KCR100 Celebration Delights People Of All Ages

by Community Relations Director
Victoria DeSair

The air was filled with a mix of excitement and nostalgia around the Manor House on Saturday, Aug. 9 for KCR100. More than 500 people attended the once-in-a-lifetime celebration to recognize and honor 100 years of Ken-Caryl Ranch.

Guests were patriotically welcomed by 700 small American flags lining Manor House Road, thanks to the generosity of DD Harder Properties of Metro Brokers. The guest book was signed by visitors from as far away as Japan, Texas, Kentucky, California, Indiana and Nebraska as well as hundreds of Ken-Caryl Ranch residents.

Descendants of some of the previous owners of Ken-Caryl Ranch attended as well, including 17 members of the John C. Shaffer family, many of whom traveled from Texas. Shaffer purchased 2,660 acres of land southwest of Denver on Oct. 17, 1914. This purchase and subsequent land purchases combined

to become Ken-Caryl Ranch, named after Shaffer's sons, Kent and Carroll. In 1915, Shaffer built the Manor House as his summer home.

Family members who descended from former Ken-Caryl Ranch owner A.T. "Cap" McDannald also traveled from Texas for the celebration. Jane McDannald Russell, the granddaughter of Cap McDannald, related how she spent her childhood summers on Ken-Caryl Ranch. She was accompanied by 13 other McDannald descendants.

The event started with a ceremony on the front steps of the Manor House. Ken-Caryl Ranch Historical Society Chairman Jeff Allison, dressed in a red and white striped coat reminiscent of the *Music Man*, welcomed the crowd and told the history of Ken-Caryl Ranch. Boy Scout Troop 47, under Scoutmaster Robert Peterson, presented the colors while the UltraSoniX Barbershop Quartet sang the National Anthem. Jefferson County Commissioner Faye Griffin was on hand to read a proclamation from the county to recognize and celebrate the 100th anniversary.

Following the formal ceremony, attendees

Manager's Column

by KCRMA Executive Director Chris Pacetti

What a great KCR100 event! I would like to add my congratulations to Jeff Allison and all our special volunteers from the Historical Society Committee for a fantastic 100 years of Ken-Caryl Ranch celebration earlier this month. I am pleased that the community got to witness what I see from these folks on a regular basis. They are tireless volunteers working to preserve the history of this wonderful place. Loved seeing you all in your special attire depicting the styles of the day, but I bet you were glad to get out of them after our warm Colorado summer afternoon.

As you might imagine, planning for this event began a year ago and required a lot of logistical coordination. Then of course it always helps when you have nice weather. Thank you to Todd Shinn and his staff for getting the Manor House ready for the attendees. They had a wedding that started less than an hour after we finished, so they had to do some fast action to get ready.

Speaking of dedication to the community, longtime Open Space Committee volunteer Bruce Heise has decided to finish his run. He has assured us that he is ready for any special project where we could use his help, but he will not be a regular at the fourth Thursday night of the month committee meetings. Thank you Bruce for all you have done for our open space. I will always look forward to a productive, informative conversation with a few laughs sprinkled in when I see your phone number come up on my caller ID.

Exterior Storage

by Architectural Administrator Julie Kearful

As families stay longer in their homes, more and more “stuff” accumulates — perhaps generating a need for additional storage space. Here on Ken-Caryl Ranch, exterior sheds and cabinets are allowed according to Section 3.01 of our *KCR Home Improvement Rules, Guidelines and Information*. The size, site location and materials are of particular concern and often distinguish the difference

between a “shed” and a “storage cabinet.” Accessory buildings are to be painted to match the existing home and have a like roof as well — this gives the property a more aesthetically pleasing look.

If you have questions about storage buildings, the *KCR Home Improvement Rules, Guidelines and Information* can be found on our website and are always available here at the Ranch House as well. For questions or concerns, contact me at juliek@kcranch.org or 303-979-1876, ext. 119.

Boards To Review Draft Prairie Dog Policy In September

by Open Space Manager Sean Warren

The Prairie Dog Task Force (PDTF) will present its draft Prairie Dog Conservation Policy to the Ken-Caryl Ranch Master Association (KCRMA) Board and Ken-Caryl Ranch Metropolitan District Board at their Joint Study Session meeting on Sept. 2 at 7:30 p.m. at the Community Center. The community is encouraged to attend.

