Recent Bear Activity

The Rangers have received several reports of bears in the Valley in the last couple weeks. The bear shown here was spotted in the North Ranch last week. The Rangers recommend putting garbage cans outside for pick-up only in the morning. Please bring in birdfeeders. See details about attractants at the link below.

Colorado Parks and Wildlife Wants to Hear From You!

Date: Wednesday, July 17
Time: 6 p.m.
Location: Dakota Lodge

Colorado Parks and Wildlife (CPW) is studying community perceptions related to human-black bear conflicts, and they want to hear from you! CPW is conducting a survey to research community perspectives regarding human-black bear conflicts in the Ken-Caryl neighborhood. There will be a meeting on Wednesday, July 17 at 6 p.m. at Dakota Lodge. The purpose of the meeting is to have an open discussion and conduct a survey in order to better understand the community's interests and potential concerns about human-bear conflicts. The data CPW collects from the survey will be used to assist in the development of a new strategic education plan to help minimize human-black bear conflicts up and down the Front Range area.

Equestrian Center Barn Named to National Register

The Ken-Caryl Ranch Historical Society has successfully nominated the Main Barn for the prestigious National Register of Historic Places. The barn, completed in 1922, was built by John C. Shaffer to raise Hereford cattle. The National Register nomination recognizes the barn's architecture as a unique example of early twentieth century construction of a "transverse frame barn."
