

# RTD Bus Route Changes Coming To Ken-Caryl Ranch Area

## RTD Service Changes Effective April 28

Several RTD service changes across the Denver metro area, including Ken-Caryl routes and the new West Rail Line, are going into effect April 28. The current RTD bus Route 116X out of Ken-Caryl Ranch will be discontinued and replaced by Routes 116L and KC.

New regional service Route KC would re-

place the Route 116X east of the Ken-Caryl Park-n-Ride. Service would remain the same west of C-470 to the Ken-Caryl Park-n-Ride. Service would continue via C-470, I-70 and US 6 to make connections with the West Rail Line at the Federal Center Station. Eastbound service would remain the same as Route 116X on US 6 with express stops to the Civic

Center Station.

Route KC passengers originating or terminating at the Federal Center Station would pay the express (Light Rail 3-zone) fare. Regional fares would apply for service from the Ken-Caryl Park-n-Ride to the Civic Center Station. Service is proposed for three trips to arrive at the Civic Center Station at approximately 6:30 a.m., 7:10 a.m. and 7:50 a.m. and departing at 4:10 p.m., 4:50 p.m. and 5:30 p.m.

Route 116L would replace the route 116X north of the Ken-Caryl Park-n-Ride. Service would start at the Park-n-Ride, making local stops via Ken Caryl Ave., Simms St., Belleview Ave. and Quincy Ave. Service would make the same limited stops as the Route 100L via Kipling St., Alameda Ave. and Routt St. to the Federal Center Station. Connections would be made at the Federal Center Station with regional buses and the West Rail Line for the Jeffco Government Center and Downtown Denver.

RTD's West Rail Line, connecting Downtown Denver, Lakewood and Golden, also will begin service April 28. There will be 12.1 miles of light rail, 11 new stations, six Park-n-Rides, three Call-n-Rides and restructured bus service to transform the way you live, work and make connections.

To learn more about the service changes, the new West Rail Service and to get the most up-to-date schedules and prices, please visit [www.rtd-denver.com](http://www.rtd-denver.com).

The current RTD bus Route 116X out of Ken-Caryl Ranch will be discontinued and replaced by Routes 116L and KC.

**Resident Directories Delivered**

The 2013-14 Ken-Caryl Ranch Resident Directories were delivered late-February through mid-March to all residents on Ken-Caryl Ranch. A big thank you goes to the local Boy Scouts and coordinator Dave Seagraves for hand-delivering the directories. Also, thank you to all of the advertising sponsors for providing funding for the project.

If for some reason you did not receive your directory and you are a Ken-Caryl Ranch resident (this includes all the houses, condos and townhomes in the Valley, the Plains and the North Ranch), you can stop by the Ranch House and fill out a request form. Only a limited number of copies are available, and they are for residents only.

Please remember that the directory is published expressly for the residential use of members of the Ken-Caryl Ranch Master Association and is not to be used for solicitation, surveying or canvassing purposes. If you have any questions, please contact the Ranch House at 303-979-1876.

## Community-Wide Garage Sale June 7-8

It's time to clean out those closets and clutter your house and garage! The second annual Ken-Caryl Ranch Community-Wide Garage Sale will be held Friday and Saturday,

June 7 and 8, from 8 a.m. to 2 p.m. in your own driveway or garage. Residents will be able to sign up their household, and each household can decide if they want to hold their sale on Friday, Saturday or both days.

The KCR Garage Sale will be advertised in *Life at Ken-Caryl*, *Columbine Courier*, *Denver Post Your Hub*, Craig's List, the Ken-Caryl Ranch website at [www.ken-carylranh.org](http://www.ken-carylranh.org), the *e-News*, Facebook and on the marquees. Information on how to sign up, along with other details, will be published in future issues of *Life at Ken-Caryl* and in the *e-News*.

Last year, the KCR Garage Sale was held on the same day as the Electronics Recycling Event, but the events will be on separate days this year in response to the Garage Sale Survey results. The Electronics Recycling Event will be called the "Not Just Electronics" Recycling Event, and it will be held on Saturday, May 18 at the Ranch House. Look for more information in future issues of *Life at Ken-Caryl* and in the *e-News*.