The primary purpose of the PDTF is to develop a conservation policy for Ken-Caryl Ranch Open Space and Parks staff use that recognizes the ecological significance of the black-tailed prairie dog within the prairie ecosystem, while addressing the concerns of private landowners and residents, considering other wildlife species and preserving the conservation values for which open space was established.

Five residents were appointed by the KCRMA Board to serve on the PDTF, and the group began meeting in May. The residents represent a variety of viewpoints on the subject of prairie dogs. A specialized consultant hired by KCRMA worked with staff to facili-

tate the development of a recommended policy and provide background and history on de facto prairie dog management on open space and park lands.

The draft policy was presented to the Ken-Caryl Ranch Open Space Committee in July which, after making minor revisions, endorsed the document. Final approval by the Boards is required. If approved, staff will likely develop a management plan, using the new policy, for the Manor House prairie dog colony and seek approval for a budget to implement in 2015.

The draft Prairie Dog Conservation Policy can be viewed online at www.ken-carylranh.org under the Open Space tab then Plans and Studies.

‘Rabbit Fever’ Found In South Jeffco

Source: Jeffco Public Health

Due to positive tests in rabbits for tularemia this year in southern Jefferson County, Jefferson County Public Health continues to recommend the public take precautions while enjoying outdoor recreation.

Tularemia is a disease of animals and humans caused by the bacterium *Francisella tularensis*. It is also called “rabbit fever” and rabbits, hares, beavers and rodents are especially susceptible. Humans can also be infected

with the bacteria, which is treatable with appropriate antibiotics. Tularemia does not spread from person to person.

Jefferson County Public Health advises citizens to follow basic safety precautions to avoid exposure to animal-borne diseases, including:

- Do not handle sick or dead animals; instruct children to leave wildlife alone.
- Keep pets on a leash and do not allow them to disturb sick or dead animals.
- Wash hands thoroughly following recreation on trails.
- Use protective clothing and insect repellents to avoid deerfly and tick bites.
- Conduct frequent checks for ticks.

Symptoms usually appear three to five days after exposure and can include high fever, swollen lymph nodes and a sore or lesion at the site where the bacteria entered the body. In addition, if bacteria are ingested, such as swallowing contaminated water, a person may have a sore throat, abdominal pain, vomiting or diarrhea. If you develop symptoms, contact your physician or healthcare provider. If you find a dead rabbit on your property, please contact Animal Control at 303-271-5070.

Ranch House Pool Improvements

Several improvements were made to the Ranch House Pool in the spring in order to get it ready for the 2014 summer swim season and to reduce the number of pool closures due to mechanical issues or water conditions. We're happy to announce that the improvements led to ZERO mechanical closures at the Ranch House Pool for the 2014 summer season. The majority of improvements were made to the mechanical systems, including replumbing the heater, adding a new chlorine system and updating to an automatic fill system. The improvements totaled \$17,000 and were paid for by the Master Association.

Don't be left out.
Window Replacement Made . . . Simple.

"It was a true pleasure working with Preston and the entire CCW team. CCW came highly recommended from some of our neighbors that also had windows replaced that were damaged in the destructive hail storm in August 2013. We had a number of window companies provide bids, but we felt most comfortable with Preston. Preston worked tirelessly with the adjuster of our insurance company who was very challenging to work with. Initially, the insurance company was only willing to replace the windows on two sides of our home, but Preston was able to come to terms with our adjuster to replace all the windows. The entire CCW team was fantastic to work with. Each member of the team was very professional, friendly, and they all took great care with our home and belongings. They also were very sensitive to being as clean as possible throughout the project. We would recommend Colorado Classic Windows without hesitation."

were free to tour the Manor House and the Kent Shaffer House (located next door) and participate in a variety of activities on the grounds. One particular highlight was the mule-drawn wagon ride that was sponsored by Susan Schell of RE/MAX Professionals. The wagon carried riders along a portion of the Manor House Trail, which is believed to be part of the Bradford Road, an 1860s toll road to the western mines.

The atmosphere outside was filled with a vibe of enthusiasm. There were yard games for kids, sack races and vintage cars, including a 1914 Model T Ford. Ranger Ernie Stone had some fun environmental education activities, and it was one of her last activities on Ken-Caryl Ranch before her Aug. 15 retirement.

