

Ranger Field Notes

New Trail Projects In Design Phase

by Open Space Manager Sean Warren

Pin flags are popping up in the Open Space between Eagles Pointe and Manor Ridge as staff and volunteers work on designing exciting new trail projects that are part of the Ken-Caryl Ranch Trails Master Plan. These projects are known under the working titles of East Cougar and Cougar Connector Trails, and conceptual designs for the projects were approved by the Master Association Board at their Dec. 17, 2013, business meeting.

The pin flags mark the conceptual alignment on the ground, which will be closely studied for the next several months. The design team will be looking at opportunities to create an enjoyable trail experience for hikers, bikers and equestrians as well as look at potential impacts of the trails to plant and wildlife habitat and neighboring properties. This is the typical procedure for finalizing new trail projects, and like other trail projects, the design alignment can change several times during this process while the design team works to find the right "fit."

From Massey Draw Trail, East Cougar Trail will run south along the toe slope region of the foothills eventually climbing steeply into

the foothills and connecting with another planned trail project just north of Docmann Gulch. From this point, trail users will be able to connect to trails accessing Docmann Gulch to the west and south and Shaffer and High Meadow Trails to the north.

Cougar Connector Trail will begin near Valley Parkway and run west through a large Open Space corridor south of Amaranth Drive and connect with East Cougar Trail west of Tamarade Drive. This new trailhead will provide access to backcountry trails in an area of the Valley development that currently has very few trailheads and will offer Open Space recreational opportunities for trail users of all skill levels.

More information regarding these projects can be found at www.ken-carylran.org under the Open Space tab, then Plans and Studies. Relevant documents include the Ken-Caryl Ranch Trails Master Plan and Annual Trails Report. The goal of this phase of the project is to determine the final designs and present to the MA Board for approval, most likely in the final quarter of 2014. If approved, staff would begin construction scheduling. If you have any questions, please contact Open Space Manager Sean Warren at 303-904-0681 or seanw@kcranch.org.

Volunteer Patrollers Needed

Ken-Caryl Ranch Park Rangers are now accepting applications for Private Open Space Volunteer Patrollers. The program description and application can be downloaded at www.ken-carylran.org by clicking on the Open Space tab, then on "Volunteer & Trail Club." Applications can be dropped off at the Ranger office or at the Ranch House. Applications will be reviewed at the end of March, and after acceptance and training, there is an anticipated start date on or before May 1. If you have any questions, call Park Ranger Matt Oven at 303-904-0249 or email at matto@kcranch.org.

Library News

Free Tax Help Offered At Jefferson County Public Library

Jefferson County Public Library (JCPL) is now offering free tax preparation assistance to individuals who require help filing their tax returns.

Each year, JCPL partners with AARP to offer free counseling and preparation assistance to all taxpayers, with special attention to those ages 60 and older. IRS-certified volunteers will be on hand to help people on a walk-in basis at the Arvada, Belmar, Colum-

bine, Lakewood and Standley Lake Libraries, and by appointment at the Evergreen and Golden Libraries. Space is limited for this popular series, so patrons are encouraged to arrive early. Location, time and date information, as well as additional tax information, can be found at jeffcolibrary.org/research/taxes.

JCPL will also offer open computer times at the Belmar Library's Computer Training Center to file taxes online. In addition, a limited selection of printed copies of State and Federal tax forms and instruction books will be available at all JCPL locations while supplies last.

Board Meeting Summaries

MA Board Meeting

The following is a summary of items from the Feb. 18 business meeting of the Ken-Caryl Ranch Master Association Board:

- The owner of the Manor House reported on the status of replacing the tent. His first choice would be to build a stand-alone building. However, if the County requirements are too expensive, he will consider remodeling or adding on to the existing building. He will update us when more information is available. He has received approval from the County to keep the tent for one more wedding season.
- A resident asked the Board to repair, not replace, assets. For example he recommended treating fences to extend their life expectancy.
- The Board discussed the MD February business meeting agenda item to vote on the possibility of including a bond question on their May ballot. Following discussion, a motion to have the Master Association support the MD bond referendum in May for \$7.9 million to be paid back in 10 years was approved.
- The Board reviewed the Letters to the Editor Policy, which was edited for clarity, and voted to approve as edited.
- Staff presented a report on Open Space equipment needs. The Board asked that this subject be included on the March business meeting agenda as an action item.
- A proposal from Arthouse Design to provide signage design services was reviewed, and the Board voted to accept the proposal.
- **Manager's Report:** A written report was included in the Board package.
- **Committees:** Board member committee liaisons reported on the activities that their committees have been engaged in for the past month.
- **Motion:** A motion authorizing staff to enter into an agreement with Norris Design to provide Ranch House pool area concept design services was approved.
- **Motion:** A motion authorizing staff to enter into an agreement with Keeton Industries to install a pond aeration system at Brannon Gearhart Park was approved.

- **Motion:** A motion authorizing staff to use a combination of AGE and GP&D to clean, paint and replace the street signs in the Valley was approved.
- **Motion:** A motion authorizing staff to enter into an agreement with KC and Associates to provide covenant review services was approved.
- **Motion:** A motion authorizing staff to enter into an agreement with ERO to assist in the

development of a Prairie Dog management plan was approved.

- **Motion:** A motion authorizing staff to enter into an agreement with the Colorado State Forest Service to provide forest and fuel management services was approved.

MD Board Meeting

On Feb. 25, the Ken-Caryl Ranch Metropolitan District held a regular meeting of the Board of Directors and discussed the following items and took the following actions:

- The Board took action to approve ballot language for the May 6 election asking voters to authorize up to \$7.9 million in tax-exempt bonds to finance improvements to the facilities and infrastructure on Ken-Caryl Ranch. In conjunction with this action, the Board hired the firm of Kline, Alvarado and Veio to serve as bond/disclosure counsel for the possible future issuance of the bonds should the May election be successful.
- The Board took action to approve the design for the re-route of the Columbine Trail located in the South Hogback.

Celebrating 100 Years

Shearn Ranch And History Of The Plains

Submitted by Rosemary Lewis, Ken-Caryl Ranch Historical Society

Why is it that we seldom hear about the history of the Plains, or eastern side, of Ken-Caryl Ranch? Unlike the land along the Hogback and to the west, the eastern 640 acres was not homesteaded or sold for nearly 40 years after the discovery of gold in the region.

Instead, this parcel was part of a massive railroad grant to the Union Pacific Railway Company in 1897, one of several such grants in what became Ken-Caryl. Railroad grants subsidized the construction of the nation's rail system by the subsequent sale of the land to settlers or investors. In this case, former Governor James B. Grant and his partner S.B. Morgan bought this parcel.

About 1904, a Texas couple, John and Bettie Shearn, appeared in Denver high society. John was described as a capitalist, and Bettie was noted to be quite a beauty and very fashionable. When in town, they lived at the Brown Palace. About 1905, they bought the 640 acres from Grant and Morgan and additional land to the west. They built a summer home, or cottage, along Massey Draw in the Valley.

In 1907, the Shearns incorporated the Mountain View Stock Farm along with their son-in-law Roy R. Bell. Although they had the cottage, they continued to enjoy extended stays at the Brown Palace. In December 1908, they were lost in a blizzard while driv-

ing in a horse-drawn surrey from Littleton to their ranch and barely survived.

On Jan. 27, 1910, about 500 acres of the eastern grazing land burned in a wildfire sparked by the ashes from a ranch hand's pipe. Fortunately the blaze did not damage any buildings or injure any of the ranchers who fought it.

In 1911 and 1912, the Shearns were caught up in several well-publicized scandals. Their daughter, Cora, discovered that she was the wife of a bigamist, and they were being sued by several people for payment of outstanding debts in New York and Denver. The Shearns disappeared from Denver, and on Oct. 17, 1914, John C. Shaffer bought 2,660 acres of the Shearns' land, which was the beginning of Ken-Caryl Ranch.