**Ken-Caryl Ranch Post Office Hours Changing April 1**

The Ken-Caryl Ranch Post Office at 8200 Shaffer Parkway will be changing its hours starting April 1. Monday through Friday, the Post Office will be open from 9 a.m. to 6 p.m., instead of 8 a.m. to 6 p.m. The Saturday hours of 9 a.m. to 1 p.m. will stay the same.

"Like any business, we routinely review our business hours to make sure they represent the needs of our customers," said David Rupert, USPS Corporate Communications. "On April 1, we will change the hours at nearly 80 Colorado suburban and urban branches and stations. Our window traffic, volume and revenue have declined significantly over the last five years. We analyzed each of those offices individually, measuring customer traffic patterns, volume and demand. We looked at months of data and in some situations, didn't change the hours. In the others, that first hour of business was little utilized. So, this will allow us to compress our employees' schedules, allowing our retail clerks to box mail earlier and assist in getting mail to the carriers so they begin their deliveries earlier in the day."

# Manager's Column

by KCRMD District Manager Darrell Windes

Spring has sprung around Ken-Caryl Ranch! The grass is turning green, and trees will be leafing out for another season. The springtime is always a busy time for the staff of the Ken-Caryl Ranch Metropolitan District. The staff is in the process of wrapping up its winter and spring projects and preparing for the busy upcoming summer months.

This year, the improvements to the two baseball fields at the Community Park have been completed in time for the current season of little league play. The gardens throughout the Ranch are being prepared for the upcoming growing season. It will not be long before the District starts mowing the parks and greenbelts throughout the community. In addition to the Parks Department activities, the Recreation Department is preparing for the summer activities as well. By now you should have received your 2013 District Dimensions, which details the myriad recreational programs being offered by the District for the upcoming summer and fall. You can also view it on our website at www.ken-carylranh.org.

One special project the District will be completing in April is the Community Center Campus Master Plan. The District Board contracted with the consulting firm of Mundus-Bishop last fall to develop this plan, working with the staff and the Ken-Caryl Ranch community. Following several months of work and two community meetings, a proposed master plan for the Community Center campus will be considered by the District Board for adoption at its April Board meeting.

The purpose of the master plan will be to provide a blueprint for future possible recreational enhancements to the Community Center campus. The master plan was partially funded through a grant the District received from Jefferson County Open Space. The preferred master plan alternative, which is being considered by the District Board of Directors, is available for review on the Ken-Caryl Ranch website at www.ken-carylranh.org.

## A Little Courtesy, Please!

by Community Standards Administrator Julie Kearful

Throughout each year, I keep talking in this column about courtesy, kindness, thoughtfulness and being good neighbors. I have been asked again to address the issue of picking up after your dogs.

We have many wonderful places to walk, play, ride horses, jog, chat with neighbors and in other ways enjoy life outdoors here on Ken-Caryl Ranch. We are fortunate to have trails, Open Space and greenbelts in our community. For the benefit of all, each of us needs to be considerate and think of our friends and neighbors — owners need to pick up after their pets as a courtesy to all who make use of the great amenities we share.

Few other communities have miles and miles of paths and trails winding through and around their homes. Let us do our best to keep our property clean, and for sure, use the bags available in dispensers placed conveniently along the way.

In addition, another resident asked that I remind homeowners to refrain from shoveling snow back into the street after the snowplow has cleared the way.

Please keep in mind that rules and regulations are dynamic in nature...new issues surface, new regulations are added, inappropriate ones are deleted and others simply are amended or updated. Ken-Caryl Ranch documents are available at the Ranch House and on our website at www.ken-carylranh.org so try to make certain you, too, are up-to-date. Also, don't hesitate to call me at 303-979-1876, ext. 119, or email juliek@kcranch.org should you have any covenant or architectural questions or comments. Help will be gladly offered.

## Open Space Weed Management

by KCRMA Open Space Ranger Gary Norton

Spring is here, and along with warmer temperatures and longer days, weeds are starting to appear in lawns, parks and Open Space areas. As part of an integrated management approach, herbicides are used to combat weed infestations in the Open Space. This year's herbicide applications will be conducted from approximately mid-April to mid-June followed by summer management depending on weather conditions. See map (below) for site locations.

