Storm Clean-Up Resources - Jeffco SLASH Drop-Off This Week Only

The spring snowstorm this weekend wreaked havoc around the community, and numerous tree branches are down. The KCRMD Parks Department and KCRMA Rangers are working to clear branches as quickly as possible, but please be patient! If you left a voicemail over the weekend, staff will reply, but it may not be right away due to the volume of trees down. For storm clean-up resources, including Jeffco SLASH collection information to assist residents with tree limbs and debris, please visit our website by clicking on the button below.

LookoutAlert

EMERGENCY NOTIFICATIONS

New LookoutAlert System Replaces CodeRED

LookoutAlert, replacing CodeRED, will quickly notify people within a specific geographic area that may be affected by a large-scale disaster, evacuation or shelter-in-place orders, and other incidents that require immediate public awareness. Individuals who were signed up for CodeRED have been automatically enrolled into LookoutAlert. These residents do NOT need to sign up but are encouraged to set up an account in the new platform to be able to choose what types of alerts they want to receive and to review and update their information when necessary. All landline residential and commercial phone numbers within the three jurisdictions have also automatically been enrolled into LookoutAlert. Residents may register for LookoutAlert using the button below.

Staff Spotlight: Cindy Briggs, Aqua Cardio, Core & Strength Class

Cindy has been teaching fitness classes for six years. It has become her passion to teach and interact with so many people. She loves staying mobile and keeping an active quality of life. For Cindy, it's not so much about gaining muscle as it is about still being able to play with grandkids on the floor, enjoying family hikes, or dancing at weddings. Cindy will be teaching Aqua Cardio, Core & Strength on Thursday mornings 8:45-9:35 a.m. She loves to teach Aqua classes at Ken-Caryl because she enjoys the sun, fun, friends and fitness.