The cottage became Carroll Shaffer's House, located just north of present day Bradford Intermediate School on Woodruff Drive. Carroll's House has since been demolished, although evidence of the stone foundation can be picked out among the grasses near the Stone Bridge across Massey Draw.

Editor's Note: What we know today as Ken-Caryl Ranch began on Oct. 17, 1914, with the purchase of 2,660 acres of land southwest of Denver by John Charles Shaffer. To recognize and commemorate 100 years of Ken-Caryl Ranch, Rosemary Lewis of the Historical Society

Carroll's House is no longer standing, but evidence of the stone foundation can be picked out among the grasses near the Stone Bridge near Woodruff Drive.

will be writing articles in each issue of the paper noting historical events in and around Ken-Caryl Ranch. The series of articles will lead up to a celebration hosted by the Ken-Caryl

Ranch Historical Society on Aug. 9 at the Manor House. The whole community is invited. If you have information to add to this article, please contact Jeff Allison at 303-972-0096.

Jeffco LWV Invites Public To Suburbanization Of Poverty Panel

Submitted by Ellen Stiner, Jeffco League of Women Voters

The face of poverty is changing. It is moving to the suburbs, including Jefferson County. Poverty and income inequality are now frequently in the news. What are the facts? How is it affecting us publicly and privately? What is being done about it? The public is invited to attend a special League of Women Voters

of Jefferson County panel to address the issue on Tuesday, March 18, at St. Anthony Hospital in Lakewood.

The League of Women Voters was one of the first organizations to address social issues such as child welfare and child labor protection. Later, the League supported equal access to education, employment and housing and moved on to adopt positions on meeting basic human needs including food, shelter and basic income level. In 2013, Jeffco League members evaluated income assistance programs in Jefferson County. In light of the economic pressures of recent years, the League wanted to look at the public and private programs available to help people overcome poverty.

The Jeffco LWV Suburbanization of Poverty Panel will be held from 7-9 p.m. at St. Anthony Hospital, located at 11600 W. 2nd Place in Lakewood. Panelists discussing programs and ideas include:

- Chaer Robert, Program Manager for the Family Economic Security Program of the Colorado Center on Law and Policy.
- Lynnae Flora, Deputy Director, Jefferson County Human Services.
- Mag Strittmatter, Executive Director, The Action Center.

Reservations are not required and there is no charge. The panel discussion will be held in the hospital's ground floor auditorium. Park and enter on the south side of the hospital. For more information, call Jessie at 303-423-2153.

The League of Women Voters is a nonpartisan political organization that neither supports nor opposes candidates from any party. The League's mission is to promote informed and active participation in government and to influence public policy through education and advocacy after consideration by its members. The committee members also approved a limited number of "clip art" designs based on feedback from residents who have viewed the bricks. You can see a list of clip art as well as an order form at www.kcrveteransmonument.wordpress.com. Order forms are also available at both the Ranch House and the Community Center, as well as at ken-caryl.org.

All donations can be sent to the following address:

Ken-Caryl Ranch Veterans Monument
Attn: Darrell Windes
7676 South Continental Divide Road
Littleton, Co, 80127

Checks can be made payable to KCRMD, and please put "Veterans Monument" in the memo line. Be sure to enclose the Honor Brick order form if that's what your donation is for. You can also pay with credit cards online at www.ken-caryl.org through the "Register for Classes" link, or you can stop by the Ranch House or Community Center and pay with a check, cash or credit card. Please note that the Veterans Monu-

ment Fund has to pay a fee for each credit card transaction, so your donation can stretch even more if you pay with a check or cash. A process has been established so Honor Bricks can be purchased with a credit card at \$100 per month for three months.

Men's Bridge Group Looking For Members

A men's bridge group has been meeting at the Ranch House for 23 years. Membership has changed in the group over the years, but bridge still remains a popular pastime for all who play. Legacy resident Tom Van Egeren has played with the group for several years. "Every time I play with the group, I learn something about bridge. It's a very relaxed, comfortable setting. There is a range of skills with the players, and it's a great learning group," Tom said.