Spring is the best time to manage biennial weed species like musk thistle and knapweed. Knapweed and musk thistle are list B noxious weed species, which mandates that landowners make attempts to control and stop the spread of these weed species. The first year and early spring growth forms for these weeds is a rosette of basal leaves lying close to the ground. At this stage they are most vulnerable to chemical application because of their increased uptake of water and nutrients. Even though knapweed and musk thistle can be effectively treated all the way

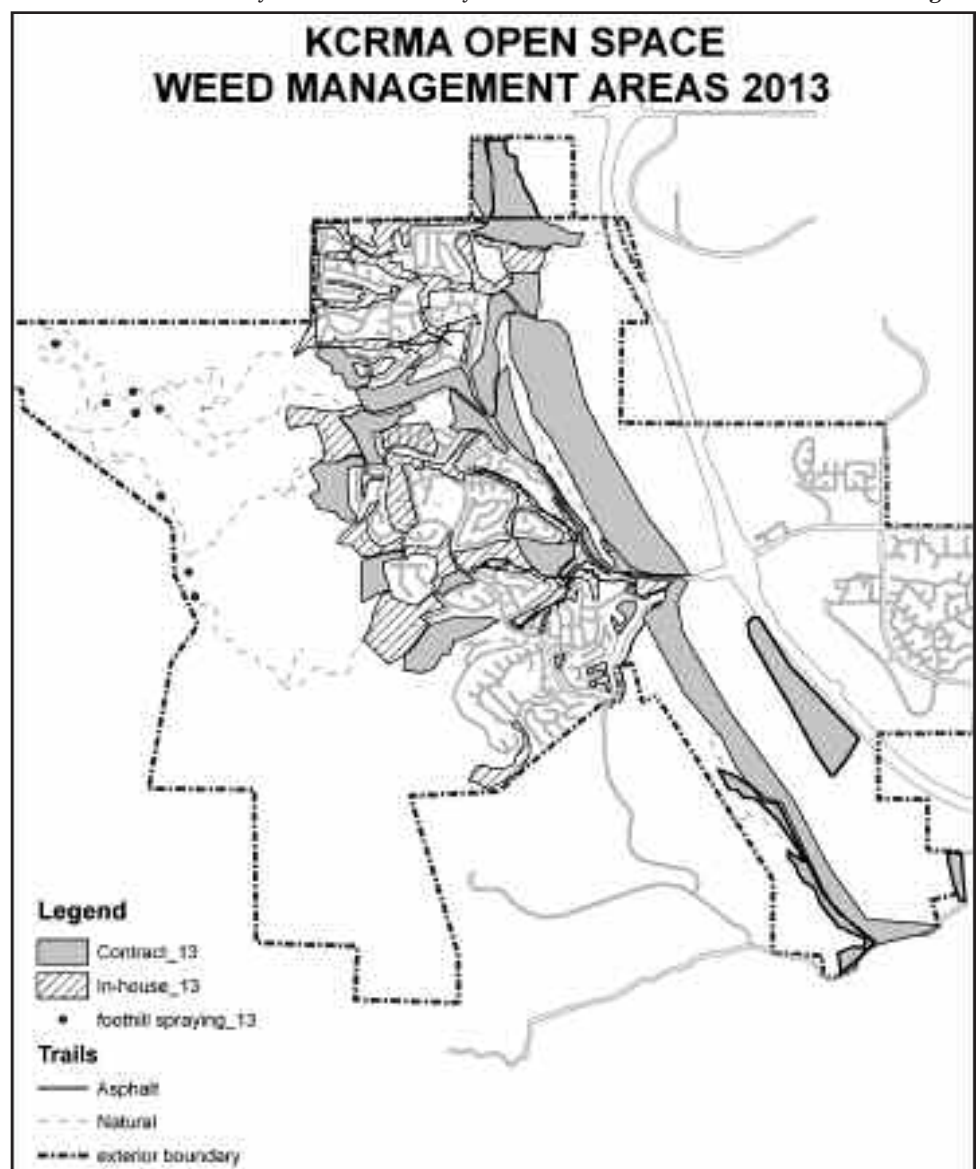

up to the budding stages, we have found that spring and fall spraying in the rosette stage is most effective.

As spring turns into summer, the Ranger staff turns their attention to deeply rooted perennial weeds like Canada thistle. Spraying Canada thistle and other deeply rooted perennials is more effective when the plants have bolted and grown to approximately 12 inches in height. At this point, they are still transporting nutrients to the root system, which will allow for more herbicide uptake.

