### Community Park Master Plan Update

Thank you to everyone who has participated in the community feedback process for the Community Park Master Plan. We held two successful community meetings and received several hundred responses to surveys. After gathering feedback from the community and key stakeholders, Brightview Design Group is in the process of updating the design concept. While we were hoping to hold a community meeting in late March, staff made the decision to postpone to later in the spring to further refine the plan. When the date is finalized, we will announce it in the e-News, Facebook and on the dedicated Community Park Master Plan webpage of our website, accessible by clicking on the button below. Questions? Contact District Manager Traci Wieland at [traciw@kcranch.org](mailto:traciw@kcranch.org), or 303-979-1876, ext. 136.

### District Board Exploring Mill Levy Continuance

The Ken-Caryl Ranch Metropolitan District is facing a potential revenue shortfall in the future and is exploring options to address the issue while maintaining high-quality park and recreation services without raising taxes. A potential option includes the continuation of an existing mill levy, or a portion of that mill levy. The Board would like input from the community regarding this option. The District's Board could place a ballot initiative on the November 2023 ballot asking voters to approve continuing the full amount or a portion of the amount of the bond repayment mill levy (currently 3.984) as a general operating mill levy. The District wants to hear from you! What are your thoughts on the possible mill levy continuance? Also, do you have a small group that would be interested in engaging in a conversation about this issue? Please reach out to District Manager Traci Wieland at 303-979-1876, ext. 136, or via email at [traciw@kcranch.org](mailto:traciw@kcranch.org).