The group is always looking for new members to join. It plays every Monday from 9 a.m. to noon at the Ranch House. The environment is relaxed and friendly with coffee and treats provided. Call Tom at 303-979-6626 for more information or just show up.

Artist Gary Weston takes inspiration from inventors, horror writers and interesting moments in history to create his sculptures.

Art Notes

Exciting Programs Scheduled For KC Art Guild

Gary Alan Weston will present a program on his art at the March meeting of the Ken-Caryl Art Guild on Thursday, March 13 at 7 p.m. at Rox Bar & Grill in Littleton. Community members are encouraged to attend.

Most artists, when asked about the people who've inspired them, will mention painters or sculptors. Not Gary Weston. The former math teacher cites such people as Nikola Tesla, the inventor who lived in Colorado Springs in 1899-1900, and Rod Serling, the creator of *The Twilight Zone*. Mix in horror writer Stephen King, the Hatfield-McCoy feud, Alcatraz and the Philadelphia Experiment, and you've got Gary's sculpture collection. Gary recycles other people's discards into thought-provoking art. He also researches and writes the stories behind his sculptures.

"I try to put as much fact into it as I can, but kind of weave some fabrication and fiction throughout the story to make it more interesting," said Gary. "I get as much fact as possible, about 75 to 80 percent fact on each story. So that somebody looks at these and reads them, they start looking at these dates and numbers, they start to think, 'Ah, this is true and this is true, this must be true stuff.' And so people have to read the stories that go with them. It makes the piece even more interesting. It makes a connection to something famous."

Gary's ideas often come to him while he's running or sleeping. "I have a pad by my bed. If I wake up in the middle of the night and I get this great idea, I won't get back to sleep until I write it down."

At heart, Gary is still that kid watching horror movies, transforming his dreams into the stuff of nightmarish art. This information about Gary is from his website, www.garyalanwestonstudios.com.

westonstudios.com. You can contact him at gwestonart@garyalanwestonstudios.com.

The Ken-Caryl Art Guild's mission is to increase awareness of the arts in the Ken-Caryl and surrounding communities. In addition to this presentation from Gary on March 13, save the date for a presentation and exhibit by famed Colorado photographer John Fielder on Wednesday, May 14 from 7-9 p.m. at the Ridge Recreation Center. Please visit www.ken-carylartguild.org for more information.

Minding Our Business

Meineke Car Care Center And AAMCO Total Car Care

**Complete Car Care Options
Are Available On The Ranch**

by Community Relations Director
Victoria DeSair

Do you need maintenance, tires, an oil change or even major repairs done on your car? Meineke Car Care Center and AAMCO Total Car Care are located on Ken-Caryl Ranch at the corner of Chatfield and Kipling. The two businesses are owned by brothers and Colorado natives Mahesh and Ram Sundaresan.

Meineke and AAMCO are a full-service automotive repair and service facility. They service all makes and models of vehicles and offer fleet services as well. From oil changes to tires to factory-scheduled maintenance, Meineke and AAMCO can service the needs of the Ken-Caryl community. AAMCO specializes in transmission and drivetrain repair. Both businesses honor all extended warranties issued by dealers or third parties.

The local franchises of AAMCO and Meineke were opened in 1996 by Mahesh and Ram's father, Dan Sundaresan, who unfortunately passed away last year. His sons are continuing his legacy and ensuring that his vision of his American dream of owning his own business endures.

"We started the businesses with the goal to service the various automotive needs this area was in need of," said Mahesh. "We wanted to bring brand name recognition to the area and at the same time offer the personalized, independent service and repair for a broad range of makes and models of vehicles."

"When it comes to car repair, it's like going to a dentist. Anxiety levels rise, before even coming in or making the call. No one really wants to do it. We take the approach of being a 'pressure free' environment and at ease when it comes to car care and repair. It starts from the initial visit all the way to the completion of the service process. We want our clients to do the work that is in immediate need, while educating them on any potential repairs needed down the road, which can prevent costly breakdowns. We consider ourselves a true dealership alternative, with more competitive prices and service. We don't want to service your car just once, but for the life of the vehicle."