Located in the tent adjacent to the Manor House, clubs and organizations were invited to show and discuss what they offer to the Ken-Caryl Ranch community. The Jefferson County Public Library had information for residents, including the opportunity for residents to listen to digitized oral histories told by descendants of past owners of Ken-Caryl Ranch. The Jefferson County Historical Commission, Senior Club, Community Garden

Club, Art Guild and the Ken-Caryl Ranch Foundation also presented displays.

Guests were treated to free ice cream, compliments of an anonymous donor. There were 400 ice cream bars donated, and the Historical Society bought 100 more due to demand! Our residents must love ice cream! The Manor House generously provided snacks, drinks and hot dogs. Residents Mike and Diana Dargen supplied a birthday cake and samples of their Bundt cakes for a business they plan to open in the area.

As guests strolled inside and outside the Manor House, they were delighted by the sounds of the Mile High Banjo Band, with pianist Molly Kaufmann, and the UltraSoniX Barbershop Quartet. Members of the Historical Society added to the ambience with their period costumes.

Throughout the inside of the Manor House were posters and videos produced by the Historical Society highlighting the history of the area. Historical Society emeritus member Dolores Ebner was on hand to sign and sell her books, *The Bradford Years* and *John C. Shaffer*. The proceeds will be used to maintain items of archaeological and historical significance on Ken-Caryl Ranch. A special treat was a fashion show of vintage clothing of the

early 1900s by the Ladies of Days Gone By.

The night before the main event, special guests were invited to a reception at the Ranch House. It was sponsored by the Johns Manville Corporation, and the company's CEO and President Mary Rhinehart, addressed the attendees. Jefferson County Commissioners Don Rosier and Casey Tighe presented a 100-year anniversary proclamation to Valerie Walling, Master Association Board President, and Bob Generoli, Metro District Board President. Two descendants of James Adams Perley, who owned a portion of the land on the north end of what would become Ken-Caryl Ranch from 1895 to 1926, attended the reception. Judy Janicak, who presented a book depicting the history of the Perley family on Ken-Caryl Ranch, is the great granddaughter of Perley, and Linda Shea, who pre-

sented a pioneer woman's sun bonnet, is a great great granddaughter of Perley. Members of the aforementioned Shaffer and McDannald families also attended the reception.

"It was such an honor to be part of the 100-year celebration of Ken-Caryl Ranch," said Valerie Walling. "I'd like to thank the Historical Society for the countless hours they put into coordinating the event. The celebration told the history of this amazing area while offering fun activities for the whole family to enjoy. The meticulous planning was evident, with so much to offer in the way of entertainment, games, displays and tours. I'm truly proud to be a resident of Ken-Caryl Ranch."

Thank you to everyone who attended, and let's continue to make Ken-Caryl Ranch a great place to live, work and play for the next 100 years!

The Ken-Caryl Ranch Historical Society was proud and honored to plan, host and be a part of KCR100 — the celebration of 100 years of Ken-Caryl Ranch. Thank you to the Manor House and general manager Todd Shinn for helping to host by opening its doors and sharing its treasures with the Ken-Caryl Ranch community. What better place to hold the event! In an event of this importance and magnitude, it wouldn't have been possible without the support of many people and organizations as noted below:

- The Boards of the Ken-Caryl Ranch Master Association and Metropolitan District
- The Ken-Caryl Ranch Historical Society
- The Johns Manville Corporation
- Susan Schell, RE/MAX Professionals
- DD Harder Properties — Metro Brokers

KCRMD Board Planning For Bond Sale This Fall

by KCRMD District Manager Darrell Windes

The Ken-Caryl Ranch Metropolitan District (KCRMD) Board of Directors is moving forward with a planned sale of \$7.9 million in municipal bonds for this coming fall. On May 6, voters authorized the KCRMD to issue up to \$7.9 million in municipal bonds for

improvements to facilities and landscaping in the Ken-Caryl Ranch community. Since the May 6 election, the KCRMD Board of Directors has been working closely with the Master Association Board of Directors and the Community Planning Committee to prioritize capital projects with an eye toward the optimum time to sell the bonds to provide the necessary financing for the projects.

The KCRMD Board has been working with its investment advisor, George K. Baum & Company, to keep abreast of market conditions for bond financing to take advantage of historic low interest rates. It appears likely at this time the KCRMD bond sale will take place in early October at which time the entire \$7.9 million will be available for project funding.

As part of the bond sale process, the KCRMD Board of Directors is planning on offering bonds to residents of Ken-Caryl Ranch in advance of the public sale. Bonds could be purchased by Ken-Caryl Ranch residents in increments of \$5,000 with interest earnings exempt from both federal and State of Colorado income tax. Interest rates for the bonds will be determined at the time of the bond closing in October.