Myrtle spurge is a noxious weed that has been placed on the state's A list, which means property owners must eradicate plants found on their property. At this time, there are very few known infestations on Ken-Caryl Ranch, but because this has become a priority species, we will be adding it to our spring management list.

In 2007, the Ranger staff sent letters to homeowners with myrtle spurge on their property to inform them about the state guidelines and methods of control. This campaign was very successful, with all the notified parties controlling the weed on their properties. We will be implementing this plan again in 2013.

The weeds being managed this season are very aggressive invaders that have the potential to take over native plant communities. Priority was given to areas where infestations pose the worst threat to native plant communities and where they are bordering home

## Frequently Asked Questions From Resident Survey

In this edition of the Resident Survey Frequently Asked Questions series, we will address the use of Open Space grants, Colorado Lottery funds and snow removal. The full listing of survey comments and the answers to previous Frequently Asked Questions are available on our website at [www.ken-caryl-ranch.org](http://www.ken-caryl-ranch.org) under Community & News then Resident Survey.

### Does the Ranch seek or receive Open Space grants and Colorado Lottery funds?

The Ken-Caryl Ranch Metropolitan District (KCRMD) is a public entity formed as a subdivision of the State of Colorado. Because KCRMD provides park and recreation services to the Ken-Caryl Ranch community and the public, it receives Colorado Lottery Funds on an annual basis automatically based on the population of the community. In 2012, the KCRMD received \$53,000 in Colorado Lottery funds, all of which are restricted for use on park and recreation improvements for the community.

KCRMD, as a public entity located in Jefferson County, is also eligible to apply for joint venture grants through Jefferson County Open Space. In the fall of each year, KCRMD prepares a joint venture grant request submission to Jefferson County Open Space for a specific park and recreation improvement. The Jefferson County Open Space Advis-

ory Committee, based on the grant submissions from cities and special districts located within Jefferson County, makes recommendations to the County Commissioners on proposed grant award amounts. Since its inception in 1988, KCRMD has received more than \$1.5 million in grant awards through the joint venture grant program.

### Who provides snow removal for the streets on Ken-Caryl Ranch?

The majority of streets on Ken-Caryl Ranch are public streets owned and maintained by Jefferson County. Maintenance on these streets includes the actual repair and repaving of the street surface as well as removal of snow after storms. These services are provided by the Jefferson County Road and Bridge Department and are paid for through the property taxes of the residents of Jefferson County.

Several of the neighborhoods on Ken-Caryl Ranch both own and maintain their own private roads located exclusively within their community. Examples of these neighborhoods include the Settlement, Sunset Ridge, Mountain Gate and Manor Ridge. The Ken-Caryl Ranch Metropolitan District and Master Association are responsible for snow removal from properties owned and operated by the community, including the Ranch House, the Community Center and the Equestrian Center.

## Development Proposal

ing location is the land near Coloradoland Tires, the Hampton Inn and the former Applebee's. The proposed facility is called Come Sit Stay Pet Resort. For additional information or to comment, please contact Chris Pacetti at 303-979-1876, ext. 116 or [chrisp@kcranch.org](mailto:chrisp@kcranch.org).

# Announcing The 2013 Ken-Caryl Tour Of Homes

## Learn How To Nominate A Home!

Submitted by Susan Schell & Gina Quirk

The Ken-Caryl Ranch Foundation is eager to announce that they will be hosting the 2013 Ken-Caryl Tour of Homes this upcoming fall on Saturday, Nov. 9, from 11 a.m. to 4 p.m. The rousing success of the Founda-

tion's first community-sponsored home tour in 2011 resulted in the generous donation of \$5,400 to The Action Center, a human-service non-profit agency that directly serves the homeless and working poor in Jefferson County.

This year, the KCR Foundation is opening up the nomination process to the entire Ken-Caryl Ranch community! The tour directly benefits Ken-Caryl real estate, local businesses and homeowners by showcasing our Ken-Caryl lifestyle and providing fellow homeowners with ideas and inspiration for their own home's design or remodeling potential. And, who knows our community better than the members themselves and the businesses who serve Ken-Caryl Ranch?

With this in mind, the Foundation invites community members to be part of the pro-

There will be seven homes on the tour, and the Foundation would like to present

three homes in the Plains and four in the Valley. The deadline to submit your nomination is May 15, with the final selection being made by June 1. This will give homeowners plenty of time to prepare for the event.