The technicians at Meineke and AAMCO have been with the businesses for 10 plus years. They have extensive knowledge when it comes to cars of different makes and models, along with up-to-date, factory-specific

tools and equipment. The businesses have held charity drives in the past and continue to be involved with the local community. They also offer on-site U-Haul rentals for added convenience.

Mahesh and Ram said they have many Ken-Caryl residents as customers, and they've made long and lasting relationships with these clients. They would like to offer any residents who mention this article a \$19.95 oil change, service and maintenance check.

The businesses are located at 10168 W. Chatfield Ave. To find out more about the two businesses, visit www.chatfieldcarcare.com or www.aamcolittleton.com. You can also contact Meineke at 303-973-4993 or meinekechat@yahoo.com or AAMCO at 303-933-1535 or aamcochat@yahoo.com.

Editor's Note: The Minding Our Business section features businesses within the boundaries of Ken-Caryl Ranch. If you have a business you would like to submit for this section, contact Community Relations Director Victoria DeSair at 303-979-1876, ext. 122, or victoriad@kcranch.org.

Mahesh and Ram Sundaresan are brothers and Colorado natives who own Meineke Car Care Center and AAMCO Total Car Care located on Ken-Caryl Ranch at Kipling and Chatfield.

Stars Of Ken-Caryl Ranch
by Environmental Education
Specialist Ernie Stone

When you look up at the starry night do you ever wonder what all those twinkling lights are? Are they planets or stars? Well, you are not alone. People for thousands of years have been looking up at the sky at night and wondering about it. To help them make sense of

what they saw they created pictures by seeing animals, people and other things in the stars. We call these pictures constellations.

The word constellation comes from two Latin words that mean "stars together." Most of the constellations that we are familiar with today were named long ago by the ancient Greeks, Romans and Babylonians.

Different constellations are found in the sky depending on what time of the year it is. The ancient people used the changing constellations to help them tell what time of the year it was and when the seasons would change. They planted and harvested their

crop by the stars and used the stars to help them navigate on land and sea. We can still use the constellations in much the same way today.

If you look in the northern sky you should be able to find the Little Dipper or Little Bear, named Ursa Minor by the ancient Greeks. If you can't find the Little Dipper then locate the Big Dipper, also called Ursa Major or Big Bear, which is the best known group of stars in the sky. The two stars that form the end of the cup part of the Big Dipper are pointing to Polaris, the North Star that is at the end of the handle of the Little Dipper. The North Star can be used to help you navigate as it always points north.

From now through March 15 there are several prominent constellations that can be seen. The most easily recognized constellation is Orion the Hunter. Orion can be found by looking for his belt, which is made up of three stars in a row. His right shoulder is made by the star Betelgeuse pronounced beetle juice. According to Greek mythology, Orion was a handsome, energetic, giant and very skilled hunter. He had special powers that allowed him to walk in the sea. His companion Artemis, the goddess of hunting, was

Youth Score Big At National Soccer Championships

Submitted by Josh Holmberg, North Ranch

Three Ken-Caryl Ranch boys represented Colorado at the Kick It 3v3 Soccer National Championships at Disney's Wide World of Sports in Orlando, Fla., over the weekend of Jan 18-20.

Ken-Caryl Ranch residents Mason Holmberg (son of Nicole and Josh Holmberg of the North Ranch), Ryder Kilburg (son of Amy and Kevin Kilburg of Legacy) and Sam Kemmer (son of Molly and Nick Kemmer of Traditions) joined Ethan Buecking and Ethan Lehman in the Under 9 Elite Division.

The boys qualified for the championships by competing in five regional tournaments across Colorado last summer. Facing steep competition from across the United States, the team represented Ken-Caryl well by winning their last six games in a row

to be crowned the U9 Silver Elite National Champions! Congratulations to these young Ken-Caryl athletes!

