Introducing Elk Meadows! Parcel A's New Name

Drum roll, please... Parcel A will now be known as... Elk Meadows! Congratulations to resident Genesee Mullin whose suggestion truly resonated with the team to perfectly encapsulate the essence of the area. Genesee's creativity has added a meaningful touch to our beloved community, and we are excited to see how Elk Meadows and its future residents become a meaningful part of the of the Ken-Caryl community!

Bi-Weekly Recycling and Tote Delivery Updates

Ken-Caryl Ranch officially transitions to bi-weekly recycling collection services on May 1. Residents with scheduled recycling pick-ups the week of April 29 through May 2 (collection services run Monday – Thursday for Ken-Caryl Ranch residents), will not be impacted and recycling will be picked up on these days.

Beginning the following week of May 6, recycling collection services will officially adhere to the bi-weekly schedule; there will be no recycling collection services this week. Recycling will then resume the week of May 13 and will continue to alternate.

Waste Connections will begin delivering recycling totes to residents who placed their orders online by the March 15 deadline between April 25–27. Those who placed their order after the deadline will receive their totes at a later date - so stay tuned for updates! Once the new contract goes into effect, only recycling in approved Waste Connections totes will be collected. ***However, residents who ordered new totes from Waste Connections prior to the March 15 deadline can still use their existing totes while their new totes are in the process of being delivered.*** There will not be any disruptions to your pick-ups or service.

Trash totes ordered online will be delivered at a later date and information regarding a delivery timeframe will be communicated to residents when available.