To nominate a home, please submit the following:

- Address of home and contact information
- A brief statement that describes why you think it would be a good home for this year's tour (for example, recently remodeled kitchen, great curb appeal, unique floor plan, beautiful interior design, etc.)
- Include a photo of the interior, exterior or both.

## Ken-Caryl Parent Network

### Spring Events In Bloom With KCPN

Submitted by Keri Pugh, KCPN

Have you got a case of spring fever? Be sure to join other Ken-Caryl Parent Network ladies for a spring fever hike and dinner event on Saturday, April 6! Plan on a four-mile hike looping around the North Ranch, then escape to Rox for a recovery beverage or two, while enjoying friends and maybe even some patio seating. Meet at Bradford Park at 4 p.m. to join in!

The Social Club's next gathering is coming up on April 10 from 7 p.m. until the conversation winds down at the Manor House.

Think KCPN is just for the diaper set? Plan for a weekend of fun for the whole family, later on in the month, starting with KCPN's Earth Day and spring celebration! This event will be held at the Dakota Lodge and is in partnership with the Ken-Caryl Ranch Preschool and their families. The party will begin at 10 a.m. on Saturday, April 20, with Earth Day themed activities and plenty of playground access for enjoying the spring weather! The event is sponsored by Chick-fil-A, Einstein's Bagels, Starbucks and Susan Schell of Re/Max.

Be ready to rally the next morning to support both Bradford schools by running the Hogback Hustle 5K on April 21! There will even be a one-mile Family Fun Run for the kids. Keep an eye out for fellow KCPN friends and neighbors.

See more details on these and other upcoming events at <https://www.bigtent.com/groups/kcpn>. Membership inquiries can be sent to [info@ken-carylparents.com](mailto:info@ken-carylparents.com). We look forward to seeing you at an event soon!

## Annual Meeting And Free Dues Winner

Congratulations to Gary and Connie Grieshaber from the Carriage Hill neighborhood for winning one free month of dues in the annual proxy contest. All residents were

mailed proxy forms in late 2012, and everyone who returned their form by March 5 was entered into a contest for one free month of dues.

The crowd listened intently as several Board members and committee members spoke about 2012 achievements.

The proxies serve to establish quorum (simple majority) at the Ken-Caryl Ranch Master Association Annual Meeting. Not enough proxies were turned in to reach quorum for the meeting on March 5, so in compliance with the Association Bylaws, the Annual Meeting had to be reconvened on Thursday, March 7. However, Master Association Executive Director Chris Pacetti, Board President Valerie Walling and Board Treasurer Dennie McGarry were able to give an overview of the prior year. They also discussed goals for 2013.

Several members from various Master Association committees also spoke to the group. The crowd received updates from the Open Space, Community Planning, Finance and Historical Society Committees.

Prior to the meeting, community volunteers were treated to dinner in the Ranch House Adult Lounge to thank them for their service. Thank you to all of the volunteers for their countless hours of service!

Hello. My name is Dr. Jeremy Kurland, and I have been a practicing chiropractor for 15 years. My wife Dr. Nicole and I have practiced in the Thornton/Northglenn area for the last decade. After relocating to the beautiful Ken-Caryl Valley last year, we are excited to announce the grand opening of our new practice.

Being chiropractors, having taken care of hundreds of families; and raising three young boys of our own has given us great insight into the healthcare plight of the average American family. The trend in our country is going the wrong way. Heart disease, cancer and diabetes are everyday occurrences. Autism and ADHD rates are skyrocketing in our children. The only answer our current medical profession seems to offer is more drugs. We raise our family by a different philosophy.

Simply stated, great nutrition, an active lifestyle and maintaining a healthy spine and nervous system allows the power that resides in all of us to flourish. Whether you are dealing with an acute injury, chronic pain or headaches, or you just want function and express health at its highest level, we can help!

You will never experience high-pressure sales or scare tactics in our office, just high-quality care for an affordable fee. We look forward to meeting and serving the good people of Ken-Caryl.