Residents who might be interested in purchasing some of the bonds during the advance purchase period should provide their contact information to KCRMD District Manager Darrell Windes at darrellw@kcranch.org to be placed on a list to be notified when the details of the upcoming sale are known. Look for an update on the bond sale in the Sept. 10 issue of *Life at Ken-Caryl*, the *e-News* and on the Ken-Caryl Ranch website at www.ken-carylranh.org.

Vandalism And Fireworks

There have been numerous reports from residents regarding vandalism and illegal fireworks in the area. Whether it's egged cars, fireworks in the middle of the night, broken bottles on the street, or numerous other issues, we urge residents to report the activity to the Jeffco Sheriff at 303-277-0211. Also, the glass fronts of the vending machines at the Community Center were smashed recently. Due to this vandalism, the machines will be removed for the remainder of the year. Issues like this cost the taxpayers money, and they must be stopped. If you have any information about the incident, please contact Darrell Windes at 303-979-1876, ext. 114, or darrellw@kcranch.org.

Men's Bridge Group Looking For Members

A men's bridge group has been meeting at the Ranch House for 23 years. Membership has changed in the group over the years, but bridge still remains a popular pastime for all who play. Legacy resident Tom Van Egeren has played with the group for several years. "Every time I play with the group, I learn something about bridge. It's a very relaxed, comfortable setting. There is a range of skills with the players, and it's a great learning group," Tom said.

The group is always looking for new members to join. It plays every Monday from 9 a.m.

to noon at the Ranch House. The environment is relaxed and friendly with coffee and treats provided. Call Tom at 303-979-6626 for more information or just show up.

Special Programs

Fall Family Flu Shot Clinic

The Colorado Flu Shot Company will be providing family flu immunization clinics. The flu vaccination is recommended by the Center for Disease Control and the American Academy of Pediatrics for anyone 6 months of age and older who would like to increase their chances of a flu free fall/winter season. The CDC in 2006 changed the age range of high risk children to include all children 5 years and under, and their care givers. This is because younger children are most at risk for secondary infections (pneumonia, bronchitis, ear infections), and complications from the virus result in more childhood hospitalizations than any other vaccine-preventable

The final Music a la Mode concert event of the summer was Aug. 6 at the Ranch House Pool. The free concert featured music by Narrow Gauge and face painters Suzi-Q-Z and Michelle Riccardi. Kids enjoyed the bounce house and balloon artists, and several people took a dip in the pool. The winners of the Olive Garden Gift Card were Trudy and Jordyn Reed. We're so glad the weather cooperated this time! Special thanks to the Scientific & Cultural Facilities District and the Ken-Caryl Ranch Metropolitan District for sponsoring the event. We hope to see everyone at next summer's Music a la Mode events.

KC Nature News

Scrub Oak

by Environmental Education Specialist Gabrielle Hesselius

Hopefully you have noticed the new KC Nature, formally Environmental Education or Ranger U, logo featuring an oak leaf. This design was chosen because of the large abundance of scrub oak, *Quercus gambelii*, Ken-Caryl has in the Valley. It is called scrub oak because its growth can appear to be stunted the major-

ity of the time. It can also be called Gambel oak, named after William Gambel, a 19th century field assistant to Thomas Nuttall, an English botanist and western explorer. Scrub oak or Gambel oak is one of the few deciduous trees native to the intermountain west.

Scrub oak is a very important plant to many different animal species. It is the host plant for the Colorado Hairstreak butterfly. Its leaves are munched on by mule deers, woodrats and porcupines. The oak's fruit is an

acorn, which is present in the late summer and fall. Acorns provide food for black bears, scrub jays, wild turkeys, woodrats and chipmunks. Shelter to small mammals, reptiles and birds is also offered by scrub oak. Native Americans ate acorns for protein and used

wood to make bows, arrows and axe handles. Join KC Nature for Sunday Family Fun-Day Hikes, FREE for residents! Tree-mendous will be the topic on Aug. 31 and Sept. 7. For more information about KC Nature programs, visit www.ken-caryl.org.

Farewell To Ranger Ernie

Ranger Ernie Stone has provided Environmental Education programming for the youth of Ken-Caryl Ranch since 1997. Ernie retired on Aug. 14, and her duties will be passed on to Gabrielle Hesselius, who has been working with Ranger Ernie for the past six months learning the ins and outs of the Environmental Education Ranger U program, now called KC Nature.