Harrell Miller Wedding Announcement

Grant Elliott Harrell and Cheri Lena Miller were married on Nov. 11, 2013, at the Bell Tower Chapel and Gardens in Fort Worth, Texas. The historic Bell Tower Chapel and Gardens was designed by notable Dallas, Texas, architect Donald S. Nelson, and constructed in 1958.

Pastor Tony Gonzales officiated. Tricia Martinez and Melissa Dittmar, both of Fort Worth, Texas, served as matrons of honor, and Grant's brother, Austin Harrell of Littleton, served as best man. The bridal party advanced to Clair de Lune and Canon in D. The bride progressed to The Bridal Chorus, moving gracefully in her ivory, strapless, Vera Wang ball gown with Chantilly lace bodice, tossed tulle skirt and corded sash. The bride was escorted by her grandfather, Jim Heffington, who along with her father, Tod Miller, and stepfather Rob McCarthy, gave the bride away in marriage.

Bridesmaids were Karolina Miller of Benbrook, Texas, Nikki Ruderman of Aurora and Jill Garramone of Denver. Groomsmen were Shawn Ruderman of Aurora, Rocco Garramone, Ryan Marostica, and Chris Stevens, all of Denver, and Shane Miller of Benbrook, Texas. Ushers were Brenden MacHamer of Denver and Chad Dittmar of Fort Worth, Texas. Flower girls were Madelyn Ruderman of Aurora and Kaylee Martinez of Fort Worth, Texas.

The bride is a 2000 graduate of Western Hills High School in Fort Worth, Texas, and received both her bachelor's and master's degrees in business administration from the University of Texas at Arlington. Cheri is the granddaughter of Jim and Carol Heffington of Benbrook, Texas, daughter of Tod Miller

Cheri and Grant Harrell

of Fort Worth, Texas, and Rob and Debbie McCarthy of Royse City, Texas.

The groom is a 1999 graduate of Dakota Ridge High School in Littleton and received his bachelor's in business administration from the University of Northern Colorado in Greeley and master's in business administration from the University of Texas at Arlington. Grant is the son of Steven and Roberta Harrell, residents of the Ken-Caryl Ranch Deer Creek neighborhood.

The bride and groom were afforded the honor of ringing the historic bell of the Bell Tower Chapel and Gardens following their ceremony, a symbolic announcement of their union and the beginning of their life together. A dinner and dancing reception followed. The couple honeymooned in Runaway Bay, Jamaica. They will make their home in Littleton.

Letters To The Editor

Dear Editor:

Why vote yes on Ken-Caryl bonds? As the former treasurer of both the Ken-Caryl Master Association and the Metro District, I proposed that the residents of Ken-Caryl vote to either update their community's infrastructure or live with its decline. It is clear that KC's pools, fences, drainage, irrigation systems, Ranch House, etc. are dated, which leaves the impression that Ken-Caryl itself is a dated community.

Who paid for the initial Ken-Caryl build-out 40 plus years ago? The developers did, and they passed the cost onto the homebuyers. Many of those capital assets are reaching the

end of their useful lives. You can keep an old car running for a while, but reliability, appearance and safety issues emerge, let alone the increased maintenance expenses.

It is not fair in the near term to place the entire financial burden of infrastructure revitalization on just current residents. What is fair is that renewed infrastructure that will last for decades should be paid for over decades. If approved by voters, the debt service on the bonds should be financed over the average life of the group of assets being improved or replaced; so that the present residents who benefit pay for them over time. Simply stated, any bond servicing duration should be as long as the average life of the group of capital assets being replaced or improved. Ideally that would be at least 20 years. I would estimate that for a \$400,000 house the monthly tax deductible increase would be around \$10 a month over 20 years.

Long-term interest rates are relatively low right now. Many residents have updated and refinanced their homes. It is an ideal time for Ken-Caryl to update our homeland, our community. Ken-Caryl is like the proverb, standing on a whale fishing for minnows. The design and majestic beauty of Ken-Caryl itself is the whale and for decades the MA and MD invested in mini maintenance projects to keep the aging infrastructure functional. Bond financing for necessary restoration of capital assets, in an otherwise debt-free community, is a prudent value-added strategy.

and KCRMD shall file any objections it may have by Friday, June 20. Should a joint plan not be agreed to by the parties, Judge Russell will determine if an additional hearing is required.