Sincerely, Dr. J

## School News

### Jeffco School Board Changes District Director Boundaries Shaffer, Bradford And Collegiate Academy Move To District 2 by Community Relations Director Victoria DeSair

The Jefferson County Public School's Board of Education voted 3-2 on March 7 to redraw the districts they represent. As a result of the realignment, Shaffer Elementary, Bradford Primary, Bradford Intermediate and Collegiate Academy are moving into District 2 from District 5. The changes are effective immediately. Chatfield High School, Deer Creek and Falcon Bluffs Middle Schools, which Shaffer and Bradford feed into, will remain in District 5.

According to Tim Reed, director of Planning and Property for Jeffco Public Schools, Colorado state law requires that school boards reevaluate their director boundaries periodically to assure equal distribution of population among districts. District boundaries for Jeffco Public Schools have not been significantly modified since 2003, as a result of the 2000 census.

"After reviewing 2010 census figures, we noticed that there had been significant population shifts in the county, resulting in unequal representation in director districts," said Reed. "Planning and Property was directed to review and, if necessary, redraw the districts. It is important to note that unlike congressional or state representatives, members of the Board of Education are elected 'at large,' that is by all the voters in Jeffco. These adjustments kept the current board members in their respective district."

Reed and his team used the population within elementary school boundaries as the units to balance the districts. "If at all possible, elementary schools are not split between directors. We targeted and achieved a 1 percent or less population difference between districts," he said.

### Volunteer Patrollers Needed

Applications can be dropped off at the Ranger office or at the Ranch House. Applications will be reviewed at the end of March, and after acceptance and training, there is an anticipated start date on or before May 1. If you have any questions, call Park Ranger Matt Oven at 303-904-0249 or email at [matto@kcranch.org](mailto:matto@kcranch.org).

### Rubyhill Quilts Resident Turns Special Memories Into Quilts by Community Relations Director Victoria DeSair

Are you looking for a special gift that loved ones are sure to cherish? Settlement resident Karen Norton is the owner of Rubyhill Quilts. She designs one-of-a-kind memory quilts for a wide variety of occasions.

She's been making these custom memory quilts, friendship quilts and personalized baby quilts since 2000. She can make the quilts out of numerous materials, including special clothing, baby blankets and uniforms. Karen said almost any old clothing, including grandpa's old plaid shirts, grandma's

aprons or house coats, your child's clothing or sports jersey collection, or your college sweatshirts, can be turned into a quilt.

"I enjoy the design process and bringing joy to my customers' faces," Karen said. "Quilting enables me to be creative and to work from home. I work hard to make each quilt as special and unique as the customer that orders it. I love the look on a customer's face when they see their quilt for the first time, made just for them with their special memories."

Karen said most of the baby quilts are gifts, and the memory quilts are often purchased for the customer themselves as a special memento of a loved one or as a gift for special occasions. Most of the work is done by Karen, although her mom helps out when things get too busy.

Karen would like to offer all residents a 20 percent discount on any quilt ordered. Just mention this article! ## Fitness & Wellness

### Belly Up To The Barre

The new ballet-inspired classes out there are all designed for one purpose: to help you achieve a slim, strong, sculpted dancer's body. Barre Conditioning is at a ballet bar, using your own body weight and the support of the ballet bar. It will promote body balance, strength and flexibility, while elongating your muscles.

The class is broken down into an intense, focused, yet fun and sassy 60-minute class that emphasizes the use of the "core" to support the body during isometric, cardio and small repetitious movements. The result is a "dancer" type body with longer, defined, stronger muscles in the entire body especially focused on the thighs, buttocks and hips. It was designed to have a specific fast-paced rhythm, resulting in muscle fatigue, paired with a cool down that lengthens the muscle.

The Barre Conditioning class is always broken down into a specific sequence, which is designed to open the muscles and exhaust it at a particular rate. Although the sequence will always be the same, the exercises will change due to students' ability, advancement or modification.

There is always new choreography that is brought in to "awaken" the muscle again, so the body is constantly in work mode and never immune to the exercises. This intense workout promotes the raising of metabolic rate that burns calories at a faster rate, while strengthening and lengthening your muscles. The result is a loss in inches around the waist and hip area. In between are a series of ballet-based cardio exercises that raise the heart rate. Barre conditioning is a workout that effectively targets every muscle in the body in one hour.

### Attention Rock Climbers

One of the earliest training devices developed specifically for climbing is a training board. It is still one of the best ways to target the most critical of all climbing strengths: contact strength. It makes it easy to target particular strengths and weaknesses, control the exact duration and amount of resistance on a particular exercise and gauge your progress.

