Community Meeting: Pool Revenue Sources

Date: Wednesday, Jan. 16
Time: 5-7 p.m.
Location: Ranch House

The Ken-Caryl Ranch Metropolitan District is hosting another community meeting to gain feedback and share ideas on pool revenue sources for the 2019 season. The Metropolitan District Board decided not to charge daily-use fees for the pools but did ask the staff and community to come up with ideas to offset the cost of operating the pools for \$55,000. This can be achieved through generating more revenue or cost savings or both. You can also send feedback or ideas to melissad@kcranch.org.

Christmas Tree Chipping at Brannon Gearhart Park Ends Jan. 20

The Parks Department is accepting Christmas trees for chipping at Brannon Gearhart Park through Jan. 20. Brannon Gearhart Park is located just east of Valley Parkway between Mahonia and Buckthorn. Be sure to remove any non-coniferous items such as metallic materials and tinsel before bringing your trees because many materials can damage the chipping equipment.

Call for Candidates: Master Association Board Election

Interested in running for the Master Association Board? There is one spot open for the March election, and applications are due Jan. 25. See details at the link below.

Meeting of the Minds

Date: Thursday, Jan. 31
Time: 6-7:30 p.m.
Location: Dakota Lodge

An open forum to discuss topics impacting us, our community, and beyond. January's theme: Climate Change - Fake News or a Real Problem? Come with an open mind and any question, thoughts, or information you would like to share. There will be a brief presentation followed by an open forum. This program is suitable for adults 18+ years. Light refreshments will be provided. The program is free, but registration is required.

Young Engineers Lego STEM Program

Ages: 1st - 5th Grade
Dates: Wednesdays, Jan. 16 - April 24
Time: 4:30-5:45 p.m.
Location: Ranch House

Build amusement park rides, simple machines, robots, and more! The Bricks Challenge program introduces elementary-aged children to the basic principles of Science, Technology, Engineering, and Mathematics (STEM) through storytelling and building exclusive motorized models with LEGO® bricks. You can sign up for multiple weeks, one week, or even just drop in.