This final ruling by Judge Russell culminates litigation that has been going on since 2003 between PMD and KCRMD concerning PMD completing its service plan to construct additional recreational facilities for the Ken-Caryl Ranch community.

Please contact KCRMD District Manager Darrell Windes at darrellw@kcranch.org or 303-979-1876, ext. 114, with any questions.

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official. Letters should be concise — no letters over 350 words — and must be received by 5 p.m. on the published deadline date, which is typically the Monday of the week prior to the edition date, but the day can vary. Deadline dates can be found at www.ken-caryl.org. The preferred method for submitting letters to the editor is by email to Victoria DeSair at victoriad@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Victoria DeSair, 7676 S. Continental Divide Road, Littleton, CO 80127. We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the resident's name and subdivision will be printed in the paper. Residents may submit up to eight (8) letters to the editor per calendar year. Letters will be printed on a space available basis and may be edited. tricked by Zeus and accidentally shot Orion with an arrow while he was swimming in the sea. In her sorrow at his death, she placed him in the sky as a constellation.

Northwest of Orion is Canis Major the Great Dog. Canis Major is the faithful companion of Orion. The neck of Canis Major is made by the star Sirius, which is also known as the Dog Star. Sirius is the brightest star that can be seen at night. It is about the same size as our sun but 30 times brighter. Sirius has a companion star call Sirius B, which is a white dwarf. Sirius B is a very dense star about the size of the earth. It's made of a material that is 40 times denser than water. Because it's such a dense star, it exerts a strong gravitational pull on Sirius, causing it to travel across the sky in a wavy line.

Southwest of Orion is Cancer the Crab. Cancer, according to Greek legend, attacked Hercules while he was fighting the sea serpent Hydra. Hydra was a many-headed monster killed by Hercules. It's also the largest constellation in the sky.

Northeast of Orion is Perseus. Perseus was a Greek hero who, among other brave deeds, killed the monster Medusa. Medusa's face was so horrible that anyone who looked at her turned instantly into stone.

If you would like to learn more about our solar system, the stars and constellations, join Jeff Hale on Friday, April 18 from 7-8:30 p.m. at the Dakota Lodge and use your eyes, binoculars and a powerful telescope to survey the night sky. Grief Support Group

Sterling House of Littleton, located at 8271 S. Continental Divide Road, is now offering a Grief Support Group, "Learning to Thrive," on the third Thursday of each month at 6 p.m. Reverend Aaron Sims with Brookdale Hospice will facilitate the meetings and provide support for those who have experienced the loss of a loved one, are anticipating a loss or may even be grieving over a different type of loss in their lives. It's an ideal occasion to meet others with whom you share common experiences and to gain the support of others in similar situations. Admission is complimentary, and this support group is open to the community. The next meeting is Thursday, March 20 at 6 p.m.

Be A Voice For Abused And Neglected Children

Court Appointed Special Advocates of Jefferson and Gilpin Counties (CASA Jeffco/Gilpin) is steadily growing. However, there continues to be a strong need for dedicated community members to become a voice for abused or neglected children in court. CASA Jeffco/Gilpin needs your help and support to ensure that every child in our community has a safe, permanent home. You can be the difference by becoming a CASA volunteer.

CASA volunteers are caring adults who are appointed by a judge. They provide the courts with objective information and recommendations to help ensure that a child abuse victim's best interests are served. Previous experience is not necessary, just compassion for children and the desire to make a difference in our community. The next CASA of Jeffco/Gilpin volunteer training is scheduled to begin Tuesday, April 1. The training course includes approximately 19 hours of online class assignments and 19 hours of classroom training. All in-person sessions will be held at the Jefferson County Courthouse, 100 Jefferson County Parkway, in Golden. For more information, please contact Susan Manfredi at 303-271-6537 or at susanmanfredi@casa.jeffcoGilpin.com.