The Community Center now has a training board in its weight room for you to build finger strength, body tension and general upper-body strength. Finger strength is the single most important type of strength for a climber to have. If you can't even hold on to the grips, there is no way you will be able to move between them. Body tension, sometimes called core strength, allows you to distribute the force you are generating between your points of contact and to direct your movement. It allows you to weight your feet and save energy.

Here are just a few of the exercises that you can do: dead hang, bent-arm hang, offset hang, pull-up, L-hang and more. For more information on rock climbing fitness training with the board, see the online training guide at [www.metoliusclimbing.com/training\\_guide\\_3d\\_simulator.html](http://www.metoliusclimbing.com/training_guide_3d_simulator.html).

Prepare for the climbing season now. Drop-in adults: \$6 or use your facility pass.

## Denver Region Dance Academy

At Denver Region Dance Academy our emphasis is on confidence. We provide four building blocks for a confident dancer: dance skills, musicality, appropriate peer/teacher relations and a studio environment for performances. Each class is designed to incorporate these four aspects for building confidence in your child. Denver Regional Dance Academy is a non-competitive studio believing that performances in front of friendly supportive audiences build self-esteem.

### CLASS DESCRIPTIONS

#### Ballet & Tap I • Beginning

This class is for 3- to 5-year-old beginning ballerinas. Does your little girl tip-toe across the floor, love princess everything and always want to wear pink and purple? Then this class is for her! Dancers learn classical ballet skills while dancing to their favorite princess music. Together with the tap skills they learn, dancers will put the moves into routines to perform them for family and friends.

#### Ballet & Tap II • Intermediate

This class is for 5- to 7-year-old girls who may or may not have been in ballet/tap before. We keep classes small in size to make very individualized instruction so all skill levels are addressed. Fairy Charity Calendar Looking For Local Child Models

Submitted by Paul Maynard, Village  
Paul Maynard Photography is proud to announce the inaugural 2014 Enchanted Forest Fairy Charity Calendar. The calendar will inspire all to dream of and create a safer world in which children can grow, live and play. One hundred percent of the proceeds from the calendar sales will benefit Children's Hospital Colorado.

The calendar will be filled with beautiful images of local children from the Denver Metro and surrounding areas, captured as fairies in a fantasy world created by Paul Maynard Photography. Paul is a Ken-Caryl Ranch resident in the Village neighborhood. The 2014 calendar will feature 12 local children and one special cover picture. Please visit [www.fairy-portraits.com](http://www.fairy-portraits.com) to learn more about the charity calendar and how your child can be featured.

Paul's goal is to raise \$25,000 for Children's Hospital Colorado to help support their mission of improving the health of children

through the provision of high-quality, coordinated programs of patient care, education, research and advocacy.

If you would like your child to appear in the calendar, make sure to visit [www.fairy-portraits.com](http://www.fairy-portraits.com) to reserve your private session or call 303-434-0822. Once all sessions have been completed, there will be an online voting contest for 30-45 days at \$1 per vote. The child with the most votes will be featured as the exclusive cover page in the 2014 calendar with 12 additional children featured prominently as monthly covers.

To find out more, visit [www.fairy-portraits.com](http://www.fairy-portraits.com). The site will be updated regularly with photo shoot sessions, calendar sales and pre-sales, sponsorship opportunities and information on reserving your child's session.

Paul Maynard will use fairy portraits like this in his inaugural Fairy Charity Calendar.

#1 Agent In South Jefferson County 2011 And 2012!

Ken-Caryl's #1 Realtor For 2011 And 2012. Re/Max Hall Of Fame.

# Our Rising Generation

North Ranch resident Cassie Kinnear won first place in her age division in the PTA Reflections Competition at Red Rocks Elementary for her original piano composition.

Carriage Hill resident Kate Marin won her age division in the Jefferson County level of the PTA Reflections Competition and was a finalist at the state level for her song.

## PTA Reflections Winners For Original Music Composition

Submitted by Elea Plotkin, North Ranch

Congratulations to two outstanding young musical talents this year who received awards in the 2012-2013 annual PTA Reflections Competition in the area of original Music Composition. The theme for this year's music competition was "Magic In a Moment."

