Community Park Master Plan Update

Thank you to everyone who has participated in the community feedback process for the Community Park Master Plan. We held two successful community meetings and received several hundred responses to surveys. After gathering feedback from the community and key stakeholders, Brightview Design Group is in the process of updating the design concept. While we were hoping to hold a community meeting in late March, staff made the decision to postpone to later in the spring to further refine the plan. When the date is finalized, we will announce it in the e-News, Facebook and on the dedicated Community Park Master Plan webpage of our website, accessible by clicking on the button below. Questions? Contact District Manager Traci Wieland at traciw@kcranch.org, or 303-979-1876, ext. 136.