We would like to thank Ranger Ernie for all of her hard work and dedication over the past 17 years. Ken-Caryl Ranch has a long-standing tradition of excellence with its Environmental Education Ranger U programs thanks to Ernie's passion about the program. According to KCRMD District Manager Darrell Windes, "During her many years with us, Ranger Ernie took the Environmental Education programming to a new level in the community. Her involvement and dedication to the programs will leave a lasting legacy for both the current and future residents of Ken-Caryl Ranch."

A retirement party was held for Ernie on Aug. 14 at Dakota Lodge. Countless residents and staff members came out to say goodbye

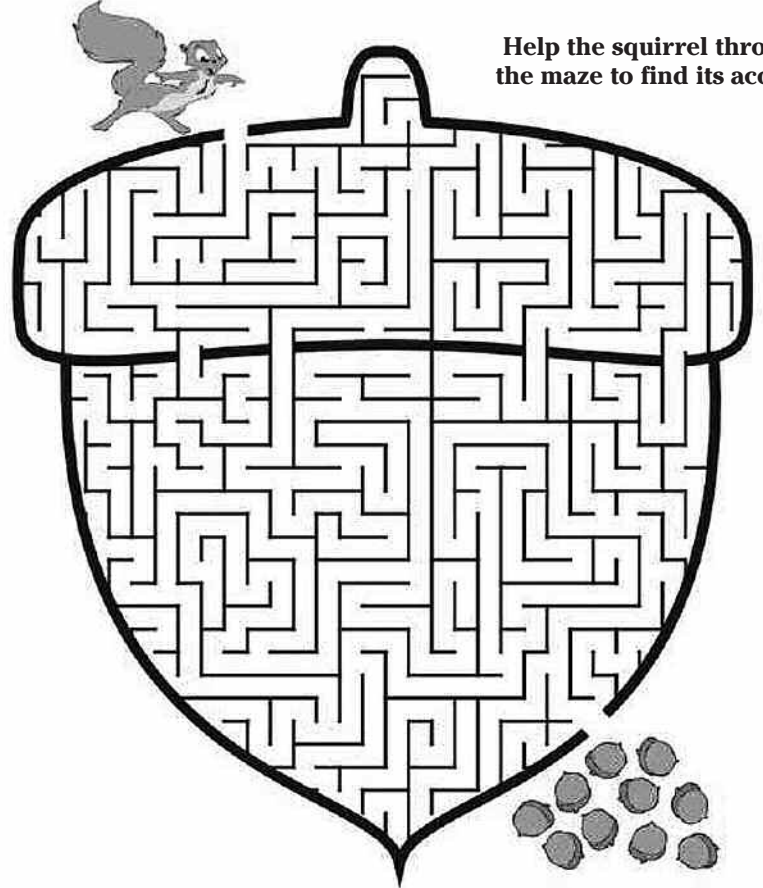

Ranger Ernie Stone at her retirement party with Environmental Education student Mareah VonWinckelmann.

and to wish Ernie well. Ernie is soon moving to Washington State with her husband. We wish her the best!

KCSC Lightning Celebrates Champion Swimmers

Submitted by Jim Bartuska,
Ken-Caryl Lightning

The Ken-Caryl Lightning swim team completed another successful season by finishing 13th place overall out of 55 teams at the State Summer Club Swim Championships at Splash in Golden the weekend of July 25-27. This came on the heels of a third place finish at the South Jeffco Swim League (SJSJL) Championships on July 20 at Governor's Ranch. The Lightning had numerous outstanding swims across all age groups at both events.

were crowned League Champions in at least one event out of 70 that swam at SJSJL. Swimmers who won League Championships were: 8 & under, Audrey Steeves (25-meter backstroke); 9-10 year olds Gunnar Holmes (50 backstroke), Jack Tolbert (200 free), and Andy Carlson (50 breaststroke — broke a 24-year-old SJSJL record by 2.5 seconds!); 11-12 year old Garrett Cruz (200 free); 13-14 year olds Micaela Clode (50 free and 100 backstroke) and Ethan Drews (400 free); and 15-18 year old Toby Mullarkey (200 free, 400 free). In addition, the 9-10 boys relay team of Holmes, Carlson, Tolbert and Evan Turney won both relays, breaking a 24-year-old SJSJL record by 13 seconds in the 200 Medley Relay and their own SJSJL League record from last year by six seconds in the 200 Free Relay!