Kate Marin, a sixth-grader at Bradford Intermediate, won her age division in the Jefferson County level of competition and was a finalist at the state level for her song "Love So Alive." Kate is the 11-year-old daughter of Michelle and Marc Marin of Carriage Hill.

Kate has been studying guitar for more than five years and began to compose songs when she was in the third grade. Two years ago she started voice lessons and formal

song-writing lessons with music teacher Elea Plotkin in the North Ranch. Kate performed her song in November 2012 for the Bradford Sixth Grade Musicales as well as at Elea's Winter Recital at the Chatfield Event Center on Dec. 16, 2012.

Kate has honed her song-writing and performance skills by playing at local open-mic shows around Littleton and on stage with friends who like to sing along. Kate's musical influences are classic rock bands like the Beatles, Journey and even the humorous Weird Al Yankovic.

Cassie Kinnear, a 10-year-old fifth-grader at Red Rocks Elementary School, won first place in her age division in the PTA Reflections Competition at her school for her original piano composition titled "Live In the Moment." Cassie is the daughter of Jack and Hyosun Kinnear of the North Ranch.

Cassie has been studying piano and voice with Elea for more than five years and is influenced by a broad variety of musical styles, including classical and popular contemporary composers. A well-rounded and versatile talent, Cassie has performed for many years at student recitals and has developed a strong sense of form and expression in her own writing.

Congratulations, Kate and Cassie, on your musical achievements.

### District Attorney's Office To Host First Citizens Academy

*Submitted by Pam Russell, First Judicial District Attorney's Office*  
 District Attorney Peter Weir is announcing the inaugural First Judicial District Attorney's Citizens Academy. This academy is open to residents of Jefferson and Gilpin counties and is designed to help create a better understanding of the criminal justice system.

**WHEN:** Tuesdays, April 23 to June 25 from 7 to 9:30 p.m.

**WHERE:** District Attorney's Training Room  
 500 Jefferson County Parkway  
 Golden, CO 80401

The academy is a 10-week program designed to immerse citizens in the judicial process, bringing participants together with law enforcement, prosecutors, defense attorneys and judges.

"For those who work within the criminal justice system, it is easy to assume that everyone in the community understands what we do, but that is not the case," Weir said, regarding the need for the Academy. "With this program we can show people not only the role of the District Attorney's Office but can also open up the process to them, helping to create a more informed and enlightened community."

The academy will include dialogue with criminal justice leaders, visits to the Court and Detention Center, a review of the various

functions of the District Attorney's Office and a walk-through of a criminal case.

Participants must live in Jefferson or Gilpin County and must submit an application by April 5. Applications are available on the District Attorney's website at [www.districtattorney1.com](http://www.districtattorney1.com).

### Want To Get Involved In County Planning?

*Submitted by Bailey Becker, Jeffco Public Information Office*

Jefferson County has several elected officials and dedicated employees, but did you know that it also has lots of volunteers who contribute to the decisions that shape Jeffco? The Board of County Commissioners (BCC) appoints more than 300 volunteers to boards and commissions that oversee things from liquor licensing to preservation of open space.

One of the most critical boards is the Planning Commission. This board is responsible for reviewing a wide variety of land use cases and making recommendations to the BCC.

"The Planning Commission works in conjunction with staff from Planning and Zoning to thoroughly review land use cases before making recommendations or final decisions on applications. These are the folks who drive out to the sites, hear public testimony, which can last for hours, put emotions aside and then make recommendations and decisions that are best for the county," said Plan-

ning and Zoning Director John Wolforth.

It also reviews and adopts updates to the county's Comprehensive Master Plan. This plan is very important to Jeffco and provides guidelines to both the county and citizens when it comes to making land use decisions. It is comprised of several smaller sub-area plans, such as the South Plains Area Plan, which outlines land use recommendations for a large portion of South Jeffco.

The Planning Commission meets the first, second and fourth Wednesdays of each month, and its public hearings begin at 6:15 p.m. at the Administration and Courts Facility, 100 Jefferson County Parkway.

Commission members are compensated \$20 per meeting and \$20 per field trip when visiting the case sites. It is comprised of seven voting members who serve three-year terms and two associate members who serve one-year terms.

So does this sound like something you would like to get involved in? If so, go to [jeffco.us/bcc](http://jeffco.us/bcc) today to apply.
