2024-2025 REGISTRATION INFO

When registering into B&A for the 2024-2025 school year, you will choose one of two options:

- Drop-In Registration
- Regular Registration
 - Monthly Sign Up
 - Premier Sign Up

DROP-IN REGISTRATION

- Drop-in registration is a new annual registration type this year.
- This registration is intended for participants that need access occasionally to before care, after care, full days and/or break camps (Examples: less than 5 B&A sessions/month, only attends full days, etc.). Please note, this type of registration only allows participants to attend if there is space.
- They will not be able to sign-up using the monthly calendar and must send an e-mail request for the dates they need drop-in care.
- If this type of registration is what you would like, please search for "Drop-In" when registering for the B&A program.

MONTHLY SIGN UP

- After paying the annual registration fee for the 2024-2025 program, you will then be able to sign up and pay for the specific dates you need care.
- Monthly sign up is for participants that would like to choose the dates needed on a monthly basis (versus signing up through the Premier sign up).
- Every month prior you have from the 1st (District residents) and the 5th (non-residents) until the 25th of the month to complete the following month's registration.
- Each month's registration is first come, first served.
- Any sign ups after the 25th of the month will be classified as "drop-in" (see other notes below).
- For monthly sign ups, you may request a cancellation with at least 7 days notice to receive credit (this is not an option for Premier Registration sign ups).
- *If you choose to sign up through the monthly registration and your student does not attend regularly, we reserve the right to move your student to the drop-in status registration.*

PREMIER SIGN UP

- After paying the annual registration fee for the 2024-2025 program District Residents only will have the chance each semester to opt into the Premier registration (semester sign up) or stay as monthly.
- Registration for Premier is by semester (fall/spring).
- The first payment will be made upon completing registration, then remaining payments will be set up for 15 days prior to each month.
- Once registered in the Premier program, no refunds or credits will be given for unused days.
- If your child(ren) do not show up for days registered and this occurs in excess, we reserve the right to void your Premier registration and move you to monthly registration.
- You must inform the B&A program of any absences by 2 p.m. that day. Otherwise, it will be noted as a no show.
- There are several no-school full days. This is a separate 'Full Day-Premier' registration you have the opportunity to complete during the Premier registration windows.

OTHER NOTES

- For both Premier and Monthly registrants, if you have additional dates you would like to add after you have already submitted your registration, email youthprograms@kcranch.org with the request. Any requests after the online registration has closed will incur the drop-in rate.
- You must receive a confirmation from the youth programs team that we are able to accept the request and aren't at capacity for the day prior to you bringing your student.
- Reminder - Before care is not offered at the Ranch House for Shaffer students due to the school hours shifting earlier.