A week later, five swimmers out of 21 were crowned as State Champions in at least one event at the State Championships. Lightning State Champions were: Turney in the 50 free; Holmes in the 50 backstroke; Carlson in the 50 breaststroke; and Mullarkey in the 400 free. The 9-10 boys relay teams of Holmes, Carlson, Turney and Tolbert were at it again, destroying the field and setting new state records by five seconds in the 200 Medley Relay and by almost eight seconds in the 200 Free Relay, each team dropping about six seconds from their League Championship swims a week earlier!

Lightning swim team members at the State meet, from left to right Evan Turney, Toby Mullarkey, Gunnar Holmes, Andy Carlson and Jack Tolbert.

The coaching staff, headed by 10th season head coach Polly Boen, did a tremendous job coaching these swimmers to be able to do their best and represent Ken-Caryl Ranch in fine fashion. The entire team

of 200 swimmers (our largest yet) made great strides in all of their meets and practices. Congratulations, Lightning, on a fantastic season!!

Letter To The Editor

Dear Editor:

Jon Keyser is currently a candidate for Colorado State Representative for Colorado House District 25. Jon is a Colorado native, having graduated from high school in Colorado and also from the United States Air Force Academy. Recently Jon served with distinction as a ground combat veteran of tours of duty, which include time in Iraq and Afghanistan. During his service Jon was awarded the Bronze Star Medal and during

one year was named the Air Force Intelligence Officer of the Year. He now resides in our district with his wife and daughter and continues to serve as a Major in the United States Air Force Reserve.

Jon is an approachable, reasonable and thoughtful leader who cares deeply about serving his district and his native state of Colorado. He is dedicated to Colorado and is passionate about helping restore Colorado to its former position of being a business leader in a healthy business climate. He is dedicated to looking for ways to improve our education system and to continue to defend our Constitutional rights as citizens of Colorado and the USA.

We have lived in Ken-Caryl Ranch for 28 years and are eager to have Jon represent us in District 25. We are confident that he will be a responsive and active advocate for our community. If you would like to meet Jon, he will be at the Ken-Caryl Ranch House on Sept. 4 from 6-7:30 p.m.

Art Notes

Ties of Intimacy, Chalk Pastel on Canvas
by Michael Schuessler

Ken-Caryl Art Guild Presents Michael Schuessler

Fine artist Michael Schuessler of Schuessler Art Studios will be featured at the Thursday, Sept. 11 meeting of the Ken-Caryl Art Guild at Rox Bar & Grill, 12684 W. Indore Place in Littleton. His presentation will take place at 7 p.m. following the regularly scheduled business meeting at 6 p.m.

Michael's medium is chalk pastel on raw, untreated canvas, which he binds together with acrylic bonding agent. This is accomplished in a series of transparent layers. As a result, light striking the canvas is absorbed rather than reflected. This illusion creates the effect of self-generated light, changing from morning to night, and it facilitates the true spirit of the pigments on the surface in an ever-changing palette of color.

Michael has an extensive background in the healing arts, focusing on The Kabala, psychology, studies in symbolism, and healing with sound, color, and mysticism. These studies along with his artistic training have enabled him to capture the quintessence of mood upon the canvas, which then defines the true essence of spirit. "I believe the healing arts and the canvas arts can be one and the same," Michael said.

"Creative imagination is a beautiful thing. Oftentimes certain artists over explain where, why and how the art was created. I believe that this does not always allow the viewer to spontaneously see, feel and react to the art," said Michael. "When I create, my emphasis is on spirit and the viewer. I seek to slow the viewer down, a kind of sedation, which allows their inner-self to create through the works. Imagination and desire is the key to creation and this should be shared. As soothing and as calming as my works are, they allow the viewer to respond and create — the longer they look, the more they experience. The focus allows the spirit of the pigments to come through the viewer as it was created through me, thus we awaken our capacity for true creativity and connect at a level far beyond this physical realm."

Michael was recognized by CBS 4 as being one of the Top 5 Studios in 2012. You can view more of Michael's artwork online at www.SchuesslerStudios.com.

The Ken-Caryl Art Guild welcomes new members to its monthly programs, held on the second Thursday of the month in the upstairs meeting room at Rox Bar & Grill. For more information about membership in the Art Guild, visit www.ken-carylartguild.org.
