Mill Levy FAQ: Will the Money Be Spent on Trails?

You will not see any information on the cost of trails in the mill levy materials because open space management, including trail building and maintenance on private open space trails, is a function of the Master Association. The Master Association is funded with HOA dues. The mill levy funds the Metro District through property taxes. Cutting trail maintenance or building would not impact the Metro District's budget. Additionally, the mill levy funding would not go toward Master Association trail maintenance or trail building.

Is your 7th, 8th or 9th grader looking to make a difference? Ken-Caryl will be accepting applications to the KCR TRAILS (Teens Rising Above in Leadership & Service) Youth Committee. This is a long-term program where students grow and learn together. Check out the link below for details and an application.
